(3) The boundaries of lands fronting on the ocean, or any sound, bay, or creek, or any part thereof affected by the ebb or flow of the tide, or on any lake, lagoon, swamp, river, or main stream, shall be limited in every case where possible by straight lines, as near to the high water mark as the Minister shall decide, and such lines shall be marked on the ground, and the land between such lines and the water shall vest in the Crown.

(4) The Minister shall have power in the public interest, and in his discretion, subject only to an appeal to the Governor under section 27, to refuse any application made under any Part of this Act.

**Minister may order surveys of Crown land and lands reserved for town and suburban lots.**

17. (1) The Minister may direct that any Crown lands, or lands reserved or set apart, or about to be reserved or set apart as town or suburban lands, shall be surveyed into lots, and may decide upon the size and shape of such lots, and the width and direction of all streets, roads, lanes, or ways within such lands.

(2) If it is found, on survey or otherwise, that the description of the boundaries or plan of the land contained in any lease, licence, or occupation certificate under this Act does not properly describe the land intended by the applicant to be therein comprised, or to which the lessee, licensee, or selector is entitled, either by reason of a want of survey, from an error in the description or survey, or from any other cause, the Minister may recall such lease or licence, or occupation certificate, and amend the description or plan of the holding in such a manner as not to disturb the boundaries of any lease, licence, or occupation certificate previously granted:

Provided that if the lessee, licensee, or selector fails to forward, on demand, to the Minister, any lease, licence, or occupation certificate, or other document for correction, the Minister may cause the descriptions and the plans of the department to be amended if necessary, and shall, in such case, give notice of the amendment to the lessee, licensee, or selector.

(3) Such amended descriptions and plans, or copies thereof, shall, if certified by the Surveyor General, or other officer authorized in that behalf, as correct, be accepted in every court of law as *prima facie* evidence of the boundaries of the land intended to be demised.

(4) On receiving notice from the Minister of any such amendment to a lease registered as a Crown lease under the Transfer of Land Act 1893, and its amendments, together with a plan certified by the Surveyor General showing the original boundaries and the amended boundaries, the Registrar of Titles shall amend both the original and duplicate Crown lease in accordance with such notice and plan.

(5) Any Crown lease which has been heretofore amended by the Registrar of Titles to conform to any amendment of boundaries made pursuant to this section, or pursuant to the provisions of the Land Act 1898, and its amendments, shall be deemed to have been lawfully amended.

(6) If any lease so amended under this section is subject to any encumbrance or if an amendment has already been made in a lease as referred to in the last preceding subsection and that lease was subject to any encumbrance at the date of such amendment, then by force of this Act such encumbrance shall be deemed to attach or to have attached to the land included in the boundaries of such lease as amended as if such land had been the subject of the lease at the date of such encumbrance.

*[S. 18 amended by No. 47 of 1934, s. 5.]*

**If the survey varies from the application, how to be dealt with.**

**19.** (1) If any section, when surveyed, differs in any respect from that intended by the lessee, licensee, selector, or purchaser, the Minister shall not be responsible for any loss or inconvenience which the lessee, licensee, selector, or purchaser may experience.

(2) If the land is found to be in excess of that applied for, such excess shall be paid for by the lessee, licensee, or purchaser at the same price as the rest.

(3) If the land is found to be less than the quantity applied for, that quantity shall be made good out of adjoining lands, if any, open to selection, but no purchase money or rent shall be returned unless the quantity of land paid for by the lessee, licensee, selector, or purchaser, cannot be made good as aforesaid, and then only to the extent of the deficiency.

**Right to enter upon lands to make surveys.**

21. Nothing in this Act or in any deed, lease, licence, or occupation certificate granted thereunder shall be held to prejudice or interrupt the right of the Minister, or of any officer authorized in that behalf by him, to go upon any land for the purpose of making any survey, inspection, or examination of the same doing as little damage as possible.

**Land of insolvents to be for benefit of creditors.**

22. If any person holding land under conditional terms as to improvement or otherwise shall be adjudicated bankrupt or insolvent, or shall assign his estate for the benefit of his creditors, his interest in such land may, with the consent of the Minister, be sold by the assignee or trustee of such insolvent or bankrupt's estate, and it shall be lawful for any person to purchase the same, and such purchaser shall thereupon be substituted for the person so becoming bankrupt or insolvent or assigning his estate as aforesaid, and shall have the same advantages and be under the same liabilities in all respects, in regard to such land, as the original holder of the land:

Provided that no person shall be entitled to purchase as aforesaid who would not be qualified under this Act to hold such land under conditional terms or otherwise, if such land were open to selection.

**Forfeiture for non-compliance with conditions.**

23. (1) Subject to the provisions of this Act, if any holder of land under this Act fails or neglects to comply with, perform, or fulfil all or any of the conditions or restrictions under which he holds such land, or if at any time the rent or instalment of purchase money is not paid as prescribed, the lease or other holding and the lands therein, and all improvements thereon, as well as any rent or purchase money that may have been paid, may be forfeited.

(2) The Governor may, for any cause he may deem sufficient—

- (a) waive any forfeiture and reinstate any lessee or licensee as of his former estate, and on any terms and conditions as he may think fit; or
- (b) direct the amount received by the Crown from an incoming lessee or licensee for improvements on the forfeited holding to be paid to the former lessee or licensee, or other person deemed to be entitled thereto, after deducting any rent or other moneys due to the Crown:

Provided however that in special circumstances the Governor may waive the whole or part of such rent or other moneys;

or

- (c) remit any fines incurred by a lessee or licensee for non-payment of rent or breach or non-observance or non-performance of any covenant or condition.

(3) On receipt of a notification from the Minister that the Governor has waived a forfeiture and reinstated a lease, the Registrar of Titles shall thereupon endorse on the original lease in the Office of Titles a memorandum to that effect together with a note of any terms or conditions relating to such waiver and reinstatement.

[*S. 23 amended by No. 58 of 1950, s. 6; No. 73 of 1977, s. 4.*]

#### **Forfeited land, how dealt with.**

24. (1) The land comprised in leases and licences held under this Act or any Act hereby repealed, except quarry licences, which may become forfeited either by failure of payment of the instalments of rent or purchase money, or by reason of the terms, conditions or restrictions not having been complied with, shall, if not required for any public purpose, and subject as herein provided, be made available, by notice in the *Gazette*, for re-selection.

(2) Should any improvements exist upon the land, their value may be ascertained by the Minister and added to the price, and shall be paid for by the selector as and when the Minister directs.

(3) Provided that if the Minister shall so order, any forfeited land shall revert, together with all improvements thereon, in Her Majesty, her heirs and successors, for her or their former estate therein.

#### **Restriction as to age.**

26. (1) No person under 16 years of age shall be eligible to select, acquire by transfer, or hold land under this Act, except in the case of land disposed of under Part IV.

- (b) require any such applicant or transferee, when he is a minor to prove his actual age; and
- (c) in any case, either under paragraph (a) or paragraph (b), require the applicant or the transferee to verify his proof as to age by a statutory declaration.

[*Subsection (3) repealed by No. 77 of 1982, s. 6.*]

[*S. 29 amended by No. 58 of 1950, s. 8; No. 36 of 1958, s. 2; No. 73 of 1977, s. 6; No. 77 of 1982, s. 6.*]

### **Reserves to be notified in Gazette.**

30. A description of every such reserve, and of the purposes for which it is made, shall be published in the *Gazette*, and all reserves shall be set forth on the authenticated maps of the Department.

### **Classification of reserves.**

31. (1) (a) Whenever the Governor has reserved or may hereafter reserve to Her Majesty any lands of the Crown for any public purpose, the Governor may, by proclamation, and subject to such conditions as may be expressed therein, classify such lands as of Class A, and if so classified, such lands shall forever remain dedicated to the purpose declared in such proclamation, until by an Act of Parliament in which such lands are specified it is otherwise enacted.

(b) Every classification as Class A and declaration of dedication of such land—

made prior to the commencement of the Land Act Amendment Act 1948, by notice of reservation published in the *Gazette*, or by any subsequent notice so published pursuant to the provisions of section 31(1) of the Land Act 1933,

shall, without prejudice to the validity of such classification and declaration of dedication, by force of the Land Act Amendment Act 1948, be regarded as made by proclamation published at the time of the commencement of the Land Act Amendment Act 1948.

(2) Whenever the Governor has reserved or may hereafter reserve to Her Majesty any lands of the Crown and such lands are not classified as of Class A, the Governor may, by proclamation, at any time he thinks fit, classify such lands as of Class B, and if so classified, such lands shall remain reserved from alienation or from being otherwise dealt with unless and until the Governor, by proclamation, cancels such reservation.

Provided that, in such case the Minister shall present a special report to both Houses of Parliament setting forth the reasons for such cancellation, and the purpose to which it is intended to devote the land; and such report shall be made to both Houses of Parliament within 14 days from the cancellation, if Parliament is then in session, and, if not, within 14 days after the commencement of the next session.

(2a) Where before the coming into operation of Part II of the Acts Amendment (Reserves) Act 1982 the Governor purported to classify as of Class B lands reserved to Her Majesty or cancel the reservation from alienation of any lands so classified, such classification or cancellation shall not be questioned by reason only of the form of instrument used.

(3) All other reserves made under this Part shall be classified as of Class C.

(4) Nothing in this section shall prevent the survey and declaration of any necessary roads and streets through or over any reserve; or, in case of any reserve being made before the land is surveyed, shall prevent the amendment of the boundaries and area in such manner as may be found necessary on survey, but so that the total area shall not be reduced by more than one-twentieth part thereof.

(2) When land is reserved pursuant to the provisions of this Act for the purpose of parks or for the recreation or amusement of the inhabitants, if the land is not vested in, granted in fee simple to, or placed under the

control and management of any person, the Governor may, notwithstanding that the land is being used for the purpose for which it is reserved, grant a lease or licence thereof in the prescribed form to any person for a term of one year for the purpose of depasturing stock on the land.

(3) The Governor may from time to time renew the term of any lease or licence granted under subsection (2) for a further period of one year, subject to a condition that any term so extended may be determined by any party to the lease or licence giving to the other party 90 days' notice in writing so determining it.

(4) The Governor may insert in the lease or licence such terms, conditions and limitations as he thinks fit to ensure that the land is, during the currency of the lease or licence, available for the purpose for which it is reserved.

#### PART V—AGRICULTURAL AND GRAZING LAND.

##### *Division (1)—Conditional Purchase.*

#### **Land may be declared open for selection.**

46. (1) The Minister may, by notice in the *Gazette*, declare any Crown land as open for selection under and subject to the provisions of this Part; and may, in like manner, withdraw any such land from being open for selection:

Provided, that in the case of lands which do not exceed 500 acres in extent the applications may be restricted at the discretion of the Minister to persons who are the holders of a leasehold estate in adjoining lands under the provisions of Part V. or an estate in fee simple in such adjoining lands.

In this proviso the term “adjoining lands” includes not only such lands as are actually adjacent to the lands open for selection but land which may be separated therefrom by any public road or way and also land which is so situated in relation to the lands open for selection that the Minister is of opinion that the land and lands open for selection may be conveniently worked as one holding.

(2) An incorporated company is not eligible to select or acquire any lands under this Division.

[S. 46 amended by No. 36 of 1939, s. 3; No. 65 of 1965, s. 3; No. 55 of 1969, s. 6.]

#### **Conditional purchase with residence.**

47. Land declared open for selection under this Part may be disposed of subject to the following conditions:—

- (1) (a) A person shall not be competent to acquire either as lessee or transferee, an area of land exceeding in the aggregate 5 000 acres; but on the recommendation of the Minister and

with the approval of the Governor, it shall be competent for a person to acquire an area of land in one or more parcels exceeding 5 000 acres, but not in any event exceeding 10 000 acres, in any case where the Minister is satisfied that a holding requires an area greater than 5 000 acres in order to be of a standard deemed by the Minister an economic farm unit.

Provided that the Governor may reduce the maximum area that may be acquired in prescribed localities.

- (b) Where land is held in the joint names of two or more persons, each person shall, for the purposes of this subsection be deemed, unless the contrary is expressed, to hold a proportionate part of the acreage of the joint holding in ratio to the number of such persons:

Provided that husband and wife shall not be competent to acquire jointly an area of land in excess of the area that either of them may lawfully acquire:

Provided also, that the wife or husband of any person who acquires land under this Part, shall not be qualified to acquire land thereunder so far as the acreage of their holdings would exceed the maximum area that may be lawfully acquired by either of them.

- (c) Land acquired by any person on conditional purchase under Parts V., VI., or VIII. of the Land Act 1898, and so held at the commencement of this Act shall, for the purpose of computing the area that may be acquired under this Act, be deemed to have been acquired under this Act.
- (2) (a) The price shall be fixed by the Governor, but shall not be less than 20 cents per acre.

In fixing the price consideration shall be given to the quality and productiveness of the land; its distance from a railway, market, or port; the prevalence of indigenous poison plants or the harmful species of wodjil as a dominant growth; and other circumstances.

Such price shall be exclusive of the cost of survey, and the value of improvements, if any: Provided that when the prevalence of indigenous poison plants or any harmful species or wodjil as a dominant growth is taken into consideration in fixing the price of the land, the Crown grant for the land shall not issue until the Minister is satisfied that the same has been eradicated.

