[Section 109 amended by No. 14 of 1996 s. 4.]

110. Local government may make local laws

Subject to and in accordance with the *Local Government Act 1995* a local government may, in respect of its district, make local laws —

- (c) where the owner or occupier does not comply with the notice given by the local government, for authorising the local government without payment of any compensation in respect thereof to destroy, eradicate or otherwise control the pest plants at the expense of, and recover in a court of competent jurisdiction the amount of the expense from, the owner or occupier to whom the notice was given.

[Section 110 amended by No. 14 of 1996 s. 4.]

112. Local government may assist owner or occupier to control pest plants

Without affecting the operation or effect of local laws made under section 110, where there are pest plants on any public or private land in its district a local government may render such financial or other assistance to any owner or occupier of that land as the local government considers necessary or expedient for the destruction, eradication or control of those plants.

114. Savings

- (1) Without limiting the operation of the provisions of the *Interpretation Act 1918*⁷, and sections 15 and 16 of that Act in particular, it is hereby declared that the repeal of any Act by this Act does not affect any document made or anything done under any Act so repealed, and each such document or thing, so far as it is subsisting or in force at the time of the repeal and could have been made or done under this Act, shall continue and have effect as if it had been made or done under the corresponding provisions of this Act, and as if that provision had been in force when the document was made or the thing was done.
- (2) Until regulations are made under this Act, the regulations made under the Acts repealed by this Act, and in force immediately before the date of repeal, shall apply, so far as they are capable of being applied, to persons, acts, circumstances and things under this Act, as if those regulations were made under this Act.

115. Appointments under repealed Acts

Without limiting the operation of section 114 —

- (a) the person who, immediately before the date of repeal, was the Chief Weed Control Officer and Chief Vermin Control Officer shall, by virtue of this section, be

s. 116

deemed to have been, on that date, appointed as Chief Agriculture Protection Officer under section 9;

- (b) each person who, immediately before the date of repeal, was an inspector under any Act repealed by this Act shall, by virtue of this section, be deemed to have been, on that date, appointed as an agriculture protection inspector under section 9;
- (c) any person who, immediately before the date of repeal, was an authorised person for the purposes of Part VII of the *Vermin Act 1918*⁹ shall, by virtue of this section, be deemed to have been, on that date, authorised under section 11 to take all such measures and do all such things as are necessary or convenient for controlling, and preventing the introduction and spread of, declared plants and declared animals.

116. Transfer of funds and accounts

On the date of repeal, any trust fund or account being kept at the Treasury immediately before that date for the purposes of any of the repealed Acts shall, by force of this section, be closed and all moneys at that time standing to the credit of such a fund or account shall, by force of this section, be placed to the credit of The Agriculture Protection Board Fund referred to in section 9 of the *Agriculture Protection Board Act 1950*.

117. Dissolution of Vermin Board, and transfer of assets and liabilities etc. to Protection Board

- (1) On the date of repeal —
 - (a) all Vermin Districts constituted under the *Vermin Act 1918*⁹ are hereby abolished and all boards of such Vermin Districts are hereby dissolved and cease to exist and the appointment of the respective members thereof cancelled;
 - (b) all real and personal property and every right and interest therein, and the management and control

thereof, that immediately before that date was vested in or belonged to any dissolved Board, shall, by force of this section, without any conveyance, transfer or assignment be transferred to, vested in, and belong to, the Protection Board for the purposes of this Act, subject to any debts, trusts and liabilities affecting them;

- (c) all rights accruing or accrued to any dissolved Board in respect of any property vested in and belonging to the Protection Board by virtue of this section —
 - (i) are vested in and belong to the Protection Board; and
 - (ii) may be enforced by the Protection Board;

- (e) all debts due and money payable by any dissolved Board and all claims liquidated and unliquidated recoverable against any dissolved Board shall be debts due, and moneys payable by, and claims recoverable against, the Protection Board;
- (f) any legal or other proceedings that might but for this section, have been continued or commenced by or against any dissolved Board in its corporate name may be continued or commenced by or against the Protection Board in its corporate name.

s. 118

- (2) Where, immediately before the date of repeal, a council was the board of a Vermin District pursuant to section 45 of the *Vermin Act 1918*⁹ —
- (a) the dissolution of that board by virtue of subsection (1)(a) does not in any way affect —
 - (i) the constitution of that council under the *Local Government Act 1960*¹⁰; or
 - (ii) the offices under the *Local Government Act 1960*¹⁰ of the members of that council;
- and
- (b) the provisions of subsection (1)(b), (c), (d), (e) and (f) apply to and in relation to assets, rights, liabilities and obligations of that council in its capacity as a board of a Vermin District and not otherwise.

