Division 6 — Disputes between employers

73. Worker entitled but dispute between employers

(1) Where there is a dispute between employers as to liability but no dispute that the worker is entitled to compensation from some employer for a fresh injury or the recurrence of an old injury the employer of the worker at the time of the latest injury or recurrence is liable to pay compensation under this Act until the question of which employer is liable or how liability is to be apportioned between employers has been resolved.

(2) The worker or his dependants, if so required by the employer first liable to pay compensation, shall furnish to him the name and address of any employer in whose employment the worker was when any like injury previously occurred, as he or they may possess.

(3) If the worker has filed an application for compensation, the respondent employer shall join as a party any other employer whom he alleges is wholly or partially liable to pay the compensation.

(4) If the worker has not filed an application the employer first liable to pay compensation may apply for determination by an arbitrator of the question of whether some other employer is wholly or partially liable to pay compensation.

(5) If an arbitrator finds that it was a recurrence and not a fresh injury or partly a recurrence and partly a fresh injury, the arbitrator may order that other employer to pay to the applicant employer the whole or a part of the amount of compensation paid to the worker and to pay any further compensation to which the worker is entitled.

(1a) An employer or insurer may apply for determination by an arbitrator of a dispute between insurers notwithstanding any term or condition of any policy of insurance providing for some other means of settling disputes.

(2) An arbitrator shall determine which insurer is liable or how liability is to be apportioned and may make such order as the arbitrator thinks proper for the reimbursement of one insurer by another and for the indemnity of the employer in respect of his liability under this Act.

Division 7 — Agreements

76. Agreement as to compensation etc., registration and effect of memorandum of

(1) Subject to section 92(h), where the amount of compensation under this Act has been ascertained, or any weekly payment varied, or any other matter decided under this Act by agreement, or any agreement, whether purporting to be made under this Act or not, has been entered into whereby a worker agrees to compound any claim or right to compensation under this Act, a memorandum thereof shall be sent, in manner prescribed, by any party interested, to the Director, who, subject to subsection (2a), shall, on being satisfied as to its genuineness, and, where the agreement provides for the payment of compensation pursuant to an election under section 24, 24A, 31C or 31E, as to the adequacy of the amount thereof, record such memorandum in a special register without fee, and thereupon the memorandum shall for all purposes be enforceable as an award or order made by an arbitrator.

Extract from www.slp.wa.gov.au, see that website for further information

(2) No such memorandum shall be recorded before 7 days after the despatch by the Director of notice to the parties interested.

(2a) The Director cannot, under this section, record a memorandum of an agreement for the payment of a lump sum in redemption of the liability to pay compensation unless the Director is satisfied that the worker is aware of the consequences of the recording of the memorandum.

(3) No agreement between a worker and an employer has any force or validity if it exempts the employer wholly or partially from any liability for compensation to which the worker is or may subsequently become entitled under this Act, and notwithstanding any such agreement, a worker may recover from his employer any compensation to which he is, or subsequently becomes, so entitled, but the foregoing provisions of this subsection have no application to an agreement for the redemption of the liability to pay compensation if a memorandum of the agreement has been duly recorded under this section.

(4) Where a worker seeks to record a memorandum of agreement between his employer and himself for the payment of compensation under this Act, and the employer proves that the worker has in fact returned to work and is no longer incapacitated, and objects to the recording of such memorandum, the memorandum shall only be recorded, if at all, on such terms as an arbitrator, under the circumstances, may think just.

(5) The Director may at any time rectify the register.

(6) A memorandum received for registration shall be examined as to —

(a) the genuineness of the agreement; and

(b) the adequacy of the amount of any compensation pursuant to an election under section 24, 24A, 31C or 31E payable under the agreement,

Extract from www.slp.wa.gov.au, see that website for further information

and if it appears to the Director as the result of such examination or as the result of any information which the Director considers sufficient that a redemption agreement or an agreement as to the amount of compensation payable to the worker or to a person under any legal disability or to dependants, ought not to be registered by reason of the agreement having been obtained by fraud or undue influence or other improper means, or by reason that the amount of compensation pursuant to an election under section 24, 24A, 31C or 31E payable under the agreement is inadequate or excessive, the Director shall refuse to record the memorandum of the agreement sent for registration, and in that case shall refer the matter to the Registrar who shall allocate it to an arbitrator to make such order (including an order as to any sum already paid under the agreement) as the arbitrator thinks just.

(7) For the purpose of carrying out his duties under subsection (6) the Director may, by notice in writing, require the attendance before him of the parties to the agreement and interrogate them in relation to the agreement and where the medical opinion of a medical practitioner is material and relevant to the question of the adequacy of the amount of compensation pursuant to an election under section 24, 24A, 31C or 31E payable under the agreement, the Director may require the employer to have the worker examined by a medical practitioner nominated by the Director, at the expense of the employer, in any case where the Director is of the opinion that a report from such medical practitioner will assist him in determining the matter of the adequacy or inadequacy of the amount of the compensation.

(7a) A medical practitioner nominated by the Director under subsection (7) to examine a worker who has made an election under section 31C in respect of an impairment that is not AIDS must be an approved medical specialist.

(8) An arbitrator may, upon application being made by either party within 6 months after a memorandum of an agreement as to the redemption of the liability to pay compensation for an injury by

a lump sum, or of an agreement as to the amount of compensation payable to a person under any legal disability, or to dependants, has been recorded in the register, order that the record be removed from the register on proof to the arbitrator's satisfaction that the agreement was obtained by fraud or undue influence or other improper means, or that the amount of compensation pursuant to an election under section 24, 24A, 31C or 31E payable under the agreement is inadequate or excessive, and may make such order (including an order as to any sum already paid under the agreement) as under the circumstances the arbitrator thinks just.

(9) Where a memorandum has been recorded under this section the Director shall without fee issue a certificate of the memorandum and the recording on application by any party concerned.

(10) Subject to this Act the certificate is evidence of the subject matter referred to in the certificate before any court or other tribunal or person in respect of proceedings to enforce compliance with the subject matter of the memorandum and for all other purposes under this Act.

77. Agreements unenforceable unless registered under s. 76

An agreement to which section 76 is applicable shall not be binding on or enforceable against the parties or admitted as valid unless it is registered as provided in this Division.

78. Effect of non-registration of agreement

An agreement as to the redemption of the liability to pay compensation for an injury by a lump sum if not registered in accordance with this Act does not nor does the payment of the sum payable under the agreement exempt the person by whom the compensation is payable from liability to continue to pay it; and an agreement as to the amount of compensation to be paid

Division 8 — Other matters affecting compensation

79. Wilful and false representation by worker

Where it is proved that the worker has, at the time of seeking or entering employment in respect of which he claims compensation for an injury, wilfully and falsely represented himself as not having previously suffered from the injury an arbitrator may in the arbitrator's discretion refuse to award compensation which otherwise would be payable.

(2) A worker is not entitled to receive from any employer payments for sick leave entitlements for any period for which he receives weekly payments of compensation for injury under this Act, and where the first-mentioned payments are made and the second-mentioned payments are subsequently made in respect

of the same period, the worker shall reimburse to the employer the first-mentioned payments and the employer shall reinstate the worker's sick leave entitlements as a credit to the extent that the worker does so reimburse the employer.

(3) To the extent, if any, that a worker fails to reimburse an employer as required by subsection (2), the employer may sue and recover the relevant amount, and to the extent of recovery the employer shall reinstate as a credit the sick leave entitlements.

[Section 80 amended by No. 42 of 2004 s. 64 and 147.]

81. Effect on public holidays pay

Notwithstanding any provision that applies to or in relation to the employment of a worker apart from this Act, where during any period in respect of which weekly payments are payable pursuant to this Act a public holiday occurs, an employer shall not be liable to make any payment to the worker in respect of that holiday other than payment for that day as a part of those weekly payments.

(a) the employer may pay to that person or authority the whole or any part of the amount owing to him or it and such a payment shall, to the extent of the amount paid, be a discharge of the liability of the employer to the worker under this Act and of the liability of the worker to that person or authority for the services; and

(b) if the whole or any part of the amount owing to that person or authority is not paid he or it has, in respect thereof, the same rights and remedies against the employer as the worker has.

