These lots are to be sold subject to the following conditions:—

(a) The purchaser shall erect on the lot purchased a residence to comply with Local Authority by-laws within four years from the due date of the first instalment. If this condition has not been complied with in the time prescribed, the land may be absolutely forfeited together with all purchase money and fees that may have been paid. However, freehold title to the land may be applied for when a residence has been erected to "top plate height" stage, and is not less than 50% completed to the satisfaction of the Minister for Lands.

On payment of the first instalment of purchase money a License will be available, upon which a mortgage can be registered. A Crown Grant (freehold) will not issue until the purchaser has complied with the building condition. A holder of a License may apply to the Minister for Lands for permission to transfer a License.

(b) Purchases by Agents will need to be ratified by the Principals.

OPEN FOR PASTORAL LEASING.

Under Part VI of the Land Act, 1933-1977.

Kimberley Division.

Easton District.

Department of Lands and Surveys,
Perth, 30th November, 1979.

Corres. 3567/78.

IT is notified for general information that the area of approximately 35 625 hectares situated about 160 kilometres northeast of Derby Townsite, and as described in the Schedule below, has been made available for Pastoral Leasing as from Wednesday, 16th January, 1980, subject to the condition that a Pastoral Lease of this land, may only be granted to a lessee of land in the same locality.

Lessees are required to stock the land and as a guide to minimum development lessees are required to expend, each year, in effecting improvements an amount not less than two and one half times the annual rental.

In accordance with the provisions of the Land Act this land is made available for pastoral leasing at an interim rental of $1 per 404.685 6 hectares (1 000 acres). The final rent will be fixed by the Minister on the advice of the Pastoral Appraisement Board.

Applications, accompanied by a deposit of $48 must be lodged at the Department of Lands and Surveys, Perth, not later than Wednesday, 16th January, 1980.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for the area, the application to be granted will be decided by the Land Board.

B. L. O'HALLORAN,
Under Secretary for Lands.

Schedule.

All that portion of land bounded by lines starting from the intersection of the western boundary of Pastoral Lease 3114/865 with the right bank of the Isdell River and extending generally northwesterly, downwards along that bank to a point situtate forty metres above the High Water Mark of Walcott Inlet; thence generally northeasterly parallel to and forty metres above that water mark to the left bank of the Charnley River; thence generally easterly, upwards along that bank to the north western corner of Pastoral Lease 3114/865, and thence south along the western boundary of that pastoral lease to the starting point.

Area: about 35 625 hectares.

APPLICATIONS FOR LEASING.

Department of Lands and Surveys,
Perth, 30th November, 1979.

Corres. 1204/59.

APPLICATIONS are invited under section 32 of the Land Act, 1933-1977 for the leasing of portion of Reserve 14606 (Murchison Location 105) containing an area of 329.414 1 hectares for the purpose of "Grazing" for a term of 5 years at a rental of $50.00 per annum.

The land is made available for leasing subject to the following conditions:—

(1) The land shall not be used for any purpose other than Grazing without the prior approval in writing of the Minister for Lands.

(2) The lessee shall not cut down, fell, injure or destroy any living timber or scrub upon the demised land except for the purpose of destroying poisonous growth or by the agistment of stock in reasonable numbers.

(3) Any person holding a Miners Right shall have right of entry at all times for the purpose of prospecting and pegging mining tenements on the land.

(4) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.

(5) Power is reserved to the Minister for Lands to direct that the number of stock depasturing on the demised land shall be reduced if the Minister is of the opinion that the demised land is overstocked to an extent sufficient or likely to cause permanent damage to the land; failure to comply with any such direction will result in the forfeiture of the lease.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications must be lodged at the Department of Lands and Surveys, Perth on or before Wednesday 2nd January, 1980 accompanied by a deposit of $28.50.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for the location, the application to be granted will be decided by the Land Board.

Schedule.

TOWN PLANNING AND DEVELOPMENT ACT, 1928 (AS AMENDED).

Shire of Kalamunda.

Town Planning Scheme—District Scheme. Amendment No. 71.

THE Kalamunda Shire Council, under and by virtue of the powers conferred upon it in that behalf by the Town Planning and Development Act, 1928 (as amended), and the Metropolitan Region Town Planning Scheme Act, 1959 (as amended), hereby amends the above Town Planning Scheme by:—

Zoning land from road closure on the corner of Alder Way and Holmes Road to Special Purposes (Service Industry) Zone.

