## FOREWORD

THIS *Pilot Volume No. I.* has been compiled and published in order to provide indices to the legislation referred to in the several Tables in the Volume. It is intended that all the Tables will be kept continually revised and up to date; that certain of the Tables as amended from time to time will be reprinted annually and be bound with the annual Sessional Volume of the Statutes, but that, in relation to the remaining Tables, particularly Tables One (a), One (b) and Eight, only annual cumulative supplements will be published showing all amendments to those Tables as they appear in this Pilot Volume, until such time as it is deemed expedient to publish a second edition of this volume.

E. NULSEN,  
*Minister for Justice.*

Perth, 1st August, 1956.

# INTRODUCTORY NOTES TO THE TABLES

## General

The twelve Tables contained in this Pilot Volume comprise Indices to the Statute Law and Ordinances of Western Australia (including adopted Imperial Statutes) and to the delegated legislation referred to in the preamble of Table Eight, passed since the foundation of the Colony on 1st June, 1829, and in force as at 30th June, 1956. In addition, the Indices include Acts and Ordinances exhausted, expired and repealed.

In the compilation of the Tables, use has been made, in the case of legislation passed prior to the year 1896, of the "Historical Table of the Statutes," etc., by J. C. H. James, 1896, although the information contained therein has been checked.

The Tables (with the exception of Nos. Five, Six, Seven (a) and Seven (b), which are chronological) are alphabetically arranged.

The preamble to each Table contains brief explanatory notes and abbreviations used therein.

Where applicable, the Tables include references to Proclamations which fix dates of commencement of Acts, and Orders in Council or Proclamations which effect amendments to Acts. In such cases, reference to the date and page number of the particular *Government Gazette* concerned will be found under the title of the relevant Act.

The Tables contain (a) all Acts and Ordinances in force up to and including those passed during the Fourth Session of the Twenty-first Parliament, i.e., to 25th November, 1955, and (b) all By-laws, Regulations and Rules (with amendments thereto) as also (with the exceptions referred to in the preamble to Table Eight) the Notices, Orders in Council and Proclamations in force up to and including those published in the *Government Gazette* dated 29th June, 1956.

## The Tables

### Table One—Public Acts of General Application.

This Table sets forth the Public Acts and Ordinances in force, together with details of all amending and affecting Acts.

Any amending Act, of a title other than that of the Act so amended, is distinguished by the addition of the section number of the amending Act.

Amending and affecting Acts are respectively shown chronologically.

The term "affecting Act" refers to an Act which affects, but does not amend the Act under the title of which it appears in the Table.

Where any Act has been reprinted pursuant to any Act specified in the preamble to the Table, details of such Reprint are given, including the number and year of the last Act included in the Reprint; the volume, if any, in which the Reprint appeared, and, where applicable, the date of approval of the Reprint. In the case of reprinted Acts, amendments are shown chronologically (a) as amendments to the original Act, or (b), where applicable, to the reprinted Act.

Reference should be made to Tables One (a) and One (b) which respectively contain details of non-reprinted and Reprinted Acts referred to in this Table, and all amendments thereto.

*Note.*—Prior to 1949, a number of Reprinted Acts showed sectional numbering which differed not only from that of the original Act, but also from that of the previous Reprint of the same Act (pursuant to Section 4 (g) of the Amendments Incorporation Act, 1938). Therefore, in order to understand the effect of any amending Act, it is necessary to ascertain the "Principal Act" affected by the amending Act. Usually in such cases Section One of the amending Act will specify as the "Principal Act" the particular Reprint to which the amendment refers. If attempts are made

to relate the amendment to the original Act or to any Reprint thereof other than the particular Reprint referred to in Section One of the amending Act, some confusion from differing sectional numbering or line spacing may result. For this reason, Table One, and other Tables concerned, show separately each Reprint and each Act amending that Reprint.

Details of By-laws, Regulations, Rules, Notices, Orders in Council and Proclamations made pursuant to the Acts referred to in this Table, are contained in Table Eight.

**Tables One (a) and One (b)—Amendments respectively to (a) Non-reprinted Acts, and (b), Acts which have been Reprinted, referred to in Table One.**

These Tables contain details of all amendments to the Acts as referred to immediately above.

