

5. Course of training

- (1) The Council may by notice published in the *Western Australian Industrial Gazette* declare the course of training applicable in relation to any trade.
- (2) A notice referred to in subregulation (1) may by subsequent notice be varied or cancelled by the Council.
- (3) Until the Council pursuant to subregulation (1) declares the course of training applicable in relation to a trade the course of training approved by the Director in relation to that trade under the provisions of the *Industrial Arbitration Act 1912* and in force immediately before the coming into operation of the *Industrial Training Act 1975* is the prescribed course of training in relation to that trade.
