~~**Division 2 — Transfer of assets, liabilities, proceedings etc.**~~

~~**2. — Minister may make transfer orders**~~

- ~~(1) To facilitate the transition from the provision of services by that part of the Department known as the Chemistry Centre to services being provided by the body established by this Act, the Minister may make and publish in the *Gazette* a transfer order that —~~
- ~~(a) specifies which assets and liabilities of the State are to be assigned to the Chemistry Centre by operation of clause 3; and~~
 - ~~(b) specifies any agreement or instrument that, by operation of clause 3, is to have effect as if references to the Chemistry Centre (WA) were substituted, in accordance with the order, for references in it to the State or the Department (however expressed).~~
- ~~(2) An asset or liability of the State may be specified in a transfer order if the Minister considers that the asset or liability —~~
- ~~(a) relates to the operations of that part of the Department known as the Chemistry Centre; or~~
 - ~~(b) is necessary for the performance of the functions of the body established by this Act.~~
- ~~(3) A transfer order may also deal with incidental or supplementary matters and has effect accordingly.~~

- ~~(5) A thing may be specified in a transfer order by describing the class to which it belongs.~~
- ~~(6) Before a transfer order is made specifying anything by reference to a schedule, a copy of which will be required to be delivered to an~~

- ~~— (7) A transfer order can only be made before the transfer time.~~
- ~~— (8) The fact that a previous transfer order has been made does not prevent a further transfer order from being made.~~
- ~~— (9) A transfer order, or a schedule to which it refers, may be amended by the Minister, by further order published in the *Gazette*, but no such amendment may be made after the transfer time.~~

~~**3. Consequences of transfer order**~~

~~— If a transfer order is made, then —~~

- ~~(1) If an asset or liability cannot be properly assigned to the Chemistry Centre by the operation of this Schedule —~~
- ~~(a) the Department is to be taken to continue to hold that asset or be liable for that liability until it is effectively assigned to the Chemistry Centre in accordance with this Schedule; and~~
- ~~(b) the Department is to take all practicable steps for the purpose of ensuring that the asset or liability is effectively assigned to the Chemistry Centre in accordance with this Schedule.~~
- ~~(2) The fact that subclause (1)(a) applies to an asset or liability that is assigned to the Chemistry Centre under this Schedule does not affect the duty of the accountable authority of the Chemistry Centre under the *Financial Management Act 2006*.~~

~~5. Registration of documents~~

- ~~(1) The Minister is to cause a copy of each transfer order, and any schedule to which it refers, to be delivered to each official having responsibility for a register relating to property of a kind affected by the transfer order.~~

~~(2) The Minister may certify in writing that —~~

~~(a) a specified thing occurred by the operation of this Schedule; or~~

~~(b) a specified thing was done under this Schedule, or to give effect to this Schedule, or for a purpose connected with or arising out of giving effect to this Schedule.~~

~~(3) For all purposes and in all proceedings, a certificate under subclause (2) is sufficient evidence of the matters it certifies, except so far as the contrary is shown.~~

~~7. Rectifying error in transfer order~~

~~(1) The Minister may, by order published in the *Gazette*, make any provision that is necessary to correct any error in a transfer order or a schedule to which a transfer order refers.~~

~~(2) An order under this section may be made so as to have effect from the transfer time.~~

~~(3) To the extent that a provision of an order under this clause has effect before the day of its publication in the *Gazette*, clause 3 does not, as a result of that provision, operate so as —~~

~~(1) In this Division—~~

~~“new Chemistry Centre” means the body established by this Act.~~

~~9.— Completion of things commenced~~

~~Anything commenced to be done by the old Chemistry Centre before the transfer time may be continued by the new Chemistry Centre so far as the doing of that thing is within the functions of the new Chemistry Centre.~~

~~10.— Continuing effect of references and things done generally~~

~~(1) Unless the contrary intention appears or the context otherwise requires, a reference to the Chemistry Centre (however expressed) in any agreement or instrument made before the transfer time is to be taken, after the transfer time, to be a reference to the new Chemistry Centre.~~

~~(2) Any act, matter or thing done or omitted to be done before the transfer time by, to or in respect of the old Chemistry Centre, to the extent that that act, matter or thing—~~

~~(a) has any force or significance after the transfer time; and~~

- ~~(1) If there is not sufficient provision in this Schedule for any matter or thing necessary or convenient to give effect to the transition from the provision of services by that part of the Department known as the Chemistry Centre to services being provided by the new Chemistry Centre, the regulations may make that provision.~~
- ~~(2) The regulations may be made so as to have effect from the transfer time.~~
- ~~(3) To the extent that a provision of the regulations has effect on a day that is earlier than the day of its publication in the *Gazette*, the provision does not operate so as —