- (b) The value of any existing improvements on or affecting any land applied for, or authorized and in course of construction or intended to be constructed, shall be determined by the Minister, and (subject to section 52) the price of the land shall be increased by the value so determined of such improvements, with interest thereon at the prescribed rate, to the intent that the price of the land as increased by the value of such improvements, shall be paid by the selector by half-yearly instalments at such times and in such manner as the price of the land if unimproved would have been payable.
  - (c) If the land was surveyed before selection the prescribed cost of survey shall be deemed an improvement within the meaning of paragraph (b).
- (3) The application shall be in the form of the 7th Schedule.
- (4) On approval of an application a lease in the form of the 8th Schedule shall be issued to the applicant for the term, at the rent, and subject to the conditions hereinafter prescribed, that is to say:—
- (a) The term shall be 25 years from the first day of the quarter next preceding the date of such approval unless extended to not exceeding 30 years under paragraph (b) (ii).
  - (b) The rent shall be fixed at such sum per annum as will, if duly paid during the currency of the lease, amount to the price of the land, and shall be payable by the lessee in equal half-yearly instalments in advance.

Such rent shall not exceed 5 cents per acre per annum: Provided—

- (i) that for each of the first 5 years of the term the rent shall be a sum equal, or as nearly equal as may be practicable, to the interest at the prescribed rate on the cost of survey, and on the value of the improvements, if any, but not less than \$1 per annum; and the annual rent for the remainder of the term shall be proportionately increased;
- (ii) that if the price of the land exceeds \$1 per acre, the Minister may, so far as necessary to reduce the annual rent to 5 cents per acre, extend the term of the lease to not exceeding 30 years;

- (iii) that if the price of the land would not, at the rate of 5 cents per acre per annum, be fully paid within 30 years from the commencement of the lease, the rent payable after the first 5 years of the term shall be increased so far as necessary to provide for the payment of the land within such 30 years;
  - (iv) notwithstanding anything to the contrary contained elsewhere in this proviso, if the annual rent as payable after the first 5 years, when calculated in accordance with this subsection amounts to a sum less than \$2, the amount of annual rent calculated as aforesaid shall be disregarded, and after the first 5 years aforesaid the annual rent payable in respect of the lease shall be \$2 until the price of the land shall, by means of the payment of such annual rent, have been paid in full.
- (c) (i) The lessee shall, within 2 years from the date of the approval of application for the lease, take in his own person possession of the land, and shall reside upon it and make it his usual home without any other habitual residence, during at least 6 months in each year for the following 3 years of the lease, and if possession is not taken as aforesaid the lease shall be forfeited:

Provided that, if the lessee is already the beneficial owner of rural land for an estate of freehold or of land under conditional purchase, or is the holder of a lease of any such lands from the owner, or is the holder of a homestead farm within 50 miles of the land applied for, residence on such freehold, or conditional purchase land or homestead farm shall be sufficient residence under this paragraph:

Provided also that the residence of the wife or a parent of the lessee, or a child of the lessee of the age of over 16 years, or other near relative approved by the Minister, may be accepted in lieu of the personal residence of the lessee:

Provided also that the Minister may grant to the lessee permission to absent himself from his holding for such time as the Minister may think fit, but the Crown grant shall not be issued until the holder has performed in the aggregate the residence conditions required to be performed.

- (ii) The Minister may, notwithstanding the first 5 years of the term have expired, require satisfactory evidence of residence to be adduced by the lessee, and, failing such evidence, may require expenditure on improvements to the extent of not exceeding double the amount which otherwise would have sufficed, before the issue of a Crown grant.
- (iii) Notwithstanding anything contained in this subsection to the contrary, the Governor may prescribe that personal residence by the lessee shall be obligatory.
- (d) If the Minister is satisfied that any land acquired under this section is suitable only for grazing, or more suitable for grazing than cultivation, he may permit residence by the servant or agent of the lessee in lieu of residence as hereinbefore prescribed, but in such case such residence by a servant or agent must be for not less than 9 months in each year of the first 5 years of the term of the lease.
- (e) Where land held jointly by 2 or more lessees is subject to the condition of residence, it shall suffice if, with the Minister's approval, the residence condition is fulfilled by one of the joint lessees.
- (f) The lessee—
  - (i) shall provide an adequate water supply within the first 2 years of the term of the lease, if required by the Minister to do so, but where the lease is issued after the coming into operation of the Land Act Amendment Act (No. 2) 1969 the lessee if required by the Minister to do so shall provide an adequate water supply before a Crown grant is issued to the lessee under subsection (5);
  - (ii) shall effect improvements by way of progressively sowing to pasture or crop, or to both, such that by the end of 2 years from the date of approval of the application for the lease at least 10% of the total area of the land is or has been so sown, by the end of 5 years from that date at least 20% of the total area of the land is or has been so sown, and by the end of 11 years from that date at least 50% of the total area of the land is or has been so sown. Provided that the

Minister in his discretion may vary either or both the percentage or type of improvements required to be effected within any time.

*[Subparagraph (iii) deleted by No. 65 of 1965, s. 4.]*

It shall be obligatory on the part of the lessee to commence within 6 months from the date of approval of the application for the lease and thereafter to continue and maintain the improvements to the satisfaction of the Minister.

If from any cause deemed by the Minister to be sufficient, a lessee has been prevented from improving his land within the time prescribed, the Minister may, with the approval of the Governor, grant an extension of such time, not exceeding 12 months, to complete such improvements.

- (5) At the expiration of the lease, or at any time after 5 years from its commencement, if the conditions in respect of the total period of the lease have been complied with, the fencing of the land has been completed and maintained, the other improvements maintained, and the price of the land fully paid, rent being deemed payments on account of the price, a Crown grant of the land shall be issued to the lessee in the form of the 3rd Schedule on payment of the prescribed fee:

Provided that any portion of the land lawfully resumed prior to the issue of the grant may be excluded therefrom.

### **Conditional purchase without residence.**

**49.** (1) Land may be leased under section 47 without the condition of residence but subject to all other conditions therein prescribed:

Provided that the lessee shall expend on improvements (in addition to an adequate water supply if required by the Minister to provide the same) an amount not exceeding double the amount which, under section 47, a lessee subject to residence conditions is required to expend.

(2) Any lessee of conditional purchase land subject to the condition of residence may, on application to the Minister, and on payment of a fee of \$2, be relieved of the condition of residence provided that in such case the improvements shall be of the value of double the amount of the purchase money.

In the case of a lease acquired on the recommendation of a Land Board, such application may be granted or refused in the discretion of the Minister.

(3) Any lessee of conditional purchase land not subject to the condition of residence, who is prepared to comply with such conditions may, on application to the Minister, and on payment of the fee of \$2, have the conditions of his lease modified accordingly.

*[S. 49 amended by No. 113 of 1965, s. 8.]*

#### **Additional land where lessee has not acquired the maximum area.**

**50.** (1) Any person having obtained land of less extent than may be lawfully acquired under section 47 (1) may make other applications for land under that section, within 20 miles of the land so obtained; but so that his holdings shall not exceed in the whole the maximum quantity that may be lawfully held.

(2) Residence on the additional land shall not be obligatory, but all the other conditions shall apply:

Provided that if two or more leases held by one person adjoin they may be deemed to be one lease in respect to the required fencing.

*[S. 50 amended by No. 58 of 1950, s. 16.]*

#### **Cost of survey of land not surveyed before selection.**

**51.** (1) Every lessee under this Part of land not surveyed before selection shall pay the prescribed cost of survey, with or without interest, by such instalments, at such times, and in such manner, as may be prescribed, and in default the lessee shall be subject to the penalties prescribed by section 139.

Provided that the Minister may refuse to effect the survey of any land unless the lessee pays the cost of survey in advance:

Provided, also, that if a lease is surrendered or forfeited, the cost of the survey, or the unpaid balance thereof, shall if so directed by the Minister, be payable to the Minister forthwith by the person in whom the lease was vested at the date of the surrender or forfeiture.

(2) Where several contiguous holdings are held by the same person, it shall suffice if the external boundaries of the group of holdings are surveyed, and in such case the survey fee may be assessed upon the area comprised in the group of holdings as a whole, unless the Minister, having regard to the relative positions of the holdings, shall otherwise order:

Provided that, if the lessee shall request the issue of a separate Crown grant for any particular holding, being one of a group of contiguous holdings of which only the external boundaries have been surveyed, or if the lessee shall transfer to any other person any particular holding of the kind hereinbefore mentioned, the Minister may, before such Crown grant is issued or such transfer is approved, as the case may be, require the lessee to pay such amount as the Minister may determine for or on account of the cost of any surveys necessary to define the boundaries of the several holdings which comprise the group of contiguous holdings aforesaid.

[S. 51 amended by No. 36 of 1939, s. 6.]

**Selector may be required to accelerate payments for existing improvement made by a prior lessee.**

52. Notwithstanding section 47 (2) (b), where there are existing improvements on land applied for, and such improvements were made by a former lessee whose holdings may have been surrendered or forfeited, and the Governor may, in the exercise of the discretion vested in him by section 23 (2) (b) have directed that the value of such improvements shall be wholly or partially paid to the former lessee or other person deemed to be entitled thereto, the applicant may be required to pay the value of such improvements, to be determined by the Minister at such time and in such manner as the Minister may direct.

**Accelerated completion of conditional purchase.**

53. (1) The Governor may, in the exercise of the power conferred by section 46, declare any Crown land to be open for selection exclusively under the conditions for accelerated payment as provided in this section, and may in like manner withdraw such land or any portion thereof from the availability for selection as aforesaid:

Provided that any land which otherwise would be open for selection under section 47 may be applied for under and subject to the provisions of this section, unless the notice in the *Government Gazette* declaring such land to be open for selection expressly states that such land shall not be open for selection under and subject to the provisions of this section.

(2) In relation to land selected under and subject to the provisions of this section—

- (a) the provisions of section 47 (1) shall apply;
- (b) the land shall not be subject to any condition of residence;
- (c) notwithstanding anything to the contrary contained elsewhere in this Act, the price to be paid for the land shall be fixed by the Governor;
- (d) every application for land shall be made in writing, in accordance with the form prescribed by the regulations;
- (e) when an application for land is approved by the Minister, a licence in accordance with the form prescribed by the regulations shall be issued to the applicant, and shall operate and have effect for 7 years computed from and including the first quarter day next preceding the date of the approval of the application by the Minister;
- (f) when an application for land has been approved by the Minister as aforesaid the deposit which accompanied the application shall be credited to the applicant in part payment of the price payable for the land, and the balance of such price then remaining unpaid shall be paid by the applicant within 12 months after the date upon which the licence issued to the applicant as provided in paragraph (e) commences to operate by means of 4 equal quarterly instalments on 1 January, April, July, and October, the first of such instalments being payable on the first day of the quarter next following the date when the said licence commences to operate as aforesaid: Provided that the applicant shall be at liberty on any quarter day aforesaid to pay the whole of the said balance of purchase price, instead of only one instalment thereof, but shall, notwithstanding such payment, not be entitled to the issue to him of a Crown grant in respect of the land until the Minister is satisfied that the applicant has complied with and fulfilled all the prescribed conditions relating to the land;
- (g) the applicant, as the licensee aforesaid, or the transferee of the licence issued to the applicant, shall, within 3 years from the date when the licence commenced to operate, fence in the whole of the land, and, within 7 years from the said date, in addition to the said fencing expend upon improvements of or on the said land an amount equal to the purchase money, but not exceeding \$2 per acre *pro rata* during each year;

- (h) in addition to the improvements required by paragraph (g) the applicant, as licensee, or the transferee of the licence shall, if so required by the Minister, provide upon the land an adequate water supply within 2 years from the date when the said licence commences to operate;
- (i) if the land to which the licence relates adjoins other lands which are held under this Act or under any Act repealed by this Act, with a right to acquire the freehold thereof by the person who for the time being is the holder of such licence, the land to which the licence relates and the other lands aforesaid shall, for the purpose and in respect of the improvements required under paragraphs (g) and (h) be deemed to be one holding;
- (j) when and as soon as—
  - (i) the full purchase price for the land and the fee for Crown grant has been paid; and
  - (ii) the conditions as to fencing and other improvements, and water supply (if required) have been duly complied with in accordance with this subsection; and
  - (iii) the provisions of sections 51 and 52, in so far as they are applicable, have been duly complied with,

and provided the said fencing and other improvements and the said water supply (if required) have been duly and properly maintained, a Crown grant in respect of the land shall be issued to the person then being the beneficial owner of the licence issued under this subsection in relation to such land, notwithstanding that the said licence may not then have expired:

Provided that, if the said land is a balance of a surveyed location, a portion of which has been granted as a homestead farm or conditional purchase lease to the person who for the time being is the beneficial holder of the licence issued under this section in relation to such first-mentioned land, the Crown grant for such first-mentioned land shall not be issued to such person until all the conditions appertaining to the said homestead farm or conditional purchase lease have been fulfilled.

**Land for vineyards, orchards and gardens.**

54. (1) In exercise of the power conferred by section 46 the Governor may, from time to time, by notice in the *Gazette*, declare any Crown land to be open for selection for vineyards, orchards, and gardens, and may in like manner withdraw such land from being open for selection.

