Guide for using this reprint

What the reprint includes

Endnotes, Compilation table, and Table of provisions that have not come into operation

1. Details about the original Act and legislation that has amended its text are shown in the Compilation table in endnote 1, at the back of the reprint. The table also shows any previous reprint.
2. Validation, transitional, savings, or other provisions identified in the Compilation table may be important. The table may refer to another endnote setting out the text of these provisions in full.
3. A table of provisions that have not come into operation, to be found in endnote 1a if it is needed, lists any provisions of the Act being reprinted that have not come into operation and any amendments that have not come into operation. The full text is set out in another endnote that is referred to in the table.

Notes amongst text (italicised and within square brackets)

1. If the reprint includes a section that was inserted, or has been amended, since the Act being reprinted was passed, editorial notes at the foot of the section give some history of how the section came to be as it is. If the section replaced an earlier section, no history of the earlier section is given (the full history of the Act is in the Compilation table).

Notes of this kind may also be at the foot of Schedules or headings.

2. The other kind of editorial note shows something has been —
 - removed (because it was repealed or deleted from the law); or
 - omitted under the *Reprints Act 1984* s. 7(4) (because, although still technically part of the text, it no longer has any effect).

The text of anything removed or omitted can be found in an earlier reprint (if there is one) or one of the written laws identified in the Compilation table.

Reprint numbering and date

1. The reprint number (in the footer of each page of the document) shows how many times the Act has been reprinted. For example, numbering a reprint as “Reprint 3” would mean that the reprint was the 3rd reprint since the Act was passed. Reprint numbering was implemented as from 1 January 2003.
2. The information in the reprint is current on the date shown as the date as at which the Act is reprinted. That date is not the date when the reprint was published by the State Law Publisher and it is probably not the date when the most recent amendment had effect.

Albany Lot 184 (Validation of Title) Act 1956

An Act to validate the sale for non-payment of rates of Albany Lot 184 by the Municipality of Albany to Robert Muir as evidenced by certificate of sale dated 28 January 1874 registered in the Office of the Registrar of Deeds in Book VII. No. 1376, and to remove any doubts as to the nature or interest purchased by the said Robert Muir in that lot at the sale.

Whereas from the records of the Department of Lands it appears that the land known as Albany Lot 184 was purchased from the Crown by one A. B. Bain on 15 November 1854; and whereas a certificate dated 28 January 1874 of the sale of that lot for non-payment of rates purporting to be under and by virtue of the provisions of *The Municipal Institutions' Act 1871*, as then in force, was given to one Robert Muir by Sir Thomas Cockburn Campbell, then Chairman for the time being of the Municipality of Albany; and whereas that certificate was registered in the Office of the Registrar of Deeds in Book VII., No. 1376, in accordance with the provisions as then in force of section 54 of that Act; and whereas that lot has, since the sale referred to, been continuously used, possessed and held as of an estate in fee simple by the said Robert Muir and his successors in title; and whereas, there being no record of a Crown grant having been issued in respect of the lot, some doubt exists as to the validity of the sale by the Municipality of Albany and as to the nature of the estate or interest which was purchased by Robert Muir in that lot at the sale; and whereas the successors in title of Robert Muir are desirous of perfecting their title

s. 1

thereto: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and the Legislative Assembly of Western Australia, in this present Parliament assembled, and by the authority of the same, as follows: —

1. Short title

This Act may be cited as the *Albany Lot 184 (Validation of Title) Act 1956*¹.

2. Validation of title of Robert Muir as owner in fee simple of Albany Lot 184

For the purpose of resolving any doubts that may exist as to the validity of the sale of the land known as Albany Lot 184 by the Municipality of Albany to Robert Muir as is evidenced by the certificate of sale dated 28 January 1874 registered in the Office of the Registrar of Deeds, in Book VII., No. 1376, and as to the nature of the estate or interest purchased in that lot by Robert Muir at the sale, that sale shall be regarded for all purposes

as a valid sale to the said Robert Muir of an estate in fee simple in the said lot freed and discharged from all claims and encumbrances as against him as purchaser subject to the exceptions, if any, mentioned in the certificate of sale referred to,

as though the land had been validly alienated from the Crown prior to that sale and a Crown grant in respect thereof had been lawfully issued to the grantee subject expressly to the reservation to the Crown of all mines of gold, silver, and other precious metals in or under the land, with full liberty to the Crown and to any person or persons authorised by, or acting on behalf of, the Crown at all times to search and dig for, and carry away the same, and for that purpose to enter upon the land or any part thereof.