118. Disbursement of surplus assets and recovery of deficits

- (1) Where —
- (a) the sum of —

that are due and payable by, and recoverable against the Protection Board by virtue of section 117,

then, without prejudice to the operation of any other provision of this Act, the Protection Board shall apply the amount of that excess in carrying out operational work, within the meaning of section 57, on and in relation to private land in the area that, immediately before the date of repeal, was the Vermin District for which that dissolved Board was constituted.

- (2) Where the sum mentioned in subsection (1)(b) exceeds the sum mentioned in paragraph (a) of that subsection then, for the purpose of recovering the amount of that excess and for that purpose only, the Protection Board may, notwithstanding section 6, levy and recover vermin rates under Part V of the *Vermin Act 1918*⁹ as if it were the dissolved Board referred to in that subsection and as if that Act had not been repealed by this Act.
- (3) The Protection Board may, with the approval of the Minister, determine —
 - (a) the value of any real or personal property, or right or interest in or in respect of real or personal property;
 - (b) the amount of any unliquidated claim,

for the purposes of this section, and such a determination shall, when so approved, be final and conclusive for those purposes.

The Glossary at the end of the *Taxation Administration Act 2003* defines or affects the meaning of some of the words and expressions used in this Act and also affects the operation of other provisions.

Part 4 — Transitional provisions

Division 1 — Interpretation

33. Definitions

In this Part —

“**commencement day**” means the day on which the *Taxation Administration Act 2003* comes into operation;

“**old Act**” means —

- (a) an Act repealed by section 5;
- (b) the old Stamp Act; or
- (c) section 41 of the *Metropolitan Region Town Planning Scheme Act 1959* as in force immediately before the commencement day;

“**old Stamp Act**” means the *Stamp Act 1921* as in force immediately before the commencement day;

“**substantive provisions**”, in relation to an old Act, means the provisions of the old Act other than those dealing with matters dealt with in the *Taxation Administration Act 2003*.

Division 2 — General transitional provisions

34. General transitional arrangements

- (1) Section 37(1) of the *Interpretation Act 1984*, except paragraphs (a) and (b), does not apply in relation to the repeal of an old Act.
- (2) The repeal of an old Act does not, unless the contrary intention appears —
 - (a) affect any right, interest, title, power or privilege created, acquired, accrued, established or exercisable or any status or capacity existing prior to the repeal;
 - (b) affect any duty, obligation, liability, or burden of proof imposed, created, or incurred prior to the repeal;

- (c) subject to section 11 of *The Criminal Code* and section 10 of the *Sentencing Act 1995*, affect any penalty or forfeiture incurred or liable to be incurred in respect of an offence committed against the old Act; or
 - (d) affect any investigation, legal proceeding or remedy in respect of any such right, interest, title, power, privilege, status, capacity, duty, obligation, liability, burden of proof, penalty or forfeiture.
- (3) Subject to subsections (4) and (5) —
- (a) a right, interest, title, power, privilege, duty, obligation, liability or burden of proof referred to in subsection (2)(a) or (b) may be exercised or enforced;
 - (b) a penalty or forfeiture referred to in subsection (2)(c) may be imposed and enforced; and
 - (c) an investigation, legal proceeding or remedy referred to in subsection (2)(d) may be instituted, continued, or enforced,
- as if the substantive provisions of the relevant old Act —
- (d) had not been repealed;
 - (e) were a taxation Act for the purposes of the *Taxation Administration Act 2003*; and
 - (f) had been amended to make any modifications necessary for this section to have effect.

- as if this Act and the taxation Acts had not commenced.
- (5) If the time limited by an old Act for doing anything is longer than the time limited by a taxation Act for doing the equivalent thing under that Act, then in relation to a matter to which subsection (3) applies, the time limited under the old Act applies in relation to the doing of the thing under the taxation Act.

- (6) If the time limited by an old Act for commencing proceedings in relation to an offence under that Act is shorter than the 5 year period limited by section 111 of the *Taxation Administration Act 2003*, then despite section 111, proceedings in relation to an offence under the old Act (including an offence under a provision of the old Act that is continued in force under this Part) cannot be commenced after the expiry of the shorter period provided for by the old Act.
- (7) In this section a reference, in relation to the *Stamp Act 1921*, to the repeal of the old Act is a reference to the amendment of the Act by the *Stamp Amendment Act 2003*.

