What the reprint includes

Endnotes, Compilation table, and Table of provisions that have not come into operation

1. Details about the original rules and legislation that has amended its text are shown in the Compilation table in endnote 1, at the back of the reprint. The table also shows any previous reprint.
2. Transitional, savings, or other provisions identified in the Compilation table may be important. The table may refer to another endnote setting out the text of these provisions in full.
3. A table of provisions that have not come into operation, to be found in endnote 1a if it is needed, lists any provisions of the rules being reprinted that have not come into operation and any amendments that have not come into operation. The full text is set out in another endnote that is referred to in the table.

Notes amongst text (italicised and within square brackets)

1. If the reprint includes a rule that was inserted, or has been amended, since the rules being reprinted were made, editorial notes at the foot of the rule give some history of how the rule came to be as it is. If the rule replaced an earlier rule, no history of the earlier rule is given (the full history of the rules is in the Compilation table).

Notes of this kind may also be at the foot of Schedules or headings.

2. The other kind of editorial note shows something has been —
 - removed (because it was repealed or deleted from the law); or
 - omitted under the *Reprints Act 1984* s. 7(4) (because, although still technically part of the text, it no longer has any effect).

The text of anything removed or omitted can be found in an earlier reprint (if there is one) or one of the written laws identified in the Compilation table.

- (3) The prize reserve fund may only be distributed as additional prize money, in such amounts and in such powerball lotto draws, as are agreed by the members of the Powerball Bloc.

Part 4 — Powerball lotto draw

19. Powerball lotto draw

A powerball lotto draw consists of the mechanical, equally random selection of —

- (a) 5 numbered balls from balls individually numbered from 1 to 45 inclusive from a barrel called “Barrel A”; and
- (b) one numbered ball from balls individually numbered from 1 to 45 inclusive from a barrel called “the Powerball Barrel”,

in a manner and using such equipment as the Commission or the designated authority determines.

- (f) division 6, if any 2 of the 5 winning numbers from barrel A and the powerball number; or
- (g) division 7, if any 3 of the winning numbers from barrel A,

are selected in the one game.

r. 21

21. Only systems entry can win in more than one division

- (1) The holder of a receipted ticket may claim a prize in only one division for each powerball lotto game entered with that ticket.
- (2) The holder of a receipted ticket which contains a systems entry may claim a prize in one division for each notional game making up that systems entry, resulting in prizes in more than one division for that entry as set out in Schedule 3.

22. Distribution of lotto prize pool

- (1) The Commission must distribute the prize pool for a powerball lotto draw as follows —
 - (a) division 1 — 37.5% of the prize pool;
 - (b) division 2 — 14.0% of the prize pool;
 - (c) division 3 — 6.4% of the prize pool;
 - (d) division 4 — 5.0% of the prize pool;
 - (e) division 5 — 2.8% of the prize pool;
 - (f) division 6 — 12.5% of the prize pool; and
 - (g) division 7 — 21.8% of the prize pool.
- (2) The prize pool for a division is to be divided equally between the winning games in that division.
- (3) The Commission may round off the individual entitlement for a prize in a division (other than division 1) to the nearest sum containing a 5 cent multiple.
- (4) Where a rounding off takes place under subrule (3), the Commission may adjust the prize pool for division 1 to ensure that the whole of the prize pool for that draw is distributed.

23. Division 1 jackpot

- (1) If no one claims a division 1 prize in a particular powerball lotto draw, then the division 1 prize pool for that draw (calculated without any prize reserve fund augmentation) is to be added to,

and then forms part of, the division 1 prize pool for the next powerball lotto draw.

- (2) If no one claims a division 1 prize for 25 consecutive powerball lotto jackpot draws (ie. a total of 26 consecutive draws), the accumulated division 1 prize pool in that 25th jackpot draw is to be added to the division 2 prize pool in that draw.
- (3) If a division 1 prize pool is to be distributed to division 2 winners, the prize money is still treated as a division 1 prize for the purposes of claiming and payment of prizes.

24. Division 2 - 6 prize pools may go to next lower division

If no one wins a prize in division 2, 3, 4, 5 or 6 in a particular powerball lotto draw, then the prize pool for that division is to be added to the prize pool for the next lower division in which there is at least one winner in that powerball lotto draw.