(2) Such land shall be disposed of under and subject to the following conditions:—

- (a) The price of the land shall be fixed by the Governor, but shall not be less than \$1 per acre, payable in 3 years or sooner, as hereinafter prescribed.
- (b) The maximum area held by one person shall be 50 acres, and the minimum except in special cases approved by the Minister, shall be 5 acres: Provided that the area of any land held by the selector, under section 60 of the Land Act 1898, shall, in calculating the total area held by such selector, be deemed to be held under this section.
- (c) The application shall be in the form or to the effect of the 10th Schedule.
- (d) On approval of the application by the Minister, a licence, in the form of the 11th Schedule, shall be issued for 3 years, to date from the first day of the quarter next preceding the date of the approval of the application, and the amount of the deposit paid with the application shall be credited to the licensee in payment of the first half-yearly instalment of the purchase price payable for the said land.
- (e) Subject to paragraph (d), the balance of purchase money shall be paid within 3 years from the date of the commencement of the licence by equal half-yearly instalments on 1 March and 1 September: Provided that the balance of the purchase money may be paid at an earlier date should the selector so desire, but no Crown grant shall issue until the Minister is satisfied that the prescribed conditions have been fulfilled.
- (f) The licensee shall, during the term of the licence, fence in the whole of the land, and shall plant at least one-tenth of the area with vines or fruit trees, or otherwise cultivate it *bona fide* as a vegetable garden: Provided that the term may be extended under and subject to the last paragraph of section 47 (4) (f), which shall apply.
- (g) At the expiration of the licence, or at any time during the continuance of the licence, provided that all the conditions of fencing and cultivation have been complied with, and the said

fencing and cultivation maintained, and also that the full purchase money and prescribed fee have been paid, a Crown grant of the land shall issue.

- (h) Any person having obtained land under this section of less extent than 50 acres may make other applications for land under this section, but so that his holdings shall not exceed in the whole the maximum quantity of 50 acres: Provided that, if 2 or more licences held by one person adjoin, they may be deemed to be one licence in respect of the required fencing and cultivation.

[*Ss. 55 and 56 repealed by No. 60 of 1963, s. 5.*]

#### **Discount for payment of purchase money in advance.**

57. If a lessee under sections 47 or 49 shall pay the balance of the price of the land in advance of the half-yearly instalments, he shall be allowed such rebate as shall reduce the amount paid to a sum equal to the present value of the instalments of purchase money to fall due under the lease, calculated actuarially on a 5% basis. Provided that no such rebate shall be allowed in respect of a lease approval for a term commencing on or after 1 January 1951.

[*S. 57 amended by No. 58 of 1950, s. 17.*]

#### **Portion of improvements may be dispensed with in certain cases.**

58. In the case of any conditional purchase lease held under this Part, or under any Act hereby repealed, if the price of the land has been paid, the land fenced as prescribed, and the Minister is satisfied that from the nature or situation of the land or composition of the soil its cultivation or further improvement would be out of proportion to the probable returns, or otherwise impracticable, and not likely to result in any profitable return, the Governor may discharge the lessee from the obligation to make further improvements.

#### **Exemption from fencing in certain cases.**

59. (1) The Minister may, on the application of any holder of land under this Part, grant an exemption from fencing any part of the land so held which has frontage to a permanent river, creek, or other natural feature considered by the Minister to be sufficient to serve the purpose of a fence, and may grant such holder permission to extend the fences across

any land intervening between his land and the said natural feature. The fence shall in all other cases be erected on the surveyed boundary lines, or in special cases as near thereto as approved by the Minister, and shall be of the prescribed description.

(2) The Minister may permit any lessee to substitute in lieu of fencing any other prescribed improvement of equal value.

### **Subdivision of holdings.**

**60.** (1) With the approval of the Minister, any holding under this Part, may, under special circumstances, be subdivided on such terms as to adjustment of rent, or otherwise, as the Minister may determine, and upon payment of the prescribed fees and cost of survey: Provided that the area of any subdivision shall not be less than the prescribed minimum.

(2) Upon the subdivision of land comprised in any lease, the original lease shall be surrendered and new leases shall be issued in lieu thereof in the name of the original lessee, or of any person claiming under the original lessee, as the case may require, for the unexpired term of the original lease at the time of the surrender thereof as aforesaid.

[S. 60 amended by No. 36 of 1939, s. 9.]

### **Special improvement conditions.**

**61.** Notwithstanding anything contained in this Act to the contrary, where any Crown land open for selection is situated within a distance prescribed by regulations from a railway, or the line of an authorized railway, the Minister may prescribe by regulations special conditions as to improvements in substitution for or in addition to the conditions prescribed by this Act, but the holder of such land shall not be required to carry out any improvements that exceed in cost the amount that The Rural and Industries Bank of Western Australia is prepared to lend to such holder.

### **Inclusion of closed roads in adjoining land held under conditional purchase lease.**

**62.** (1) Subject to the provisions of Part VIIA, when after the granting of any conditional purchase lease any road running through or across or abutting on any portion of the land comprised therein has been closed, the Minister may, by an order under his hand, direct that such road shall be included in the land comprised in the lease.

(2) Every such order shall have effect according to its tenor, and every alteration and entry or memorial necessary to give effect to any such order shall be made in and on the lease instrument in the Office of Titles or the Department, free of charge.

[S. 62 amended by No. 41 of 1962, s. 4; No. 79 of 1982, s. 26.]

### **Devisees, etc.**

**63.** Whenever any person acquires land held on conditional purchase lease or licence under this Part as the devisee or next-of-kin of a deceased lessee or licensee, it shall not be obligatory upon such person during the 2 years next following the death of the deceased, to comply with the residential conditions to which such land may be subject, and such land so acquired may be held by the devisee or next-of-kin, during such period, notwithstanding that the land so acquired may, together with the land previously held by him, exceed the maximum area a person may lawfully hold under this Act.

### **Price may be reduced and rent may be deferred.**

**63A.** In respect of any conditional purchase lease granted under Parts V or VI of the Land Act 1898, or granted before or after the commencement of this section under Part V. of the principal Act—

- (a) if it is proved to the satisfaction of the Governor, after due regard has been given to the quality, productiveness, distance from railway, market, or port, or any other circumstances connected with the land the subject of the lease, that the price reserved by the lease is excessive, or if it is proved that the land is infested with indigenous poison plants or the harmful species of wodjil as a dominating growth, the Governor may at his discretion reduce the price of such land to not less than 20 cents per acre, exclusive of the value of improvements (if any) and survey fees:

Provided that, on any such reduction being made, the lessee shall not receive a refund of rent, if any, already paid prior to the date of such reduction, nor shall the liability of the lessee for payment to that date of the rent, if any, reserved by the lease be affected, but any credit in favour of the lessee which shall result by any such reduction shall be placed to the lessee's credit without affecting, however, his liability to continue the payment of the annual rent at the reduced rate per acre until the purchase price adjusted as aforesaid and reduced by the amount so placed to his credit is fully paid.

Provided, further, that the grant in fee simple of land the rental of which has been reduced on the ground that such land is infested with indigenous poison plants shall not be approved until such poison plants are eradicated to the satisfaction of the Minister.

- (b) The Minister may defer payment of rent reserved by the lease for any period not exceeding 10 years, and may—
- (i) direct that the amount payable as annual rent under the terms of the lease shall be increased for the balance of the existing term of the lease to the intent that payment of the full price for the land shall be made within the term of the lease; or
  - (ii) direct that the term of the lease shall be extended for a like period to that for which the payment of rent is deferred and that the annual rental shall be proportionately increased to the intent that the payment of the full price for the land shall be made within the extended term of the lease.

The Minister shall notify the Registrar of Titles of any alteration of rental and/or extension of term made under the provisions of this section in respect of any lease registered as a Crown lease under the provisions of the Transfer of Land Act 1893, and its amendments, and the Registrar shall indorse the original and duplicate lease accordingly.

[S. 63A inserted by No. 47 of 1934, s. 7. Amended by No. 36 of 1939, s. 10; No. 58 of 1950, s. 18; No. 113 of 1965, s. 8.]

**When a lease has already expired Minister may grant extension of time to pay balance of rent.**

**63B.** (1) The Minister may grant an extension of the term of any conditional purchase lease granted under the provisions of Part V. or Part VI. of the Land Act 1898, which has expired or shall have expired at the time of the granting of such extension, where the full purchase price has not been paid at such date of expiry.

(2) Any such extension shall be for a period not exceeding 10 years from the date of the expiration of the lease, and during that period the lessee shall make payment of the balance of the purchase price.

(3) The annual rental payable for the period of such extension shall be that amount which represents the total balance of purchase money remaining owing divided by the number of years of such extended period. Such annual rental shall be payable by equal instalments half-yearly in advance, on or before 1 March and 1 September in every year, and the

first of such instalments shall be deemed to become due on the next half-yearly day following the date on which the term had expired. Failure to pay the said rental on the due dates shall render the lessee liable to the prescribed fines and penalties and the lease liable to forfeiture.

(4) Subject to the provisions of this section, the extension of the term of any lease under this section shall not be deemed a waiver of the right of the Crown or the Minister to enforce the observance of any covenant, condition, or regulation under which the lease is held, or the forfeiture thereof, for a breach of any covenant, condition, or regulation committed before or after the granting of such extension of term.

(5) In regard to any such lease which is registered as a Crown lease under the provisions of the Transfer of Land Act 1893, and its amendments, the Minister shall notify the Registrar of any such extension and of the annual rent payable during the period of such extension. The Registrar shall thereupon indorse the original lease and the duplicate lease accordingly, and such lease shall, by force of this Act, be deemed to have been extended, subject to any alteration as regards the rental, as though the term had continued uninterruptedly, and all encumbrances registered against such lease shall, by force of this Act, have effect against the lease with such extended term.

#### *Division (2)—Free Homestead Farms.*

#### **Lands open for selection.**

64. (1) In any notice in the *Gazette* under section 46, the Governor may direct that the selector of the whole of the land specified in the notice may, subject to this Act, apply for a portion thereof as a homestead farm, and may in like manner withdraw the direction: Provided that the area of the homestead farm shall not exceed 160 acres or one-tenth of the total area selected, whichever area is the less.

(2) From and after the commencement of the Land Act Amendment Act 1950, a homestead farm shall not be granted to any person except a selector who applies therefor under the provisions of the last preceding subsection.

[S. 64 substituted by No. 58 of 1950, s. 19.]

#### **Application for homestead farm.**

65. (1) Every person not being already the holder of a homestead farm or of more than 100 acres of land for an estate in fee simple or under conditional purchase lease, and being the head of a family or a male who has attained the age of 16 years may, upon selection of land in respect of

which the Governor has given the direction referred to in section 64, apply to the Minister for a grant of a homestead farm for the portion of the land so selected.

(2) Where the Minister approves of the application for a homestead farm, the selector shall take the balance of the land selected by him under conditional purchase lease.

[*S. 65 substituted by No. 58 of 1950, s. 20.*]

### **Occupation certificate.**

**66.** (1) The application for a homestead farm shall be in the form or to the effect of the 12th Schedule, and every applicant shall make a statutory declaration, in the form or to the effect of the 13th Schedule, and upon leaving with or forwarding to the Minister or his agent such declaration and on payment of an office fee of \$2, such person shall, if his application is approved by the Minister, receive an occupation certificate in the form or to the effect of the 14th Schedule.

(2) Such certificate shall, subject to the provisions of this Act, authorize the person obtaining it (hereinafter referred to as the selector) to enter upon and take possession of the land described therein, and to hold possession of, occupy, and improve such land to the exclusion of any other person for the term of 7 years to be computed from the first day of the quarter next preceding the date of approval of his application.

Provided, however, that where the area of a homestead farm constitutes portion of a surveyed location and the selector of the homestead farm is the holder of a conditional purchase lease of the balance of such surveyed location, then the occupation certificate shall have the same currency and term as the conditional purchase lease.

(3) The title to the land shall remain in the Crown until the issue of the Crown grant therefor, and neither the land nor the interest of the selector therein shall be liable to be taken in execution or be subject to the provisions of section 22 relating to insolvency during continuation of the occupation certificate.

Provided that, if the Crown grant of the homestead farm be not obtained by the selector within 7 years from the commencement of the term of the occupation certificate, then the protection conferred by this subsection on the selector shall cease to have effect.

[*S. 66 amended by No. 47 of 1934, s. 9; No. 113 of 1965, s. 8.*]

**Conditions as to taking possession and residence.**

67. (1) Every such selector shall, within 6 months from the date of the commencement of the term of his occupation certificate, take, in his own person, possession of the land, and shall, subject to the provisions of this Act, reside upon it and make it his usual home, without any other habitual residence, during at least 6 months in each year for the first 5 years of the term of his certificate.

(2) If possession is not taken as aforesaid, the occupation certificate shall be cancelled, and the land shall be forfeited with any improvements thereon:

Provided also that the residence of the wife or a parent of the selector, or a child of the selector of the age of over 16 years, or other near relative approved by the Minister, may be accepted in lieu of the personal residence of the selector.

(3) The Governor may in special cases grant exemption from residence on condition of the selector effecting improvements to the satisfaction of the Minister to double the value of the improvement hereinafter required.

(4) The Minister may accept as a performance of the residence condition residence by the selector on any land held by him in fee simple or under conditional purchase lease within 20 miles of his homestead farm.

**In case of illness and other valid reason absence allowed.**

68. If the selector proves to the satisfaction of the Minister that he has been or is prevented by illness or some other valid reason from complying with the next preceding section, the Minister may, by writing under his hand, waive any forfeiture thereby incurred, or may grant the selector permission to absent himself from his homestead farm for such period and subject to such conditions of improvement as he may think fit, and, during the time mentioned in the permission the selector shall be deemed to be residing on his homestead farm.

