### **STATUS OF THIS DOCUMENT**

This document is from an electronic database of legislation maintained by the Parliamentary Counsel's Office of Western Australia.

### **DISCLAIMER**

No warranty is given as to the accuracy or completeness of this document. The State of Western Australia and its agents and employees disclaim liability, whether in negligence or otherwise, for any loss or damage resulting from reliance on the accuracy or completeness of this document.

### **REPRINT AND CONSOLIDATION NUMBERING**

The reprint number (in the footer of each page of the document) shows how many times the Act has been reprinted. For example, numbering a reprint as "Reprint 3" would mean that the reprint was the 3<sup>rd</sup> reprint since the Act was passed. A consolidation described as "Consolidation 3a" would be the result of updating Reprint 3 for the first time to reflect the amendments since the date as at which Reprint 3 was prepared.

Reprint and consolidation numbering was implemented as from 1 January 2003.

### **Ratification by Act of Parliament <sup>2</sup>**

2. In the event that the carrying into effect of any provision of this Agreement is found to be inconsistent with any law then at the request of any party hereto the State shall introduce and sponsor a Bill in the Parliament of Western Australia to ratify this Agreement as soon as practicable but not later than the next Session of Parliament following such request and endeavour to secure its passage as an Act, but it is the intention of the parties that whether or not this Agreement is so ratified it shall operate and take effect so far as it is not inconsistent with any law.

### **Obligations of the Company <sup>2</sup>**

3. (1) The Company during the currency of this Agreement shall carry out cement and clinker manufacturing operations or any other operations approved by the State from time to time on the works site or such other sites owned by the Company which the State may approve.

(2) The Company shall perform and observe all the covenants conditions provisions and stipulations expressed or implied in the memorandum of mortgage dated the 21st day of December, 1960, and registered in the Office of Titles in Perth<sup>3</sup> under number 1977/1961 given in favour of the State to secure advances made to the Company.

### **Jetty <sup>2</sup>**

4. (1) Notwithstanding the provisions of the Jetties Act the Authority shall permit the Company to erect on and from the shore in the approximate position marked "J", delineated and coloured blue on the said map marked "A", a jetty in accordance with plans and specifications and subject to reasonable

**First Schedule**

---

terms and conditions to be agreed between the Company and the Authority. The Company may use the jetty for the removal of shell sand which it has obtained from Cockburn Sound in accordance with the terms of this Agreement and for any other purpose agreed to by the Authority or, in the event of the Authority's refusal, by the Minister for Works. No charge shall be imposed by the Authority for the use of the jetty for dredging or for the removal by any means of the shell sand to the Company's works on the works site. In the event of the jetty being used for any other purposes under this subclause charges will be made at reasonable rates to be arranged between the Company and the Authority.

(2) Any jetty erected under the provisions of this clause shall at all times be maintained by the Company in good order and condition to the reasonable satisfaction of the Authority.

**Removal of Coal Ash <sup>2</sup>**

5. During the currency of this Agreement the State shall grant to the Company the right without charge but at the Company's own cost in all respects to remove from the South Fremantle Power Station up to 75% of the monthly total of any coal ash (including flyash) which may result from the operations at that power station from time to time. If any special equipment becomes necessary at the power station for delivery and loading of the said ash into the vehicles of the Company such equipment shall be provided by the Company at its own expense. The Company shall notify the State Electricity Commission of Western Australia within fourteen (14) days of the date of this Agreement of its estimated requirements of the said ash for the period of six (6) months next following the date of that notification and thereafter of its estimated requirements for each succeeding period of six (6) months, each such subsequent notification to be given not less than fourteen (14) days before the commencement of the respective six (6) monthly period.