(b) if the position is not available, or if the worker does not have the capacity to work in that position, a position —

92. Both damages and workers' compensation not recoverable

Where in respect of an injury an action is brought by a worker for damages independently of this Act against his employer or against some other person (referred to in this section as the ***defendant***) or against both of them —

(a) if the court decides the action should succeed, then after damages have been ascertained but before judgment is entered for the worker in the action, the worker shall be

given a reasonable opportunity to elect whether to have judgment or to discontinue the action;

(b) if the action proceeds to judgment, including the acceptance of an offer to consent to judgment, against the employer only or against the employer and the defendant, there shall be deducted from the amount of the judgment and be paid to the employer a sum representing the amount (after apportionment in respect of any contributory negligence of the worker) actually recoverable by the worker by way of weekly or lump sum compensation, medical and other expenses paid pursuant to this Act, but where liability is apportioned between the employer and the defendant the defendant's liability to pay to the worker shall be reduced accordingly;

(c) if the action proceeds to judgment, including the acceptance of an offer to consent to judgment, against the defendant only or is settled by the acceptance of money paid into court by the defendant, the payments and expenses referred to in paragraph (b) shall be a first charge on the judgment or the amount of money paid into court and the defendant shall be bound to pay the amount of the compensation, and medical and other expenses to the employer and the judgment shall be *pro tanto* discharged by such payment, or the amount due under the charge shall be paid out of court to the employer or his authorised agent, as the case may be;

(d) if the action is discontinued the worker shall pay the costs of the employer or of the defendant or of each of them or such part of those costs as the court thinks fit;

(e) if the action proceeds to judgment, including the acceptance of an offer to consent to judgment, against the employer or the defendant or both or is settled by the acceptance of money paid into court by the employer or the defendant or by both of them, the worker shall not commence or continue proceedings for, or in relation to,

compensation under this Act in respect of the same injury;

(f) if a worker's claim for damages against the employer or the defendant is settled by agreement otherwise than by a judgment, an acceptance of an offer to consent to judgment, or an acceptance of money paid into court —

(i) the employer or the defendant shall file a memorandum of the terms of the settlement with the Director within 3 months of the date of its execution by the worker;

(ii) the worker shall not commence or continue a claim for compensation under this Act in respect of the same injury unless the Director disapproves of the settlement within 6 weeks of the agreement for settlement being filed with the Director;

(iii) the Director shall not disapprove of the agreement unless he is satisfied the agreement was induced by fraud or misrepresentation or that it would clearly be for the worker's benefit to disapprove of it;

(iv) the Director if he disapproves of the settlement shall serve notice in writing of his disapproval on each of the parties to the settlement of his decision and of the reasons for his disapproval by pre-paid post to the address of the party set out in the settlement or the last known address of a party, within 14 days of the making of his decision;

(g) where a claim for compensation is commenced or continued after the Director disapproves of a settlement referred to in paragraph (f), the amount recovered or recoverable under such settlement shall be brought into account in reduction of the worker's entitlement to compensation;

93. Remedies against non-employers

(1) Where the injury for which compensation is payable under this Act was caused under circumstances creating a legal liability in some person other than the employer to pay damages in respect thereof but neither the employer nor any person for whose negligence the employer is legally responsible was negligent —

(a) the worker may take proceedings both against that person to recover damages and against any person liable to pay compensation under this Act for such compensation, but shall not be entitled to recover both damages and compensation and shall bring to account in reduction of his entitlement to compensation the amount recovered by way of damages;

(b) the employer is entitled to be indemnified by the person whose negligence caused the injury to the worker (in this section called the ***defendant***) to the full extent of the employer's liability to pay compensation under this Act, whether or not the defendant has discharged his liability to pay damages to the worker by judgment or by settlement or otherwise.

(2) If there were —

(a) negligence by the employer or by some person for whose negligence the employer is legally responsible which caused or contributed to the worker's injury, the extent of the indemnity of the employer by the defendant is reduced by the proportion that the employer's negligence and that of any person for whose negligence the employer is responsible bears to 100%; or

(b) negligence by the worker which caused or contributed to the worker's injury, the extent of the indemnity of the

employer by the defendant is reduced by the proportion that the worker's negligence bears to 100%.

(3) All questions as to the right or amount of any such indemnity may, in default of agreement between the employer and the defendant, at the instance of the employer, be determined by an arbitrator on any application made by the worker.

(4) If the defendant has paid the whole or any part of the damages to the worker in respect of the injury caused or contributed to by the defendant and the defendant is required to and has indemnified the employer for the payment of any compensation paid to the worker in respect of the same injury, the defendant may sue and recover from the worker the amount so paid to the employer not exceeding the amount of damages paid to the worker by the defendant.

(5) If the worker has been successful in proceedings to recover damages against the defendant and does not recover the full amount of such damages and any portion of the compensation under this Act paid by the employer to the worker has not been refunded to the employer out of the damages, then the employer may, at his own expense and in the name of the worker and upon giving the worker an indemnity against all costs and expenses, sue and recover from the defendant the amount of any balance of such damages then remaining unpaid, but any damages so recovered from the defendant in excess of the amount of compensation paid to the worker under this Act shall be payable to and received by the worker.

93AA. Applicable substantive law for work injury claims

to a worker (whether or not compensation has been paid), the substantive law of that State is the substantive law that governs —

(a) whether or not a claim for damages in respect of the injury can be made; and

(b) if it can be made, the determination of the claim.

(2) This Division does not apply if compensation is payable in respect of the injury under the statutory workers' compensation scheme of more than one State.

(3) For the purposes of this section, compensation is considered to be payable under a statutory workers' compensation scheme of a State in respect of an injury if compensation in respect of it —

(a) would have been payable but for a provision of the scheme that excludes the worker's right to compensation because the injury is attributable to any conduct or failure of the worker that is specified in that provision; or

(b) would have been payable if a claim for that compensation had been duly made, and (where applicable) an election to claim that compensation (instead of damages) had been duly made.

(4) A reference in this section to compensation payable in respect of an injury does not include a reference to compensation payable on the basis of the provisional acceptance of liability.

(b) because of Part 2 of the *Workers' Compensation (Common Law Proceedings) Act 2004*, the former provisions as defined in section 4 of that Act apply to proceedings in respect of the cause of action.

(2) Despite subsection (1) and section 93CB, this Subdivision applies to a worker who claims to be suffering an injury attributable to the inhalation of asbestos if, before 14 November 2005 —

(a) the worker sought to agree the degree of the disability of the worker for the purposes of section 93E; or

(b) a dispute as to the degree of the disability of the worker was referred under section 93D(11) to a medical panel for determination.

[Section 93CC inserted by No. 42 of 2004 s. 75; amended by No. 20 of 2005 s. 21.]

93D. Degree of disability, assessing

(1) In this section —

relevant level, in relation to a question as to the degree of disability of the worker, means —

(a) if the question arises for the purposes of section 93E(3)(a), (9) or (12), a degree of disability of 30%; or

Extract from www.slp.wa.gov.au, see that website for further information

(b) if the question arises for the purposes of section 93E(4), a degree of disability of 16%.

(2) For the purposes of section 93E, the degree of disability of the worker is to be assessed —

(a) so far as Schedule 2 Part 1 provides for an injury suffered by the worker, as a percentage equal to —

(i) if only one item of that Part applies to the injury, the percentage of the prescribed amount provided for by that item, as read with section 25; or

(ii) if 2 or more items of that Part apply to the injury, the sum of the percentages of the prescribed amount provided for by those items, as read with section 25;

(b) to the extent, if any, that paragraph (a) does not apply, as the degree of permanent impairment assessed in accordance with the AMA Guides;

(c) to the extent, if any, that neither paragraph (a) nor (b) applies, in accordance with the regulations,

or if more than one of paragraphs (a), (b) and (c) applies, as the cumulative sum of the percentages assessed in accordance with those paragraphs.

(3) For the purposes of section 93E(4) only, if item 36A of Schedule 2 applies to the injury, subsection (2)(a) applies as if the percentage of the prescribed amount provided for by that item were 100% instead of 60%.

(4) If section 25 applies, the percentage under subsection (2)(a) is calculated in accordance with the formula —

$$\frac{PD}{100} \times TD$$

where —

PD is the percentage of the diminution of full efficient use.

Extract from www.slp.wa.gov.au, see that website for further information

TD is the relevant percentage set out in Column 2 of Schedule 2.

Example 1

A worker loses 40% of the full efficient use of one eye. The percentage under subsection (2)(a) is —

$$\frac{40}{100} \times 50 = 20$$

Example 2

A worker loses the little finger of the left hand, 30% of the full efficient use of one eye and 10% of the full efficient use of the right arm below the elbow. The percentage under subsection (2)(a) is —

$$6 + \left\lceil \frac{30}{100} \times 50 \right\rceil + \left\lceil \frac{10}{100} \times 80 \right\rceil = 6 + 15 + 8 = 29$$

Example 3

A worker loses 10% of the full efficient use of the back (including thoracic and lumbar spine) and 15% of the full efficient use of the neck (including cervical spine). The percentage under subsection (2)(a) (for the purposes of section 93E(4) only) is —

$$\left\lceil \frac{10}{100} \times 100 \right\rceil + \left\lceil \frac{15}{100} \times 40 \right\rceil = 10 + 6 = 16$$

(5) If the worker and the employer cannot agree on whether the degree of disability is not less than the relevant level, the worker may, subject to subsection (6), refer the question to the Director.

(6) A question can only be referred under subsection (5) if the worker produces to the Director medical evidence from a medical practitioner indicating that, in the medical practitioner's opinion, the degree of disability is not less than the relevant level.

(7) As soon as practicable after receiving a referral under subsection (5) the Director is to notify the employer in accordance with the regulations.

(8) If within 21 days after being notified under subsection (7) the employer notifies the Director in accordance with the regulations that the employer considers that the degree of disability is less than the relevant level, a dispute arises for the purposes of Part XI.

