12. Anti-avoidance provision

If a local government enters into 2 or more contracts in circumstances such that the desire to avoid the requirements of regulation 11(1) is a significant reason for not dealing with the matter in a single contract, tenders are to be publicly invited according to the requirements of this Part before entering into any of the contracts regardless of the consideration.

13. Procedure when local government invites tenders though not required to do so

If a local government, although not required by this Part to invite tenders before entering into a contract for another person to supply goods or services, decides to invite tenders, the tenders are to be publicly invited according to the requirements of this Part.

14. Requirements for publicly inviting tenders

- (1) When regulation 11(1), 12 or 13 requires tenders to be publicly invited, Statewide public notice of the invitation is to be given.

- (2a) If a local government —

 - (d) whether or not the local government has decided to submit a tender; and

r. 15

- (e) whether or not the CEO has decided to allow tenders to be submitted by facsimile or other electronic means, and if so, how tenders may so be submitted.
- (5) After a notice has been given under subregulation (1) or (2), a local government may vary the information referred to in subregulation (3) by taking reasonable steps to give each person who has sought copies of the tender documents or each acceptable tenderer, as the case may be, notice of the variation.

[Regulation-14 amended in Gazette 29 JuneJun 2001 p. 3130.]

15. Minimum time to be allowed for submitting tenders

- (1) If the notice is published in the newspaper as part of giving Statewide public notice, the time specified in the notice as the time after which tenders cannot be submitted has to be at least 14 days after the notice is first published in the newspaper as part of giving Statewide public notice.
- (2) If the notice is given to a person listed as an acceptable tenderer, the time specified in the notice as the time after which tenders cannot be submitted has to be at least 14 days after the notice is given.

16. Receiving and opening tenders

- (1) The CEO is responsible for keeping any tender submitted including a tender submitted by facsimile or other electronic means in safe custody, and for ensuring that it remains confidential.

 - (a) at least one and, if practicable, more than one employee of the local government or one person authorised by the CEO to open tenders and, if practicable, one or more other persons, is required to be present;

- (b) members of the public are entitled to be present; and
- (c) details of the tenders (other than the consideration sought in the tender) are to be immediately recorded in a register to be known as the tenders register.

31 Mar 2005 p. 1055.]*

- (3) The tenders register is to include for each invitation to tender the amount of the consideration or a summary of the amount of

the consideration sought in the tender accepted by the local government.

[Regulation-17 amended in Gazette 29 ~~June~~Jun 2001 p. 3131.]

18. Choice of tender

- (1) A tender is required to be rejected unless it is submitted at a place, and within the time, specified in the invitation for tenders.
- (2) A tender that is submitted at a place, and within the time, specified in the invitation for tenders but that fails to comply with any other requirement specified in the invitation may be rejected without considering the merits of the tender.
- (3) If, under regulation 23(4), the CEO has prepared a list of acceptable tenderers for the supply of goods or services, a tender submitted by a person who is not listed as an acceptable tenderer is to be rejected.
- (4) Tenders that have not been rejected under subregulation (1), (2), or (3) are to be assessed by the local government by means of a written evaluation of the extent to which each tender satisfies the criteria for deciding which tender to accept and it is to decide which of them it thinks it would be most advantageous to the local government to accept.
- (4a) To assist the local government in deciding which tender would be the most advantageous to it to accept, a tenderer may be requested to clarify the information provided in the tender.
- (5) The local government may decline to accept any tender.
- (6) If a local government has accepted a tender but acceptance of the tender does not create a contract and within 6 months of the day on which the tender was accepted the local government and the successful tenderer agree not to enter into a contract in relation to the tender, the local government may accept from the other tenders the tender which it thinks it would be most advantageous to the local government to accept.

- (7) If a local government has accepted a tender and acceptance of the tender creates a contract and within 6 months of the day on which the tender was accepted the local government and the successful tenderer agree to terminate the contract, the local government may accept from the other tenders the tender which it thinks it would be most advantageous to the local government to accept.

[Regulation-18 amended in Gazette 29 ~~June~~Jun 2001 p. 3131-2.]

19. Tenderers to be notified of outcome

The CEO is to give each tenderer notice in writing containing particulars of the successful tender or advising that no tender was accepted.

[Regulation-19 amended in Gazette 29 ~~June~~Jun 2001 p. 3132.]

