~~**21. Approvals, requests for further information and requests for amendments**~~

**21. Supplier's functions on receiving plan**

- (1) This by-law applies when the scheme water supplier receives from a person —
- (a) a scheme water efficiency management plan prepared and submitted under sub-by-law (4) or by-law 20(3), 22, 26 or 27(3); or
  - (b) further information provided under sub-by-law (3).
- (2) The scheme water supplier must, by notice in writing served on the person within 60 days after the plan is received by the scheme water supplier —
- (a) approve the plan in the form most recently submitted; or
  - (b) request further information from the person relating to the plan, including the person's comments on any specific amendments to the plan the scheme water supplier considers might be necessary; or
  - (c) request an amended scheme water efficiency management plan in accordance with any instructions specified in the notice; or
  - (d) if, while the scheme water supplier is considering the plan, a subsequent revised scheme water efficiency management plan is submitted to the scheme water supplier under by-law 22, do anything referred to in paragraph (a), (b) or (c) in relation to the revised plan.

- (3) A person who is served with a notice under sub-by-law (2)(b) must provide the further information within 30 days after the notice is served on the person.

Penalty: a fine of \$2 000.

- (4) A person who is served with a notice under sub-by-law (2)(c) must prepare the amended scheme water efficiency management plan and submit it for approval to the scheme water supplier within 60 days after the notice is served on the person.

Penalty: a fine of \$2 000.

**22. ~~Persons~~ Revised plan may ~~submit revised plans for approval~~ be submitted at any time**

A person who has submitted a scheme water efficiency management plan for approval to the scheme water supplier under this Part may, at any time after that submission (whether or not the plan has been approved), prepare a revised scheme water efficiency management plan and submit it for approval to the scheme water supplier.

**Division 3 — After approval of scheme water efficiency management plans**

**23. Application of this Division**

This Division applies where a person has submitted a scheme water efficiency management plan under by-law 20(3), 21(4), 22, 26 or 27(3) and the plan has been approved.

**24. ~~Period~~ Approval of ~~approval of scheme water efficiency management plan,~~ duration of**

The approval remains in force on and from the day the approval was given until —

- (a) the person ceases to be an owner or occupier of the lot;  
or  
(b) the approval is revoked under by-law 28; or

(c) a revised scheme water efficiency management plan is submitted by the person under by-law 22, 26 or 27(3) and is approved; or

(d) a period of 5 years expires,

whichever occurs first.

**25. ~~Compliance~~ Approved plan to be complied with scheme water efficiency management plans ~~etc.~~**

(1) The person must comply with the scheme water efficiency management plan during the period that the approval remains in force under by-law 24.

Penalty: a fine of \$2 000.

(2) If the scheme water supplier reasonably suspects that the person has not complied, or is not complying, with the plan during the period that the approval remains in force under by-law 24, the scheme water supplier may, by notice in writing, require the person to provide a written report on the person's implementation of the plan.

(3) A person who is served with a notice under sub-by-law (2) must prepare the report in an approved form and submit it to the scheme water supplier within 30 days after the notice is served on the person.

Penalty: a fine of \$2 000.

**26. ~~Persons~~ Revised plan to submit revised scheme water efficiency management plans ~~be submitted before end of approval period~~ approved plan in some cases**

(1) Except as provided in sub-by-law (2), the person must, at least 90 days before the end of the period that the approval remains in force under by-law 24, prepare and submit for approval to the scheme water supplier a revised scheme water efficiency management plan.

Penalty: a fine of \$2 000.

- (2) Sub-by-law (1) does not apply to the person if —
- (a) the lot was supplied with less than 20 ML of water in the consumption year immediately before the consumption year in which the approval is due to expire; and
  - (b) the person has submitted to the scheme water supplier a written notice in an approved form —
    - (i) confirming the circumstances in paragraph (a); and
    - (ii) stating that the person does not intend to use 20 ML or more of water in the consumption year in which the approval is due to expire.

**27. ~~Scheme water supplier~~Supplier may require revised ~~scheme water efficiency management plans~~plan to be submitted in some cases**

- (1) In addition to by-law 26, the scheme water supplier may, by notice in writing at any time during the period that the approval remains in force under by-law 24, require the person to prepare and submit for approval to the scheme water supplier a revised scheme water efficiency management plan if —
- (a) there has been a significant change in —
    - (i) the use of water supplied to the lot; or
    - (ii) the quantity of water available for supply to the lot,since the approval was given; or
  - (b) otherwise where the scheme water supplier thinks it is necessary on the basis of a report under by-law 29.
- (2) The notice may specify measures to be included in the revised plan, including timeframes for implementing each of those measures.
- (3) A person who is served with a notice under sub-by-law (1) must prepare the revised plan and submit it for approval to the

scheme water supplier within 60 days after the notice is served on the person.

Penalty: a fine of \$2 000.

**28.** ~~Scheme water supplier may revoke~~ Revocation of approval of scheme water efficiency management plan, application for etc.

- (1) The person may, in an approved form, make an application for the scheme water supplier to revoke the scheme water supplier's approval of the scheme water efficiency management plan.
- (2) On an application under sub-by-law (1) the scheme water supplier may revoke its approval if the scheme water supplier is satisfied that —
  - (a) the lot was supplied with less than 20 ML of water in the consumption year immediately before the consumption year in which the application was made; and
  - (b) the person does not intend to use 20 ML or more of water in the consumption year in which the application was made.

**29.** ~~Annual reports on scheme water efficiency management plans~~ report on plan to be given to supplier

- (1) During the period that the approval remains in force under by-law 24 the person must, within 30 days after each anniversary of the approval, prepare and submit to the scheme water supplier a report on the efficacy of the scheme water efficiency management plan.  
Penalty: a fine of \$2 000.
- (2) The report must be in an approved form and must —
  - (a) compare the use of water supplied to the property during the period to which the report relates against the estimated savings in water use under the plan for that period; and

- (b) contain such other information relating to the efficacy of the plan as the scheme water supplier reasonably requires, as specified in —
  - (i) any notice under by-law 20(2), 21(2) or 27(1); or
  - (ii) any other written notice served on the person for the purposes of this paragraph.
- (3) The scheme water supplier may, by notice in writing served on the person within 90 days after the report is received by the scheme water supplier, request such further information from the person relating to the efficacy of the plan as the scheme water supplier reasonably requires.
- (4) A person who is served with a notice under sub-bylaw (3) must provide the information in an approved form and submit it to the scheme water supplier within 30 days after the notice is served on the person.

Penalty: a fine of \$2 000.
