EXPLANATORY

ITEM NUMBERING

1. Permanent and temporary items are numbered sequentially (0001 to 9999) for each department. Departments are allocated departmental numbers as shown in Departmental Index.

2. This method of numbering allows for organisational expansion in departments with the item number for a particular position generally remaining constant. Positions are identified by a departmental number and the item number in the particular department. (Example: Sub-Accountant, Accounts Branch, Department of Agriculture - Item 01 1510)

ALLOWANCES

3. Allowances shown throughout the list are explained by reference to the code detailed in Appendix "A". Special allowances and district allowances have not been included. For explanation of "Efficiency", "Service" and "Married Man's" allowances reference should be made to the Public Service (Administrative and Clerical Officers) Salaries Agreement No. 18 of 1974 as amended.

DIVISIONS OF THE SERVICE CLASSIFICATION AND SALARY

4. The Public Service is divided into five Divisions - Special, Administrative, Clerical, General and Professional.

SPECIAL DIVISION

5. The level of each office in this Division is indicated in the 'Classification' column. To ascertain the salary rate applicable to a particular level, reference should be made to the Determination of November 15, 1974, as published in Government Gazette (No. 92) of November 29, 1974 and to Administrative Instruction 16/75 dated May 21, 1975.

CLERICAL AND ADMINISTRATIVE DIVISIONS

6. The classification for each office in these Divisions is indicated by symbols for division (A - Administrative; C - Clerical) group and class. To ascertain the salary rate applicable to a particular office reference should be made to -

   (a) Public Service (Administrative and Clerical Officers) Salaries Agreement No. 18 of 1974 as amended.

   (b) Administrative Instruction 16/75 dated May 21, 1975, Administrative Instruction 17/75 dated June 11, 1975 and Administrative Instruction 18/75 dated June 19, 1975.

GENERAL DIVISION

7. The classification of each office in this Division is indicated by symbols for division (G) group and class. To ascertain the salary rate applicable to a particular office reference should be made to -

   (a) Public Service (General Division Officers) Salaries Agreement No. 8 of 1975.

   (b) Administrative Instruction 16/75 dated May 21, 1975.

PROFESSIONAL DIVISION

8. The symbol (P) in the classification column denotes Professional Division offices. The salary rate for a Professional Division office may be obtained by reference to the Award or Agreement, as amended, indicated in the appropriate column. The level of salary or salary range, within the Award or Agreement concerned, which has been allocated to a particular office is indicated by the number adjacent to the symbol P in the classification column.

   The current agreements applicable to Professional Division officers are as follows:-

Agreement No.	Title
110/71	Agricultural Scientists