[(9), (10) deleted]

(11) If the dispute relates to an injury mentioned in section 33, 34 or 35, the dispute is to be referred to a medical panel for determination as described in section 36 and so far as applicable this Act applies in relation to the reference as if it were a reference under section 36 except that the only question to be considered and determined on the reference is the question that was referred.

(12) Unless notification is given by the employer under subsection (8), the employer is to be regarded as having agreed that the degree of disability is not less than the relevant level.

[Section 93D inserted by No. 34 of 1999 s. 32(5); amended by No. 42 of 2004 s. 76, 146 and 147; No. 31 of 2011 s. 29.]

(b) the day that is 5 months (or such shorter period as is prescribed) before the day on which the order is made,

whichever is later.

(3) Damages can only be awarded if —

(a) it is agreed or determined that the degree of disability is not less than 30% and that agreement or determination is recorded in accordance with the regulations; or

(b) the worker has a significant injury and elects, in the prescribed manner, to retain the right to seek damages and the election is registered in accordance with the regulations.

(4) For the purposes of subsection (3)(b) the worker has a significant injury if it is agreed or determined that the degree of disability is not less than 16% and that agreement or determination is recorded in accordance with the regulations.

(5) Subject to subsections (6), (6a), and (7), if weekly payments of compensation in respect of the injury have commenced an election cannot be made under subsection (3)(b) after the termination day.

(6) Despite subsection (5), if —

(a) medical evidence complying with section 93D(6) was produced to the Director not less than 21 days before the termination day; and

(b) although a question of whether the degree of disability is not less than 16% was referred to the Director under section 93D(5) not less than 21 days before the termination day, at the end of the seventh day before the termination day the Director has not given the worker notice in writing that an agreement or determination of the question has been recorded,

an election can be made under subsection (3)(b) within 14 days after the Director gives the worker notice in writing that an agreement or determination of the question has been recorded.

Extract from www.slp.wa.gov.au, see that website for further information

(6a) Despite subsection (5) and even though subsection (6) does not apply, if the Director gives the worker notice under section 93EA(5)(b)(i) or 93EB(5)(b)(i) that this subsection applies an election can be made under subsection (3)(b) within 14 days after the Director subsequently gives the worker notice in writing that an agreement or determination of the question has been recorded.

(7) Despite subsection (5), the Director may, in such circumstances as are set out in regulations, extend the period within which an election can be made under subsection (3)(b) until a day (not being a day that is more than 6 months after the termination day) to be fixed by the Director by notice in writing to the worker.

(8) Subject to subsections (9) and (11), if an election has been made under subsection (3)(b) compensation under this Act is not payable in respect of the injury, or any recurrence, aggravation or acceleration of it, in relation to any period after the day on which the election is registered or any expenses incurred during such a period.

(9) Subsection (8) ceases to apply if, after the election is made, it is agreed or determined that the degree of disability is 30% or more and that agreement or determination is recorded in accordance with the regulations.

(10) Subsection (9) relates only to the degree of the original injury, and any recurrence, aggravation or acceleration of it is not to be taken into account.

(11) If an agreement or determination under subsection (9) is recorded, the worker may apply for any compensation which, but for subsection (8), would have been payable under this Act in relation to a relevant period or expenses incurred during a relevant period.

Extract from www.slp.wa.gov.au, see that website for further information

(12) In subsection (11) —

relevant period means any period —

(a) which is after the day on which the election is registered and before the agreement or determination under subsection (9) is recorded; and

(14) If a further additional sum has been allowed to the worker under clause 18A(1b) in relation to an injury that is compensable under this Act, damages are not to be awarded in respect of the injury.

[Section 93E inserted by No. 34 of 1999 s. 32(5); amended by No. 44 of 2000 s. 4; No. 35 of 2004 s. 9; No. 42 of 2004 s. 77, 147 and 149.]

93EA. Questions as to degree of disability, referral of to Director in some cases due to new evidence

(1) Unless it does not apply because of subsection (2), subsection (3) applies if —

(a) on or before 30 September 2001, a worker —

(i) sought to refer a question to the Director under section 93D(5); and

(ii) in order to satisfy section 93D(6), produced to the Director anything that, even though it may not have constituted evidence of the kind required by that subsection, was accepted by the Director as evidence of that kind;

and

Extract from www.slp.wa.gov.au, see that website for further information

(b) the Director treated the question as having been referred under section 93D(5), after which, for a reason based on a failure to satisfy the requirements of section 93D(6) for a referral under section 93D(5) —

(i) a review officer did not deal with the substance of the question; or

(ii) a court set aside or quashed a decision of a review officer that dealt with the substance of the question.

(2) If the question is whether the worker's degree of disability is not less than 16%, subsection (3) does not apply unless the production of what was produced as referred to in subsection (1)(a)(ii) and the purported referral of the question both occurred —

(a) not less than 21 days before the termination day; or

(b) before a day fixed under section 93E(7) by the Director.

(3) If this subsection applies, the worker may, within the time limited by subsection (4)(b) and otherwise in accordance with subsection (4), refer to the Director under section 93D(5) the same question as is mentioned in subsection (1)(a)(i), relating to the same injury and only that injury.

(4) A question can only be referred under subsection (3) if —

(a) the referral is made in writing in a form specified in the regulations stating that the worker is also acting under subsection (3); and

(b) the referral is made —

(i) within the period of 3 months commencing after the day on which section 10 of the *Workers' Compensation (Common Law Proceedings) Act 2004* comes into operation [1] (called the ***commencement day*** in subparagraph (ii)); or

(a) whether or not the Director is of the opinion that evidence complying with section 93D(6) has been produced and in all other respects the referral is properly made; and

(b) if the Director —

(i) is of that opinion, that the referral is accepted and section 93E(6a), if relevant, and section 93EC apply;

[Section 93EA inserted by No. 35 of 2004 s. 10; amended by No. 42 of 2004 s. 147.]

93EB. Questions as to degree of disability, referral of to Director in some other cases

(1) Unless it does not apply because of subsection (2), subsection (3) applies if —

and

(c) after the coming into operation of section 10 of the *Workers' Compensation (Common Law Proceedings) Act 2004*, section 93D(5) applies and the worker wishes to refer the question to the Director under that section.

(5) If a worker seeks to make a referral under section 93D(5) stating that it is also made under subsection (3) of this section, the Director is required, as soon as practicable, to notify the worker and the employer, in accordance with the regulations —

(a) whether or not the Director is of the opinion that evidence complying with section 93D(6) has been produced and in all other respects the referral is properly made; and

(b) if the Director —

(b) the time limited by any written law for the commencement of an action seeking damages in respect of the injury —

(i) has elapsed before the day on which the Director notifies the worker (the ***notification day***); or

(ii) is due to elapse on the notification day or before the expiry of a period of 2 years after the notification day,

an action seeking damages in respect of the injury may, despite that written law, be commenced at any time before the expiry of a period of 2 years after the notification day.

[Section 93EC inserted by No. 35 of 2004 s. 10; amended by No. 42 of 2004 s. 146 and 147.]

93F. Degree of disability less than 30%, constraints on awards

(1) Unless an agreement or determination that the degree of disability of the worker is not less than 30% is recorded for the purposes of section 93E —

(a) the amount of damages to be awarded is to be a proportion, determined according to the severity of the injury, of the maximum amount that may be awarded; and

(b) the maximum amount of damages that may be awarded is Amount A, but the maximum amount may be awarded only in a most extreme case of a disability of less than 30% in degree.

Extract from www.slp.wa.gov.au, see that website for further information

(2) Subsection (1) has effect in respect of the amount of a judgment before the operation of section 92(b).

(3) No entitlement to damages is created by subsection (1) and that subsection is subject to any other law that prevents or limits the awarding of damages.

(4) If —

(a) section 93E(3) does not allow damages to be awarded in respect of the injury; or

(b) damages in respect of the injury have been awarded in accordance with subsection (1),

the employer is not liable to make any contribution under the *Law Reform (Contributory Negligence and Tortfeasors' Contribution) Act 1947* (the ***Contribution Act***) in respect of damages awarded against another person in relation to the injury.

(5) If section 93E(3)(b) allows damages to be awarded in respect of the injury —

(a) the contributions that the employer may be liable to make under the Contribution Act in respect of damages awarded against other persons in relation to the injury are not to exceed the damages that could have been awarded in accordance with subsection (1); and

(b) if the employer has made or been directed to make a contribution under the Contribution Act in respect of damages awarded against another person in relation to the injury, the amount of damages that may be awarded in accordance with subsection (1) is reduced by the amount of that contribution.

(6) This section applies regardless of whether the damages are awarded against one or several employers.

(7) An issue as to the amount of damages that may be awarded, is to be determined by reference to Amount A as in effect on the date on which the determination is made.

Extract from www.slp.wa.gov.au, see that website for further information

(8) In this section —

Amount A means —

168. Revoking s. 164 exemptions on employers' request

Where an employer or group of employers which is exempt under section 164 —

(a) applies to the Minister for a revocation of such exemption and for the return of securities given by it or

them to the State discharged from the charge referred to in section 164(1); or

(b) proves to the satisfaction of the Minister that —

(i) the employer or group, as the case may be, has ceased to employ workers; or

(ii) he or they have obtained from an approved insurance office a policy of insurance in compliance with section 160(1),

and that —

(iii) there are no outstanding or potential —

(I) claims for compensation; or

(II) actions for insurable damages;

or

(iv) satisfactory provision has been made for discharging any outstanding or potential claims or actions,

the Governor may by Order in Council revoke the exemption and order that the securities be discharged from the charge and returned to the employer or the group, as the case may be.