**Right to dredge shell sand <sup>2</sup>**

6. (1) The Authority shall subject to the Company complying with its obligations under this Agreement permit the Company for a period of forty (40) years from the date hereof and free of rent royalty or other charges payable to the State or the Authority but at its own cost in all other respects to dredge and use for the purposes of the Company's cement and clinker manufacturing operations and any other operations approved by the Authority from time to time within that part of the sand banks as lie within a radius of five (5) miles from a point marked "R" in red on the said map marked "A". In considering

applications from the Company for approval for areas from which shell sand may be obtained the Authority will have regard for technical and economic considerations related to the Company's operations and where the area requested is not approved, the Authority will give its reasons and will use its best endeavours to mutually agree with the Company on alternative locations from which shell sand may be obtained PROVIDED THAT the Company in obtaining the shell sand shall comply with any reasonable terms and conditions set by the Authority and communicated to the Company by notice and shall not in any event do or omit to do anything which creates a hazard to or obstruct or delays navigation nor anything which is detrimental to the navigable channels or port installations or will probably interfere with the efficient working of the port.

(2) The Authority may by notice to the Company specifying any breach of the obligations imposed on the Company by this Agreement direct the Company to suspend, in respect of all or any part of any areas approved in accordance with subclause (1) of this clause, its operations for the obtaining of shell sand until such time as the said breach is remedied and such notice may direct the removal of any vessel or equipment being used in connection with the said operations and the Company shall comply with any such directions.

(3) Where a notice given pursuant to subclause (2) of this clause states that a hazard to navigation exists or that the navigable channels or port installations are being detrimentally affected such notice may require the Company to comply immediately with any directions given therein but in any other case where such a notice is given the Company shall not be required to comply with the directions given therein within less than four (4) months from the giving of that notice.

(4) Where a notice states that the Company's operations are creating a hazard to or are obstructing or delaying navigation or are detrimental to the navigable channels or port installations or will probably interfere with the efficient working of the port then no dispute or difference between the parties concerning that notice or the respective rights and obligations of the parties in relation thereto may be referred to arbitration pursuant to the provisions of clause 17 of this Agreement but any such dispute or difference shall be referred to and settled by the arbitration of the Minister for Works and the Minister for Works after hearing submissions from the parties shall give such directions for the determination of that dispute or difference as he deems proper having regard to the maintenance of the efficiency of the port and the reasonable requirements of the Company and the parties shall comply with any such direction.

**First Schedule**

---

(5) Subject to the Company having complied with its obligations under this Agreement the Authority, at the request of the Company, shall extend the rights conferred by subclause (1) of this clause for a further period of ten (10) years, but subject to the same terms and conditions as are set out in that subclause.

(6) If and when it should become impracticable for the Company to obtain shell sand pursuant to this clause the State will use every endeavour to find other shell sand within a reasonably economic distance from the jetty, and if other shell sand is not available, then other equivalent material.

(7) Provided that it complies with the other provisions of this clause, the Company shall not be in breach of this Agreement simply by reason of a lapse in its compliance with any of the requirements set forth in the proviso to subclause (1) of this clause.

**Further obligations of the State <sup>2</sup>**

7. The State further agrees with the Company as follows: —

(1) To make available to the western boundary of the works site or at such other point thereon as may be agreed between the Company and the State in quantities sufficient for the reasonable requirements of the Company for its operations —

- (i) electricity at rates according to the standard schedule rates of the State Electricity Commission of Western Australia from time to time prevailing; and
- (ii) water at the ruling rates and charges for the time being imposed by the Metropolitan Water Supply Sewerage and Drainage Board pursuant to the provisions of the *Metropolitan Water Supply Sewerage and Drainage Act 1909*.

