## Perth Parking Management Regulations 1999

### 1. Citation

These regulations may be cited as the *Perth Parking Management Regulations 1999*<sup>1</sup>.

### 2. Commencement

These regulations come into operation on the day on which section 7 of the *Perth Parking Management Act 1999* comes into operation<sup>1</sup>.

### 3. Interpretation

In these regulations, unless the contrary intention appears —

“**ACROD sticker**” has the same meaning as in the *Local Government (Parking for Disabled Persons) Regulations 1988*;

“**Act**” means the *Perth Parking Management Act 1999*;

“**carriageway**” has the meaning given to that term in the *Road Traffic Code 2000* regulation 3(1);

“**fire brigade**” means a brigade as defined in the *Fire Brigades Act 1942*;

“**vehicle of a disabled person**” means a vehicle —

- (a) in which a disabled person is either the driver or a passenger; and

- (b) which is identified with an ACROD sticker in accordance with regulation 5 of the *Local Government (Parking for Disabled Persons) Regulations 1988*.

*[Regulation 3 amended in Gazette 16 May 2003 p. 1704.]*

**4. The Perth parking management area**

The area within the bold dashed line shown as the boundary of the Perth parking management area on the diagram in Schedule 1 is prescribed as the Perth parking management area for the purposes of section 6 of the Act.

**5. Exemptions**

For the purposes of section 7(c) of the Act, a vehicle is parked in prescribed circumstances if —

- (a) the vehicle is parked in or on a building, or on land on which there is a building, by or for a permanent resident of the building, and is parked in a space set aside for the use of the resident by the owner of the building;
- (b) the vehicle is parked in or on a building, or on land on which there is a building, by or for a person who is visiting a permanent resident of the building, and is parked in a space set aside for the use of such visitors by the owner of the building;
- (c) the vehicle is parked in or on a building, or on land on which there is a building, by or for a permanent resident of the building who works from his or her home in the building;
- (d) the vehicle is parked in an area provided by the City of Perth for the use of people attending a special event, and a person who attends the event is either the driver of the vehicle or a passenger in it.

**6. Applications for a parking bay licence**

- (1) For the purposes of section 8(2) of the Act, an application by the owner of land or a building for a parking bay licence for the land or building is to include or be accompanied by the following information —
  - (a) the name and address of the applicant;
  - (b) the address of the land or building;
  - (c) an approval under the *Town Planning and Development Act 1928* indicating the number of parking bays approved and the uses for which they have been approved.
- (2) However, if the approval referred to in subregulation (1)(c) was issued before the commencement of these regulations, then, instead of the approval, the application may be accompanied by a statutory declaration in accordance with section 106 of the *Evidence Act 1906* that declares that the approval was issued and that indicates the number of parking bays approved and the uses for which they have been approved.

**7. Parking bay licence fees**

- (1) The annual fee payable for the issue or renewal of a parking bay licence for the parking facilities described in the second column of an item in Schedule 2 is the fee set out in the third column of the item.
- (2) However, if a licence fee is paid in instalments with the permission of the CEO under section 11(2) of the Act, the annual fee payable for the licence under subregulation (1) is increased by 5%.

**8. Variation of parking bay licences**

- (1) For the purposes of section 15(2) of the Act, an application by a licensee for the variation of a parking bay licence is to include or be accompanied by the following information —

- (a) the name and address of the licensee;
  - (b) the address of the land or building to which the licence applies;
  - (c) particulars of the variation sought; and
  - (d) the approval referred to in subregulation (2), if required.
- (2) If the number of parking bays to be permitted by the varied licence would be greater than the number permitted by the approval under the *Town Planning and Development Act 1928* that was lodged with the application for the licence or for an earlier variation, the application for variation must be accompanied by a further approval under that Act indicating approval for the increase in the number of parking bays and indicating the uses for which the additional bays have been approved.

**9. Infringement notices**

For the purposes of section 19(1) of the Act, an infringement notice may be given for an offence described in the third column of an item in Schedule 3 that is alleged to have been committed under the provision of the Act specified in the second column of the item.

**10. Modified penalties for infringements**

The modified penalty for an offence referred to in an item in Schedule 3 is the penalty set out in the fourth column of the item.

**11. Form of infringement notice**

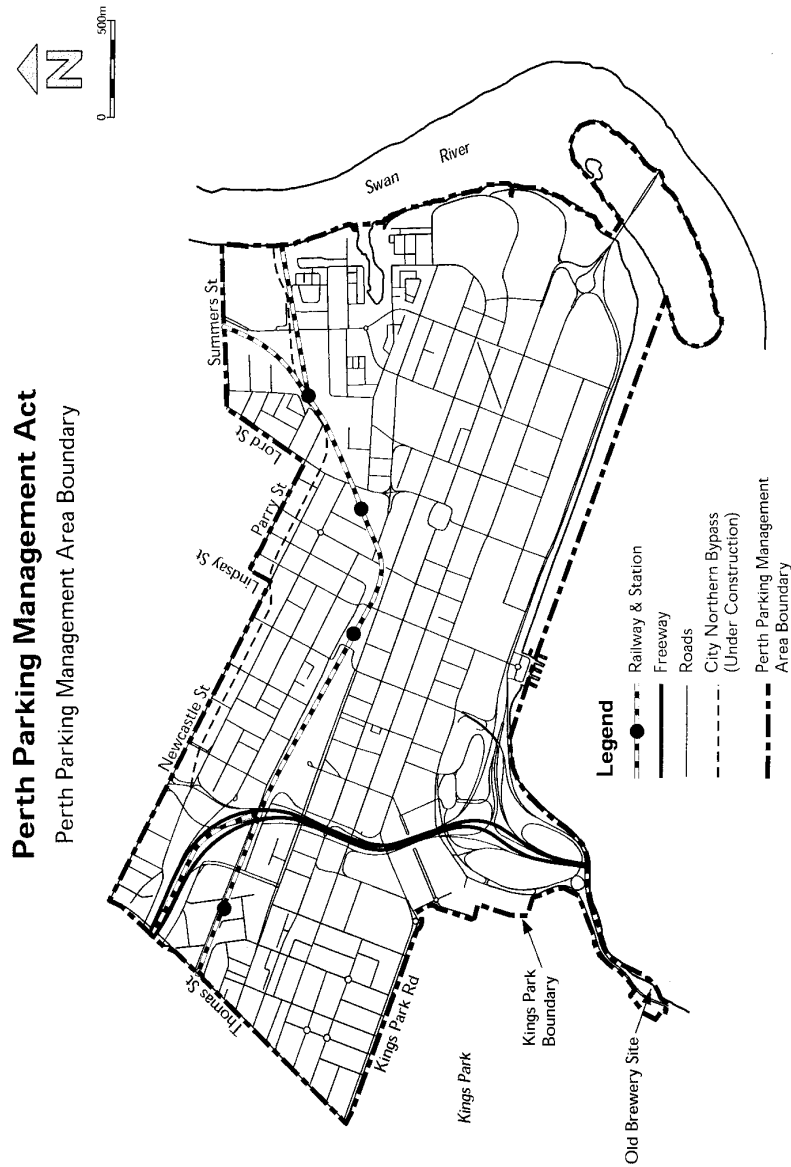

For the purposes of section 19(2) of the Act, the form of an infringement notice is the form set out in Schedule 4.

**12. Form of notice of withdrawal of infringement notice**

For the purposes of section 19(6) of the Act, the form of a notice of withdrawal of an infringement notice is the form set out in Schedule 5.
