

55. Minister may take action where governing council fails to operate efficiently etc.

Where, in the opinion of the Minister, the governing council of a college has failed, or is failing —

- (a) to operate efficiently or effectively;
- (b) to meet the college's obligations under a Resource Agreement; or
- (c) otherwise to adequately and properly perform its functions,

the Minister is to give that governing council written notice, detailing how, in the Minister's opinion, it has failed or is failing and requiring it to remedy the failure within the time specified in the notice.