(2) That so long as the Company continues to perform its obligations under the provisions of this Agreement and continues to carry out cement and clinker manufacturing operations and any other operations approved by the State from time to time on the works site or such other sites owned by the Company which the State may approve pursuant to Clause 3(1) hereof the State shall ensure that no person shall be granted any rights under the provisions of the Mining Act or the Land Act over the works site, or such other sites as aforesaid, or such other land as the State may in its absolute discretion approve

subject to any reservations, qualifications or conditions that it thinks proper in any case, such other land being —

- (a) land owned by the Company during the currency of this Agreement;
- (b) Crown land within the meaning of the Mining Act (other than such as is, or may at any time be, constituted a reserve under the Land Act) in respect of which the Company has obtained a mining tenement for limestone and/or lime sand and no other mineral;
- (c) land owned by a third party in respect of which the Company has obtained a mining tenement for limestone and/or lime sand and no other mineral and the owner consents to the exemption provided by this subclause;

and the Company shall during the currency of this Agreement in respect of the works site and in respect of other sites approved pursuant to Clause 3(1) hereof and in respect of other land approved in accordance with this subclause and in respect of the sandbanks designated by Clause 6 of this Agreement be exempted from all provisions of the Mining Act and of the Land Act (other than any such provisions made applicable as a condition of any approval of the State given in accordance with this subclause).

**Labour conditions**<sup>2</sup>

(3) During the currency of this Agreement and subject to compliance with its obligations hereunder the Company shall not be required to comply with the labour conditions imposed by or under the Mining Act in regard to such mineral claims or mineral leases which in the opinion of the Minister for Mines are reasonably required by the Company for the purposes of its present or future cement and clinker manufacturing operations and any other operations approved by the State from time to time.

**Licences**<sup>2</sup>

(4) During the currency of this Agreement and subject to the provisions of the relevant Acts the State will ensure that the Company is granted all necessary licenses subject to reasonable terms and conditions to be agreed between the State and the Company to enable the Company to carry on operations for quarrying or otherwise obtaining the raw materials required by the Company for its cement and clinker manufacturing operations and any other operations approved by the State from the works site or such other sites owned

**First Schedule**

---

by the Company which the State may approve or such other land as the State may approve and will grant a permit for the use of explosives in such operations for quarrying or otherwise obtaining the said raw materials.

**Transport by Road <sup>2</sup>**

8. The State shall ensure that the Company will be permitted subject to the provisions of the relevant Act or Acts and regulations made thereunder for the time being in force to transport its products and raw materials by Load transport within a radius of forty (40) miles from the General Post Office Perth or within a radius of twenty (20) miles from the datum point marked "D" in red on the said map marked "B" without prejudice to the Company's rights to apply in the ordinary way for a license to carry by road over longer distances in individual cases.

**Railway revenue <sup>2</sup>**

9. (1) In consideration of the State having provided at the cost of the State a railway spur line connecting the northern boundary of the works site with the main Woodman's Point Jandakot railway line the Company shall guarantee to the State sufficient revenue to meet the actual cost of maintenance and operation interest and depreciation on the spur line at normal railway rates during such time as the traffic to and from the works site over the spur line fails to reach fifty thousand (50,000) tons per annum. When such traffic does reach or exceed fifty thousand (50,000) tons in any one year, the Company shall pay normal railway freight charges for its traffic.

(2) If the railway spur line mentioned in subclause (1) of this clause is extended beyond the works site or any other line is connected therewith (exclusive of the Company's siding) the Company shall be relieved of any further guarantee of revenue, but shall pay normal railway freight charges for its traffic.

(3) All railway sidings on the works site shall be constructed by the State at the expense of the Company.

**Use of local labour and material <sup>2</sup>**

10. The Company shall so far as reasonably and economically practicable use labour available within the State and give preference to bona fide Western Australian manufacturers and contractors in the placement of orders for works materials plant equipment and supplies where price quality delivery and service are equal to or better than that obtainable elsewhere. In calling tenders and

letting contracts for works materials plant equipment and supplies the Company will ensure that bona fide Western Australian manufacturers and contractors are given reasonable opportunity to tender quote or otherwise be properly considered for such works materials plant equipment and supplies.

**Licenses and Consents <sup>2</sup>**

11. (1) The Company shall make all necessary applications from time to time to the Commonwealth and to the State for the grant to the Company of any licenses or consents under Commonwealth or State law required to permit this Agreement to be entered into and carried into effect.

