Guide for using this reprint

What the reprint includes

Endnotes, Compilation table, and Table of provisions that have not come into operation

1. Details about the original Act and legislation that has amended its text are shown in the Compilation table in endnote 1, at the back of the reprint. The table also shows any previous reprint.
2. Validation, transitional, savings, or other provisions identified in the Compilation table may be important. The table may refer to another endnote setting out the text of these provisions in full.
3. A table of provisions that have not come into operation, to be found in endnote 1a if it is needed, lists any provisions of the Act being reprinted that have not come into operation and any amendments that have not come into operation. The full text is set out in another endnote that is referred to in the table.

Notes amongst text (italicised and within square brackets)

1. If the reprint includes a section that was inserted, or has been amended, since the Act being reprinted was passed, editorial notes at the foot of the section give some history of how the section came to be as it is. If the section replaced an earlier section, no history of the earlier section is given (the full history of the Act is in the Compilation table).

Notes of this kind may also be at the foot of Schedules or headings.

2. The other kind of editorial note shows something has been —
 - removed (because it was repealed or deleted from the law); or
 - omitted under the *Reprints Act 1984* s. 7(4) (because, although still technically part of the text, it no longer has any effect).

The text of anything removed or omitted can be found in an earlier reprint (if there is one) or one of the written laws identified in the Compilation table.

Sandalwood Act 1929

An Act to regulate the quantity of sandalwood to be pulled or removed from Crown and other land.

1. Short title

This Act may be cited as the *Sandalwood Act 1929*¹, and shall be read as one with the *Conservation and Land Management Act 1984*, hereinafter referred to as the principal Act.

[Section 1 amended by No. 74 of 1996 s. 3.]

2. Power to limit quantity

The Governor may from time to time, by Order in Council, limit and restrict the quantity of sandalwood, other than sandalwood grown on a plantation, that may be pulled or removed from Crown land and alienated land during a period therein stated.

[Section 2 amended by No. 74 of 1996 s. 4.]

3. Licenses

- (1) No person shall pull or remove sandalwood —
- (a) from Crown land, except under a license granted pursuant to regulations under the principal Act; or

- (b) from alienated land, unless such person (being the grantee or lessee thereof, or a person lawfully claiming under him) is authorised to do so by a license in the prescribed form granted to him by the Executive Director under this Act.

Penalty: \$200.

- (1a) Subsection (1)(b) does not apply to sandalwood grown on a plantation.
- (2) Licenses shall not be granted under subsection (1)(b) to authorise the pulling or removal of sandalwood in any quantity exceeding in the aggregate 10% of the total quantity as determined for the time being by Order in Council under section 2.
- (3) The granting of licenses under subsection (1)(b) shall be in the order of priority of application, and the allocation to each licensee of the quantity of sandalwood to be pulled or removed under license shall be determined by the Minister.
- (4) In this section the words “**alienated land**” mean and include any land granted by the Crown for an estate in fee simple and any land held on conditional purchase or other lease or tenure under the provisions of the *Land Administration Act 1997*, or the *Mining Act 1904*², but shall not include any land granted or demised subject to the reservation to the Crown of sandalwood thereon.

[Section 3 amended by No. 113 of 1965 s. 8; No. 74 of 1996 s. 5; No. 59 of 2000 s. 51.]

4. Regulations

The Governor may make regulations under the principal Act for the purposes of this Act, and by such regulations may (subject to such conditions as are prescribed) exempt from this Act any land in process of clearing for agricultural purposes.

5. Meaning of “sandalwood”

For the purposes of this Act the word “**sandalwood**” means and includes the wood of any tree of the genera *Santalum* or *Fusanus*, and any other species of aromatic wood which is or may be used as a substitute for sandalwood.

[Section 5 inserted by No. 13 of 1934 s. 2.]
