Introduction:

Linking to the RSS Feeds on the Western Australian Legislation Website can be achieved using several methods and/or tools. This guide provides basic instructions for linking to the Legislation feeds using the most common RSS methods:

- Using **Microsoft Outlook*** desktop application
- Using **Internet Explorer's**** native RSS reader; or
- Using **Google Chrome**** with an RSS Feeder extension installed (RSS Aggregator).

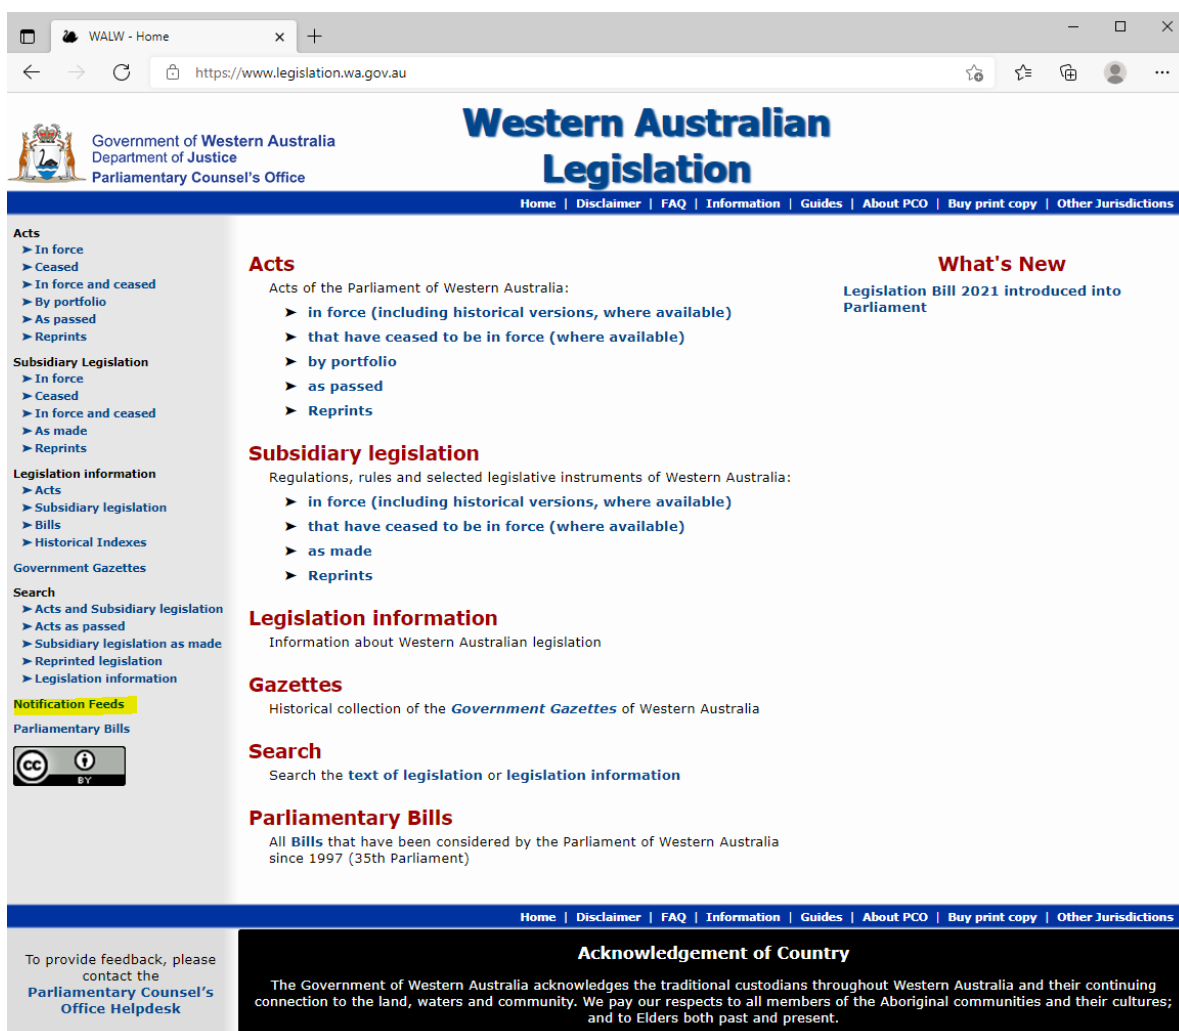

*If linking to the RSS feed through **Microsoft Outlook** we recommend using the **Orange HTML RSS link** .