(2) On the request of the Company the State shall make such representations as it considers reasonable to the Commonwealth in support of any application made by the Company to the Commonwealth under this Agreement.

**Acquisition of land <sup>2</sup>**

12. The State will at the expense of the Company where practicable co-operate with the Company in the acquisition of land from time to time required by the Company for its operations within the State.

**Indemnity <sup>2</sup>**

13. The Company will indemnify and keep indemnified the State the Minister for Works and the Authority and their respective servants agents and contractors in respect of all actions suits claims demands or costs of third parties arising out of or in connection with any work carried out by or on behalf of the Company pursuant to this Agreement or relating to its operations or arising out of or in connection with the construction maintenance or use by the Company or its servants agents contractors or assignees of the Company's works or services the subject of this Agreement or the plant apparatus or equipment installed in connection therewith.

**Variation <sup>2</sup>**

14. The parties hereto may from time to time by mutual agreement in writing add to, vary or cancel all or any of the provisions of this Agreement or any lease license easement or right granted or demised hereunder or pursuant hereto for the purpose of more efficiently or satisfactorily implementing or facilitating any of the objects of this Agreement.

**First Schedule**

---

**Assignment <sup>2</sup>**

15. The Company shall not assign or otherwise dispose of the whole or any part of its rights hereunder without the prior consent of the State and, in the case of the rights conferred by clause 6 hereof, without the prior consent of the Minister for Works and the Authority. The State the Minister for Works and the Authority may each of them in their absolute discretion give or withhold consent or give consent subject to such conditions as they may determine.

**Power to extend periods <sup>2</sup>**

16. The State may at the request of the Company from time to time extend any period or date referred to in this Agreement for such period or to such later date as the State thinks fit, but there shall be no such extension with regard to any period or date referred to in clause 6 hereof unless approval therefor is also given by the Minister for Works and the Authority.

**Arbitration <sup>2</sup>**

17. Any dispute or difference between the parties arising out of or in connection with this Agreement or as to the construction of this Agreement or as to the rights duties or liabilities of any party thereunder or as to any matter to be agreed upon between the parties, or any of them, under this Agreement shall in default of agreement between the parties, or the relevant parties, as the case may be, and in the absence of any provision in this Agreement to the contrary be referred to and settled by arbitration under the provisions of the *Arbitration Act 1895*, PROVIDED THAT this clause shall not apply to any case where the State or any Minister in the Government of the State or the Authority is by this Agreement given either expressly or impliedly a discretionary power.

**Immunity <sup>2</sup>**

18. The Company shall not bring any action suit claim demand or other proceeding against the State the Minister for Works or the Authority because of any interference with the Company's rights under this Agreement as a result of intervention by the Commonwealth or any agency or instrumentality thereof or any person or foreign state or body acting under licence or authority of the Commonwealth.

**Delays <sup>2</sup>**

19. This Agreement is made subject to any delays in the performance of obligations under this Agreement which may be occasioned by or arise from

circumstances beyond the power and control of the party responsible for the performance of such obligations including delays caused by or arising from act of God, act of war, force majeure, act of public enemies, strikes, lockouts, stoppages, restriction of labour or other similar acts whether partial or general, shortage of essential materials reasonable failure to secure or delays of contractors riots or civil commotion.

**Notices**<sup>2</sup>

20. Any notice, consent or other writing authorised or required by this Agreement to be given, shall —

- (i) if from the State, be signed by the Minister or by any senior officer of the public service of the State acting by direction of the Minister;
- (ii) if from the Minister for Works, be signed by him or by any senior officer of the public service of the State acting by his direction;
- (iii) if from the Authority, be signed by the Chairman of Commissioners or by the General Manager acting by direction of the Commissioners;
- (iv) if from the Company, be signed by a director, manager or secretary of the Company or by any person or persons authorised in that behalf or by its solicitors as notified to the State from time to time,

and any such notice, consent or other writing shall be deemed to have been duly given if forwarded by prepaid registered post to the usual address of the party to whom it is directed and shall be deemed to have been given on the day on which it would be delivered in the ordinary course of post.

