- (8) A member of the Police Force shall give effect to the requirement of a person under subsection (7) if that can be done in terms of subsection (4) or (6), as the case may be.

- (b) a person has been required under subsection (2)(c), (ca) or (d) to provide a sample of his breath for analysis and, under subsection (7), the person requires that, instead of so doing, he be permitted to allow a medical practitioner or registered nurse nominated by him to take a sample of his blood for analysis,

a member of the Police Force may require the person to also provide the medical practitioner or registered nurse with a sample of his urine for analysis.

 - (iii) refuses to take the blood sample; or
 - (iv) cannot readily be located,

(11) Where a person provides a sample of his breath for analysis pursuant to a requirement made under subsection (2)(c), (ca) or (d), or pursuant to his own requirement made under subsection (7), and the analysis result obtained pursuant to section 68 indicates —

- (a) that there is no alcohol present in the blood of the person; or

a member of the Police Force may require the person —

- (c) to allow a medical practitioner or registered nurse nominated by the person to take a sample of his blood for analysis; or
- (d) to provide a medical practitioner or registered nurse nominated by the person with a sample of his urine for analysis,

or to do both of those things, and the person fails to nominate a medical practitioner or registered nurse; or

(b) a person nominates a medical practitioner or registered nurse to take a sample of his blood or to collect a sample of his urine, or for both of those purposes, but a member of the Police Force has reasonable grounds to believe that the medical practitioner or registered nurse so nominated —

reason which the court considers sufficient, the court may order accordingly and when an order is so made, the Director General shall cause the limitations and conditions as so varied or substituted to be endorsed on the licence;
