Amendment
of s. 3.

3. (1) Section nine of the principal Act is amended as follows:—

(a) By inserting after paragraph (b) of subsection (1) a new paragraph (ba) as follows:—

(ba) to carry out, upon any lands (whether or not dedicated to the purposes of this Act), experiments and research in relation to the economical production of products;

(b) by inserting after paragraph (c) of subsection (1) a new paragraph (d) as follows:—

(d) to sell, lease, let on hire or otherwise dispose of, upon such terms and conditions as the Minister shall think fit, any property vested in or acquired by the Minister or by the Board;

Provided that none of such property shall be sold without the approval of Parliament to the sale and terms and conditions thereof if, as the result of the sale, the Minister would be unable to maintain and carry on works, plant and undertakings for the purpose of producing products.

Retrospective
operation.

(2) Subsection (1) of this section shall have effect and shall be deemed to have had effect and to have been in operation as from and including the date of the commencement of the principal Act.

Validation.

4. All acts, matters and things done or executed, and all transactions entered into by the Minister or by the Board in relation to certain lands containing alunite or alunite deposits at or near Lake Chandler, or to the business, experiments or researches carried on in respect of such lands, which acts, matters, things or transactions would have been valid if such lands had been dedicated to the purposes of the principal Act and the principal Act had been amended by this Act, shall be deemed to be and always to have been valid and effectual, and are hereby ratified and validated.