IN WITNESS whereof these presents have been executed the day and year first hereinbefore written.

**Third Schedule**

THIS AGREEMENT under seal is made the 24th day of October 1986 BETWEEN THE HONOURABLE BRIAN THOMAS BURKE, M.L.A., Premier of the State of Western Australia, acting for and on behalf of the Government of the said State and its instrumentalities (hereinafter called “the State”) of the first part THE HONOURABLE GAVAN JOHN TROY, B. Bus, A.F.A.I.M., J.P., M.L.A. the Minister in the Government of the said State for the time being responsible for the administration of the *Fremantle Port Authority Act 1902* of the second part FREMANTLE PORT AUTHORITY a body corporate constituted by the *Fremantle Port Authority Act 1902* of the third part and COCKBURN CEMENT LIMITED a company duly incorporated in Western Australia and having its registered office at 191 St. George’s Terrace, Perth (hereinafter called “the Company” which term shall include its successors and permitted assigns) of the fourth part.

WHEREAS the parties hereto desire to vary the Agreement defined in section 2 of the *Cement Works (Cockburn Cement Limited) Agreement Act 1971* (which Agreement is hereinafter referred to as “the Principal Agreement”).

NOW THIS AGREEMENT WITNESSETH:

1. Subject to the context and subject as hereinafter appears the words and expressions use in this Agreement have the same meanings respectively as they have in and for the purpose of the Principal Agreement (as varied by this Agreement).
2. The State shall introduce and sponsor a Bill in the Parliament of Western Australia to ratify this Agreement and endeavour to secure its passage as an Act.
3. The subsequent clauses of this Agreement shall not operate unless and until the Bill to ratify this Agreement referred to in clause 2 hereof is passed as an Act before the 31st day of December, 1986.
4. The Principal Agreement is hereby varied as follows —
  - (1) Clause 1 subclause (2) —
    - (a) by deleting the definition of “Mining Act” and substituting the following definition —

“ “Mining Act” means the *Mining Act 1978*”;

- (b) by deleting the definition of “Minister for Mines” and substituting the following definition —
    - “ “Minister for Minerals and Energy” means the Minister of the Government of the State for the time being responsible for the administration of the Mining Act;”;
  - (c) by adding after the definition of “ratifying Act” the following definition —
    - “ “specified mineral” means mineral or minerals for use solely in the Company’s cement and clinker manufacturing operations or in any other operations approved by the State from time to time;”;
  - (d) by substituting for the map marked “B” referred to in the definition of “works site”, the map marked “X” which map is initialled by or on behalf of the parties hereto for the purpose of identification.
- (2) By inserting after clause 6 the following clauses —
- “6A. (1) Not later than the 31st day of December, 1986 and thereafter not later than the expiration of each successive two years during the currency of this Agreement the Company shall submit to the Minister to the fullest extent reasonably practicable a dredging and management programme (hereinafter called a “DMP”) containing its proposals for dredging operations upon the sand banks for its shell sand requirements and for the monitoring, protection and management of the environment in connection therewith for the 10 year period commencing the 1st day of January immediately following the due date for submission of the DMP. The proposals for the first two years covered by each DMP shall be in the most detail and the proposals for the subsequent years covered by the DMP may be presented in progressively less detail.
  - (2) Each DMP shall include —
    - (a) a plan to suitable scale showing, inter alia, the location of:

**Third Schedule**

---

- (i) proposed dredging areas;
  - (ii) proposed spoil dumping areas; and

*Fremantle Port Authority Act 1902* of the third part

AND

**COCKBURN CEMENT LIMITED** A.C.N. 008 673 470 a company  
duly incorporated in Western Australia and having its registered office at  
Lot 242 Russell Road East, Munster (hereinafter called “the Company”) which  
term shall include its successors and permitted assigns of the fourth part