35. Commissioner not to increase tax liability

Despite Part 3 Division 1 of the *Taxation Administration Act 2003*, the Commissioner must not make a reassessment that increases the amount of tax a person is liable to pay in relation to anything that happened before the commencement day if the reassessment could not have been made under the relevant old Act.

36. Delegations

A delegation made under an old Act and in force immediately before the commencement day continues in force on and after that day as a delegation made under section 10 of the *Taxation Administration Act 2003*.

Division 3 — Debits tax

- (2) Where section 13(1) of the *Debits Tax Assessment Act 2002* applies in relation to a certificate issued under section 11 of the *Debits Tax Assessment Act 1990* the Commissioner cannot make a reassessment of the amount of debits tax payable on a debit for the purpose of giving effect to that section more than 3 years after —
- (a) if the financial institution has recovered the amount of the debits tax paid on the debit from the customer — the date on which that amount was recovered; or
 - (b) otherwise — the date on which the debits tax on the debits was paid.

Division 4 — Land tax

38. Exemptions for certain home unit owners (*Land Tax Assessment Act 1976, s. 19*)

If the amount of land tax payable on land for the financial year commencing on 1 July 2001 was assessed under section 19 of the *Land Tax Assessment Act 1976*, then on and after the commencement day section 16 of the *Land Tax Assessment Act 2002* applies in relation to that land as if that assessment had been made under section 16.

40. Land tax relief Acts

Despite —

- (a) the repeal of the *Land Tax Assessment Act 1976* and *Land Tax Act 1976*; and
- (b) the amendment of section 41 of the *Metropolitan Region Town Planning Scheme Act 1959*,

on and after the commencement day the *Land Tax Relief Act 1991* and *Land Tax Relief Act 1992* apply as if the substantive provisions of the Acts mentioned in paragraphs (a) and (b) —

- (c) had not been repealed;
- (d) were a taxation Act for the purposes of the *Taxation Administration Act 2003*; and
- (e) had been amended to make any modifications necessary for this section to have effect.

Division 5 — Pay-roll tax

41. Treatment of certain contributions (*Pay-roll Tax Assessment Act 1971, Sch. 2 cl. 5*)

Despite the repeal of the *Pay-roll Tax Assessment Act 1971*, Schedule 2 clause 5 of that Act continues to apply on and after the commencement day in relation to contributions wholly or partly in respect of services performed or rendered before 1 July 1997 as if that Act had not been repealed.

42. Reassessments and refunds (*Pay-roll Tax Assessment Act 1971*, s. 19)

Despite sections 16(3), 20(3) and 22(4) of the *Pay-roll Tax Assessment Act 2002* and section 16(1)(a) of the *Taxation Administration Act 2003*, the Commissioner is not required to make a reassessment of the amount of pay-roll tax payable by an employer in respect of wages paid or payable before the commencement day unless an application for a reassessment is made within 2 years after the tax was paid.

Division 6 — Stamp duty

43. Adhesive stamps (*Stamp Act 1921*, s. 15, 21 and 23)

- (2) Despite their repeal by the *Stamp Amendment Act 2003*, sections 21 and 23 of the old Stamp Act continue in force for 3 months after the commencement day in relation to adhesive stamps that were affixed on instruments before that day.
- (3) If adhesive stamps affixed to an instrument have been cancelled in accordance with the old Stamp Act (including the provisions of the old Stamp Act continued in force by subsections (1) and (2)) the instrument is taken to have been endorsed in accordance with section 17C of the *Stamp Act 1921*.

44. Printing of “Stamp Duty Paid” on cheques (*Stamp Act 1921*, s. 52)

- (1) An authorisation of a financial institution granted under section 52 of the old Stamp Act and in force immediately before the commencement day continues in force on and after that day as a special tax arrangement made under the *Taxation Administration Act 2003*.
- (2) Any requirement that applied, immediately before the commencement day, to a person to whom an authorisation continued by subsection (1) had been granted (whether imposed by the old Stamp Act or as a condition to which the authorisation was subject), continues as a condition to which the special tax arrangement referred to in subsection (1) is subject.

45. First home owners — reassessment (*Stamp Act 1921*, s. 75AG)

Despite section 17(1) of the *Taxation Administration Act 2003*, if property that included a dwellinghouse was conveyed or