**Improvements before issue of Crown grant.**

69. (1) The selector shall—

- (a) within 2 years from the date of his occupation certificate, expend a sum equal to not less than 40 cents per acre of the total area of his homestead farm; and
- (b) within 5 years from the same date, expend a sum equal, with the expenditure under paragraph (a), to not less than \$1 per acre on the total area of his homestead farm; and

- (c) within 7 years from the same date, expend a sum equal, with the expenditure under paragraphs (a) and (b), to not less than \$1.40 per acre on the total area of his homestead farm,

in the erection of a habitable house and other prescribed improvements.

(2) The selector shall fence in at least one-half of the land during the first 5 years of the term and the whole thereof during the remainder of the term:

Provided that where a sheep-proof and cattle-proof exterior fence is erected, half the value of such fence shall be deemed to be part of the improvements required after the 4th year:

Provided also that where the lessee erects a rabbit or dog-proof exterior fence, capable of resisting great and small stock, the Minister may allow two-thirds of the value of such exterior fence to be part of the improvements:

Provided further that if the selector holds any land under conditional purchase lease adjoining his homestead farm, the several holdings may be deemed to be one holding in respect of the required fencing and other improvements, but the value of such improvements on the whole area shall not be less than required in respect of both holdings.

(3) In special cases, when the Minister is satisfied that from the nature or situation of the land or the composition of the soil, its cultivation or further improvement would be out of proportion to the probable returns, or otherwise impracticable, and not likely to result in profitable returns, the Governor may accept such lesser value of improvements as he may deem reasonable in any particular case.

[S. 69 amended by No. 113 of 1965, s. 8.]

### **Forfeiture for non-compliance with conditions.**

**70.** If the selector fails or neglects to comply with, perform, or fulfil all or any of the conditions mentioned in the next preceding section, the homestead farm shall be forfeited, together with all improvements thereon; and the selector shall not be eligible to obtain another homestead farm, except in special cases in the discretion of the Minister.

### **Certain assignments before issue of Crown grants void.**

**71.** The selector may, with the approval in writing of the Minister, transfer his homestead farm to any person duly qualified to hold a homestead farm, or mortgage or encumber his interest therein to any person, but, save as aforesaid, every assignment, transfer, or mortgage of,

and every agreement to assign, transfer or mortgage any homestead farm or any part thereof or any interest therein made or entered into before the issue of the Crown grant shall be null and void, and the person so assigning, transferring, mortgaging, or making an agreement to assign, transfer, or mortgage, shall forfeit his homestead farm, and all his interest therein to the Crown, and shall not be permitted to make another application for a homestead farm.

**When and on what conditions a Crown grant shall issue.**

72. At the expiration of 7 years from the date of his occupation certificate, or at any earlier time after the expiration of 5 years from such date, the selector (or in case of his death, his legal representative), upon proving to the satisfaction of the Minister that the residence and other conditions applicable to the homestead farm have been duly performed, and that the fencing and improvements have been duly effected, shall be entitled to a Crown grant upon payment of the prescribed fee.

**Crown grants may be obtained after 12 months' residence on certain conditions.**

73. Every selector who proves to the satisfaction of the Minister that he has resided on his homestead farm for 12 months from the date of his taking possession, and that he has made all the improvements required to entitle him to a Crown grant may at any time before the expiration of the 7 years mentioned in the last preceding section, obtain a Crown grant by paying, in addition to the cost of survey and improvements, 50 cents an acre for the land comprised in such farm, together with the prescribed grant fee.

*[S. 73 amended by No. 113 of 1965, s. 8.]*

**Applicant for homestead farm may apply for C.P. land.**

74. The applicant for a homestead farm may at the time of making his application, or at any time thereafter, apply under Part V, for such land as he may require in addition to his homestead farm, and in the event of his applying for land subject to residence as a condition, residence upon the homestead farm, if within 20 miles of the land applied for, shall be a sufficient compliance with the residence conditions for all purposes.

**Improvements on land applied for under this Division to be paid for.**

75. The fair value of any improvements existing on or affecting any land applied for under this Division, at the time when the application is made, or authorized and in course of construction by the Department, or intended to be so constructed, shall be determined by the Minister, and

the value of such improvements, with interest thereon at the rate of 5% per annum shall be paid by the selector in half-yearly instalments extending over not exceeding 7 years.

[S. 75 amended by No. 65 of 1965, s. 7.]

### **Power to cancel abandoned applications for homestead farms.**

76. If at any time after the approval of an application for a homestead farm it appears to the Minister that the applicant has abandoned the holding, the Minister may by notice in writing, require the applicant to show cause why the application, and the occupation certificate, if issued, should not be cancelled; and unless within 21 days after the service of such notice or such further time as may be stated therein, the applicant shows cause to the contrary, the Minister may, by notice in the *Gazette*, cancel the application and the occupation certificate, if issued, and thereupon all the interest of the applicant, and any person claiming under him, in the holding, shall cease and determine.

### **Area of free homestead farms granted under a scheme of group settlement may be increased.**

77. Where lands have, prior to the commencement of this Act been disposed of or are hereafter disposed of as free homestead farms under any scheme of group settlement, the Governor may, on the recommendation of the Minister, in respect of free homestead farms granted prior to the commencement of this Act, increase the area thereof by including therein such further area of land as the Minister may approve, and in respect of applications made after the commencement of this Act, grant free homestead farms having an area of such acreage in excess of 160 acres as the Minister may approve.

This section applies to all Crown land, including land acquired under the Agricultural Lands Purchase Act 1909<sup>i</sup>, or under Part VIII. of this Act.

(2) Before any land is so declared open for selection, it shall be surveyed under the direction of the Minister, and divided into lots, each not exceeding half an acre in area within any goldfield, or 5 acres in area elsewhere, with proper roads and reserves for public purposes, and such lots shall be marked on the ground:

Provided that any town or suburban lands set apart and surveyed as aforesaid, but not selected as working men's blocks, may be disposed of for other purposes under this Act at the discretion of the Minister.

**In certain cases leases may be transferred or mortgaged with Minister's approval.**

83. Provided also that the Minister may, at any time before granting a lease of or otherwise alienating any block, alter, extend, or adjust such boundary lines in any way that he may think fit.

**88.** Land may be disposed of under Divisions (1) and (2) of this Part of this Act, without such land being declared open for selection, to applicants approved by the Minister under any scheme for group settlement.

Where land is disposed of under Division (2) of this Part pursuant to this section, or has been disposed of as free homestead farms under section 5 of the Land Act Amendment Act 1922, the Governor may, on the recommendation of the Minister in every case, in respect of free homestead farms granted prior to the commencement of this Act, increase the area thereof by including therein such further area of land as the Minister may approve, and in respect of applications made after the commencement of this Act, grant free homestead farms having an area of such amount in excess of 160 acres as the Minister may approve.

### **Special settlement.**

**89.** The Minister may, with the approval of the Governor, enter into an agreement with any body of persons incorporated under the Associations Incorporation Act 1895, or other corporate body, whereby Crown land (including land acquired under Part VIII) may be appropriated to the purposes of the development of such land under a scheme for the training of youths, and their settlement upon such lands, and the acquisition of holdings under the provisions of this Act, as modified by such regulations that may be expedient to give effect to this section.

(2) Such lands so defined and set apart may, but without being declared open, be disposed of under such of the provisions of Divisions (1) and (2) of this Part (Part V) or of Part VIII as shall be applicable to applicants approved by the Minister and who—

- (a) already hold adjacent land which is deemed by the Minister to be insufficient in area or quality to provide a reasonable living, or
- (b) already hold or have held land in some other locality which has been found difficult or uneconomic to work, whether through its situation, area, quality, rainfall, or otherwise, and who are desirous of acquiring land in a farm reconstruction area, and who, in the opinion of the Minister should accordingly be granted land in such an area.

[S. 89B inserted by No. 53 of 1948, s. 7.]

### **Disposal of war service land no longer required for the purpose.**

**89C.** (1) Where land acquired by the State for the purposes of the War Service Land Settlement Agreement Act 1945, is, in the opinion of the Governor, no longer required for the purposes of that Act and the Commonwealth agrees to the disposal of the land under this section, the Governor may unless the land remains in a certificate of title registered under the operation of the Transfer of Land Act 1893 in the name of Her Majesty, authorize the issue of a Crown Grant in the name of the Minister for Lands for an estate in fee simple of the land.

(2) The Minister may sell the land whether such land be the subject of a certificate of title or of a Crown grant referred to in the last preceding subsection, by public auction, public tender or private treaty, subject to

#### PART VI—PASTORAL LEASES.

##### **Interpretation.**

##### **Pastoral leases may be granted.**

**90.** Any Crown lands within the State which are not withdrawn from selection for pastoral purposes, and which are not required to be reserved, may be leased for pastoral purposes at the rent, and subject to the conditions hereinafter prescribed.

##### **Application.**

**91.** (1) Every application for a lease shall be made in the form of the 18th Schedule, and be accompanied by a deposit of an amount equal to the first instalment of the rent payable under section 98.

(2) On approval of an application a lease shall, subject to subsection (3), be issued in the form of the 19th Schedule.

(3) An application for a lease made by a body corporate shall not be approved except on the recommendation of the Minister, and any lease issued on the approval of such an application shall be issued subject to such additional terms, conditions and restrictions as are determined by the Minister and set forth in the lease.

[S. 91 amended by No. 29 of 1969, s. 3.]

**Position and boundaries of leases.**

97. (1) The position of pastoral leases and the arrangement of boundary lines shall be subject to the approval of the Minister; and any description furnished by an applicant shall be full and particular, and shall refer to some fixed point or object which can be recognized by the Department.

(2) The Minister shall not be responsible for any errors in descriptions so furnished; but any erroneous description may be rectified, if practicable, on an approved application, in such a manner as not to disturb the boundaries of any lease previously granted.

(3) Subject to the boundaries of any lease previously granted, the boundaries or position of any lease may be amended at the lessee's request, irrespective of any error, on payment of the prescribed fee.

(4) If on an application to rectify or alter the boundaries of a lease it is impracticable to do so in such manner as not to disturb the boundaries of another lease, and improvements were made by the applicant or his predecessor in title on land comprised in such other lease in the belief that such land was within the boundaries of the applicant's lease, the Minister may adjust the boundaries of the leases so as to exclude the land on which such improvements were made from the lease thereof and include such land in the applicant's lease, unless the lessee is willing and agrees to pay to the applicant the value of such improvements to be ascertained, if not agreed upon, in the manner prescribed by section 111<sup>k</sup> which *mutatis mutandis* shall apply.

(5) When any reserve, road, or stock route comprising land within or adjoining the boundaries of a pastoral lease is—

- (i) found on survey or otherwise to be incorrectly shown in the plan on the pastoral lease in relation to the boundaries of any such land; or
- (ii) cancelled or closed, as the case may be, as regards such land or the position thereof is altered in such a way as to affect the boundaries of the pastoral lease the Minister may direct—

in case (i) that the said plan be corrected;

in case (ii) that the said lands be added to the area of the pastoral lease or that the boundaries be amended to conform to such alteration in position and that the rent be adjusted accordingly.

(6) The Minister shall give notice to the Registrar of Titles of any amendment made under this section to the boundaries (and area and rental, if altered) of a Crown lease registered under the Transfer of Land Act 1893, and its amendments, and such notice shall be accompanied by a plan, certified by the Surveyor General, showing the original and amended boundaries, and the Registrar, on receipt of such notice and plan, shall amend the original and duplicate lease in accordance therewith.

(7) If any pastoral lease amended under this section is subject to any encumbrance, then, by force of this Act, such encumbrance shall be deemed to attach to the land included in the boundaries of the pastoral lease as amended as if such land had been the subject of the lease at the date of such encumbrance.

[S. 97 amended by No. 47 of 1934, s. 10.]

### **Term and rent.**

(3) The advice tendered to the Minister by the Board, in accordance with subsection (1), shall be based on the pastoral capabilities of the land, its distance from a port or railway, or other circumstances affecting its value for pastoral purposes.

(3a) In respect of any pastoral lease granted in any Division, not being a lease that is due to expire on 31 December 1982, the rent payable shall on 1 July in the year 1984, and again on 1 July in each of the years 1991, 1998, 2005 and 2012, be subject to re-assessment as on and from each of those dates respectively by the Minister on the advice of the Board.

(3b) In respect of any pastoral lease granted in any Division, not being a lease that is due to expire on 31 December 1982, the lessee may, at any time not less than 2 years nor more than 3 years after the date on which a re-assessment of the rent in respect of that lease pursuant to subsection (3a) became effective, apply to the Minister to have that rent reviewed by the Board, and thereupon the Minister shall direct the Board to hear the application.

(3c) The Board shall fix a time and place for the hearing of an application under subsection (3b) and cause notice in writing thereof to be given to the applicant lessee, and the Board may upon such hearing maintain or vary the assessment the subject of the review and fix the rent in respect of the lease accordingly, and thereupon shall cause written notice of its decision to be given to the applicant lessee.

(8a) Where, at the direction of the Minister under section 103, a lessee is required to reduce the number of stock depastured on the land comprised in a pastoral lease, the lessee shall be entitled to pay a reduced rent in accordance with the reduced number of stock proportionate to the carrying capacity of the land as assessed for rental purposes.

(9) (a) After the coming into operation of the Land Act Amendment Act 1963, a pastoral lease shall not be granted unless the Board is of opinion that the land comprised in the lease will be capable when fully developed of carrying such number of sheep or cattle as to enable it to be worked as an economically viable pastoral unit; but this subsection does not apply to a new lease applied for under the provisions of section 114.