Re-zoning Lot 1000 Swan Locn. 1442 and Canning Locn. 1759 from Residential D Zone to Special Purposes (Service Industry) Zone and by amendment to the Scheme text as follows:—

Clause 16: Inclusion of "20.8 Service Industry".

Inclusion of a new clause as follows:—

45.2 Special Purposes (Service Industry) Zone.

The following provisions shall apply specifically to all land included in the Special Purposes (Service Industry) Zone in addition to any provisions which are more generally applicable to such land under this scheme—

(a) This zone shall apply solely to Lot 1000 Swan Location 1442 and Canning Location 1759.

(b) The provisions of Clause 44 (a), to (e) inclusive, (h) (j), (i), and (n) to (p) inclusive shall apply.

(c) A hardware retail store may be permitted to a maximum gross floor area of 520 m² subject to the requirement of one car parking bay for each 12.5 square metres gross floor area of the hardware retail store.

(d) Building setbacks shall be in accordance with the approved plan Appendix F.

(e) Landscaping shall be established as indicated on the approved plan Appendix F and maintained to the satisfaction of Council. For the purpose of interpretation of this subclause the flora nominated and located in the approved plan Appendix F may be subject to negotiation with Council subject to the principles of landscaped screening being maintained.

(f) No building shall exceed 4.5 metres in height measured from finished ground level to ridge line; or the height of buildings existing on the land on the gazettal date, whichever is the greater.

(g) The uses to be permitted in this zone may include a hardware retail store in accordance with subclause (c) plus those uses that may be classified under the following headings. All uses are subject to Council approval.

1. Light metal fabrication—manufacturing and sales.
2. Electrical engineering (no retail sales permitted).
3. Light truck bodies, and caravan manufacture (no display area to be permitted.).
4. Hire Service (all display and storage to be under main roof).
5. Printer and signwriter.
6. Existing uses as at date of gazettal.

(h) The operation of any use or uses which may from time to time establish in this zone shall always be such as that the amenity of residential development in the vicinity shall not be adversely affected by the emission of light, noise, vibration, smell, fumes, smoke, vapour, steam, soot, ash, grit, oil, waste water or waste products.

Should any such use or uses cause a nuisance as specified above Council may resolve that action be taken separately or severally by the establishments concerned to reduce the nuisance to acceptable levels.

Final approval granted.
Date 20th November, 1979.

JUNE CRAIG,
Hon. Minister.

Schedule.

BY-LAWS.

1. In these by-laws the by-law published as by-law number 54 of the Railway By-laws, in the *Government Gazette* on the 14th May, 1940 and amended from time to time thereafter by notices published in the *Government Gazette* is referred to as the principal by-law.

Schedule—*continued.*

2. The Schedule to the principal by-law is amended by adding a new Part to stand as Part IIIA as follows—

PART IIIA—COMMUNICATION OF INFORMATION RELATING TO TRAIN MOVEMENTS.

54A. (1) Subject to this rule, all information relating to train movements that is required to be communicated under these rules shall be communicated by radio or by telephone unless the particular rule specifies that communication is to be by telephone in which case communication must be by telephone.

(2) Where a rule in these Rules requires information relating to train movements to be communicated but does not specify a particular method of communication the information required to be communicated must be communicated by radio or telephone according to whatever previous arrangement has been made between the persons who are required to be in communication under the rule or rules governing the particular activity in which they are engaged but where—

(a) there is any doubt as to whether radio communication has effectively conveyed the information required to be communicated; or

(b) the telephone is the only method of communication available,

the information that is required to be communicated must be communicated by telephone.

(3) In every case where communication relating to a train movement is required to be made under these Rules the persons required to communicate with each other under the particular rule must ensure that the particulars, if any, set out in the rule are communicated and received.

3. Rule 76 in the Schedule to the principal by-law is amended—

(a) as to subrule (2), by adding after the word "of" in line two the words "assisting in"; and

(b) as to subrule (4), by deleting the passage commencing with the word "the" in line one of paragraph (a) and ending with the passage "and —" and substituting the passage "the Driver of a train required to stop at an approach signal must immediately communicate with the Train Controller, or, where specially authorised, with the Signalman by the telephone provided at the signal, stating the circumstances and —".