[Section 168 amended by No. 96 of 1990 s. 41; No. 42 of 2004 s. 124; No. 31 of 2011 s. 109; No. 12 of 2012 s. 8.]

169. Terms of insurance and form of policies

(1) The regulations may —

(a) limit, modify or exclude any requirement in section 160(1) to obtain or keep current an insurance policy in respect of liabilities arising in prescribed circumstances or out of prescribed events; and

(b) limit the amount for which an employer is required by section 160(1) to obtain or keep current an insurance policy; and

(c) otherwise limit, modify or exclude the requirement in section 160(1) to obtain or keep current an insurance policy.

(2) The regulations may prescribe any or all of the terms and conditions of an insurance policy required by section 160(1).

(3) The regulations may prescribe the form of any insurance policy required by section 160(1).

[Section 169 inserted by No. 12 of 2012 s. 9.]

170. Failure to insure

(1) An employer who —

(a) fails to comply with section 160(1) or (2); or

(b) gives in an estimate or statement furnished under section 160(2) any information or particular that he knows to be false in any material particular,

commits an offence and is liable to a penalty of $5 000 in respect of each worker employed by him to whom the offence relates; and that employer commits a separate and further offence in respect of each week after the day of conviction during which section 160(1) or (2), as the case may be, is not complied with by him in respect of a worker to whom the original offence related, and is liable in respect of each such separate and further offence to a penalty of $5 000 for each such worker; and in addition subsection (2) applies.

(2) The court convicting an employer of an offence under subsection (1) shall, in addition to any other penalty imposed in respect of the offence under subsection (1) but subject to subsection (2a), order that the employer pay to the General Account an amount equal to the total of any insurance premiums payment of which the court is satisfied the employer has, at any time during the period of 5 years before the conviction, avoided by failing to obtain insurance as required by section 160(1), failing to furnish an estimate or statement as

required by section 160(2), or giving any false information or particular in any such estimate or statement.

(2a) In making an order under subsection (2) requiring the payment of an amount determined by reference to insurance premiums payment of which has been avoided, an amount that has been taken into account in making a previous such order shall not be again taken into account.

(2b) If an order is made under subsection (2) requiring a body corporate convicted of an offence to pay an amount to the General Account but all or any of the amount required to be paid remains unpaid, WorkCover WA may sue and recover from a responsible officer the unpaid amount, whether or not the responsible officer has been convicted under subsection (5).

(2c) If there are 2 or more responsible officers, they are jointly and severally liable for the payment of the unpaid amount.

(2d) The amount required to be paid under the order is reduced by any amount recovered under subsection (2b).

(3) A prosecution for an offence under this section must be commenced within 2 years after the date on which the offence was allegedly committed.

(3a) It is a defence to a prosecution for an offence under this section of failing to comply with section 160(1) or (2) in respect of a worker if the court is satisfied that at the time of the alleged offence the employer believed on reasonable grounds that the employer could not be liable under this Act in respect of the worker because under section 20 the worker's employment was not connected with this State.

(3b) If the employer's belief on reasonable grounds was that under section 20 the worker's employment was connected with another State, subsection (3a) does not apply unless at the time of the alleged offence the employer had workers' compensation cover in respect of the worker under the law of that other State.

Extract from www.slp.wa.gov.au, see that website for further information

(4) In any prosecution for an offence under this section, proof that the employer, not being a self-insurer —

(a) was required under section 175B(1)(c) to produce for inspection a policy of insurance referred to in section 160(1) obtained by the employer and in force at a specified date or between specified dates; and

(b) did not produce that policy as required,

is prima facie evidence that at that specified date or between those specified dates, as the case may be, the employer failed to comply with section 160(1), and the burden of showing that the employer complied with section 160(1) rests on the employer.

(5) Where a body corporate commits an offence mentioned in subsection (1), every responsible officer commits the like offence.

(6) In subsections (2b), (2c), and (5) ***responsible officer***, in relation to the commission of an offence by a body corporate, means a person who is a director or other officer concerned in the management of the body corporate and who does not prove that —

(a) the offence was committed without the person's consent or connivance; and

(b) the person exercised all such due diligence to prevent the commission of the offence as ought to have been exercised having regard to the nature of the person's functions and to all the circumstances.

(7) In subsection (3b) —

workers' compensation cover means insurance or registration required under the law of a State in respect of liability for statutory workers' compensation under that law.

[Section 170 amended by No. 44 of 1985 s. 37; No. 33 of 1986 s. 7; No. 86 of 1986 s. 5; No. 96 of 1990 s. 43; No. 34 of 1999 s. 43 and 57; No. 36 of 2004 s. 11; No. 42 of 2004 s. 150; No. 84 of 2004 s. 80; No. 77 of 2006 Sch. 1 cl. 189(9).]

171. Insurance offices to give information to WorkCover WA

(1) Every approved insurance office shall within 14 days of the close of each calendar month transmit to WorkCover WA —

(a) a statement in the prescribed form giving details of each employer who has during the month in question effected or renewed a policy or contract of insurance required by this Act with the insurance office concerned; and

(b) a statement in the prescribed form giving details of each employer in respect of whom the insurance office concerned has during the month in question marked in its books as lapsed (or, where WorkCover WA has permitted cancellation, cancelled) a policy or contract of insurance under this Act; and

(c) where WorkCover WA has requested the insurance office to do so, a means specified by WorkCover WA for conveying to WorkCover WA, in a machine-readable form so specified, the details referred to in paragraphs (a) and (b), together with a statement certifying the accuracy of the details so conveyed.

Penalty: $1 000.

(2) Such a statement shall be signed by a responsible officer of the insurance office concerned.

(3) Subject to subsection (3a), a person, except with the express authority of WorkCover WA, shall not have access to, inspect, or peruse any such statement, and the information contained therein shall be treated as strictly confidential and shall not, except for the purposes of this Act, be disclosed to any person.

Penalty: $2 000.

(3a) A person who is a principal within the meaning of that term in section 175 may, in writing, request WorkCover WA to disclose information as to the currency of a policy or contract of insurance required by this Act for the liability of a person who is, in relation to the person requesting the information, a

contractor within the meaning of that term in that section, and WorkCover WA may, where it is satisfied that the information is not to be used for a purpose unconnected with the objects of this Act, in writing, disclose the information requested (which may include information as to the period for which the policy or contract, if any, remains in force).

(4) If any statement required by this section is false in any particular to the knowledge of any person who signs it, that person commits an offence.

Penalty: $2 000.

172. WorkCover WA may recover underpaid premiums from employers

Whenever as a result of an inspection or otherwise it is shown that an employer has either wilfully or inadvertently understated to the employer's insurer the aggregate amount of remuneration paid, or the number of employees engaged, and has thereby become liable to pay by way of premium a lesser amount than would otherwise have been payable, then WorkCover WA may —

(a) provide to the insurer information as to the remuneration paid by, and the number of employees engaged by, the employer and the category for the purpose of premium rates in which those employees are engaged; and

(b) sue and recover from the employer —

(i) the full amount of the premium that could have been charged; less

(ii) any amount already paid to the insurer in respect of such insurance,

and pay any moneys so recovered, less any reasonable costs incurred in the recovery, to the insurer.

173. Worker's rights against insurer when employer ceases to exist etc.

(1) Where during the currency of a contract under this Act between an employer and an insurer in respect of the employer's liability to a worker the employer dies, or in the case of a corporation has commenced to be, or is, wound up, ceases to exist or the employer cannot be found or no longer resides in Australia or in a Territory within Australia or has ceased to carry on the business, or business of the kind, to which that contract related, then in any such circumstance —

(a) the worker has the same rights and remedies against the insurer that the employer otherwise would have had under the contract; and

(b) the insurer has, to the extent of his liability under the contract, the same liability to the worker and the same rights and remedies in respect of that liability that the employer otherwise would have had to that worker and in respect of that liability.

(2) Where, under subsection (1), the liability of the insurer of an employer is less than that which the liability of the employer to the worker would have been, the worker may proceed for the balance against the employer, or in the bankruptcy or liquidation of the employer, or against the personal representative of the employer.

[Section 173 amended by No. 72 of 1992 s. 19; No. 31 of 2011 s. 112.]

174. Payment to worker from General Account

(1) Where —

Extract from www.slp.wa.gov.au, see that website for further information

(a) compensation in accordance with this Act is due by an employer to a worker (other than a worker in respect of whom refusal of insurance is permitted pursuant to this Act); and

(b) the employer is not insured against his liability to pay compensation to the worker under this Act or the case is one to which section 173(2) applies or the employer's insurer declines to indemnify the employer against the worker's claim for compensation; and

(c) the employer does not pay the compensation due within 30 days of the obtaining of an award by the worker or his representative,

WorkCover WA is, subject to subsection (5AA), to pay to the worker from moneys standing to the credit of the General Account the amount required to satisfy the award and any award for costs in respect thereof.

