Energy Coordination Act 1994

Energy Coordination (General) Regulations 1995

Part 1 — Preliminary
[Heading inserted: Gazette 20 Mar 2007 p. 1044.]

1. Citation
These regulations may be cited as the Energy Coordination (General) Regulations 1995.

2. Commencement
These regulations come into operation on the day on which the Energy Coordination Act 1994 comes into operation.

3. Terms used in these regulations
In these regulations, unless the contrary intention appears —
issuing authority, in relation to an inspector designated under section 12 of the Act by the Director, means the Director;
the Act means the Energy Coordination Act 1994.

[Regulation 3 amended: Gazette 5 Nov 2004 p. 4982.]
4. **Forms**

The forms set out in Schedule 1 are prescribed in relation to the matters specified in those forms.

Part 2 — Designation of inspectors

[Heading inserted: Gazette 20 Mar 2007 p. 1044.]

5. Classification of inspectors

Inspectors designated pursuant to section 12 of the Act shall be classified as follows —

(a) Inspector (Gas); or

(b) Inspector (Electricity).

6. Qualification of inspectors

A person shall not be designated as an inspector unless the issuing authority is satisfied that the person has such qualifications and experience as will enable that person to carry out in a proper and efficient manner the duties of an inspector of the classification specified in the instrument of designation of that person.

[Regulation 6 amended: Gazette 5 Nov 2004 p. 4982.]

7. Power of inspectors

The powers conferred on an inspector having the classification specified in Column 1 of the Table to this regulation may only be exercised —

(a) for the purpose of an Act specified in Column 2 of that Table opposite, and corresponding to, that classification; and

(b) subject to any limitation, and any restriction, specified in the certificate of designation held by that person.
8. **Variation or cancellation of certificate**

(1) Any certificate of designation furnished to an inspector pursuant to section 13 of the Act may be varied or cancelled by the issuing authority.

(2) Where a certificate of designation is varied or cancelled under subregulation (1), the person in respect of whom the certificate was issued shall return the certificate to the issuing authority.

(3) A person who fails to comply with subregulation (2) commits an offence.

Penalty: $200.
Part 3 — Infringement notices

[Heading inserted: Gazette 20 Mar 2007 p. 1044.]

9. Prescribed offences and modified penalties

(1) The offences specified in Schedule 2 are offences for which an infringement notice may be issued under the Criminal Procedure Act 2004 Part 2.

(2) The modified penalty specified opposite an offence in Schedule 2 is the modified penalty for that offence for the purposes of the Criminal Procedure Act 2004 section 5(3).

[Regulation 9 inserted: Gazette 20 Mar 2007 p. 1044.]

10. Authorised officers and approved officers

(1) The Director may, in writing, appoint persons or classes of persons to be authorised officers or approved officers for the purposes of the Criminal Procedure Act 2004 Part 2.

(2) The Director is to issue to each authorised officer a certificate of his or her appointment.

Part 4 — Appeals under section 19B(2)(b) of the Act

[Heading inserted: Gazette 30 Nov 2007 p. 5931.]

11. Terms used in this Part

In this Part —

*appeal* means an appeal under section 19B(2)(b) of the Act;

*appellant* means a network operator who commences an appeal;

*technical review panel* means a panel mentioned in section 19B(2)(b) of the Act.

12. Technical review panel

(1) If an appeal is made under section 19B(2)(b) of the Act, the chief executive officer must convene a technical review panel.

(2) The technical review panel is to consist of 3 professional engineers who are competent to deal with the matter the subject of the appeal appointed by the chief executive officer from individuals nominated by the President of the Western Australian Division of The Institution of Engineers Australia.

(3) The chief executive officer must appoint one of the members of the technical review panel to be the chairperson.

(4) The chief executive officer may —

(a) direct that the members of the technical review panel are to be paid remuneration; and

(b) determine the amount of any such payments on the recommendation of the Public Sector Commissioner.

(5) The chief executive officer must provide the technical review panel with such support services as it may reasonably require.

13. **Procedure**

(1) An appeal must be commenced by the appellant giving the chief executive officer a notice of appeal.

(2) The notice of appeal must —
   
   (a) be in writing; and
   
   (b) set out the grounds of appeal; and
   
   (c) set out any representations that the appellant wishes to make in support of the appeal.

(3) The notice of appeal must be given to the chief executive officer within 30 days after the day on which the appellant received —
   
   (a) written notice of the Director’s determination under section 19A(5) of the Act; or
   
   (b) written notice of the Director’s refusal to approve an agreement reached under section 18C(6) of the Act.

(4) The chief executive officer must give the technical review panel the notice of appeal as soon as practicable after the technical review panel is convened.

(5) Subject to subregulation (6), the technical review panel may determine its own procedure.

(6) The technical review panel must give the Director —
   
   (a) a copy of the notice of appeal; and
   
   (b) a reasonable opportunity to make submissions in relation to the appeal.

(7) The technical review panel must complete the review by making a decision under section 19B(3) of the Act within the period specified by the chief executive officer in writing.

(8) The technical review panel must give the appellant and the Director written notice of its decision made under section 19B(3) of the Act.

[Regulation 13 inserted: Gazette 30 Nov 2007 p. 5932-3.]
Schedule 1 — Forms

[Heading inserted: Gazette 20 Mar 2007 p. 1045.]

Form 1 — Certificate of designation

*Energy Coordination Act 1994*

*Energy Coordination (General) Regulations 1995*

CERTIFICATE OF DESIGNATION

This is to certify that .................................................................
is designated an *Inspector (Gas)/Inspection (Electricity) for the purposes of*
the following Acts:

........................................................................................................................................
........................................................................................................................................
........................................................................................................................................
........................................................................................................................................
........................................................................................................................................

Powers of inspection that may be exercised: ..............................................
........................................................................................................................................
........................................................................................................................................
........................................................................................................................................
........................................................................................................................................
........................................................................................................................................

Limitations/Restrictions applicable: ............................................................
........................................................................................................................................
........................................................................................................................................
........................................................................................................................................
........................................................................................................................................
........................................................................................................................................
........................................................................................................................................

This designation has effect until ........................................................... (date)

DIRECTOR OF ENERGY SAFETY

*Delete as inapplicable.*

Dated ................................. 20...... Certificate No. .................................

[Form 1 amended: Gazette 5 Nov 2004 p. 4982-3; 20 Mar 2007 p. 1045.]

Notice to alleged offender

It is alleged that you have committed the above offence. If you do not want to be prosecuted in court for the offence, pay the modified penalty within 28 days after the date of this notice.

By post: Send a cheque or money order (payable to ‘Director of Energy Safety’) to:

Director of Energy Safety

[Address]

In person: Pay the cashier at:

Energy Safety

[Address]

If you do not pay the modified penalty within 28 days, you will be prosecuted or enforcement action will be taken under the Fines, Penalties and Infringement Notices Enforcement Act 1994. Under that Act, some or all of the following action may be taken — your driver’s licence may be suspended; your vehicle licence may be suspended or cancelled; your details may be published on a website; your vehicle may be immobilised or have its number plates removed; and your property may be seized and sold.

If you need more time to pay the modified penalty, you can apply for an extension of time by writing to the Director of Energy Safety at the above address.

If you want this matter to be dealt with by prosecution in
court, tick this box ☑ and post this notice to the Director of Energy Safety at the above address within 28 days after the date of this notice.