25. Bonus draws and guaranteed prize pools

- (1) The Commission may from time to time declare a powerball lotto draw to be a “Bonus” draw and fix a minimum guaranteed prize pool for division 1 in that draw.
- (2) The Commission may add all or part of the prize reserve fund to the division 1 prize pool in a “Bonus” draw to increase the division 1 prize pool to the guaranteed amount and any amount so added forms part of that prize pool.
- (3) Where a “Bonus” draw is declared under this rule, and a jackpot division 1 prize coincides with that draw, the Commission may elect to reduce the augmentation under subrule (2) by the amount of the jackpot.
- (4) If —
 - (a) no one claims a division 1 prize in a Bonus draw; and

- (b) all or part of the prize reserve fund would have to have been used to increase the division 1 prize pool to a guaranteed amount had there been a division 1 winner,

the amount of the reserve that would have been so used is to be returned to the prize reserve fund and is not to be counted when calculating the jackpot prize pool for the next powerball lotto draw.

26. Division 1 prizes

- (1) To claim a division 1 prize in a powerball lotto draw the holder of a winning receipted ticket must present it at the Commission's head office within the payout period for that draw.
- (2) Subject to subrule (3), a division 1 prize in a powerball lotto draw is to be paid —
 - (a) by the Commission;
 - (b) by cheque or in any other manner determined by the Commission;
 - (c) after the validation period for that draw.
- (3) Where a division 1 winning receipted ticket is presented to the Commission and details set out in the space provided on the receipted ticket for the prize winners details are not sufficient to establish —
 - (a) the identity of the prize winner;
 - (b) the name and address of the person to be paid; and
 - (c) if multiple names and addresses appear on the ticket, which of the named people is to be paid,the Commission may —
 - (d) accept the claim but refuse to pay the prize until it is satisfied of the details referred to in paragraphs (a), (b) and (c);

- (e) where multiple names and addresses appear on the ticket, accept the claim and pay the prize to the person whose name appears first; or
 - (f) reject the claim.
- (4) In order to satisfy itself of the details referred to in subrule (3)(a), (b) and (c), the Commission may request a statutory declaration containing such information as it may require as to the identity of the prize winner and person to be paid.
- (5) Where the holder of a receipted ticket wins a division 1 prize in a powerball lotto draw and one or more other prizes on the same ticket, none of those prizes are to be paid until after the validation period for that draw.

27. Division 2 prizes

- (1) To claim a division 2 prize in a powerball lotto draw the holder of a winning receipted ticket must present it to the Commission or an authorised payout centre within the payout period for that draw.
- (2) A division 2 prize is to be paid —
- (a) by the Commission or an authorised payout centre;
 - (b) by cheque or in any other manner determined by the Commission;
 - (c) to the holder of the winning receipted ticket; and
 - (d) after the receipted ticket is presented to the Commission or authorised payout centre.

28. Division 3, 4, 5, 6 and 7 prizes

 - (ii) in cash or in any other manner determined by the Commission; and
 - (iii) after the receipted ticket is presented to the Commission, authorised payout centre or agent;

or

 - (b) if it is more than \$500 —
 - (i) by the Commission, an authorised payout centre or an agent who has been authorised by the Commission to pay prizes over \$500;
 - (ii) by cheque or in any other manner determined by the Commission; and
 - (iii) after the receipted ticket is presented to the Commission, authorised payout centre or authorised agent.

29. Commission may require a statutory declaration

- (1) Before paying any prize the Commission may require the holder of a receipted ticket to complete a statutory declaration stating that the person has not, or is not to that person's knowledge part of a syndicate which has, acted in a manner contrary to the Act or these rules in relation to a receipted ticket.
- (2) If the holder of a receipted ticket refuses or fails to provide a statutory declaration when required to do so, the Commission may refuse to pay a prize to that person.

30. Publication of names and addresses of prize winners

The Commission may publish the name and address of any prize recipient unless the back of the winning receipted ticket is

 - (b) the Commission requests verification of ownership or identity at the time of presentation, by means of a statutory declaration, and that verification is not provided.
- (4) The prize entitlement of a winning receipted ticket that —
 - (a) is endorsed with a PRS number; and
 - (b) is not claimed, or paid, within 5 weeks of the relevant draw,

will be paid in a manner determined by the Commission to the person named, and at the address recorded, in the PRS.

r. 31

- (5) Payment of a prize entitlement under subrule (3) or (4) discharges the liability of the Commission in relation to any particular winning receipted ticket that is endorsed with a PRS number, and registration by a subscriber with the Player Registration Service does not entitle the subscriber to claim a prize from the Commission that has already been paid.

[Rule 31 amended in Gazette 31 Oct 1997 p. 6017; 9 Mar 2001 p. 1333-4.]
