paid for
wheat.

15. (1) Where wheat is delivered to the Board in pursuance of this Act, the Board shall pay for that wheat, including the corn sacks, if any, in which the wheat is delivered, an amount determined by the Board in accordance with this section.

(2) The Board shall determine amounts payable under subsection (1) of this section in respect of wheat of a season by—

- (a) ascertaining the net proceeds of the disposal by the Board of all wheat of that season delivered to the Board in Australia, whether in pursuance of this Act or otherwise;
- (b) deducting from the amount so ascertained an amount determined by the Board having regard to the extent to which freight charges in respect of the export of wheat of that season from this State are lower than freight charges in respect of the export of wheat for that season from other places in Australia, but not exceeding an amount calculated at the rate of two and one-half cents per bushel in respect of the wheat of that season exported from this State;
- (c) ascertaining the share in the remaining amount of each person entitled to payment under this section by apportioning that remaining amount amongst the persons who delivered wheat of that season to the Board in Australia, whether in pursuance of this Act or otherwise, on the basis of the number of bushels of wheat so delivered by each such person, with proper allowance for differences in the quality of wheat and for transport charges for the carriage of wheat to the terminal port from the place at which the wheat was delivered to the Board, corn sacks in which wheat was supplied to the Board, additional costs incurred by the Board in the handling and storage of wheat delivered to the Board in

corn sacks and other necessary adjustments in particular cases; and

- (d) adding to the share, ascertained under paragraph (c) of this subsection, of each person who delivered to the Board, in this State, wheat of that season grown in this State an amount per bushel of the wheat so delivered by him calculated by dividing the amount deducted under paragraph (b) of this subsection by a number equal to the number of bushels of wheat of that season grown in this State and delivered to the Board in this State.

(3) For the purposes of this section, the Board is not bound to preserve the identity of wheat of a season, and may keep its accounts in respect of sales in such manner as will, in its judgment, attribute sales to wheat of different seasons in an equitable manner.

(4) The Board is not bound to make a final payment in respect of wheat of a season until it has disposed of the whole of the wheat of that season delivered to it in Australia, whether in pursuance of this Act or otherwise, but the Board may, with the approval of the Commonwealth Minister, make from time to time such advance payments as it considers justified.

(5) Subject to this section, the net proceeds of the disposal of wheat of a season shall, for the purposes of this section, be deemed to be the net return from the disposal of the wheat, including corn sacks in which the wheat was sold, after paying—

- (a) any charge imposed by the Wheat Export Charge Act 1968 of the Commonwealth in relation to wheat of that season; and
- (b) costs, including interest and costs of administration, storage and transport, other than transport to the terminal port

(6) In ascertaining the net proceeds of the disposal of wheat of a season—

- (a) moneys received by the Board under a policy of insurance in respect of wheat of that season, or in respect of a transaction in relation to any such wheat, shall be deemed to be a return from the disposal of that wheat;
- (b) there shall be taken into account such of the payments made or received by the Board in accordance with subsection (2) of section 13 of the Commonwealth Act as the Board considers may equitably be related to wheat of that season; and
- (c) no account shall be taken of moneys to which section 22 of this Act, or a corresponding provision of the Commonwealth Act or of an Act of another State, applies or of costs of the Board payable out of those moneys.

(7) Where the average price per bushel contracted to be paid to the Board for wheat of a season in relation to which this subsection applies exported by the Board, or sold by the Board for export, is less than the guaranteed price, the net proceeds from the disposal of wheat of that season by the Board shall, for the purposes of this section, be deemed to be increased by the amount that becomes payable to the Board in respect of that season under the Commonwealth Act out of the Wheat Prices Stabilization Fund referred to in that Act.

(8) In ascertaining the average price for the purposes of subsection (7) of this section—

- (a) a price contracted to be paid, in any currency, in respect of a sale other than a sale of fair average quality bulk wheat free on board at the port of export shall be deemed to be the price that would have been the corresponding price, in that currency, for a sale of the same quantity of fair average quality bulk wheat free on board at the port of export; and
- (b) where the price contracted to be paid to the Board for any wheat or, where paragraph (a) of this subsection is applicable, the price that is, by virtue of that paragraph, to be deemed to be the price contracted to be paid to the Board for any wheat, is expressed in a currency other than Australian currency, that price shall be converted to its equivalent in Australian currency according to the appropriate rate of exchange applicable at the date of the contract or, where the price contracted to be paid was not, at the date of the contract, an ascertained amount, at the date on which the amount of the price became ascertained.

(9) The obligation of the Board under this section in respect of any wheat is subject to the operation of section 8 of the Wheat Tax Act, 1957-1966 of the Commonwealth.

16. (1) The amount payable under this Act in respect of any wheat, or wheat and corn sacks, is payable to the person who would have been entitled to receive the price of the wheat if the wheat had been lawfully sold to the Board at the time of the delivery of the wheat.

Payment by
Board.

(2) The same rights, if any, exist against the person receiving an amount paid by the Board

under this Act in respect of wheat, or wheat and corn sacks, as would exist if the moneys so paid were the proceeds of a sale or purported sale of the wheat, or wheat and corn sacks, by him, and any such rights may be enforced by action in any court that would have had jurisdiction if the moneys were the proceeds of such a sale or purported sale.

(3) Payment in good faith by the Board of any moneys payable under this Act to the person appearing to the Board to be entitled to receive them discharges the Board from any further liability in respect of those moneys.

(4) Subject to subsection (5) of this section, an assignment of moneys payable by the Board in respect of wheat, or wheat and corn sacks, delivered to the Board, not including a registered crop lien, is void as against the Board.

(5) Where a person has assigned moneys payable to him by the Board in respect of wheat, or wheat and corn sacks, delivered or to be delivered to the Board in payment of, or as security for payment of, an amount payable by that person for corn sacks supplied to him, the Board may pay those moneys to the assignee.

(6) The price in respect of a sale other than a sale specified in subsection (2) of this section is a price per bushel ascertained by adding to or deducting from the price per bushel applicable to sales so specified an amount that makes a proper allowance for the quality of the wheat, the conditions of sale and the place of delivery.
