

12. Validation

Anything that was done before this Part commenced is, and is to be taken to have always been, as valid and effective as if —

- (a) this Part had been in operation at all material times; and
- (b) the Minister had given the corporation a direction under section 6 (2) —
 - (i) requiring the corporation to take steps to bring about the disposal of all, or a substantial part, of the corporation's DBNGP system and other assets and liabilities of the corporation relating to that system; and
 - (ii) including a requirement as described in section 6 (3).
