

38. Contaminating water prohibited

No person shall in any way foul or contaminate any water belonging to the Corporation, and proof that —

- (a) any person has washed his body or any part thereof or any clothes or utensils or any other thing whatsoever in such water, or
- (b) any person has entered or caused or permitted any animal to enter such water

shall be sufficient proof of such fouling or contamination.

[By-law 38 amended by Gazette 29 December 1995 pp.6308-9.]