(1AA) Where —

(a) on or after the day on which the *Workers' Compensation and Injury Management Amendment Act 2011* section 113 comes into operation [1], an action for damages is brought by a worker against the worker's employer in respect of a compensable injury; and

(b) before that day no claim for compensation under this Act has been made in respect of the same injury; and

(c) the action —

(i) proceeds to judgment, including the acceptance of an offer to consent to judgment, against the employer and damages are awarded to the worker against the employer; or

(ii) is settled by an agreement of the kind described in section 92(f) made between the worker and WorkCover WA, in the exercise of its powers under section 174AB(1), under which damages are to be paid to the worker;

Extract from www.slp.wa.gov.au, see that website for further information

and

(da) the damages awarded or agreed are, or include, insurable damages; and

(d) the employer is not insured under this Act against the employer's liability to pay the insurable damages to the worker or the case is one to which section 173(2) applies or the employer's insurer declines to indemnify the employer against the worker's claim for insurable damages; and

(e) the employer does not pay the damages awarded or agreed within 60 days after the date payment is due under the judgment or agreement,

Workcover WA is, subject to subsection (5AA) and section 174AAA, to pay to the worker from moneys standing to the credit of the General Account the amount required to satisfy the judgment or agreement to the extent that the judgment or agreement provides for the payment of insurable damages, and any order against the employer for costs in respect of the action.

(1a) Without limiting section 174AB, until the amount paid to a worker under this section is recovered under this section or section 174AA, WorkCover WA may exercise any rights of the employer in relation to the payment of that amount.

[(2) deleted]

(3) Where a worker suffers injury of a kind mentioned in section 32 or 33 and compensation in accordance with this Act is due by an employer to the worker but —

(a) the identity of the employer's insurer, if any, is not known; or

(b) the employer's insurer has ceased to operate in Australia,

an order may be made under Part XI that WorkCover WA pay to the worker from moneys standing to the credit of the General Account the amount required to satisfy an award of

compensation in accordance with this Act obtained by the worker or the worker's representative and any award for costs in respect of the award.

(4) If the identity of the insurer is ascertained after payment has been made under subsection (3), WorkCover WA may sue and recover the amount paid from the insurer, to the extent that its insured may have sued for and recovered that amount under the policy of insurance.

(5) The payment mentioned in subsection (3) shall be made to the worker or the worker's representative within 30 days of the date of the award.

(5AA) Where WorkCover WA is to make a payment under subsection (1) or (1AA) to a worker in respect of an injury —

(a) the amount of that payment is to be reduced by any amount of compensation payable to the worker by any employer in respect of the injury; and

(b) the employer paying that compensation has no right under section 92 or 93 to recovery of, or indemnity for, the compensation from the worker.

(5AB) Nothing in this section requires WorkCover WA to make any payment to the employer of a worker or to any person who is deemed by section 175(1) to be the employer of a worker.

(5a) Despite any other provisions of this section, if WorkCover WA is satisfied that the reason for the employer not being insured against liability to pay compensation or damages to the worker is that the employer believed on reasonable grounds that the employer could not be liable under this Act in respect of the worker because under section 20 the worker's employment was not connected with this State, the employer is not liable to WorkCover WA for any amount paid by WorkCover WA under this section.

(6) Where WorkCover WA has paid from the General Account an amount under subsection (1) or (1AA) WorkCover WA may file

in a court of competent jurisdiction a certificate of WorkCover WA showing the amount paid.

(7) No charge is to be made for filing a copy of a certificate under this section.

(8) On filing, the certificate is to be taken to be a judgment of that court for a debt payable by the employer of the worker to WorkCover WA of the same amount as the amount stated in the certificate, and may be enforced accordingly.

(9) Where more than one person is liable as an employer to pay compensation under this Act to a worker, the reference in subsection (8) to the employer is to be read as a reference to each person so liable, and the judgment may be enforced against those persons jointly and severally.

174AAA. Setting aside certain judgments and agreements

(1) If —

(a) an action brought by a worker as described in section 174(1AA)(a) proceeds to judgment as described in section 174(1AA)(c)(i) or is settled by an agreement of the kind described in section 174(1AA)(c)(ii); and

(b) a claim on the General Account is made under section 174(1AA) in respect of any amount due under the judgment or agreement,

WorkCover WA may apply to the Supreme Court for an order setting aside the judgment or agreement.

(2) The Supreme Court may set aside the judgment or agreement if satisfied that there are reasonable grounds for believing that the

employer has not taken all reasonable steps to protect the employer's own interests.

(3) If the Supreme Court sets the judgment or agreement aside the costs of the respondent in relation to the application are to be paid from the General Account unless the Supreme Court orders otherwise.

(4) The Supreme Court may make an order about costs under subsection (3) only if satisfied that it is appropriate to make the order because of the special circumstances surrounding the giving of the judgment or the making of the agreement.

(5) If a judgment or agreement is set aside under this section —

(a) the judgment or agreement is taken never to have had effect for the purpose of any proceeding in any court; and

(b) evidence of a statement or communication, or a part of a statement or communication, tending to establish the existence of the agreement is not admissible in any proceeding in a court, unless the Supreme Court orders otherwise.

(6) The Supreme Court may make an order under subsection (5)(b) only if satisfied that the admission of the evidence is necessary to avoid injustice to a party to the proceeding.

[Section 174AAA inserted by No. 31 of 2011 s. 114.]

174AA. Recovering s. 174 payments from officers of body corporate

(1) If none, or some but not all, of an amount paid from the General Account under section 174 is recovered from a body corporate liable to pay the amount under that section, WorkCover WA may sue and recover the unpaid amount from a responsible officer of the body corporate.

(2) A person is a responsible officer of a body corporate if —

(a) the body corporate has contravened section 160(1) in respect of a policy of insurance or otherwise failed to ensure that it had a sufficient policy of insurance that would have covered the body corporate for the liability to which the payment made under section 174 related (whether or not the body corporate has been proceeded against or convicted of an offence for the contravention); and

(b) at the time of the contravention or failure the person was a director or other officer concerned in the management of the body corporate; and

(c) the person does not prove that —

(i) the contravention or failure occurred without the person's consent or connivance; and

(ii) the person exercised all such due diligence to prevent the contravention or failure as ought to have been exercised having regard to the nature of the person's functions and to all the circumstances.

(3) If there are 2 or more responsible officers of a body corporate they are jointly and severally liable for the payment of the unpaid amount recoverable under subsection (1).

174AB. WorkCover WA may exercise rights of employer in some cases

(1) If an employer against whom a claim for compensation under this Act, or an action for damages which are, or which include, insurable damages, is brought by a worker is uninsured, WorkCover WA has all of the rights of the employer as the party against whom the claim or action is brought in place of the employer including the right to —

(a) consent to an award or order being made in a proceeding before a dispute resolution authority; and

(ba) consent to a judgment being given in a proceeding before a court; and

(b) enter into an agreement as to redemption of the claim or compromise of the action; and

(c) become a party to proceedings in relation to the claim or action; and

(d) exercise the rights of the employer in relation to injury management; and

(e) require the worker to submit himself for examination under sections 64 and 65.

[(2)-(4) deleted]

(5) WorkCover WA may sue for and recover from the employer fees, costs and charges incurred by WorkCover WA under this section, whether or not WorkCover WA was successful in any proceedings.

174AC. WorkCover WA's rights of indemnity and subrogation

If WorkCover WA has paid, or is liable to pay, from the General Account an amount as compensation or damages for which an employer is liable, WorkCover WA is subrogated to —

(a) any right of the employer to indemnity from an insurer in respect of that payment; and

(b) any right of the employer and any insurer of the employer to recover any amount from any other person in respect of that payment (had the payment been made by the employer or insurer), whether the right arises by way of liability for contribution, apportionment of liability or otherwise.

174AD. Employer's duty to assist WorkCover WA

(1) Where under section 174AB or 174AC WorkCover WA has or is subrogated to any right of an employer, WorkCover WA may by notice in writing require the employer to —

(a) give WorkCover WA any information and assistance which WorkCover WA considers necessary or desirable in relation to the exercise or proposed exercise of the right; and

(b) provide to WorkCover WA any documents in the employer's possession or control which WorkCover WA considers necessary or desirable in relation to the exercise or contemplated exercise of the right; and

(c) execute any documents or instruments which may be necessary to enable WorkCover WA to exercise the right, or to ratify or confirm any exercise or purported exercise of the right by WorkCover WA.

(2) An employer must comply with any requirement made under subsection (1).

Penalty: a fine of $5 000.

174A. Insurer may not refuse to indemnify in some cases

(1) If under a policy of insurance the insurer may refuse, but for this section, to indemnify an employer against the employer's liability to pay compensation or damages in respect of a compensable injury for which the employer is liable on the ground of an act or omission by or on behalf of the employer but the act or omission did not cause or contribute to the injury for which compensation is or damages are claimed, the insurer may not refuse to indemnify the employer but the insurer's liability to indemnify the employer is reduced by the amount

that fairly represents the extent to which the insurer's interests were prejudiced as a result of the act or omission.