20. Variation of requirements before entry into contract

- (1) If, after it has invited tenders for the supply of goods or services and chosen a successful tenderer but before it has entered into a contract for the supply of the goods or services required, the local government wishes to make a minor variation in the goods or services required, it may, without again inviting tenders, enter into a contract with the chosen tenderer for the supply of the varied requirement subject to such variations in the tender as may be agreed with the tenderer.
- (2) If —
- (a) the chosen tenderer is unable or unwilling to enter into a contract to supply the varied requirement; or
 - (b) the local government and the chosen tenderer cannot agree on any other variation to be included in the contract as a result of the varied requirement,

that tenderer ceases to be the chosen tenderer and the local government may, instead of again inviting tenders, choose the

r. 21

tenderer, if any, whose tender the local government considered it would be the next most advantageous to it to accept.

- (3) In subregulation (1) —
“**minor variation**” means a variation that the local government is satisfied is minor having regard to the total goods or services that tenderers were invited to supply.

21. Limitation may be placed on who can tender

- (1) If a local government thinks that there is good reason to make a preliminary selection from amongst prospective tenderers, it may seek expressions of interest with respect to the supply of the goods or services.
- (2) There is good reason to make a preliminary selection if, because of —
- (a) the nature of the goods or services required; or
 - (b) the cost of preparing plans, specifications or other information for the purpose of adequately describing the goods or services required,

it would be advantageous to the local government if tenders were invited only from persons it considers to be capable of satisfactorily supplying the goods or services.

- (3) If a local government decides to seek expressions of interest before inviting tenders, Statewide public notice that expressions of interest are sought is to be given.
- (4) The notice is required to include —
- (a) a brief description of the goods or services required;
 - (b) particulars identifying a person from whom more detailed information may be obtained;
 - (c) information as to where and how expressions of interest may be submitted; and

- (d) the date and time after which expressions of interest cannot be submitted.

23. Choice of acceptable tenderers

- (1) An expression of interest is required to be rejected unless it is submitted at a place, and within the time, specified in the notice.
- (2) An expression of interest that is submitted at a place, and within the time, specified in the notice but that fails to comply with any other requirement specified in the notice may be rejected without considering its merits.
- (3) Expressions of interest that have not been rejected under subregulation (1) or (2) are to be considered by the local government and it is to decide which, if any, of those expressions of interest are from persons who it thinks would be capable of satisfactorily supplying the goods or services.
- (4) The CEO is to list each of those persons as an acceptable tenderer.

[Regulation-23 amended in Gazette 29 ~~June~~Jun 2001 p. 3132.]

24. Persons expressing interest to be notified of outcome

The CEO is to give each person who submitted an expression of interest notice in writing —

- (a) containing particulars of the persons the CEO has listed under regulation 23(4) as acceptable tenderers;
- (b) advising that the local government has decided not to invite tenders because no expression of interest that it

r. 24

considered was from a person who it thinks would be capable of satisfactorily supplying the goods or services;
or

- (c) informing the person of any other outcome if neither paragraph (a) nor (b) is appropriate.

[Regulation-24 amended in Gazette 29 ~~June~~Jun 2001 p. 3133.]

Part 4A — Regional price preference

[Heading inserted in Gazette 25 February Feb 2000 p. 971.]

24A. Application of this Part

The provisions of Part 4 may be varied in accordance with this Part, if the local government is located outside the metropolitan area and intends to give a regional price preference in accordance with this Part.

[Regulation 24A inserted in Gazette 25 February Feb 2000 p. 971.]

24B. Interpretation

(1) In this Part —

~~“regional tenderer” means a supplier of goods or services who satisfies the criteria in subregulation (2);~~

“regional price preference”, in relation to a tender submitted by a regional tenderer, involves assessing the tender as if the proposed tender price were discounted in accordance with regulation 24D;

“regional tenderer” means a supplier of goods or services who satisfies the criteria in subregulation (2).

(2) A supplier of goods or services who submits a tender is regarded as being a regional tenderer for the purposes of this Part if —

- (a) that supplier has been operating a business continuously out of premises in the appropriate region for at least 6 months before the time after which further tenders cannot be submitted; or
- (b) some or all of the goods or services are to be supplied from regional sources.

[Regulation 24B inserted in Gazette 25 February Feb 2000 p. 971.]

r. 24C

24C. Regional price preference may be given

A local government located outside the metropolitan area may give a regional price preference to a regional tenderer in accordance with this Part.

