- (2) Subject to the provisions of subsection (3), an Order made under subsection (1) has effect for a period of 6 months, and no longer, and may be revoked or varied at any time.
- (3) The Governor, on the recommendation of the Committee and on being satisfied that having regard to the circumstances of the case it has not been practicable to complete the evaluation of the locality but that it is expedient that the locality should continue to be preserved and protected, may by Order in Council declare that an Order made under subsection (1) shall continue to have effect for such period as is therein specified.

to do so, he may recommend to the Governor that the declaration of the protected area be varied or revoked.

- (2) A person who destroys, damages, alters, moves or interferes with any notice, boundary mark, fence or other structure erected pursuant to subsection (1) commits an offence.
- (3) The fact that a notice, boundary mark or fence is not or was not at the relevant time erected or in a reasonable state of repair is immaterial to the liability of any person for an offence against this Act and the reasonableness of a belief as to the existence or non-existence of an Aboriginal site.

*[Section 23 amended: No. 24 of 1995 s. 24.]*

**24. Notification of changes etc.**

- (2) A person who contravenes any provision of a regulation made pursuant to subsection (1) commits an offence against this Act, and where a person enters or remains within a protected area in the course of his employment in contravention of any such regulation the employer and that person are each guilty of an offence against this Act.

- (2) Where the Minister is satisfied that it is in the general interest of the community so to do the Minister may agree to a proposal made under subsection (1), and any such covenant shall thereupon have effect as if the Minister were possessed of or entitled to or interested in adjacent land and as if the covenant had been and had been expressed to be entered into for the benefit of that adjacent land.
- (3) Where the land to which the covenant relates is held under the operation of the *Transfer of Land Act 1893*, the provisions of Division 3A of Part IV of that Act apply to and in relation to the registration, discharge, modification and dealing with that covenant and any restriction arising therefrom.