(b) Notwithstanding the provisions of paragraph (a), but subject to the provisions of section 113, a pastoral lease of land that in the opinion of the Board will not be capable when fully developed of carrying stock to the numbers referred to in that paragraph may be granted to the lessee of any land that is in the same locality as that land.

land, and upon the application being approved the provisions of section 114 (2) shall apply to that new lease as if it were a new lease granted under the provisions of that section.

(b) When the rent payable in respect of the contiguous land referred to in paragraph (a) has been assessed in accordance with the provisions of this Part, the rent payable in respect of the land the subject of the new lease shall be adjusted so that such rent is the aggregate of the sum payable for rent under the pastoral lease in lieu whereof a new lease has been granted and the sum payable in respect of the contiguous land.

(11) (a) At any time during the year 1995 a lessee of a pastoral lease may apply in writing to the Minister requesting to be informed as to whether the Minister will upon the expiration of the pastoral lease extend that lease or grant to the lessee a new lease of the whole or part of the land the subject of that lease and if so, at what rent and upon what other terms and conditions not inconsistent with this Act.

(b) On receipt of an application pursuant to paragraph (a) the Minister shall consider and determine the matters referred to in that paragraph and shall give to the lessee notice in writing of his decision not later than 31 December 1997.

(2) The Minister shall thereupon direct the Board to hear and dispose of such application. Notice of the time and place of the hearing shall be given by the Board to the applicant; and after having heard the applicant or his agent and considered any evidence adduced, or if the applicant does not attend the hearing himself or by his agent, the Board may either maintain or vary the rent as so determined.

(2) The provisions of subsection (1) apply only to pastoral leases that are due to expire on 31 December 1982.

(3) (a) Subject to paragraph (aa), every lessee of a pastoral lease, not being a pastoral lease to which subsection (1) applies, within 12 months after the commencement of his lease, or, in the case of a lease in existence at the date of coming into operation of section 5 of the Land Act Amendment Act 1971, within 12 months after that date, and at the end of each period of 5 years thereafter, shall furnish to the Board a return setting forth the improvements that have been effected on the land subject of his lease and containing a plan showing in respect of the next succeeding 5 years of the lease, particulars of the improvements that the lessee proposes to effect on any portion of that land and the proposed situation on those portions of that land of those improvements, and shall in the plan provide for the reasonable development of those portions of that land which, in the estimation of the Board, are capable of being developed for or in connection with pastoral purposes in accordance with the plan during that 5 years.

(3) (a) Every pastoral lease is liable to forfeiture if the land the subject of that lease is not stocked or kept stocked with such number of sheep or cattle, or both sheep and cattle, as the Board in its opinion, on a fair and reasonable assessment of the capacity of that land for the carrying of stock, having regard to all the circumstances including the seasonal climatic conditions affecting the land and the period of time that has elapsed since the commencement of the lease, considers to be a number sufficient for stocking and keeping stocked that land; but no pastoral lease shall be forfeited under this section until such notice has been given to the lessee as the Minister considers reasonable in the circumstances of the case.

(b) Where the number of sheep or cattle, or both sheep and cattle, being depastured upon the land the subject of a pastoral lease exceeds the number that the Board considers that land is reasonably capable of carrying, to an extent that is likely in the opinion of that Board to adversely affect the capacity of that land for the carrying of stock, the Minister may by notice in writing—

- (i) prohibit the lessee from increasing the number of stock then so depastured; or
- (ii) require the lessee to reduce the stock so depastured to either or both a number or kind to be specified in the notice within a time to be so specified; or
- (iii) require the lessee to provide and maintain suitable fencing for the prevention or control of grazing on any area which is portion of the lease and which, in the opinion of the Board has been adversely affected by excessive numbers of stock being depastured thereon,

and the Minister may by such notice also require the lessee to comply with such other requirements in respect to the stocking of the land as on the recommendation of the Board the Minister may think necessary or advisable and specifies in the notice.

(4) A lessee of a pastoral lease—

- (a) shall furnish to the Board annually not later than 31 December a return in the prescribed form setting forth the respective numbers of sheep, cattle and horses with which the land the subject of his lease was stocked on the next preceding 30 June;
- (b) shall not cause or permit stock to be agisted on any part of the land the subject of his lease unless he first obtains the permission in writing of the Minister on the recommendation of the Board to such agistment;
- (c) shall at all times during the term of his lease use, manage and work the land the subject of his lease as a pastoral property in a proper and husbandlike manner and according to the most sound and approved methods of pastoral husbandry in relation to sheep and cattle and to the management, conservation and regeneration of pasture for pastoral purposes that prevail in the district wherein the land is situated to the intent that the land is utilized to the best advantage as a pastoral property.

(5) Any pastoral lease is liable to forfeiture if the lessee permits or suffers all or part of the land the subject of that lease to deteriorate to such extent as to necessitate in the opinion of the Minister a lengthy

period of protection from the grazing thereon of stock in order to effect regeneration of pasture, or to be utilized in such manner that the land is likely in the opinion of the Minister to deteriorate to that extent if depasturing of stock is continued thereon.

[S. 103 amended by No. 60 of 1963, s. 16; No. 97 of 1980, s. 13; No. 94 of 1982, s. 7.]

### **Pastoral lessees have no right to soil or timber.**

**105.** (1) Subject to subsection (2) a pastoral lease shall give no right to the soil, or to the timber, except as may be required for domestic purposes, for the construction of airstrips, roads, buildings, fences, stock-yards, or other improvements on the lands so occupied.

(2) The Minister may on the recommendation of the Board, and upon such terms and conditions as he considers appropriate, approve of the sowing and cultivation by a lessee of non-indigenous pasture species for the purpose of enhancing the stock carrying capability of the lease or for such other purposes as are approved by the Minister.

(3) Any cultivation of non-indigenous pasture species carried out in accordance with subsection (2) shall not be taken into account in determining whether or not compensation is payable, or the amount of compensation payable, upon any resumption or pursuant to section 110.

### **Permission for clearing and penalty for un-authorized clearing.**

**107.** (1) A pastoral lessee desiring to remove or destroy scrub or other vegetation on the land the subject of his lease for the purpose of promoting growth of indigenous pasture species or for otherwise improving or facilitating the working of his lease shall first obtain permission to do so from the Minister, and in his application shall describe the boundaries and area of the land upon which he proposes to remove or destroy scrub or other vegetation and the Minister may refuse or grant permission for the same on the recommendation of the Board or after such inquiry and upon such conditions as to him may seem necessary.

(2) Any lessee who, without such permission, removes or destroys scrub or other vegetation on the land the subject of his lease, or causes or knowingly permits or suffers the same to be done, shall render his lease liable to forfeiture.

### **Maximum area.**

**113.** (1) The maximum area held under pastoral lease by one person, or by 2 or more persons jointly, or by any association of persons incorporated or unincorporated, shall not exceed 500 000 hectares; and the Governor may, in specified districts or localities, fix the maximum area to be held as aforesaid at less than 500 000 hectares.

(2) No person shall become beneficially interested in any lease of pastoral land to an extent whereby the aggregate area of pastoral land in which such person is beneficially interested would exceed 500 000 hectares.

(2a) Notwithstanding anything to the contrary contained in subsection (1) or subsection (2), no person shall at the same time hold a lease of pastoral land as lessee or sublessee or transferee from the lessee, and also be beneficially interested (other than as lessee, or sublessee, or transferee from the lessee) in a lease of pastoral land in excess of a maximum aggregate area of 500 000 hectares.

(3) If any person acquires or becomes beneficially interested in a lease of pastoral land whereby the aggregate area of the pastoral land which he has acquired, or the aggregate area of the pastoral land in which he is beneficially interested, or the total of the aggregate area of the pastoral land which he has acquired and of the aggregate area of pastoral land in which he is beneficially interested when added together, as the case may be, exceeds 500 000 hectares, whether such person acquired the lease of, or became beneficially interested in the lease of any of such pastoral land before or after the commencement of this Act, and such person continues to hold or to be beneficially interested, either one or the other or both, in pastoral land in excess of such 500 000 hectares, he shall forfeit and pay to the Crown a sum of \$100 for every day or part of a day during which he so continues to hold or be beneficially interested in such pastoral land.

(4) If any lease holder is also beneficially interested in an area of pastoral land so that the area of his leasehold and the area of the pastoral land in which he is beneficially interested as aforesaid taken together exceed 500 000 hectares contrary to subsection (2a), or if the leasehold of a leaseholder is worked in association with other holdings so that the area of the leasehold and the area of such other holdings taken together exceed

500 000 hectares, both the lease which he holds as leaseholder and the lease or leases in which he is beneficially interested shall be liable to forfeiture.

(5) If any area of pastoral land is worked in association with another area of pastoral land in all respects as one separate and distinct station, and the total of such areas so worked in association exceeds 500 000 hectares, every person who is the holder of or has any beneficial interest in either of the areas of pastoral land aforesaid shall forfeit and pay to the Crown the sum of \$100 for every day or part of a day during which such working of the said areas continues.

(6) Any person being the lessee of or having any share or interest in pastoral land may be required by the Minister at any time to make a statutory declaration that his beneficial interest in pastoral land does not exceed the maximum area that he may lawfully hold or acquire.

In the case of an incorporated company, such declaration may be made by any director or the secretary or attorney of such company.

If any person refuses or, after the expiration of one month from being so required, neglects to make such declaration, such person shall be guilty of an offence.

Penalty—\$1 000.

(7) No person shall be registered in the Office of Titles or in the Department as transferee or sublessee of any pastoral land if the area thereof when added to the area of any other pastoral land which such person already holds and to the area of any other pastoral land in which he is already beneficially interested would cause the total of all such areas to exceed 500 000 hectares.

(8) For the purpose of calculating the area of pastoral land that a person may acquire or in which a person may become beneficially interested—

- (a) where several persons hold pastoral land, jointly or in common, each person shall be deemed to hold a number of hectares equal to his undivided share; and
- (b) a shareholder in an incorporated company holding or beneficially interested in pastoral land shall be deemed to be beneficially interested in such land, but to the extent only of a number of hectares proportionate to his interest in the paid-up share capital of the company:

Provided that this subsection shall not apply to pastoral land held by any incorporated bank or other company as mortgagee or after foreclosure unless the sole or principal object of the company, under its memorandum of association, is to carry on the business of a pastoralist.

(9) This section—

- (a) shall not apply to an executor, administrator, or trustee in respect of any pastoral land held in that capacity, except to such extent (if any) as such executor, administrator, or trustee is beneficially interested; and
- (b) shall not have effect in respect of any pastoral land acquired by a person as next-of-kin or legatee of a deceased person, or by right of survivorship, until the expiration of one year from the date of such acquisition, or such further time as the Minister may deem necessary to enable such person to dispose of his pastoral land in excess of the area that may be lawfully acquired.

(10) A mortgagee shall not be deemed to be beneficially interested in the mortgaged land unless—

- (a) the mortgagee is in possession and has been in possession for upwards of 2 years; or
- (b) the mortgage is foreclosed.

Provided that a mortgagee, with the consent in writing of the Minister, may continue in possession or may hold the mortgaged land after foreclosure, for such period and subject to such conditions as the Minister may think fit, and during such period shall not be deemed to be beneficially interested in the land for the purpose and within the meaning of this section.

(11) (a) Notwithstanding anything to the contrary contained in this section, any person who at the commencement of this subsection has consistently with the provisions of this Act as in force prior to the commencement of this subsection, already acquired, or become beneficially interested in (either one or the other or both) an aggregate area of pastoral land in excess of 500 000 hectares, may continue to hold or be beneficially interested in such area of pastoral land, but shall not be entitled to acquire or become beneficially interested in any other pastoral land until his holdings of and beneficial interest in pastoral land as at the commencement of this subsection have been so reduced as to entitle him in accordance with subsection (2a) to acquire or become beneficially interested in other pastoral land.

(b) Where any person referred to in paragraph (a) acquires or becomes beneficially interested in pastoral land contrary to the provisions of paragraph (a), such person shall forfeit and pay to the Crown a sum of \$100 for every day or part of a day during which he continues so to contravene the provisions of paragraph (a).

(12) (a) The Governor may authorize the Minister on behalf of the State—

- (i) to enter into and carry out any agreement for the leasing for pastoral purposes of any area or areas of Crown land, at rentals to be fixed under the provisions of section 98 and subject to such conditions and containing such covenants as the Governor approves, but only if the agreement is made with a body corporate approved by the Governor and contains a covenant by which that body corporate is bound to develop and utilize the land for pastoral purposes approved by the Governor; and
- (ii) to sue and be sued, compromise claims and actions, and enter into submissions to arbitration in respect of any matter arising out of, or in connection with, the agreement or its interpretation.

(b) Any agreement entered into pursuant to the provisions of paragraph (a) shall be ratified by Parliament and failing such ratification within 6 months of the date of such agreement it shall be void and of no effect.

(c) The Governor may exercise the power conferred by paragraph (a) and the Minister may act upon and in accordance with any authorization conferred in exercise of the power, notwithstanding any other provisions of this Act or the provisions of any regulations, whether limiting the area of Crown land that may be leased for pastoral or other purposes under this Act, or prescribing the manner in which, or the rental or consideration for which, or the conditions subject to which, Crown land may be leased under this Act, or otherwise affecting or related to the leasing of Crown land under this Act.