[Regulation 24C inserted in Gazette 25 ~~February~~Feb 2000 p. 971.]

24D. Price percentage within which preference may be given

- (1) A preference may be given to a regional tenderer by assessing the tender from that regional tenderer as if the price bids were reduced by —
 - (a) up to 10% — where the contract is for goods or services, up to a maximum price reduction of \$50 000;
 - (b) up to 5% — where the contract is for construction (building) services, up to a maximum price reduction of \$50 000; or
 - (c) up to 10% — where the contract is for goods or services (including construction (building) services), up to a maximum price reduction of \$500 000, if the local government is seeking tenders for the provision of those goods or services for the first time, due to those goods or services having been, until then, undertaken by the local government.
- (2) Although goods or services that form a part of a tender submitted by a tenderer (who is a regional tenderer by virtue of regulation 24B(2)(b)) may be —
 - (a) wholly supplied from regional sources; or
 - (b) partly supplied from regional sources, and partly supplied from non-regional sources,

only those goods or services identified in the tender as being from regional sources may be included in the discounted calculations that form a part of the assessments of a tender when a regional price preference policy is in operation.

- (3) Despite subregulation (1), price is only one of the factors to be assessed when the local government is to decide which of the tenders it thinks would be most advantageous to that local government to accept under regulation 18(4).

[Regulation 24D inserted in Gazette 25 FebruaryFeb 2000 p. 972.]

24E. Preparation of policy

- (1) Where a local government intends to give a regional price preference in relation to a process, the local government is to —
- (a) prepare a proposed regional price preference policy (if no policy has yet been adopted for that kind of contract);
 - (b) give Statewide public notice of the intention to have a regional price preference policy and include in that notice —
 - (i) the region to which the policy is to relate;
 - (ii) details of where a complete copy of the proposed policy may be obtained; and
 - (iii) a statement inviting submissions commenting on the proposed policy, together with a closing date of not less than 4 weeks for those submissions;
- and
- (c) make a copy of the proposed regional price preference policy available for public inspection in accordance with the notice.
- (2) A regional price preference policy may be expressed to be —
- (a) for different regions in respect of different parts of the contract, or the various contracts, comprising the basis of the tender;
 - (b) for different goods or services within a single contract or various contracts;

r. 24F

- (c) for different price preferences in respect of the different goods or services, or the different regions, that are the subject of a tender or tenders (subject to the limits imposed by regulation 24D),

or for any combination of those factors.

- (3) A region specified under this Part —
 - (a) must be (or include) the entire district of the local government; and
 - (b) cannot include a part of the metropolitan area.
- (4) A policy cannot be adopted by a local government until the local government has considered all submissions that are received in relation to the proposed policy and, if that consideration results in significant changes to the proposed policy, then the local government must again give Statewide public notice of the altered proposed regional price preference policy.

[Regulation 24E inserted in Gazette 25 Feb 2000 p. 972-3; amended in Gazette 31 Mar 2005 p. 1055.]

24F. Adoption and notice of policy

- (1) A policy cannot be adopted by a local government until at least 4 weeks after the publication of the Statewide notice of the proposed policy.
- (2) An adopted policy must state —
 - (a) the region or regions within which each aspect of it is to be applied;
 - (b) the types and nature of businesses that may be considered for each type of preference; and
 - (c) whether the policy applies to —
 - (i) different regions in respect of different parts of the contract, or the various contracts, comprising the basis of the tender;

- (ii) different goods or services within a single contract or various contracts;
- (iii) different price preferences in respect of the different goods or services, or the different regions, that are the subject of a tender or tenders,

or to any combination of those factors.

~~[(d) deleted]~~

- (3) An adopted policy cannot be applied until the local government gives Statewide notice that it has adopted that policy.
- (4) The local government is to ensure that a copy of an adopted regional price preference policy is —
 - (a) included with any specifications for tenders to which the policy applies; and
 - (b) made available in accordance with regulation 29 of the *Local Government (Administration) Regulations 1996*.

[Regulation 24F inserted in Gazette 25 Feb 2000 p. 973-4; amended in Gazette 31 Mar 2005 p. 1055.]

24G. Adopted policy applies

A local government that has adopted a regional price preference policy in relation to a certain type of contract may choose not to apply that policy to a particular tender in the future for a contract of that type but, unless it does so, the policy is to apply to all like tenders.

[Regulation 24G inserted in Gazette 25 ~~February~~Feb 2000 p. 974.]