If using a **Web browser, RSS feed Extension or **Application** we recommend using the **Green Text RSS Link** .

Accessing the RSS Notification Feed via an Application:

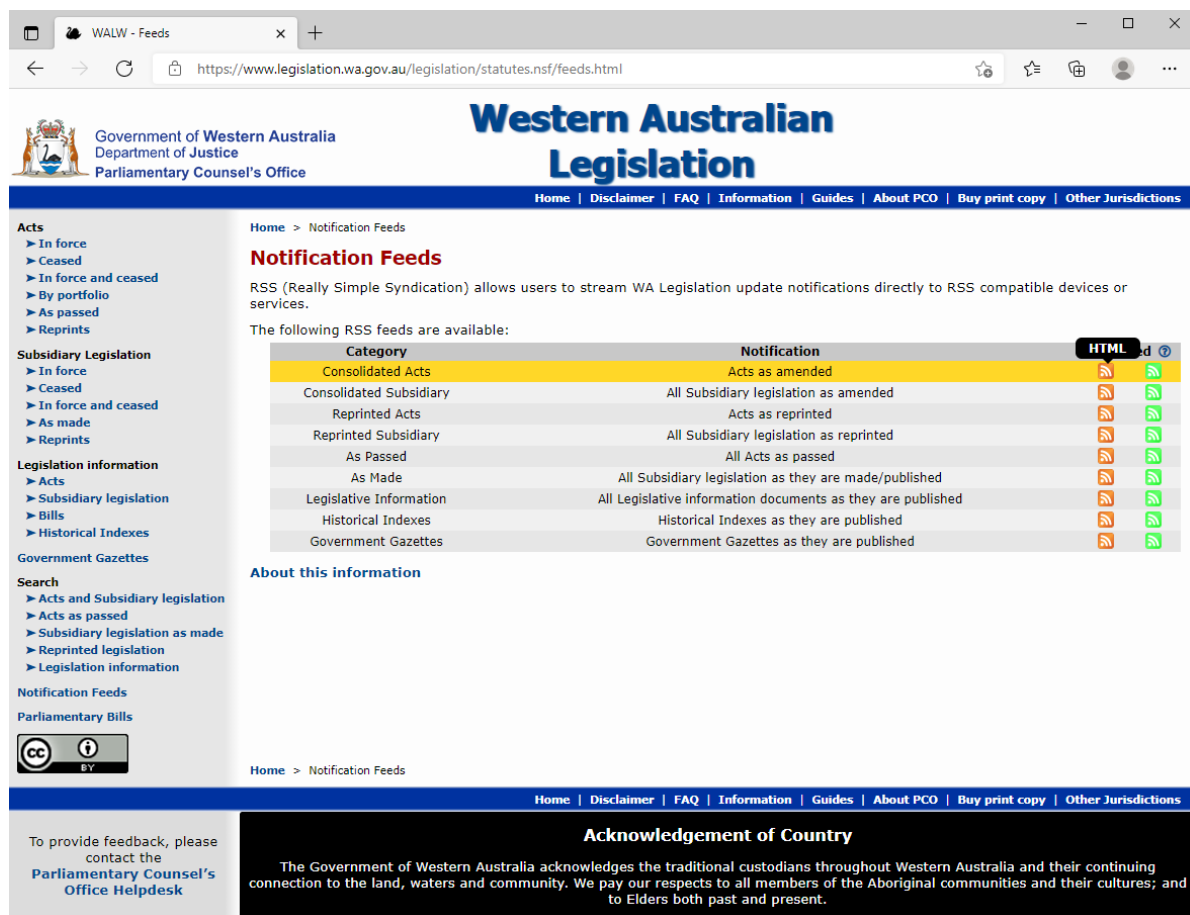

1. RSS using Microsoft Outlook (Desktop application)

1. From the Western Australian Legislation Website select **Notification Feeds** (highlighted below)

The screenshot shows the Western Australian Legislation website. The left sidebar contains a list of navigation links. The 'Notification Feeds' link is highlighted with a yellow background. The main content area displays various sections including 'Acts', 'Subsidiary legislation', 'Legislation information', 'Gazettes', 'Search', and 'Parliamentary Bills'. The 'What's New' section on the right mentions 'Legislation Bill 2021 introduced into Parliament'. The footer includes a contact link for the Parliamentary Counsel's Office Helpdesk and an 'Acknowledgement of Country' statement.

- On the Notification Feeds webpage, click the **Orange RSS Feed icon (HTML)**  next to the **category** that corresponds with the feed that you wish to receive notifications for.