(2) The onus of proving that the insurer's interests were prejudiced by the act or omission by or on behalf of the employer and the extent of that prejudice is on the insurer.

Division 2 — Insurance by principals, contractors, and sub-contractors

175. When principal, contractor and sub-contractor deemed employers

(1) Where a person (in this section referred to as the ***principal***) contracts with another person (in this section referred to as the ***contractor***) for the execution of any work by or under the contractor and, in the execution of the work, a worker is employed by the contractor, both the principal and the contractor are, for the purposes of this Act, deemed to be employers of the worker so employed and are jointly and severally liable to pay any compensation which the contractor if he were the sole employer would be liable to pay under this Act.

(2) The principal is entitled to indemnity from the contractor for the principal's liability under this section.

(3A) The indemnity conferred by subsection (2) does not allow the principal to recover from the worker —

(a) any amount which the worker receives from the contractor by way of compensation or damages in respect of a compensable injury; or

(b) any amount which the worker receives from WorkCover WA under section 174 in respect of the contractor's liability to pay compensation or damages to the worker.

Extract from www.slp.wa.gov.au, see that website for further information

(3B) The indemnity conferred by subsection (2) does not allow the principal to recover any amount from WorkCover WA.

(3) The principal is not liable under this section unless the work on which the worker is employed at the time of the occurrence of the injury is directly a part or process in the trade or business of the principal.

(4) Where the principal and the contractor are jointly and severally liable under this section, a judgment obtained against one is not a bar to proceedings against the other except to the extent that the judgment has been satisfied.

(5) Where compensation is claimed from or proceedings are taken against the principal, in the application of this Act a reference to the employer shall be read as a reference to the principal except where, for the purpose of calculating the amount of compensation, a reference is made to the earnings of a worker, the reference shall be read as a reference to the earnings of the worker under the contractor.

(6) For the purposes of this section, where sub-contracts are made —

(a) ***principal*** includes the original principal for whom the work is being done and each contractor who constitutes himself a principal with respect to a sub-contractor by contracting with him for the execution by him of the whole or any part of the work; and

(b) ***contractor*** includes the original contractor and each sub-contractor; and

(c) a principal's right to indemnity is a right against each contractor standing between the principal and the worker.

(7) Where the injury does not occur in respect of premises on which the principal has undertaken to execute the work or which are otherwise under his control or management, subsections (1) to (6) inclusive do not apply.

Extract from www.slp.wa.gov.au, see that website for further information

(8) Nothing in this section makes either a principal or a contractor liable to pay any damages which, but for this section, the principal or contractor would not be liable to pay.

[Section 175 amended by No. 42 of 2004 s. 147; No. 31 of 2011 s. 118; No. 12 of 2012 s. 12.]

175AA. Certain persons deemed workers

(1) For the purposes of this section, a person (***W***) executes work for another person (***E***) under an avoidance arrangement if —

(a) the work is executed under an arrangement that is contrived to enable E to have the benefit of W's services without having liabilities and duties as W's employer under this Act; and

(b) the arrangement was entered into on or after the coming into operation of section 13 of the *Workers' Compensation Legislation Amendment Act 2005* [1]; and

(c) while the arrangement is in effect —

(i) W executes work principally for E on behalf of a company of which W is an employee or director (the ***company***); and

(ii) the work is directly a part or process in the trade or business of E.

(2) Unless the arrangement is, or is of a class of arrangements, prescribed by the regulations, an arrangement is contrived for the purpose described in subsection (1)(a) if —

(a) before executing work under the arrangement, W was E's worker and provided substantially similar services; or

(b) although the circumstances described in paragraph (a) did not exist before W executes work under the arrangement, E intimated, before the arrangement was entered into, that E was unwilling to enter into an arrangement for the provision of substantially similar

services that would have resulted in W being E's worker.

(3) A person may apply to an arbitrator for a determination as to whether a person was, at a particular time or during a particular period, executing work for another person under an avoidance arrangement.

(4) In making a determination for the purposes of subsection (3) the arbitrator is not to have regard to whether or not proceedings have been instituted under section 303A against E, or to the outcome of those proceedings (if any).

(5) If an injury occurs to W and W and E agree or an arbitrator determines that, when the injury occurred, W was executing work for E under an avoidance arrangement —

(a) E is liable to pay any compensation that E would have been liable to pay under this Act if W had been E's worker when the injury occurred; and

(b) if, when the injury occurred, E was insured as required by section 160 against its liability to pay compensation to its workers under this Act —

(i) that insurance extends to E's liability under paragraph (a) to pay compensation; and

(ii) the insurer is entitled to indemnity from E for the cost of satisfying its liability under subparagraph (i);

and

(3) The Director may, in accordance with the regulations, from time to time extend the final day, but only if the Director is satisfied that —

(a) in the case of a worker whose final day, as determined under subclause (1) or (2), is within 8 weeks after the coming into operation of section 141(22) of the *Workers' Compensation Reform Act 2004* [1], the worker has, in accordance with the regulations and before the final day, requested an approved medical specialist to assess the worker's degree of permanent whole of person impairment, but the worker was not given, or it would be impracticable to give, the worker the documents required to make an application under clause 18A(1b) before the final day; or

(b) in any other case, the worker has, in accordance with the regulations and at least 8 weeks before the final day, requested an approved medical specialist to assess the worker's degree of permanent whole of person impairment, but the worker was not given, or it would be impracticable to give, the worker the documents required to make an application under clause 18A(1b) before the final day.

(4) An extension under subclause (3) is to be to a day that is not more than one year after the day that would have been the final day had there been no extension under that subclause.

(5) An extension is to be in writing and the Director is required to give the worker and employer each a copy of the extension.

(6) An extension may be given even though the final day has passed.

(2) If a determination is made that the worker's degree of permanent whole of person impairment is not less than 15%, the arbitrator may order the employer to pay all or any of the costs or expenses connected with the dispute, including expenses connected with the referral to an approved medical specialist panel.

(3) In this clause, and in clauses 18A and 18B —

an arbitrator may, before that application is determined, allow such interim sum, but not exceeding $2 000, as the arbitrator thinks proper in the circumstances.

(2) For the purposes of calculating whether a sum of $50 000 has been or will be allowed under clause 18A, an interim sum under subclause (1) in respect of an application under clause 18A(1) or (1a) is taken to be a sum allowed in the exercise of a discretion under clause 18A(1) or (1a).

[25] The *Workers' Compensation and Rehabilitation Amendment Act 1993* Pt. 2 Div. 2 (as amended by the *Workers' Compensation and Rehabilitation Amendment Act 1999* Pt. 3 and the *Workers' Compensation Reform Act 2004* s. 172(2)) reads as follows:

Division 2 — Further transitional provisions

5. Definitions

(1) In this Division —

affected person means a person having a notifiable cause;

improved statutory benefits means the benefits under the principal Act that would be applicable if the amendments made by this Act to Schedule 2 to the principal Act and to the prescribed amount had been made immediately before the date of the accident that caused the injury or the date of the audiometric test that showed that a loss or diminution of the worker's hearing had been incurred, as the case requires;

Extract from www.slp.wa.gov.au, see that website for further information

notifiable cause means a cause of action that arose wholly before 1 July 1993 in respect of a disability for which, because of section 93D of the principal Act, damages are prevented from being awarded other than under this Division;

preliminary questions, in relation to a notifiable cause, means —

(a) whether or not a court would be likely to find the relevant employer or insurer to be liable for damages in an action founded on that cause; and

(b) if the relevant employer or insurer would be likely to be found liable for damages, whether or not the damages that a court would be likely to award, but for section 93D of the principal Act, would be significant damages;

relevant employer or insurer, in relation to a notifiable cause, means the employer against whom the affected person has the cause of action or the person insuring the employer against liability arising out of that cause;

significant damages means damages of which —

(a) the amount attributable to non-pecuniary loss; or

(b) the amount attributable to future pecuniary loss,

is equal to or more than $25 000.

(2) Unless the contrary intention appears, expressions in this Division that are used in the principal Act have the same respective meanings in this Division as they have in the principal Act.

6. Registration of certain causes of action

(1) WorkCover WA is to keep a register containing particulars of notifiable causes registered under this Division and persons who have those causes.

(2) WorkCover WA is to register a notifiable cause if it was notified of the cause before 5 p.m. on 29 July 1993.

(3) WorkCover WA may, not later than 30 June 1994, register a notifiable cause if it is satisfied that there is good reason for notice of the cause not having been given until after 5 p.m. on 29 July 1993.

(4) The functions of WorkCover WA under this section in respect of a notifiable cause are to be performed within 21 days after the day on which it is notified of the cause.

[Section 6 amended by No. 34 of 1999 s. 59; No. 42 of 2004 s. 172(2).]

Extract from www.slp.wa.gov.au, see that website for further information

7. Appeals for registration

(1) A person seeking to have a notifiable cause registered under section 6(3) who is dissatisfied with the decision of WorkCover WA may appeal to the Minister against the decision.

(2) The Minister may dismiss or allow the appeal and, if the appeal is allowed, WorkCover WA is to register the cause.