4. Rule 79 in the Schedule to the principal by-law is amended—

(a) as to subrule (2), by adding after the word "of" in line two the words "assisting in"; and

(b) as to subrule (4) by deleting the words "by means of the telephone provided at the signal" in lines three and four.

5. Rule 82 in the Schedule to the principal by-law is amended by revoking subrules (3), (4), (5) and (6) and substituting the following subrules—

(3) Points indicators fixed on catch or safety points (*see fig. 62, page 496*) exhibit a red target by day and a red target by night when the points are in their normal (derailing) position, and a green target by day and a green target by night when the points are reversed.

(4) Points indicators fixed on other than catch points (*see fig. 63, page 496*) exhibit a half red and half green target by day and a half red and half green target by night the green is exhibited on the side for which the road is set.

(5) Points indicators of the type shown in fig. 64 (*page 496*) fixed on catch or safety points exhibit a red target by day and a red target by night when the points are in their normal (derailing) position; and a green band by day, and a green band by night when the points are reversed.

(6) The indicator referred to in subrule (5) of this rule when fixed on other than catch or safety points (*see fig. 65, page 496*) exhibits a green band by day and a green band by night, when the points are in their normal position; and a red target by day and a red target by night when the points are reversed. .

6. The Table under subrule (1) of rule 127 in the Schedule to the principal by-law is amended by deleting the word "Yellow" under the column headed "Signal by Night or in Foggy Weather" opposite item (k) and substituting the word "White".

7. Rule 235 in the Schedule to the principal by-law is amended by deleting the word "telephone" where occurring in each case in—

(a) lines nine and ten of subrule (1); and

(b) line four of subrule (2),

and substituting the words "communicate with".

Schedule—*continued.*

8. Rule 255 in the Schedule to the principal by-law is amended—

(a) as to subrule (6), by revoking the subrule and substituting the following subrule—

(6) Where communication is by telephone, the Train Controller must telephone particulars of an order for delivery to the Drivers of the leading locomotives of the trains affected by the issue of the order, and where practicable, to the Guards of those trains; where communication is by radio, the Train Controller must radio particulars of an order direct to the Drivers of the leading locomotives of the trains affected by the issue of the order and where the Guards are also in communication with the Train Controllers by radio also to the Guards of the trains affected by the issue of the order. ;

(b) as to subrule (9), by deleting the passage "a person receiving a train order must —" in line one and substituting the passage "A person receiving a train order by telephone must —";

(c) by adding the following subrule—

(9a) A person receiving a train order by radio must—

(a) reduce the order to writing as it is being received by him on a train order form (*Form SW24*), and, if copies of the order are required to be made for delivery, must by means of carbon paper make the required number of copies simultaneously at the time that the order is being transmitted to him;

(b) at once, repeat back to the Train Controller the instructions received, pronouncing the names of stations, and numerals, plainly; and

(c) if required to do so according to the terms of the order, distribute the completed forms in accordance with instructions received. ;

(d) by revoking subrule (10) and substituting the following subrule—

(10) A train order given under this rule with respect to—

(a) an attended station, must be received by the Signalman or Station Master of the station;

(b) an unattended station, must be received by the Fireman of the train approaching the station and the Fireman must convey the order to the Guard of the train,

but where a train order is given with respect to an unattended station and—

(c) the order is given by radio to a train *en route*; or

(d) the locomotive on a train approaching the station has only a one-man crew,

the order must be received by the Guard. ;

(e) as to subrule (14), by deleting the passage commencing with the word "when" in line eleven and ending with the passage "order." in the last line and substituting the following passage—

(c) when a train order is delivered to a Driver in accordance with subrule (16) of this rule, the Guard, or, if two locomotives are on the train, the Driver of the rearmost locomotive, must not permit the train to proceed beyond the scheduled crossing or passing point, until he has perused the train order;

(d) when a train order is transmitted by radio the Driver of the rearmost locomotive must not permit the train to proceed beyond the scheduled crossing or passing point until he has received advice of the changed crossing place. ; and

(f) as to subrule (22), by adding after the word "not" in line one the words "communicate or".

9. Subrule (1) of rule 517 in the Schedule to the principal by-law is amended by deleting the words "the Signal and Telecommunications Sub-branch" in lines two and three of paragraph (a) and substituting the words "a person carrying out a direction given by on or behalf of the Signal and Communications Engineer".

10. The Rules in the Schedule to the principal by-law are amended in the manner set out below—

Provision amended.	Amendment.
