

**70. Inspection by Marine Manager**

- (1) The Master of an oil vessel must, when required so to do by the Marine Manager, do any act necessary to permit the Marine Manager to inspect and examine the flammable liquid on board the vessel and any appliances to be used on the vessel for the purpose of ascertaining whether the provisions of these by-laws are being observed and whether all other measures necessary for general safety are being taken.
- (2) A Master of an oil vessel who contravenes this by-law commits an offence.