[Section 7 amended by No. 42 of 2004 s. 172(2).]

8. Certificate of registration

WorkCover WA, upon registering a notifiable cause, is to give to the affected person a certificate to the effect that the cause is registered and within 21 days notify the relevant employer or insurer in writing accordingly.

[Section 8 amended by No. 42 of 2004 s. 172(2).]

9. Negotiations with employer or insurer

(1) Within 60 days after the day on which the affected person is given a certificate of registration of a cause of action, the affected person may submit to the relevant employer or insurer details of the claim for damages in respect of the disability from which the cause arose, together with a copy of the certificate.

(2) The employer or insurer may, within 60 days after the day on which details of the claim are submitted in accordance with subsection (1) —

(a) notify the affected person in writing that the employer's liability is accepted and either —

(i) offer to pay to the affected person in settlement of the claim an amount specified in the notice; or

(ii) decline to pay on the grounds that the damages are not significant damages;

or

(b) notify the affected person in writing that the employer's liability is not accepted.

(3) Nothing in a notice under subsection (2) is admissible in court proceedings for the award of damages in respect of the disability.

(4) Without limiting the other matters that may be taken into account by a court but subject to section 12(3) and (4), in making an order as to costs the court shall have regard to whether or not a person has acted within the time specified in this section.

Extract from www.slp.wa.gov.au, see that website for further information

10. Improved statutory benefits available if liability accepted

(1) An affected person who is notified under section 9 that liability is accepted may, whether or not damages are considered to be significant, discontinue proceedings, if any, in respect of the cause and opt for the improved statutory benefits.

(2) An offer made under section 9(2)(a)(i) to an affected person lapses if the person opts for the improved statutory benefits.

11. Consequences of filing certificate in court proceedings

(1) If an affected person —

(a) has commenced court proceedings in respect of a registered cause (whether the cause was registered before or after the proceedings were commenced); and

(b) has, within 90 days after the day on which the certificate was given, filed the certificate of registration in the proceedings and given a copy of the certificate to each other party to the proceedings,

the relevant employer or insurer may within 60 days after the day on which the certificate is filed, apply to a District Court Judge for a declaration as to the preliminary questions or either of those questions that is in dispute.

(2) If, in the circumstances mentioned in subsection (1)(a) and (b), the relevant employer or insurer does not apply under subsection (1) to a District Court Judge within the time provided by that subsection, the affected person may —

(a) discontinue the proceedings and opt for the improved statutory benefits; or

(b) continue the proceedings and enjoy the exemption given by section 13(1).

(3) If, on an application under subsection (1), the District Court Judge declares that a court would not be likely to find the relevant employer or insurer to be liable for damages in an action founded on the cause, this Division has no further application in relation to that cause.

(4) If, on an application under subsection (1), the District Court Judge declares that —

(a) a court would be likely to find the relevant employer or insurer to be liable for damages in an action founded on the cause; and

Extract from www.slp.wa.gov.au, see that website for further information

(b) the damages that a court would be likely to award but for section 93D of the principal Act would not be significant damages,

this Division has no further application in relation to that cause unless the affected person discontinues the proceedings and opts for the improved statutory benefits.

(5) If, on an application under subsection (1), the District Court Judge declares that —

(a) a court would be likely to find the relevant employer or insurer to be liable for damages in an action founded on the cause; and

(b) the damages that a court would be likely to award but for section 93D of the principal Act would be significant damages,

the affected person may —

(c) discontinue the proceedings and opt for the improved statutory benefits; or

(d) continue the proceedings and enjoy the exemption given by section 13(1).

[Section 11 amended by No. 34 of 1999 s. 60.]

12. Offer to settle

(1) If the proceedings are continued in the circumstances described in subsection (2) or (5) of section 11, the relevant employer or insurer is to make an offer to settle, or consent to judgment, in the proceedings.

(2) The offer is to be made within 60 days after —

(a) the last day on which the application under section 11(1) could have been made; or

(b) the day on which the declaration under section 11(5) was made,

as the case requires, unless the proceedings had been commenced less than 120 days before the day by which the offer would otherwise be required to be made in which case the offer is to be made within 120 days after the day on which the proceedings were commenced.

(3) If the offer is not accepted nor withdrawn and the court awards damages in an amount that is not more than 120% of the amount offered, the costs of the proceedings are to be paid by the affected person.

Extract from www.slp.wa.gov.au, see that website for further information

(4) If the court awards damages in an amount that is more than 120% of the amount offered, the costs of the proceedings are to be paid by the relevant employer or insurer.

(5) If an offer is not made as required by this section or an offer is made but withdrawn, a nil amount is taken for the purposes of subsection (4) to have been offered.

13. Exemption from effect of section 93D

(1) If proceedings in respect of a cause are continued in the circumstances described in subsection (2) or (5) of section 11, section 93D of the principal Act has no operation in relation to the cause.

(2) Unless, in the proceedings continued, the court has decided that the disability did not result from the negligence or other tort of the employer, the affected person may, at any time, discontinue the proceedings and opt for the improved statutory benefits.

(3) If the court decides that the relevant employer or insurer is liable for damages but the damages are not significant damages, no damages are to be awarded but the affected person is to be taken to have opted under this Division for the improved statutory benefits.

14. Consequences of opting for improved statutory benefits

(1) An affected person opting for the improved statutory benefits is to do so by notice in writing given to the relevant employer or insurer and, if court proceedings have been commenced, a copy of the notice is to be filed in the proceedings.

(2) If under this Division an affected person opts for the improved statutory benefits, the benefits available to the person under the principal Act are the improved statutory benefits but otherwise this Division has no further application in relation to that cause.

(3) Subsection (2) applies whether or not the full extent of the benefits to which a person would be entitled under the principal Act but for this section had already been received when the person opts for the improved statutory benefits.

15. Time limits for bringing proceedings

(1) If the time limited for bringing proceedings for a notifiable cause would, but for this subsection, expire or have expired at any time after 4 p.m. on 30 June 1993 but before the day that is 90 days after the day on which a certificate of the registration of that cause under this Division is given, the time for bringing those proceedings is extended to the day that is 90 days after the day on which the certificate is given.

Extract from www.slp.wa.gov.au, see that website for further information

(2) The extension of time given by subsection (1) does not limit any extension given by a court.

16. Fund to bear cost of declarations

WorkCover WA is to pay from the General Fund to the Consolidated Fund such amount as the Treasurer directs in respect of the cost to the State of dealing with applications for declarations under this Division by a District Court Judge.

[Section 16 amended by No. 42 of 2004 s. 172(2).]

17. Leave not required if certificate filed

Section 93D(4) and (5) of the principal Act do not apply to the commencement of proceedings in respect of a registered cause if the certificate of registration was issued not more than 90 days before the proceedings are commenced and, when the proceedings are commenced, the certificate is filed.

Part 4 — Transitional provisions

Division 1 — General

176. Interpretation

In this Division unless the contrary intention appears —

principal Act means the *Workers' Compensation and Rehabilitation Act 1981* as in force immediately before the coming into operation of the provision in which the term is used;

amended Act means the *Workers' Compensation and Injury Management Act 1981* as in force immediately after the coming into operation of the provision in which the term is used.

Extract from www.slp.wa.gov.au, see that website for further information

177. Application of *Interpretation Act 1984*

The provisions of this Part do not prejudice or affect the application of the *Interpretation Act 1984* to and in relation to the repeals effected by this Act.

178. Transitional regulations

(1) If this Act does not provide sufficiently for a matter or issue of a transitional nature that arises as a result of the amendments effected by this Act, the Governor may make regulations prescribing all matters that are required, necessary or convenient to be prescribed for providing for the matter or issue.

(2) If in the opinion of the Minister an anomaly arises in the carrying out of any provision —

(a) of this Act; or

(b) of the *Interpretation Act 1984* as it applies to the amendments made by this Act,

the Governor may by regulations —

(c) modify that provision to remove that anomaly; and

(d) make such provision as is necessary or expedient to carry out the intention of that provision.

(3) If regulations made under subsection (1) or (2) provide that a state of affairs specified or described in the regulations is to be taken to have existed, or not to have existed, on and from a day that is earlier than the day on which the regulations are published in the *Gazette* but not earlier than the commencement day, the regulations have effect according to their terms.

(4) If regulations contain a provision referred to in subsection (3), the provision does not operate so as —

(a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the day of publication of those regulations; or

(b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the day of publication of those regulations.

179. Power to amend subsidiary regulations

(1) The Governor, on the recommendation of the Minister, may make subsidiary legislation amending subsidiary legislation made under any Act.

Extract from www.slp.wa.gov.au, see that website for further information

(2) The Minister may make a recommendation under subsection (1) only if the Minister considers that each amendment proposed to be made by subsidiary legislation is necessary or desirable as a consequence of the enactment of this Act.

(3) Nothing in this section prevents subsidiary legislation from being amended in accordance with the Act under which it was made.