Under the title of each Act so amended, will be found the section affected and the number and section of the amending Act. Where pursuant to an Act, amendments have been effected thereto by Order in Council or Proclamation, the Tables contain a reference to the date and page number of the *Government Gazette* concerned. Amendments are, for ease of reference, tabulated in the numerical order of the section or Schedule numbers of the Act affected, the titular number and section number of the amending Act being placed opposite to the section or Schedule so amended.

Thus all amendments to any Act or Ordinance in force, as well as the amending Acts and the section or sections effecting the amendments are shown.

Table One (b) contains in its first column the titular number of the amending Act and the amending section. The succeeding columns (which refer to the Act amended, in its original form and to the various Reprints thereof) contain successively the section or Schedule number of the amended Act as it appeared in the original Act and thereafter in each Reprint. The abbreviated symbols appearing in the columns (as explained in the preamble to Table One (a) denoting amendment, enactment, substitution or repeal) indicate all amendments made, the nature of such amendments and, according to the column in which they appear, signify whether they were made to the original Act or to any particular Reprint.

Thus, by consulting the various columns, the amending Act and its section number; together with the section number or the Schedule of the amended Act affected, as it appeared in the original Act and each succeeding Reprint, may be ascertained. Finally, the last column shows the section or Schedule number of the amended Act affected, as it appeared in the latest Reprint.

In this connection, reference should be made to the Note appearing under the heading of "Table One" in these notes.

**Table Two—Table of Public General Acts which are Obsolete, or Superseded, or of Local or Restricted Application.**

The remarks contained under the heading "Table One" apply also in the case of this Table, excepting that in one case only ("State Savings Bank") no Acts referred to in Table Two have been reprinted.

Having regard to the fact that few amendments have been made to the Acts, no separate Table of sectional amendments is considered necessary.

**Table Three—Private Acts.**

The remarks contained under the heading "Table One" apply also in the case of this Table, excepting that only the "Fremantle Municipal Tramways and Electric Lighting Act" has been reprinted. Here again no separate table of sectional amendments is considered necessary.

**Table Four—Public Acts, Exhausted or Expired.**

The Table cites the original Act with its amending Acts, which have expired or become exhausted and quotes, wherever possible, the date of expiry or exhaustion.

Where the expiry of any Act has been effected by Proclamation, whether of the Commonwealth or State, the necessary reference to the date and page number of the *Government Gazette* concerned is included.

**Table Five—Public Acts of a Purely Financial Nature.**

The preamble to the Table is considered self-explanatory.

**Table Six—Imperial Acts Adopted and Unrepealed.**

This Table contains details of all adopted Imperial Acts unrepealed, together with the Western Australian Acts and Ordinances of adoption or amendment.

Reference is here made to Table Seven (a), which contains particulars of Imperial Acts adopted, and since wholly repealed.

**Table Seven—Acts of Western Australia Wholly Repealed.**

Special reference is made to the *Note* to the preamble to the Table.

This Table contains particulars of all Acts and Ordinances which have been wholly repealed, together with the repealing enactments.

In reading the Table, it should be noted that, in the case of certain Acts, the enactment which repeals an amending Act differs from that repealing the principal Act.

In all cases where the date of commencement of a repealing Act has been fixed by Proclamation, such date (together with the necessary reference to the *Government Gazette* concerned) is included in order to show the date of cessation of the repealed Act.

**Table Seven (a)—Imperial Acts Adopted, which have been Locally and Wholly Repealed.**

The title is considered to be self-explanatory.

Reference is, however, made to Table Six, in which appear the adopted Imperial Acts which continue in force.

**Table Seven (b)—Imperial Acts Applicable to the State which were Locally Wholly or Partly Repealed by (unless otherwise stated in the Text of the Table) the Criminal Code Act, 1902, I. and II., Edw. VII., No. 14.**

The title is considered to be self-explanatory. Certain such Imperial Acts were partly or wholly repealed by enactments other than the main repealing Act referred to above. In such cases the repealing Act is noted in the text of the Table.

