14. Prohibition on betting after race

- (1) No bet shall be made after a race on or in anticipation of the result of a photograph unless such form of betting is expressly permitted by the rules of racing.
- (2) A bet made on a runner after a race in which the judge calls for a photograph to decide the result shall be determined by the hoisting of the numbers in the semaphore (or alternative means of the declaration of the result of the race) and not upon the hoisting of the weight flag.

[Rule 14 amended in Gazette 21 Jul 1998 p. 3855; 30 Jan 2004 p. 408.]

15. Settlement of bets on deaths of parties thereto

The death of either party to a bet shall not invalidate the bet.

16. Settlement of bets on suspension or cancellation of licence of bookmaker

If the licence of a bookmaker is suspended or cancelled, nothing in these rules or in any regulations made under the Act prevents the bookmaker from paying, after the date of the suspension or cancellation of that licence, the betting debts incurred by the bookmaker, subject to such conditions as the Commission may impose in a particular case.

[Rule 16 amended in Gazette 20 Sep 2002 p. 4704; 30 Jan 2004 p. 412.]

17. Settling

Settling in terms of these rules shall not be disturbed except in cases of fraud.

Part 2 — Betting on a sporting event, or a contingency, approved under section 4B

[Heading inserted in Gazette 10 Jul 1992 p. 3294.]

1. Bets shall be determined on the official results as declared by the controlling authority responsible for conducting the sporting event to which the bets relate.

[Rule 1 inserted in Gazette 10 Jul 1992 p. 3294.]

2. Any outcome not covered by these rules shall be determined by the stewards acting at the race meeting where the bet was laid.

[Rule 2 inserted in Gazette 10 Jul 1992 p. 3294.]

[3. Deleted in Gazette 25 Sep 2009 p. 3752.]

4. Where a sporting event or contingency results in a tie, draw or dead heat, and odds are offered for that tie, draw or dead heat, any bet for a win is lost.

[Rule 4 inserted in Gazette 10 Jul 1992 p. 3294.]

5. If no odds are offered for a tie, draw or dead heat and the event or contingency results in a tie, draw or dead heat between 2 teams or 2 competitors, then, unless the betting on the outcome involves a points margin, any bet for a win shall be determined in the following manner —

- (i) half of the amount wagered shall be regarded as “won” at the agreed odds; and
- (ii) half of the amount wagered shall be lost.

[Rule 5 inserted in Gazette 10 Jul 1992 p. 3294; amended in Gazette 25 Sep 2009 p. 3752.]

Appendix Rules of Betting

Part 2 Betting on a sporting event, or a contingency, approved under section 4B

6. In bets involving more than one contingency of, or relating to, the same sporting event —
- (a) if the first contingency is not decided in the backer's favour, the bet is lost; and
 - (b) where the bet covers 2 contingencies and either of those contingencies is decided in the backer's favour and the other results in a tie, the backer shall receive half the amount receivable had the bet been a winning bet; and
 - (c) where the bet covers 2 contingencies and both are tied, the backer shall receive one fourth of the amount receivable had the bet been a winning bet; and
 - (d) where the bet covers 2 or more contingencies and one contingency is decided in the backer's favour, if the event is subsequently abandoned or if by reason of circumstances not covered by that bet any bet as to any of the other contingencies is not capable of being decided, the backer shall be paid at odds to be determined by the stewards acting at the race meeting where the bet was laid; and
 - (e) where the bet covers 3 or more contingencies and one or more results in a tie, bets shall be determined by the stewards acting at the meeting where the bet was laid; and
 - (f) where the bet covers a contingency and by reason of circumstances not covered by the bet it is not capable of being decided, all bets are to be refunded.

[Rule 6 inserted in Gazette 10 Jul 1992 p. 3294.]

7. Where a sporting event is abandoned, all bets are to be refunded except those laid in respect of contingencies that have been decided totally or in part.

[Rule 7 inserted in Gazette 10 Jul 1992 p. 3295.]

8. Where a sporting event is postponed to a later date, all bets on the event or contingent on the event shall stand.

[Rule 8 inserted in Gazette 10 Jul 1992 p. 3295.]

9. All bets in relation to sporting contingencies shall be “play or pay”, unless the parties mutually agree to the contrary.

[Rule 9 inserted in Gazette 10 Jul 1992 p. 3295; amended in Gazette 30 Jan 2004 p. 408-11.]

Scale of Deduction Table

1. The following Table is the Table referred to in rule 4A and is to be used to determine the rate % of deduction in situations where it is not possible for the stewards to declare a deduction in accordance with rule 4A(3). In that case the stewards may declare a deduction for the purposes of rule 4A(2)(b) in accordance with this Scale of Deduction Table. Calculations can be made in respect of win, place, each-way, concession and doubles wagers. Rate % of deduction (cent in \$) from the dividend payable in respect of the wager. (Note: For the purpose of this Table, the win component of an each-way wager is to be taken as win wager and the place component a place wager.)
2. Generally, the deduction is applied to the face value of a bet made prior to the time it became known that a runner was a late scratched runner.
3. In relation to concession bets, the deduction is applied only —
 - (a) in respect of a runner that comes first; and
 - (b) to the amount of winnings payable.
4. With regard to all successful win, place, each-way, concession and multiple doubles wagers, investors are to be paid the dividend payable in respect of the wager less the number of cents in the dollar deduction applicable on the scale of deductions in the Scale of Deduction Table for the dividends of the runner at the time of its withdrawal.
5. Where 2 or more withdrawals occur simultaneously during wagering, successful wagers made prior to the time of withdrawal are to be paid the dividend payable in respect of the wager, less a deduction determined by adding together the rates of deduction applicable to each of the runners withdrawn.
6. Where withdrawals occur at different times during wagering on a race, successful wagers placed prior to the last withdrawal are to be paid the dividend payable in respect of the wager, less deductions determined as follows —
 - (a) for wagers placed prior to the first withdrawal, the rate of deduction is to be determined by adding together the rates of deduction applicable to the dividends of all withdrawn runners;
 - (b) for wagers placed after the time of the first withdrawal — and prior to the time of the second withdrawal — the rate of deduction is to be determined by the deduction applicable on the scale of

Betting Control Regulations 1978

deductions in the Scale of Deduction Table to the dividends of the second withdrawal.

7. Where the runner ordered or permitted to be withdrawn, or declared a non-starter, is shorter than the range of dividends set out in the Scale of Deduction Table, the stewards may —
- (a) if there is sufficient time, declare all wagers made on the remaining runners to be void and order that wagering on the race be re-opened; or
 - (b) if there is insufficient time to re-open wagering, declare a deduction assessed from the Scale of Deduction Table.