Acknowledgement of Country

The Government of Western Australia acknowledges the traditional custodians throughout Western Australia and their continuing connection to the land, waters and community. We pay our respects to all members of the Aboriginal communities and their cultures; and to Elders both past and present.

- If an RSS Feeder is **not** already configured for your browser, the link will open as a webpage. If you already have an RSS Feeder configured within your browser **go to step 5**.
- Select and copy the text (**highlighted below**) in the URL box, then **go to step 6**.

https://www.legislation.wa.gov.au/legislation/statutes.nsf/consolidatedacts.atom

Feed: WA Legislation Consolidated Acts

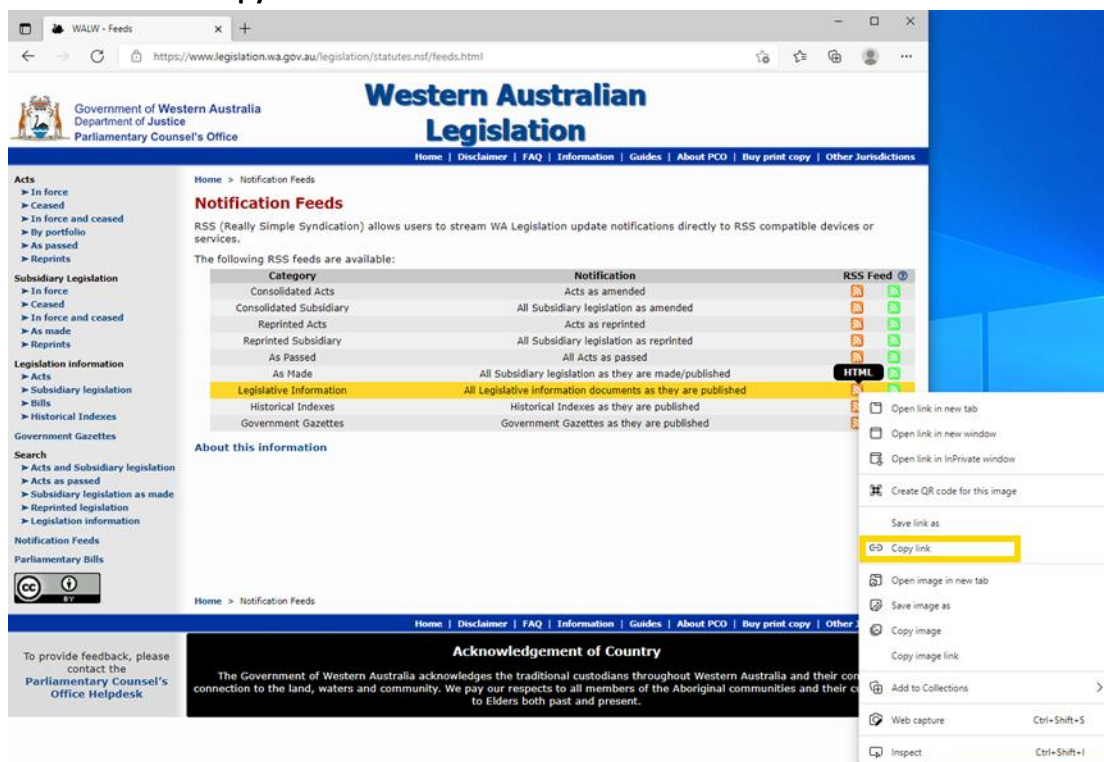

Id: consolidatedacts:currency

Please copy the URL for the address bar and paste it into your RSS Reader.

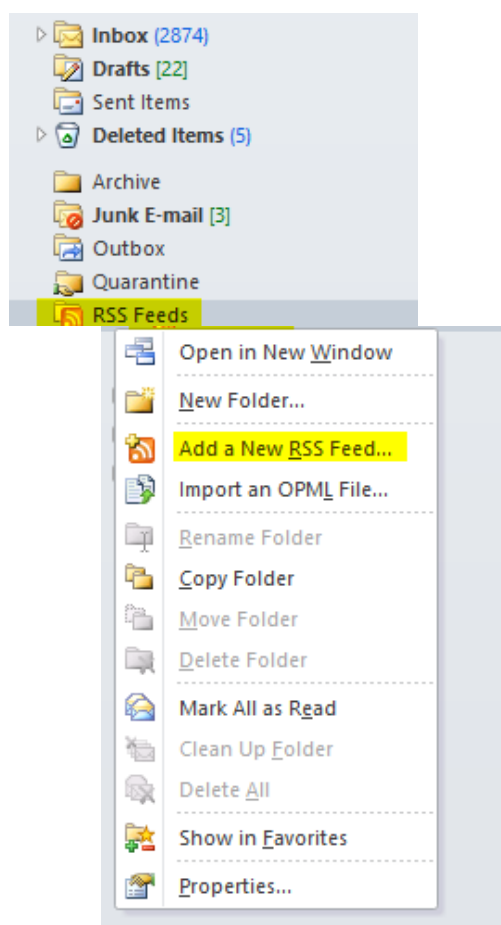

- If an RSS Feeder add-in/extension is already enabled in your browser, **right click** the **Orange RSS Feed icon**

