

Electricity Distribution Access Order 2003

STATUS OF THIS DOCUMENT

This document is from an electronic database of legislation maintained by the Parliamentary Counsel's Office of Western Australia.

DISCLAIMER

No warranty is given as to the accuracy or completeness of this document. The State of Western Australia and its agents and employees disclaim liability, whether in negligence or otherwise, for any loss or damage resulting from reliance on the accuracy or completeness of this document.

REPRINT AND CONSOLIDATION NUMBERING

The reprint number (in the footer of each page of the document) shows how many times the Act has been reprinted. For example, numbering a reprint as "Reprint 3" would mean that the reprint was the 3rd reprint since the Act was passed. A consolidation described as "Consolidation 3a" would be the result of updating Reprint 3 for the first time to reflect the amendments since the date as at which Reprint 3 was prepared.

Reprint and consolidation numbering was implemented as from 1 January 2003.

Electricity Distribution Access Order 2003

1. Citation

This order may be cited as the *Electricity Distribution Access Order 2003*.

2. Commencement

This order comes into operation on 1 January 2005.

3. Access to electricity distribution capacity

- (1) Under clause 2(1) of Schedule 6 to the Act, the corporation is to make available access to an existing or prospective user for the transport of electricity if the user is able to demonstrate, to the reasonable satisfaction of a distribution employee, that, in the period of 12 months beginning on the day on and from which the user wants access to be made available, the amount of electricity transported to each distribution exit point will be at least 50 megawatt hours.
- (2) In subclause (1) —
 - “**access**” means access to spare capacity and new capacity;
 - “**distribution employee**” has the meaning given to that term in regulation 3 of the *Electricity Distribution Regulations 1997*;

r. 4. Revocation

“distribution exit point”, in relation to an existing or prospective user, means a distribution exit point as defined in regulation 3 of the *Electricity Distribution Regulations 1997* to which the user wants electricity to be transported.

4. Revocation

The *Electricity Distribution Access Order 2001* is revoked.