Division 2 — Transitional provisions relating to statutory entitlements

180. Section 217 of the *Workers' Compensation and Injury Management Act 1981*

(1) Despite the enactment of section 217 of the amended Act, if, before the day on which section 130 of this Act comes into operation the total weekly payments by way of compensation payable under Schedule 1 clause 7 of the principal Act for that disability have reached the prescribed amount within the meaning of that Act, the total liability of the employer of a worker under section 217 of the amended Act in respect of that disability or incapacity is not to exceed the lesser of the amounts set out in section 84E(3)(a) and (b) of the principal Act as in force immediately before the coming into operation of section 130 of this Act.

(2) If, after the coming into operation of section 130 of this Act, a claim for damages in respect of an incapacity that has been settled by agreement independently of the principal Act is disapproved under section 92 of the amended Act, section 217 of the amended Act applies in respect of the total liability of the employer of the worker.

181. Transitional provisions — amendments to Schedule 1

(1) Where the death of a worker occurred before the coming into operation of section 141(1) of this Act, Schedule 1 clause 1 of the principal Act as in force immediately before the coming into operation of section 141(1) of this Act applies in relation to the compensation entitlements of the worker as if section 141(1) of this Act had not been enacted.

(2) Amount Aa as determined under Schedule 1 clause 11 of the amended Act as amended by subsections (9) and (12) of section 141 of this Act applies in relation to all weekly payments payable on or after the coming into operation of those subsections, but no weekly payments payable before those subsections come into operation are affected by the amendments effected by those subsections.

Extract from www.slp.wa.gov.au, see that website for further information

(3) Schedule 1 clause 11(3) of the amended Act as amended by section 141(10) of this Act does not apply in relation to weekly earnings of a worker who, before the coming into operation of section 141(10) of this Act, has received 4 weekly payments of compensation, and Schedule 1 clause 11(3) of the principal Act applies in respect of those weekly earnings as if the amendment had not been enacted.

(4) Schedule 1 clause 11(4) of the amended Act as amended by section 141(11) of this Act does not apply in relation to weekly earnings of a worker who, before the coming into operation of section 141(11) of this Act, has received 4 weekly payments of compensation, and Schedule 1 clause 11(4) of the principal Act applies in respect of those weekly earnings as if the amendment had not been enacted.

(5) Schedule 1 clause 18A of the amended Act as amended by section 141 of this Act does not apply to compensation payable to a worker if, before the coming into operation of section 141(16) of this Act —

(5) On and from the commencement day, anything ordered, decided, or otherwise done by a conciliation officer or review officer in respect of a matter under the amended Act before the commencement day becomes of the same effect as if, and enforceable as if, it were ordered, decided or done by an arbitrator under the provisions of the amended Act authorising an arbitrator to order, decide, or do corresponding things after the commencement day.

184. Compensation magistrate's court

(3) For the purposes of subsection (1), section 183(2), (3) and (4) apply as if a reference in that section to a dispute resolution body includes a reference to the Director of Conciliation and Review and a reference in that section to a pending proceeding includes a reference to a matter referred to in subsection (1).

(3) Subsection (2) does not apply to a person seconded to, or acting in, the office of a review officer immediately before the coming into operation of section 130 of the *Workers' Compensation Reform Act 2004*.

Division 4 — Transitional provisions relating to Part VIII amendments

189. Transitional provisions for Part VIII amendments

(1) When the Part VIII amendments come into operation (the ***commencement time***), any effect that anything done before the commencement time by the former Committee would have had if those amendments had not been made continues as if the corresponding thing had been done by WorkCover WA.

(2) In subsection (1) —

WorkCover WA has the meaning given to that term by the *Workers' Compensation and Injury Management Act 1981*;

corresponding thing means anything done by WorkCover WA after the commencement of the Part VIII amendments that would have substantially the same effect after the commencement as what was done by the former Committee would have had if the Part VIII amendments had not been made;

former Committee means the Premium Rates Committee under the *Workers' Compensation and Rehabilitation Act 1981* as in force before the commencement of the Part VIII amendments;

Part VIII amendments means the amendments that sections 104 to 117 and 150 to 153 make to Part VIII of the *Workers' Compensation and Rehabilitation Act 1981*.

[39] The amendments in the *Workers' Compensation Reform Act 2004* s. 146, 147 and 148(2) which sought to amend s. 15 will not be included because s. 15 has been deleted by the *Workers' Compensation and Rehabilitation Amendment (Cross Border) Act 2004* s. 5.

The amendments in the *Workers' Compensation Reform Act 2004* s. 146 and 147 which sought to amend s. 16(1a) will not be included because s. 16(1a) has been deleted by the *Workers' Compensation and Rehabilitation Amendment (Cross Border) Act 2004* s. 6(1).

The amendments in the *Workers' Compensation Reform Act 2004* s. 148(1) which sought to amend s. 16(2) will not be included because of amendments to s. 16(2)

Extract from www.slp.wa.gov.au, see that website for further information

made by the *Workers' Compensation and Rehabilitation Amendment (Cross Border) Act 2004* s. 6(2).

The amendments in the *Workers' Compensation Reform Act 2004* s. 147 which sought to amend s. 23 will not be included because s. 23 has been replaced by the *Workers' Compensation and Rehabilitation Amendment (Cross Border) Act 2004* s. 8.

[40] The *Acts Amendment (Court of Appeal) Act 2004* Sch. 1 cl. 29 which was proclaimed to commence on 1 July 2005 (see *Gazette* 14 Jan 2005 p. 163), is not included because the sections in the *Workers' Compensation and Injury Management Act 1981* that it purports to amend were not in operation on 1 July 2005. Subsequently Sch. 1 cl. 29 was deleted by the *Workers' Compensation Legislation Amendment Act 2005* s. 31.

[41] The *Criminal Procedure and Appeals (Consequential and Other Provisions) Act 2004* Sch. 2 cl. 157 (the amendment to s. 175H(2)(c)) was deleted without having come into operation by the *Criminal Law and Evidence Amendment Act 2008* s. 78(10).

[42] The *Workers' Compensation Legislation Amendment Act 2005* s. 9(2) reads as follows:

> **9. Section 10A replaced and transitional provision**
>
> (2) Nothing in this section affects or limits the operation of the *Workers' Compensation and Injury Management Act 1981* in relation to a director of a company if that director, at any time before the coming into operation of this section, received, or was entitled to receive, compensation under that Act, and for that purpose that Act continues to apply in relation to the director as if this section had not been enacted.

[43] The *Workers' Compensation Legislation Amendment Act 2005* s. 30(3) reads as follows:

> **30. Section 5 amended and transitional provision**
>
> (3) In determining the compensation payable to a dependant of a worker under clause 1 or 2 in accordance with the *Workers' Compensation and Injury Management Act 1981* as amended by subsection (2) —
>
> (a) any compensation paid under the relevant clause before this Act received the Royal Assent is to be deducted; and
>
> (b) if an apportionment of compensation has been determined or agreed in relation to compensation under

Extract from www.slp.wa.gov.au, see that website for further information

the relevant clause before this Act receives the Royal Assent, any compensation payable under the relevant clause after this Act receives the Royal Assent is to be apportioned in a like manner.

[44] The amendment in the *Chiropractors Act 2005* s. 109 which sought to amend s. 176(1b)(d) is not included because s. 176 had been replaced by the *Workers' Compensation Reform Act 2004* s. 130 before the amendment purported to come into operation.

[45] The *Acts Amendment (ICWA) Act 1996* Sch. 1 it.16 (the reference to a provision of section 95, 147 and 154 of the *Workers' Compensation and Rehabilitation Act 1981* and the amendment to that provision) is not included because the sections it sought to amend were deleted by the *Workers' Compensation Reform Act 2004* s. 155.

[46] On the date as at which this compilation was prepared, the *Workers' Compensation and Injury Management Amendment Act 2011* s. 123(2)-(7) had not come into operation. They read as follows:

123. Schedule 1 amended

(2) In Schedule 1 clause 11(2) delete the definitions of:

(5) Delete Schedule 1 clause 11(5) and insert:

(5) Subject to subclause (6), the references in the definition of ***Amount Aa*** to allowances are references to allowances averaged over the period of one year ending at the date of incapacity.

(6) In Schedule 1 clause 11(6) delete "13 weeks mentioned in subclause (5)," and insert:

one year mentioned in subclause (5), or if for part of that period the worker was not in the employment that the worker is in on the date of incapacity,

(7) In Schedule 1 clause 11(7) delete "Amount D" and insert:

Amount Aa

[47] The *Workers' Compensation and Injury Management Amendment Act 2012* Pt. 3 reads as follows:

Part 3 — Transitional

13. Terms used

(b) the employer is taken under subsection (1) to have complied with a provision of Part X requiring it to obtain or keep current such a policy,

an insurer who has issued to the employer a liability insurance policy other than for the purposes of Part X may not reject a claim under that policy on the grounds that the claim relates to a liability for which the employer was required under Part X to insure.

(3) In this section a reference to doing anything includes a reference to omitting to do that thing.

15. Validity of terms, conditions and exclusions of insurance policies effected during the transitional period

A term, condition or exclusion of an insurance policy obtained or kept current during the transitional period for the purposes of Part X which, if the policy were obtained immediately after the transitional period, would be valid, lawful and effective is taken to be valid, lawful and effective from the time when the policy was obtained or, if later, from the beginning of the transitional period.
