

12. Construction of references

If any written law (other than this Act) or any document, whenever made or executed, (other than a document constituting or relating to a provident, benefit, superannuation or retirement fund) or any register established or kept under any Act contains any reference express or implied to Town & Country, the reference is, on and after the appointed day to be read and construed as a reference to ANZ, except to the extent that the reference is in relation to an excluded asset or unless the context otherwise requires.
