

11. Asbestos for disposal to be separated etc.

A person shall not —

- (a) supply material containing asbestos to another for the purpose of having that other person dispose of it; or
- (b) transport material containing asbestos,

unless —

- (c) it is separated from other material for disposal where that is reasonably practicable; and
- (d) it is wrapped in plastic so as to prevent asbestos fibres entering the atmosphere, or is contained in such other manner as is approved in writing by the Executive Director, Public Health.
