

**98. Regulations relating to relief in respect of breach of public sector standards**

The Governor may under section 108 make regulations —

- (a) prescribing procedures referred to in section 97(1)(a) and specifying those employees and persons, if any, who are not eligible to seek relief in accordance with those procedures;
- (b) conferring powers on persons referred to in section 97(1)(b); and
- (c) for the remuneration, and the terms and conditions of appointment, of persons referred to in paragraph (b) who are not employees.