WHEREAS:

- (a) The parties are the parties to the agreement between them dated the 18th day of February 1971 which agreement was ratified by the *Cement Works (Cockburn Cement Limited) Agreement Act 1971*;
- (b) The said agreement has been varied by an agreement dated the 24th day of October 1986 approved and ratified by the *Cement Works (Cockburn Cement Limited) Agreement Amendment Act 1986* and as so varied is hereinafter called “the Principal Agreement”;
- (c) The parties hereto desire to vary the Principal Agreement.

NOW THIS AGREEMENT WITNESSES:

1. Subject to the context and save as otherwise defined herein words and phrases used in this Agreement have the same meanings respectively as they have in and for the purpose of the Principal Agreement.
2. The State shall introduce and sponsor a Bill in the Parliament of Western Australia to ratify this Agreement and endeavour to secure its passage as an Act prior to 31 December 1997 or such later date as the parties hereto may agree.
3.
  - (1) The provisions of this Agreement other than this Clause and Clauses 1 and 2 shall not commence to operate until the Bill referred to in Clause 2 has been passed by the Parliament of Western Australia and comes into operation as an Act.
  - (2) If before 31 December 1997 or such later date as may be agreed pursuant to Clause 2 the said Bill has not come into operation as an Act then unless the parties hereto otherwise agree this Agreement shall cease and determine and no party hereto shall have any claim against any other party hereto with respect to any matter or thing arising out of done performed or omitted to be done or performed under this Agreement.
  - (3) On the said Bill coming into operation as an Act all provisions of this Agreement shall operate and take effect notwithstanding the provisions of any Act or law.
4. The Principal Agreement is hereby varied as follows:
  - (1) Clause 1 subclause 2 —  
by inserting in the appropriate alphabetical position the following definitions —  
  
““alternative material” means material mined and used by the Company as an alternative to shell sand for the Company’s cement and clinker manufacturing operations or any other operation approved by the State from time to time;”  
  
““EP Act” means the *Environmental Protection Act 1986*;” and  
  
““shell sand” for the purpose of payment of royalties under the Mining Act means limestone;”

**Fourth Schedule**

---

- (2) Clause 6 subclause (1) —
- (a) by deleting “royalty”; and
- (b) by inserting after “charges” the following —
- “(other than royalty as hereinafter provided)”.
- (3) By adding after subclause (1) of Clause 6 subclause (1a) as follows —
- “(1a) The Company shall in respect of all shell sand or alternative material mined by the Company on Crown land pursuant to this Agreement pay to the State royalties at the rates from time to time prescribed under the Mining Act and shall comply with the provisions of the Mining Act and regulations made thereunder with respect to the filing of production reports and payment of royalties PROVIDED THAT the quantity of shell sand or alternative material on which royalty is to be paid is that quantity which has been fully prepared for presentation to kiln processes quantified at the nearest measurement point prior to kiln entry and adjusted to a dry basis PROVIDED FURTHER THAT in the year 1 July 1997 to 30 June 1998 the Company shall only be required to pay to the State royalties at the rate of one third the rate prescribed under the Mining Act and in the year 1 July 1998 to 30 June 1999 the Company shall only be required to pay to the State royalties at the rate of two thirds the rate prescribed under the Mining Act.”.
- (4) By adding after subclause (2) of Clause 6A a new subclause (3) as follows —
- “(3) The Company shall not be required to include in a DMP material already submitted by the Company in connection with a proposal referred to the Environmental Protection Authority under Section 38 of the EP Act.”.
- (5) By deleting Clause 10C and substituting the following —
- “10C. Nothing in this Agreement shall be construed to exempt the Company from compliance with any requirement in connection with the protection of the environment arising

out of or incidental to its activities under this Agreement that may be made pursuant to the EP Act.”.