### **Lessees may surrender lease and apply for a new lease.**

114. (1) (a) Any lessee holding a pastoral lease granted under this Act or under any previous Act for a term expiring on 31 December 1982, may apply in the prescribed form to the Under Secretary for Lands at any time, subject to paragraph (b), not later than 31 December 1964, for a grant to him in lieu of that pastoral lease of a new lease under this Part, or if the land leased by the lessee for pastoral purposes is comprised in

more than one such pastoral lease and the lessee satisfies the Under Secretary for Lands that such land is run and utilized as one pastoral station or property, for a grant to him in lieu of those pastoral leases of one new lease comprising all the land the subject of those pastoral leases, but subject nevertheless to the provisions of section 113, and every new lease granted under this paragraph shall be for a term expiring on 30 June 2015.

(b) Notwithstanding the provisions of paragraph (a), the Minister may at the request of the lessee of a pastoral lease extend the time of application for the grant of a new lease until 30 June 1965 in any case where in his opinion special circumstances exist that warrant such extension being granted.

(c) Where application is made under this subsection by the lessee of one or more pastoral leases for a grant to him in lieu of that lease or leases of a new lease and any such pastoral lease is subject to any registered mortgage or to any other encumbrance within the meaning of that term in section 4 of the Transfer of Land Act 1893, the consent of the mortgagee or encumbrancer is necessary on such application.

(d) Every lessee of a pastoral lease shall in his application under this subsection for the grant to him of a new lease state the name given or intended to be given to his pastoral station or property and under which it will be carried on, and the Minister may at his discretion approve of that name, or reject that name and direct the lessee to submit within 3 months another name or names for his approval.

(2) If the application made under subsection (1) for a new lease is approved by the Minister the following matters and things shall be done and take effect:—

- (a) The Under Secretary for Lands shall forward notice in writing to the applicant and serve notice of such approval on the Registrar of Titles.
- (b) Subject to the payment of the fees that may be prescribed in respect of such application on the approval of the application and after service of the notice on the Registrar of Titles pursuant to paragraph (a), the lease or leases the subject of the application is or are by force of this Act surrendered to the Crown and the Registrar of Titles shall endorse the lease or leases in the register book accordingly.
- (c) A new lease under this Part shall thereupon be granted to the lessee and forwarded to the Registrar of Titles, who shall endorse on that lease a note of all registered mortgages and encumbrances within the meaning of that term as defined by section 4 of the Transfer of Land Act 1893, to which the surrendered lease

or leases was or were subject, and enter that new lease in the register book; but the registered mortgages and encumbrances to which the surrendered lease or leases was or were subject shall by force of this Act apply to and bind the interest of the lessee in the new lease and all rights acquired by him on the approval of his application for the new lease from the date of that approval.

- (d) The annual rent previously payable by the lessee in respect of the lease or leases the subject of his application shall continue to be applicable in respect of the new lease and payable by the lessee until re-assessed under and in accordance with the provisions of section 98.
- (e) The endorsement by the Registrar of Titles on the new lease of any registered mortgage to which the surrendered lease or leases was or were subject shall by force of this Act alone convert that mortgage into a mortgage of the new lease or part thereof in lieu of the surrendered lease or leases, to all intents and purposes and to the like effect as if, for securing payment of the principal and interest in accordance with the terms of the registered mortgage and the performance and observance of the obligations of the mortgagor thereunder, the mortgagor had granted to the mortgagee a mortgage of the new lease or part thereof as a substituted security in lieu of the registered mortgage on the surrendered lease or leases, and the endorsement by the Registrar of Titles on the new lease of any other encumbrances to which the surrendered lease or leases was or were subject shall by force of this Act alone render the new lease or part thereof subject to any such encumbrance.

(3) Where the lessee of a pastoral lease or pastoral leases is entitled under the provisions of paragraph (a) of subsection (1) to apply for the grant to him of a new lease but does not so apply within the time limited by that paragraph, the Minister shall call in and cancel that lease or leases and issue to the lessee in lieu thereof a composite lease, subject to the provisions of section 113, for a term expiring on 31 December 1982, such composite lease to include therein all land that the lessee satisfies the Minister is run and utilized by him as one pastoral station and property.

(4) Before the Minister issues a lease pursuant to the provisions of subsection (3), the Minister shall request the lessee to inform him of the name given or intended to be given to the pastoral station or property of the lessee and under which it will be carried on, and the Minister may at his discretion approve of that name, or reject that name and direct the lessee to submit within 3 months another name or names for his approval, but if the lessee fails to comply with this subsection, or if the

Minister does not approve of any name submitted by the lessee, the Minister may if he thinks fit approve of and assign a name recommended by the Board.

- (b) No transfer of a portion of a lease lodged after 1 January or 1 July shall be approved until after the half-year's rent has been paid.
- (c) The Minister may, in his absolute discretion, refuse to approve of a transfer.

For the purpose of this paragraph the Minister may require any lessee, or in the case of an incorporated company, any director, shareholder or officer of any such company to make one or more statutory declarations containing such information as the Minister deems necessary to enable him to exercise his discretion as aforesaid.

(1a) Where the Minister approves of a transfer of the whole or any portion of the pastoral lands of a lessee to a body corporate he may require such additional terms, conditions and restrictions as he thinks fit to be included in the lease of the pastoral lands so transferred, and he shall incorporate those additional terms, conditions and restrictions in the new lease issued to the transferee pursuant to subsection (2).

(2) On production to the Registrar of Titles of a transfer by a lessee of his interest in any portion of the land the subject of the pastoral lease registered under the Transfer of Land Act 1893, and its amendments, and subject to the indorsement on the transfer of the approval of the Minister thereto, and a certificate from the Minister showing the adjusted area, and the adjustments to be made in the rental by reason of such transfer, the Registrar shall register the transfer and indorse on the lease a memorandum cancelling the same, so far as it affects the portion of the land the subject of the transfer, and enter on the said lease a memorandum of

the rent thenceforth payable in respect to the remaining land. Upon the registration by the Registrar of such transfer the Minister shall issue a new lease to the transferee in respect of the land transferred to him.

**127.** The remainder of the land, other than land defined and set apart under section 84 (1) as special settlement land, shall be thrown open for selection under the provisions and conditions of sections 47 or 49, subject to the following modifications:—

- (1) The selling price of the land shall be ascertained by adding to the price paid for the land 5% of such price, and the cost of all improvements made upon it, and of survey and subdivision, and the total so arrived at shall be the least aggregate price to be paid by selectors of the land:

Provided that where land acquired is held on conditional purchase lease, the balance of the purchase money payable to the Crown under such lease shall be added to the selling price of the land:

Provided also that where the interest in land acquired is leasehold without the right to acquire the fee simple, the price of the land in fee simple under the provisions of this Act shall be added to the selling price of the land.

- (2) The selling price of each allotment shall be fixed by the Governor, but so that the aggregate price for all the allotments into which the land is divided shall not be less than that hereinbefore prescribed; and the price of each allotment, with interest thereon at the prescribed rate, shall be payable as rent as hereinafter provided.
- (3) The maximum area held by one person shall be 5 000 acres as prescribed by section 47 (1) (a), except in special cases approved by the Governor, when the maximum area may be increased to 10 000 acres.

- (5) The rent shall be fixed at such sum per annum as will, if duly paid during the currency of the lease, amount to the price of the land, with interest at the prescribed rate on so much of the price of the land as for the time being remains unpaid, and shall be payable by the lessee in equal half-yearly instalments in advance:

Provided that for each of the first 5 years of the term of the lease the rent shall be fixed at an amount not to exceed such sum as will yield interest on the selling price of the land.

[S. 127 amended by No. 17 of 1954, s. 4; No. 65 of 1965, s. 10.]

### **Power to reduce selling price.**

**128.** (1) Notwithstanding the provisions of the last preceding section, if it appears to the Governor that, having regard to the quality and productiveness of any land acquired under this Part, or any Act hereby repealed, or the distance of such land from a railway station or siding, market, or port, or other circumstances, the selling price of such land should be reduced, such price may, with the approval of the Governor, be reduced below the least aggregate price as ascertained under that section.

(2) The Governor may on the grounds stated in the previous subsection, reduce the said least aggregate sale price of any land sold under the provisions of the Agricultural Lands Purchase Act 1909<sup>1</sup>, and amendments, or sold under the provisions of this Part, whether before or after the commencement of this subsection, and adjust the rental over the balance of the lease accordingly: Provided that the liability of the lessee for the payment of the rent reserved by the lease up to the date of such reduction shall not be affected, and in making such adjustment the lessee shall not be entitled to any cash refund of any part of the rent already paid, but the same shall be placed to the lessee's credit and utilized to pay off the instalments of rent (calculated on the basis of the reduced price) from time to time falling due under the lease. Save, as aforesaid, the obligations of the lessee under the lease shall not be affected.

(3) The Minister shall notify the Registrar of Titles of any such reduction and the particulars of any such adjustment, and the Registrar shall indorse a memorandum thereof on the original and on the duplicate of the Crown lease registered in the Office of Titles.

- (b) the interest chargeable to the lessee shall be the rate payable for the money raised and applied to the acquisition of the land selected, except that the interest on the value of improvements may, during the first 5 years of the term, be reduced, and shall be payable as prescribed.

[S. 129 amended by No. 35 of 1946, s. 8.]

Provided that if—

**Priority of application.**

**135.** (1) All applications for land under this Act shall be made in the prescribed forms, and shall take priority according to the order of their being lodged or received through the post with the prescribed deposit, at the office of the Department in Perth, or at such other places and offices as the Governor may notify in the *Gazette*.

Provided that if two or more applications for the same land are lodged or received through the post on the same day, such applications shall be deemed to be lodged or received at the same time.

Provided further that applications for the same land lodged or received through the post on or before the date notified in the *Gazette* for the receipt of applications shall be deemed to have been received at the same time.

(2) When two or more applications in respect of the same land are lodged or received at the same time, the application to be granted shall, subject as hereinafter provided, be determined by a Board of 3 persons appointed by the Minister.

(2a) In its exercise of the power of determination conferred upon it by subsection (2) the Board shall,—

- (a) if the applicant is a discharged member of the forces as defined in section 139B (1); and
- (b) if the Board is satisfied that the ability and capacity of the applicant to develop the land for which he has applied being equal to or not less than the ability and capacity of any other applicant are such as would enable him to properly develop the land,

determine that his application be granted in preference to the application of any other person not being a discharged member of the forces.

(3) The Board may require the personal attendance of and, when deemed necessary, examine on oath all applicants, objectors, and other witnesses, and any member of the Board may administer such oath.

(4) Subject to subsection (2a) the Board may, in lieu of such determination, recommend that none of the applications should be approved.

[S. 135 amended by No. 58 of 1950, s. 27; No. 67 of 1968, s. 2; No. 79 of 1982, s. 15.]

**Applications.**

**136.** (1) Every application for land which has not been surveyed shall be for land in one block, and, except in special cases to be allowed by the Minister, in the form of a rectangle, with boundaries in the direction of the meridian and at right angles to it, and the proportion of depth to breadth except as herein specified, shall not exceed 3 to one unless the Minister shall otherwise direct.

(2) The proportion of depth to breadth in any section bounded by a frontage line shall be as 2 to one, unless otherwise provided or by approval of the Minister.

(3) Every application shall contain or be accompanied by a sketch of the proposed boundaries, which shall be fixed wherever possible with reference to some natural or permanent artificial object, and show the position of the land with reference to any lake, river, or main stream, and also to land held by or in the occupation of any other person in the locality; and also show all permanent waterholes and springs within the area applied for:

Provided that when, from the frontage not being a straight line, or from the interference of other frontage lines, natural features, or the boundaries of other lands, the foregoing rules in respect of form cannot be observed, the form of the land shall be determined as nearly in accordance therewith as circumstances permit.

**Applications for surveyed lands.**

**137.** (1) Any application for land already surveyed (not being town or suburban lands) may include two or more adjoining blocks.

(2) In special cases, with the approval of the Minister, application may be made for portion of a surveyed block, not being a town or suburban lot, and the block shall be subdivided accordingly:

Provided that in such case the applicant shall, if the Minister think fit, pay the cost of survey of such subdivision.

**Fractions of an acre of holdings under Part V.**

**138.** In fixing the maximum area of any holding under Part V any fraction of an acre may be disregarded.

**Rents.**

**139.** (1) All land rents, except those payable in respect of pastoral leases issued after the coming into operation of the Land Act Amendment Act 1963, shall be calculated as from 1 January to 31 December, and

shall be paid half-yearly in advance, at the office of the Department in Perth, or to a stipendiary magistrate or other person authorized by the Minister to receive rents, on or before 1 March and 1 September in each year.

(1a) All land rents payable in respect of pastoral leases issued after the coming into operation of the Land Act Amendment Act 1963, shall be calculated as from 1 July to 30 June, and shall be paid half-yearly in advance at the office of the Department in Perth or to a stipendiary magistrate or other person authorized by the Minister to receive rents, on or before 1 March and 1 September in each year.

(2) All leases applied for during the year shall, except in special cases approved by the Minister, be granted as from the first day of the quarter next preceding the date of approval of the application; and rent for the current half-year shall be payable as from the date of granting.

(2a) Where for a lease granted under Part III, VI, or VII the rent levied under this Act for any period after 1 July 1970 has not been paid the Minister may defer or cancel that rent or part of it, or where it has been paid he may refund it or part of it, if he is, on the application of the lessee, satisfied that the lessee has suffered personal hardship by reason of such economic conditions as, in the opinion of the Minister, warrant the rent or part of it being deferred, cancelled, or refunded, as the case may be.