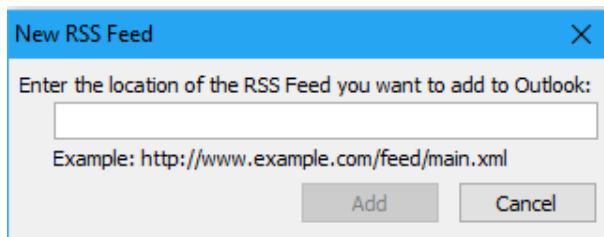

and select **“Copy link”**

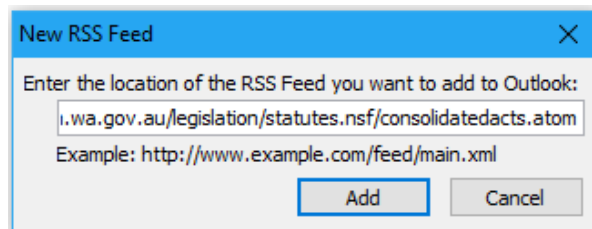

- Open **Microsoft Outlook**
- On the left hand side right click on the **“RSS Feeds”** folder and select **“Add a New RSS Feed...”**

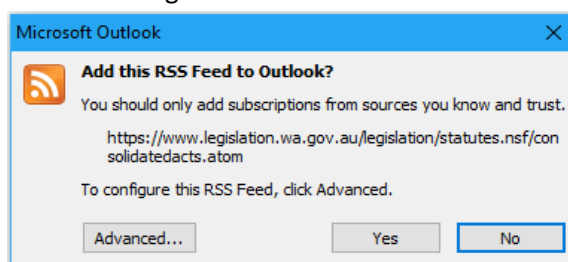

8. A **Dialog box** will appear:

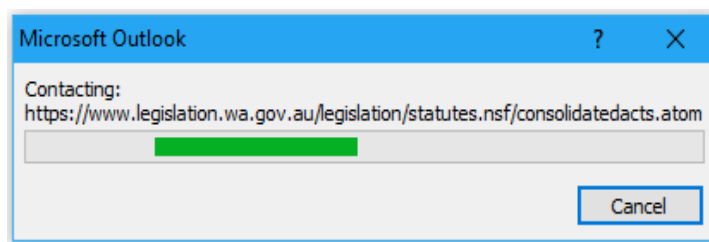

9. **Paste the URL** into the box (copied in point 4 or 5 above):

