## Guide for using this reprint

### What the reprint includes

### *Endnotes, Compilation table, and Table of provisions that have not come into operation*

1. Details about the original Act and legislation that has amended its text are shown in the Compilation table in endnote 1, at the back of the reprint. The table also shows any previous reprint.
2. Validation, transitional, savings, or other provisions identified in the Compilation table may be important. The table may refer to another endnote setting out the text of these provisions in full.
3. A table of provisions that have not come into operation, to be found in endnote 1a if it is needed, lists any provisions of the Act being reprinted that have not come into operation and any amendments that have not come into operation. The full text is set out in another endnote that is referred to in the table.

### *Notes amongst text (italicised and within square brackets)*

1. If the reprint includes a section that was inserted, or has been amended, since the Act being reprinted was passed, editorial notes at the foot of the section give some history of how the section came to be as it is. If the section replaced an earlier section, no history of the earlier section is given (the full history of the Act is in the Compilation table).

Notes of this kind may also be at the foot of Schedules or headings.

2. The other kind of editorial note shows something has been —
  - removed (because it was repealed or deleted from the law); or
  - omitted under the *Reprints Act 1984* s. 7(4) (because, although still technically part of the text, it no longer has any effect).

The text of anything removed or omitted can be found in an earlier reprint (if there is one) or one of the written laws identified in the Compilation table.

### *Reprint numbering and date*

1. The reprint number (in the footer of each page of the document) shows how many times the Act has been reprinted. For example, numbering a reprint as “Reprint 3” would mean that the reprint was the 3<sup>rd</sup> reprint since the Act was passed. Reprint numbering was implemented as from 1 January 2003.
2. The information in the reprint is current on the date shown as the date as at which the Act is reprinted. That date is not the date when the reprint was published by the State Law Publisher and it is probably not the date when the most recent amendment had effect.

## Growers Charge Act 1940

**An Act to reserve to the grower of certain crops which are subject to a bill of sale or other security an interest in such crops by creating a charge in his favour, and for other purposes.**

**1. Short title**

This Act may be called the *Growers Charge Act 1940*<sup>1</sup>.

**2. Terms used in this Act**

In this Act and for the purposes thereof, if not inconsistent with the context —

**“bill of sale”** means a bill of sale within the meaning of the *Bills of Sale Act 1899*, and its amendments, by way of security, whether registered under the provisions of such Act or unregistered, and includes all assignments, transfers, declarations of trust without transfer, and other assurances of crops, powers of attorney, authorities, or licences to take possession of crops, as security for the payment of money or the performance of an obligation;

**“crops”** means wheat or oats marketed for grain.

**3. Subject to priorities charge created in favour of grower of certain crops**

Whenever crops are subject to a bill of sale then, notwithstanding the provisions of any other Act, there is hereby created in favour of the grower of such crops a charge on such crops to the extent of 30 cents per acre in respect of so much of the area sown with such crops as does not exceed 500 acres, and 10 cents per acre on so much of such area as exceeds 500 acres.

Provided that such charge in favour of the grower shall be subject to the following conditions:

- (a) It shall rank immediately after any other statutory charge and any advance for or towards the cost (as ascertained in the prescribed manner) of growing, harvesting, and carting such crops made under any bill of sale.
- (b) It shall be paid or satisfied in priority to all other moneys secured by any bill of sale.

*[Section 3 amended by No. 113 of 1965 s. 8.]*

**4. Grower's interest in crops under this Act not to be charged or assigned by way of security**

The interest conferred on the grower by this Act in respect of crops grown by him shall not be capable of being charged, assigned, or otherwise dealt with by way of security, or attached, and shall not pass by operation of law to any other person, except the personal representative of a deceased grower, not shall any claim be set off against such interest.

**5. Share-farmers**

- (a) Where crops are grown under a share-farming agreement and are affected by the charge created by this Act, any moneys accruing by reason of the charge shall be divided between the parties to the agreement in proportion to their respective interests thereunder in the crops or the proceeds thereof:

Provided that, where the agreement provides for the division of the crops or the proceeds thereof between the parties to the

agreement on other than a proportionate basis, the moneys accruing by reason of the charge shall be divided between the parties and their respective interests in such moneys, determined in such manner as is prescribed.

- (b) For the purposes of this section crops shall not be deemed to be grown in pursuance of a share-farming agreement, unless 2 or more persons agree to contribute towards the growing of the crops by the provision of either land, labour, material, or plant, and to divide among them in such shares and proportions as such persons may mutually agree, the proceeds of the crops so grown.

## 6. Offences

No person shall —

- (a) obtain payment of any moneys in pursuance of the provisions of this Act by means of any false or misleading statement; or
- (b) present to any grantee of a bill of sale or any authority or any person from or through whom any moneys in respect of the charge created by this Act are or might become payable, any document, or make to any such grantee, authority or person any statement which is false in any material particular.

Penalty: \$1 000.

*[Section 6 amended by No. 50 of 2003 s. 69(2).]*

## 7. Regulations

The Governor may make regulations, not inconsistent with this Act, prescribing all matters which by this Act are required or permitted to be prescribed, or which are necessary or convenient to be prescribed for carrying out or giving effect to this Act, and in particular —

- (a) for prescribing penalties not exceeding \$1 000 for any breach of the regulations; and

- (b) for prescribing from time to time the items of expenditure and matters which shall be taken into account in ascertaining for the purposes of section 3, the cost of growing, harvesting, and carting crops; and
- (c) for conferring upon any person any power or function incidental to or necessary or convenient for the effective operation of this Act; and
- (d) for prescribing the rate of commission or deduction to be allowed to holders of bills of sale or any person as compensation for expense incurred or services rendered when moneys are paid to growers by or through such holders of bills of sale, or persons in respect of the charge arising under this Act; and
- (e) for obtaining such books, documents and information as may be necessary in relation to compliance with this Act or any regulation made thereunder or any suspected contravention thereof.

*[Section 7 amended by No. 78 of 1995 s. 147.]*
