

27. Technology parks

- (1) The Minister may, from time to time, by notice published in the *Gazette* declare as a technology park any area of land which provides a physical environment in which —
 - (a) research into, and the development and use of, industry, science and technology; or
 - (b) the production or assembly of products,may be carried on.
- (2) The Minister may amend or revoke a notice under subsection (1) by subsequent notice published in the *Gazette*.
- (3) A notice under subsection (1) —
 - (a) is to contain a description of the area of land sufficient to identify its location; and
 - (b) may assign a name to the technology park.
