

**10. Unlicensed persons not to care for pet herpetofauna**

A licensee must not put pet herpetofauna kept by the licensee into the care of another person unless —

- (a) the fauna are category 1 pet herpetofauna;
- (b) the person is caring for the pet herpetofauna at the licensee's premises and under the supervision of the licensee;
- (c) the person holds a pet herpetofauna licence authorising the person to keep the pet herpetofauna; or
- (d) the person is a registered veterinary surgeon under the *Veterinary Surgeons Act 1960*.