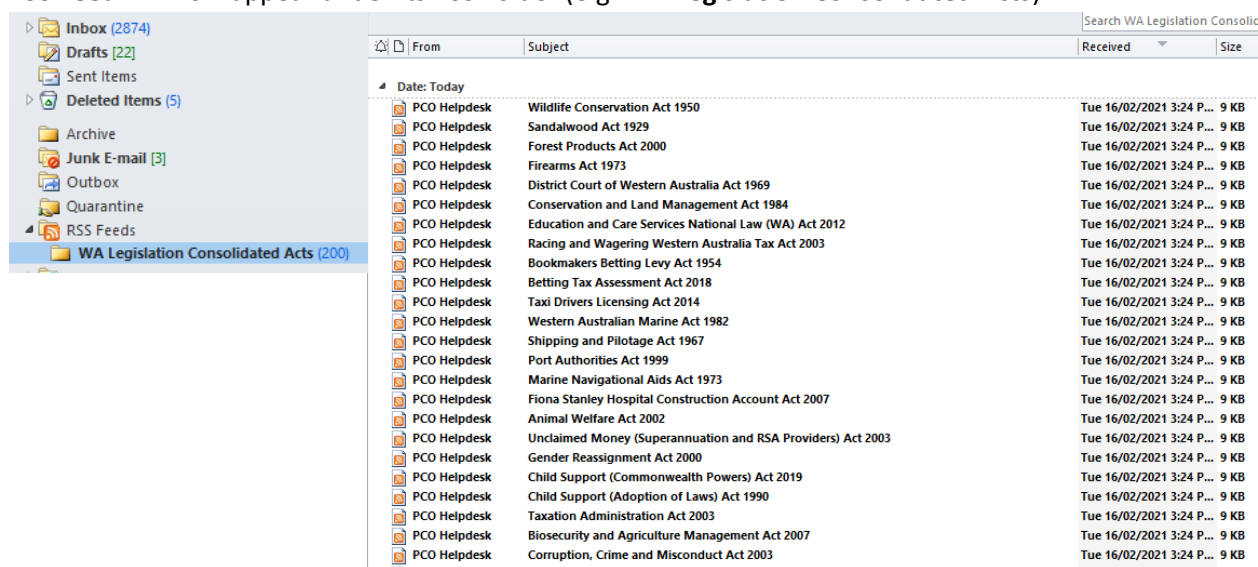

10. Click the **“Yes”** button to confirmation dialog box:

11. The **RSS Feed** will update:

12. The **RSS Feed** will now appear under its RSS Folder (e.g. **WA Legislation Consolidated Acts**):

NOTE: *The first time the **RSS Feed** is synchronised up to 200 notifications will be received immediately.*

It is recommended that the initial notifications should be deleted or marked as read.

NEW daily notifications will then appear as unread items.

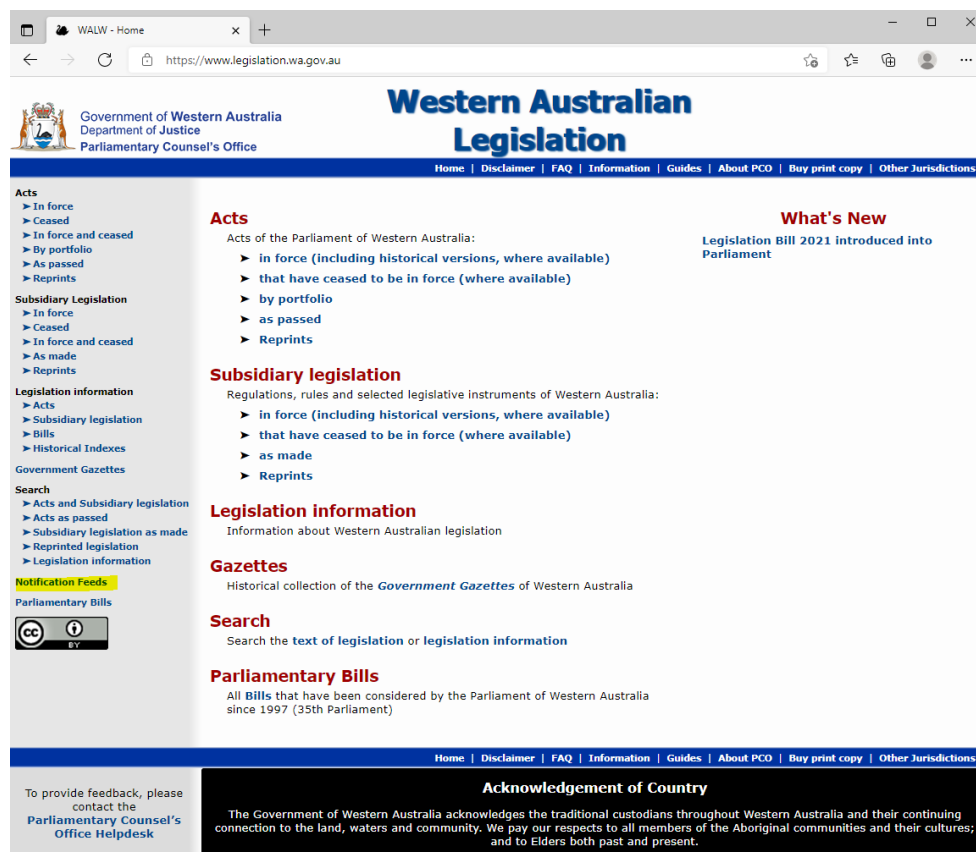

Accessing the RSS Feed via a Web Browser or browser RSS Feeder extension:

The two most common browsers are Internet Explorer and Google Chrome.

1. **Internet Explorer** : The Western Australian Legislation Website is compatible with Microsoft's native RSS Reader **Internet Explorer**.
2. **Google Chrome**: Ensure you have an **RSS Feeder** (Such as RSS Aggregator) extension installed.

1. RSS using Internet Explorer