(2b) Any amounts that are required to refund rent under subsection (2a) shall be paid out of the Public Account which is to the necessary extent hereby appropriated accordingly.

(3) Except as otherwise provided under subsection (2a), if a lessee fails to pay the rent due to him on 1 April or 1 October in any year, or if he fails to pay any premium, instalment of payment for improvements, survey fee, or other money payable by him on the due day, he shall pay the same within 30 days from the due day together with a fine 10%, and if he fails to pay for 60 days, his lease and the lands comprised therein, and all improvements thereon, may be forfeited.

(4) If any holding becomes forfeited, and such holding is one of a group of holdings held by the same person, and the external boundaries only of the group of holdings have been surveyed, the lessee shall be required to pay the cost of any additional surveys rendered necessary by reason of such forfeiture, and unless such cost is duly paid within a time to be fixed by the Minister, the remaining holdings of the group with the improvements thereon shall be forfeited.

[S. 139 amended by No. 60 of 1963, s. 23; No. 65 of 1965, s. 11; No. 55 of 1971, s. 6; No. 79 of 1982, s. 16.]

**Minister may defer rent payable by lessee who has served with H.M. Forces.**

**139A.** The Minister may, in his discretion, and subject to such conditions as may be prescribed, defer the payment of rent of any conditional purchase lease, and any lease granted under Part VIII or any Act repealed thereby, held by any lessee who has served in any of the naval, military or air forces of the Sovereign since 3 September 1939; such deferment of rent being limited to the period commencing from the first day of the half year in which the lessee joined such forces and ending on the last day of the half year in which such lessee was discharged from such forces, and the term of any such lease may be proportionately extended notwithstanding that such term may have already expired. The Minister shall notify the Registrar of Titles of any such extension of term granted in respect of any Crown lease registered under the Transfer of Land Act 1893, and the Registrar shall thereupon endorse such Crown lease accordingly.

[S. 139A inserted by No. 35 of 1946, s. 9.]

**Definition of “discharged member of the forces.”**

**139B.** (1) For the purposes of this section, a “discharged member of the forces” means—

- (a) a person who was a resident of the Commonwealth for the period of not less than 12 months immediately prior to 3 September 1939 and who became a member of any of the naval, military or air forces of the Sovereign at any time subsequent to that date during the war in which the Sovereign was engaged and which commenced on that date, and who has been honourably discharged after not less than 6 months' full time service in any of those forces or, having in the opinion of the Minister been materially prejudiced by reason of service in any of those forces, has been honourably discharged after less than 6 months' full time service therein;
- (b) a person who was, in the opinion of the Minister, for a period of not less than 12 months immediately prior to 3 September 1939, ordinarily resident within the Commonwealth and who was employed, at any time between 3 September 1939, and 15 August 1945, in sea-going service on—
  - (i) a ship engaged in trading between a port of a State or Territory of the Commonwealth and any other port, whether a port of a State or Territory of the Commonwealth or not; or
  - (ii) a ship being a troop transport or hospital ship,

for not less than 6 months or, who being so employed for less than 6 months, was in the opinion of the Minister materially prejudiced by reason of that employment; or

- (c) a person who was a resident of the Commonwealth for a period of not less than 12 months immediately prior to his becoming a member of any of the naval, military or air forces of the Sovereign and who, while such a member, has served in a theatre of war or hostilities approved as such by the Minister for the purposes of this paragraph, and who has been honourably discharged after not less than 6 months' full time service in any of those forces or, having in the opinion of the Minister been materially prejudiced by reason of service in any of those forces, has been honourably discharged after less than 6 months' full time service therein.

(2) The provisions of this section shall not be construed to apply to leases granted under and subject to Part VIII or any Act repealed thereby.

(3) In respect of any conditional purchase lease of Crown land of which a discharged member of the forces is already the lessee or shall hereafter become the lessee, whether by selection from the Crown or by acquisition otherwise, there may, subject as hereafter provided and to the approval of the Minister, upon application by the lessee, be deducted from the amount of the half-yearly rental otherwise required to be paid, a rebate equivalent to half of that portion of the rental as would be required to pay the price of the land exclusive of cost of improvements and survey fee.

(4) Where at the time he became a member of the forces such discharged member was the lessee of a conditional purchase lease, and the Minister's approval is given to such rebate, then such rebate shall be granted as from the first day of the half-year of the term of such lease in which the lessee joined the forces, but otherwise the rebate shall be granted as from the first half-yearly rent day nearest to the date of registration of the transfer or other dealing by which the lease is acquired by a discharged member of the forces.

(5) A lessee who is a discharged member of the forces shall not, in any case, be required to pay any rent or any interest on the cost of survey or interest on the value of improvements on any conditional purchase lease during the first 5 years of the term thereof.

(6) If a discharged member of the forces to whom a concession has been granted under this section in respect of any conditional purchase lease sells or assigns or otherwise disposes of, or agrees to sell, assign or otherwise dispose of any such conditional purchase lease otherwise than

to another discharged member of the forces, or in the case of a deceased member of the forces, if a sale, assignment or disposal otherwise, or agreement for sale, assignment or disposal otherwise be made other than to the next-of-kin or the beneficiary under the will being the widow, child or parent of the deceased, then in such case such concession shall terminate as from the first day in the half-year of the term of such lease in which the sale or agreement for sale, assignment or disposal otherwise of the lease was made.

(7) Any lessee who disposes of or agrees to dispose of his conditional purchase lease by any means whatsoever shall, if any concession has been granted in respect of such lease under this section, notify the Minister within 30 days of such disposition or agreement therefor, and failure to give such notification shall render the lease liable to forfeiture forthwith.

(8) If the lessee of any conditional purchase lease granted under this Act or any Act thereby repealed and to which lease concessions have been applied under the provisions of section 11 of the Discharged Soldiers' Settlement Act 1918, transfers or otherwise disposes of his interest in such lease, with the Minister's consent, to any discharged member of the forces, then and in such case such concessions as have already been applied shall continue in all respects instead of the grant of any rebate of rent as otherwise mentioned in this section but the lease shall thereupon become subject to the provisions of subsections (6) and (7).

(9) No discharged member of the forces shall be granted or receive concessions under this section in respect of any area or areas of land exceeding in the aggregate 5 000 acres of land.

(10) The Minister may, in his discretion, approve of the granting of a rebate of rent under the provisions of this section to the widow, child or parent of a deceased discharged member of the forces in respect of any conditional purchase lease which may have devolved to such widow, child or parent from such deceased discharged member of the forces before the commencement of this Act, and in like manner, may approve of such a rebate in respect of any conditional purchase lease which may have devolved to the widow, child or parent of any lessee who at the time of his death was a member of any of the naval, military or air forces of the Sovereign. In any such case the rebate shall be granted from the first day of the half-year of the term of such lease in which such deceased discharged member of the forces or such deceased lessee joined the forces.

[S. 139B inserted by No. 35 of 1946, s. 9. Amended by No. 65 of 1965, s. 12; No. 30 of 1967, s. 5]

**Improvements.**

**140.** (1) No payment or valuation shall be made pursuant to this Act in respect to any improvements, nor shall any improvements be considered pursuant to this Act, unless the Minister shall be satisfied that the same were made *bona fide* for the purpose of improving the land or increasing the carrying capacity thereof, and unless the same shall consist of wells of fresh water, reservoirs, tanks, or dams of permanent character and available for the use of stock, increasing thereby the carrying capacity of the land; or of fences, sheds, and buildings erected for farm or shearing and station purposes, not being dwelling-houses (except where such dwelling-houses exist upon a homestead farm, or working man's block); or of cultivation, subdivision fences, clearing, grubbing, draining, or any improvement for maintaining or improving the agricultural or pastoral capabilities of the land.

(2) The fact that the Minister is satisfied that the improvements were made *bona fide* for the purpose of improving the land or increasing the carrying capacity thereof may be proved in any court or before any arbitrator by a certificate in writing signed by the Minister, whose signature shall be judicially noticed.

(3) Where land held under conditional purchase lease or Crown grant issued before or after the commencement of this Act is resumed under the reservation in the lease or grant of the right to resume a portion thereof for any work or purpose of public use, utility, or convenience, or for the purpose of exercising the power to search for minerals reserved to the Crown, compensation shall be payable to the lessee or grantee for the value of the improvements (if any), and the provisions of this section shall apply.

[S. 140 amended by No. 58 of 1950, s. 28; No. 60 of 1963, s. 24; No. 113 of 1965, s. 8; No. 30 of 1967, s. 6.]

**Restriction of right of resumption without compensation.**

**141.** (1) From the commencement of this Act the right under a reservation in a Crown grant to resume a prescribed portion of the land granted for works or purposes of public use, utility or convenience, shall not be exercisable without compensation to the grantee, or any person lawfully claiming under him, after 5 years from the date of the grant, but such compensation shall be assessed by setting off against the value of any lands so resumed any increase in value of the remaining lands in the grant or of any other lands of the grantee which is due to or arises out of such resumption, and the balance, if any, shall be payable to the grantee.

(2) This section shall not affect the provisions of any Crown grant whereby a resumption shall not be made without compensation of any part of the land granted or demised upon which buildings are erected or other improvements have been made; and such compensation shall be assessed at the value of such buildings, or other improvements, without

regard to any increase in the value of the remaining land of the grantee, and shall be payable without any deduction by a set-off against the value of such buildings or other improvements of any increase in the value of such remaining land of the grantee.

### **Fee on Crown grants.**

**142.** (1) For preparing and recording a Crown grant there shall be charged such fee as is prescribed; such fee is to be paid with the balance of the purchase money:

Provided that at the discretion of the Minister, lands comprised in two or more adjoining leases or licences, as the case may be, registered in the same name and contracted to be granted for an estate in fee simple, subject to the same conditions, rights and reservations, may be included in one Crown grant, in which case there shall be charged the prescribed fee for the first lease or licence and one half of that fee for each additional lease or licence so included.

(2) After payment of the purchase money and the fee for the Crown grant, and having performed all the conditions, the purchaser upon application and payment of the prescribed fee shall receive from the Minister a permit to occupy, in the form or to the effect of the 23rd or 24th Schedule, as the case may be, being a certificate that he is entitled to the Crown Grant.

(3) In the case of a free grant of land under this Act, no Crown grant fee shall be charged.

[S. 142 amended by No. 53 of 1948, s. 8; No. 113 of 1965, s. 8; No. 65 of 1980, s. 5.]

### **Transfers etc., to be approved by Minister.**

**143.** (1) No transfer, mortgage, or sublease of any lease or licence under this Act shall be valid or operative until the approval in writing of the Minister or an officer of the Department authorized in that behalf by the Governor is obtained.

(2) The Minister may, before approving any transfer or sublease, require the proposed transferee or sublessee to make a statutory declaration of his eligibility to hold the land intended to be transferred or sublet, or the Minister may, in his absolute discretion, refuse to approve any transfer, sublease or other dealing.

(2a) (a) The holder of any lease or licence shall not without the approval in writing of the Minister being first obtained—

- (i) sell, assign or otherwise dispose of the lease or licence in whole or in part;

Penalty: \$1 000.

(2c) In any proceedings for an offence against subsection (2b) a certificate of the Minister certifying that the purpose of the transaction in question is to avoid a condition or restriction imposed by or under this Act and set out in that certificate is *prima facie* evidence of that fact.

(2d) Where—

- (a) the holder of a lease or licence of land under this Act; or
- (b) a person who is entitled to be issued with a Crown grant of land under this Act,

is convicted of an offence against subsection (2b) the lease or licence or any entitlement of that person to the issue of the Crown grant, as the case requires, may be forfeited.

(2e) The provisions of subsections (2b) to (2d) (both inclusive) are in addition to and not in derogation of the provisions of subsection (2a).

(3) Except in special cases to be approved by the Minister, no holding under Part V shall be transferred or sublet until after the expiration of 5 years from the commencement of the lease or occupation certificate, and then only if the holder has himself effected on the land, in prescribed improvements, the full amount required to be effected during that period.

(4) Subject to the provisions of section 115, except in special cases to be approved by the Minister no area leased under section 98 shall be transferred or sublet until after the expiration of 5 years from the commencement of the lease, and then only if the lessee has complied with the conditions relating to improvements and stocking as prescribed by sections 102 and 103 respectively.

(5) The special cases which may be approved of by the Minister and which are referred to respectively in subsection (3) and in subsection (4) may be so approved notwithstanding that none of the conditions for a transfer or subletting set out respectively in subsection (3) and subsection (4) has occurred, been complied with or performed.

**144.** (1) Subject to the last preceding section, to the provisions of Part VI, relating to the transfer of pastoral leases, and to the restrictions contained in Division (2) of Part V, any holder of a lease or licence, except licences to quarry, may transfer his interest in the land:

Provided that in the case of land held under a conditional purchase lease the transferee or sublessee does not hold, together with the land to be transferred or sublet, more than the maximum area allowed under this Act.

(2) On the occasion of every transfer or sublease the lease or licence or occupation certificate, if issued, must be produced, and the transferor and transferee or sublessor or sublessee shall each, on demand, receive a certificate in the form of the 25th Schedule.

(3) Unless the lease or licence is registered as a Crown lease under the provisions of the Transfer of Land Act Amendment Act 1909, transfers may be in the form of the 26th Schedule; and each holding must be transferred or sublet by a separate instrument, and such fee as is prescribed shall be payable on each transfer or sublease.

