What the reprint includes

Endnotes, Compilation table, and Table of provisions that have not come into operation

1. Details about the original Act are shown in the Compilation table in endnote 1, at the back of the reprint. The table also shows any previous reprint.
2. A table of provisions that have not come into operation, to be found in endnote 1a if it is needed, lists any provisions of the Act being reprinted that have not come into operation and any amendments that have not come into operation. The full text is set out in another endnote that is referred to in the table.

Notes amongst text (italicised and within square brackets)

Editorial notes show if something has been omitted under the *Reprints Act 1984* s. 7(4) (because, although still technically part of the text, it no longer has any effect).

The text of anything omitted can be found in an earlier reprint (if there is one) or the Act as passed.
