

## **21. Functions**

- (1) The IMO has the functions conferred on it by these regulations, the *Electricity Industry (Wholesale Electricity Market) Regulations 2004* and the market rules.
- (2) It is a function of the IMO —
  - (a) to undertake, maintain and operate any system, facilities or equipment required for or in connection with the performance of its functions;
  - (b) to do anything that the IMO determines to be conducive or incidental to the performance of its functions; and
  - (c) to do anything that it is authorised to do by any other written law.
- (3) The IMO may perform any of its functions in the State or elsewhere.