**Table Eight—By-laws, Regulations, Rules, Notices, Orders in Council and Proclamations.**

This Table is arranged in the alphabetical order of the relevant Acts pursuant to which the delegated legislation has been made. The Table contains references up to and including publications in the *Government Gazette* dated 29th June, 1956.

The contents and nature of the Table are explained in its preamble, and attention is directed to the reference to the exclusion of certain matters contained in the first paragraph of the preamble. Subject to these, the Table contains the delegated legislation in force as at 30th June, 1956.

### TABLE OF PUBLIC GENERAL ACTS OF THE PARLIAMENT OF WESTERN AUSTRALIA.

The following Table contains a list of the Public Acts of general application of the Parliament of Western Australia, passed up to the end of 1955 and which were not wholly repealed at that time. The Table includes references to Imperial Acts adopted and not wholly repealed, with their adopting Acts of Western Australia (see also Table Six).

References to Reprinted Acts in this Table are to the Principal Acts as reprinted pursuant to the Statutes Compilation Act, 1905; the Amendments Incorporation Act, 1938; the Reprinting of Acts Authorisation Act, 1953, or pursuant to any other Act, and are distinguished by references to "First Reprint," "Second Reprint," etc., and to dates of approval for reprint, where such dates are printed at the head of the Reprint.

In the case of any Reprinted Act included in any Sessional Volume of the Statutes, or in any volume of the Reprinted Acts of the Parliament of Western Australia, a reference is given in the Table to the Volume in which the Act is reprinted. Reprinted Acts not included in any volume are noted accordingly.

An Index to the Statutes in force (adopted Imperial and Western Australian) as at the end of 1895 (together with a chronological Table of Legislation, etc.) will be found in the "Historical Table of Statutes, etc.," by J. C. H. James, 1896, being the companion volume to Volumes I, II and III (1832-1895) of the "Statutes of Western Australia" (James).

## TABLE EIGHT

TABLE OF BY-LAWS, REGULATIONS, RULES, NOTICES, ORDERS  
IN COUNCIL AND PROCLAMATIONS.

The following Table contains, under the heading of the title of each relevant Act, references to the By-laws, Regulations, Rules, Notices, Orders in Council and Proclamations, with all amendments thereto, made or given under the Acts of Parliament of Western Australia (and also, in certain cases, under Imperial legislation), and still in force as at 30th June, 1956, with the following exceptions, viz.:—

- (a) By-laws made by or on behalf of Municipal Councils, Road Boards, or other Local Authorities, or Bodies;
- (b) Notices, Orders in Council or Proclamations which are of limited or temporary application, or not considered to be of general interest;
- (c) Proclamations fixing dates of commencement of Acts, and Orders in Council and Proclamations effecting amendments to Acts. Such will, where applicable, be found in the preceding Tables.

The Table contains the relative Acts and cross-references, in alphabetical order, and, under the title of each Act, are shown, with appropriate references to the *Government Gazette*, first the By-laws, Regulations or Rules, together with all amendments made thereto, and then the Notices, Orders in Council and Proclamations made under the Act.

By-laws, Regulations and Rules are shown in chronological order. Amendments thereto are given in the numerical order of the sections affected.

Where By-laws, Regulations or Rules have been reprinted and the Reprint duly published in the *Government Gazette*, the references to amendments contained in the Table commence with the last Reprint, and all subsequent amendments are shown as referable thereto.

Notices, Orders in Council and Proclamations are, in most cases, shown in chronological order.

The Table includes *Gazette* references up to and including 29th June, 1956.

Under section 36 of the Interpretation Act, 1918-1954, By-laws, Regulations and Rules which are not duly laid before each House of Parliament or which are disallowed by either House shall thereupon cease to have effect. This Table has been amended in accordance with every such cessation of which notice has appeared in the *Gazette* or of which record is available in the Crown Law Department.

An Index to the Proclamations, Orders in Council, etc., as at the end of 1895, will be found in the "Historical Table of Statutes, etc.," by J. C. H. James, 1896, being the companion volume to Volumes I., II. and III. (1832-1895) of the "Statutes of Western Australia" (James).