[*S. 144 amended by No. 113 of 1965, s. 8; No. 65 of 1980, s. 6.*]

### **Leases and licences may be mortgaged.**

**145.** (1) Subject to section 143, and the restrictions contained in Division (2) of Part V and in Part VI, any lease or licence under this Act not registered as a Crown lease under the Transfer of Land Act Amendment Act 1909, may be mortgaged as hereinafter provided.

(2) When any lease or licence is intended to be charged with or made security for the payment of money, the lessee or licensee shall execute a memorandum of mortgage in the form of the 27th Schedule.

(3) Every memorandum of mortgage must be in duplicate, and must be registered in the Department; and in the case of several mortgages of the same holding they shall take effect according to priority of registration.

(4) The prescribed fee shall be payable upon the registration of every such memorandum in respect of every holding comprised in or affected by it.

(5) A mortgage may be transferred on payment of the like fee as for registration of the memorandum of mortgage.

(6) On the registration of or transfer of a mortgage, the lease or licence if issued must be produced.

[S. 145 amended by No. 113 of 1965, s. 8; No. 65 of 1980, s. 7; No. 79 of 1982, s. 26.]

### **Effect of mortgage.**

**146.** A memorandum of mortgage shall have effect only as a security for the money intended to be secured by it, and shall not take effect as an assignment.

### **Right of mortgagee.**

**147.** If default is made in the payment of the money secured by a mortgage according to the tenor thereof, or upon the happening of any event which, according to the terms of the mortgage, entitles the mortgagee so to do, the mortgagee may—

- (a) enter upon and take and retain possession of the holding for any period not exceeding 12 months;
- (b) sell the holding by public auction after not less than 30 days' notice of the intended sale published in the *Gazette* and in a local newspaper;
- (c) after failure to sell by public auction, sell by private sale.

Provided that the purchaser must be a person who is not disqualified to be the lessee of the land under the provisions of this Act.

Provided also that the Minister may extend the time during which the mortgagee may retain possession of or sell the holding.

**Transfer on sale.**

**148.** Upon a sale of a holding under the power of sale hereby conferred upon a mortgagee, he may transfer the lease or licence to the purchaser, and the transfer shall be registered in the Department upon payment of the fee of \$2.

[S. 148 amended by No. 113 of 1965, s. 8; No. 79 of 1982, s. 26.]

**Mortgages of leases or licences to be transferred to Crown grant.**

**149.** If a lease or licence is mortgaged under the provisions of section 145, or is subject to a mortgage under section 138 of the Land Act 1898, or is subject to a caveat lodged under 152 of this Act or under section 75 of the Land Act Amendment Act 1906, or is affected by an easement referred to in section 134H of this Act, and the lessee or licensee, during the continuance of such mortgage, easement, or caveat becomes entitled under such lease or licence to a Crown grant in fee simple of the land, the mortgage, easement, or caveat, unless discharged, terminated, withdrawn, removed, or lapsed, as the case may be, shall by the operation of this Act be transferred to and apply to the Crown grant and the land thereby granted in all respects as if such Crown grant had been referred to in the mortgage, easement, or caveat; and on the lease or licence being filed in the Office of Land Titles with a certified copy of the mortgage, easement, or caveat as registered under this Act or the Land Act 1898, a memorandum of such mortgage, easement, or caveat shall be indorsed by the Registrar of Titles as an encumbrance on the Crown grant and on the folium of the Registrar Book on his registering such grant, and when so indorsed shall, in the case of a mortgage, have effect as if it contained all the covenants, powers, and conditions, which, by the Transfer of Land Act 1893, are implied in mortgages under that Act or conferred on the parties thereto, except so far as such mortgage contains express provisions to the contrary, or, in the case of a caveat, as if it were a caveat lodged under the provisions of the Transfer of Land Act 1893, in respect of the estate or interest specified therein.

The term "licence" includes an occupation certificate or permit to occupy relating to a free homestead farm.

[S. 149 amended by No. 47 of 1934, s. 14; No. 78 of 1982, s. 4.]

**Minors may hold and deal with land.**

**150.** A person under the age of 18 years who is the holder of any conditional purchase lease or other holding or permit or licence under this Act shall for the purposes of transferring, subletting, mortgaging, or otherwise dealing with the land have the same capacity as if he were of full age:

Provided that the terms and conditions of such transfer, sublease, mortgage, or other dealing may be reviewed and altered by a Judge of the Supreme Court on an application in chambers.

*[S. 150 amended by No. 46 of 1972, s. 6 and Schedule.]*

### **Instruments not effectual until registered.**

**151.** No transfer, lease, mortgage, charge, or other instrument shall be effectual to pass any estate or interest in any land under the operation of this Act, or to render such land liable to any mortgage or charge, until such instrument is registered in the Office of Land Titles, or in the Department, as the case may be; but upon such registration, the estate or interest comprised in the instrument shall pass, or the land shall become liable in manner and subject to the conditions set forth and specified in the instrument or by this Act implied in instruments of a like nature.

*[S. 151 amended by No. 79 of 1982, s. 26.]*

### **Caveat may be lodged.**

**152.** (1) Any beneficiary or other person claiming any estate or interest in land under the operation of this Act not registered under the Transfer of Land Act 1893, or the Transfer of Land Act Amendment Act 1909, may lodge a caveat with the permanent head of the Department in the form in the 28th Schedule to this Act, forbidding the registration of any person as transferee of and of any instrument affecting such estate or interest, either absolutely or until after notice of the intended registration or dealing is given to the caveator, or unless such instrument is expressed to be subject to the claim of the caveator, as may be required in such caveat.

(2) Every such caveat shall state the name and address of the person by whom or on whose behalf the same is lodged and (except in a case of caveat lodged by the permanent head of the Department as hereinafter provided) shall be signed by the caveator or by his agent.

(3) The person lodging such caveat shall, if required by the permanent head of the Department, support the same by a statutory declaration stating the nature of the estate or interest claimed and the title thereto, and may withdraw any such caveat.

(4) If such declaration, when required by the permanent head of the Department, is not lodged with him within 7 days from the date of such registration or within such further time as he may direct, the caveat shall be null and void.

(5) No such caveat shall be received unless some address or place within the limits of the city of Perth shall be appointed therein as the place at which notices and proceedings relating to such caveat may be

served; but a caveator may give an additional address elsewhere within the State, in which case any notice relating to such caveat shall be sent through the post by registered letter to such address on the same day as that on which the notice is served in Perth.

(6) Every notice relating to such caveat, and any proceedings in respect thereof, if served at the address or place appointed as aforesaid, shall be deemed to be duly served.

*[S. 152 amended by No. 79 of 1982, s. 27.]*

### **Notice of caveat to be given.**

**153.** (1) Upon the receipt of such caveat the permanent head of the Department shall notify the same to the proprietor against whose title to deal with the estate or interest such caveat has been lodged.

(2) Such proprietor or any person claiming under any transfer or other instrument signed by the proprietor may, if he thinks fit, summon the caveator to attend before a Judge of the Supreme Court in chambers to show cause why such caveat should not be removed; and the judge may, upon proof that such caveator has been summoned, make such order as he thinks fit.

(3) Except in the case of a caveat lodged by or on behalf of a beneficiary claiming under any will or settlement, or by the permanent head of the Department, every caveat lodged against a proprietor shall be deemed to have lapsed upon the expiration of 14 days after notice served on the caveator that such proprietor has applied for the registration of a transfer or other dealing.

(4) A caveat shall not be renewed by or on behalf of the same person in respect of the same estate or interest; but if, before the expiration of the said period of 14 days or such further period as shall be specified in any order made under this section, the caveator or his agent appears before a Judge and give such undertaking or security or lodges such sum in court as such Judge may consider sufficient to indemnify every person against any damage that may be sustained by reason of any disposition of the property being delayed, then, and in such case, such Judge may direct the permanent head of the Department to delay registering any dealing with the land, lease, mortgage, or charge for a further period to be specified in such order or may make such other order as may be just.

*[S. 153 amended by No. 79 of 1982, s. 27.]*

**No entry to be made in registry book while caveat in force.**

**154.** Except in the cases provided by section 157 so long as any caveat remains in force prohibiting any registration or dealing the permanent head of the Department shall not register any change in the proprietorship of or any transfer or other instrument purporting to transfer or otherwise deal with or affect the estate or interest in respect to which such caveat may be lodged. The consent of a caveator shall not operate as a withdrawal of his caveat, but where such consent is given the caveat does not prevent the registration of an easement granted under section 134B or the making of a record in the appropriate register of the proposal to grant the easement.

*[S. 154 amended by No. 78 of 1982, s. 5; No. 79 of 1982, s. 27.]*

**Compensation for lodging caveat without cause.**

**155.** Any person lodging any caveat without reasonable cause shall be liable to make to any person who may have sustained damage thereby such compensation as a Judge on a summons in chambers shall deem just and order.

**Notification of caveats.**

**Offences on public lands.**

**164.** (1) In this section and in section 164A—

“public lands” means any Crown lands or lands reserved for or dedicated to any public purpose;

“structure” includes—

(a) any building; and

(2) A person shall not without lawful authority—

(a) reside on any public lands;

(b) erect any structure on, over or under any public lands;

(c) clear, cultivate, or enclose any public lands;

(d) remove, or cause to be removed, from any public lands any thing of whatever kind, whether growing on or in, or being in, on or under or forming part of, any public lands;

- (f) bore or sink any well for water or construct or excavate any dam or other means of water catchment or storage on any public lands.

Penalty: \$1 000.

(3) Where a continuing state of affairs is created by a wrongful act referred to in subsection (2) (a), (c), (d), (e), or (f), and that state of affairs continues after conviction and after the court considers that the same could reasonably have been discontinued, the person is guilty of a further offence and is liable to a further fine not exceeding \$20 in respect of each day on which that further offence so continues.

(4) In addition to any penalty imposed for an offence arising under this section, a person guilty of the offence is liable to pay such sum by way of compensation or reimbursement for the rehabilitation or reinstatement of any public lands as the court before which the person is convicted may order.

(5) Any sum ordered to be paid under subsection (4) shall be paid by the offender to the clerk of the court to be paid by him to the Minister for Lands.

(6) Where an order is made under subsection (4) the amount ordered to be paid may be recovered in accordance with the provisions of section 155 (6) of the Justices Act 1902 as if the order were an order referred to in that subsection.

(7) Nothing in this section affects any other provision of this or any other Act, so far as that provision would, but for this section, have effect in relation to lands reserved for any public purpose pursuant to section 29, or of any by-laws applying to such a reserve, but a person is not liable to be punished twice for an act or omission that constitutes an offence both under this section and any other such provision.

(8) By-laws applying to such a reserve may contain provisions having the effect of authorizing any act or omission that would, but for the by-laws and this subsection, constitute an offence arising under this section, but nothing in this subsection authorizes the making of by-laws that could not be made if this section were not in force.

(9) In proceedings for an offence arising under this section, the defendant has the onus of proving lawful authority in relation to the act or omission giving rise to the alleged offence.

(3) Notwithstanding section 170, where the name or address of the person in apparent occupation or control of any structure, or either of them, referred to in subsection (2), is unknown to the Minister, or that person is absent from the State, the notice may be served by affixing it to the structure, and by publishing a copy of it in accordance with subsection (2) and if the name of the person in apparent occupation or control of the structure, or either of them, is unknown, the notice may be addressed to that person by the description of "the person in occupation or control" of the structure, identifying it, to which the notice refers without further name or description.

(4) If there are more persons in apparent occupation or control of a structure than one it is sufficient service if the notice is served on one of them, and is addressed to that one with the addition of the words "and others" or "and another," as the case requires.

(5) Non-service on the person in apparent control of the structure does not affect the validity of service on the person in apparent occupation of the structure, and non-service on the person in apparent occupation of the structure does not affect the validity of service on the person in apparent control of the structure.

(6) Whenever any person fails to comply with a notice served on him under this section within a period of 3 months after the service of the notice a court of petty sessions, on complaint by the Minister that he has not so complied with the notice, shall, upon being satisfied—

- (a) that the structure is on public lands without lawful authority;

- (b) that notice has been duly served in accordance with subsections (2) and (3); and
- (c) that the notice has not been complied with within the period of 3 months after the service of the notice,

(7) The Minister may, at his option, cause or authorize any structure or any part thereof or the contents thereof, removed in accordance with subsection (6), to be destroyed or sold or may sell the structure or contents on condition that it or they be removed.

(8) If the structure or part thereof or the contents thereof are not sold by the Minister or if the proceeds of the sale are insufficient to defray the costs and expenses incurred in the removal, destruction, or sale of the structure or part thereof or the contents thereof, the Minister may recover in any court of competent jurisdiction the costs and expenses or the unsatisfied balance of them and the costs of and incidental to the proceedings from the person last known to have been in apparent occupation or control, or both, of the structure.

(9) Any person who removes any structure, whether in pursuance of a notice from the Minister or an order under subsection (6) or not, shall forthwith clean the land to the satisfaction of the Minister, and remove all rubbish therefrom.

(10) In proceedings in which the notice referred to in subsection (2) or (3) has to be proved, the defendant or person against whom it is sought to prove it is to be regarded as having received notice to produce it and, until the contrary is shown, the notice may be effectively proved by the complainant by the production of what purports to be a copy of it, bearing what purports to be a certificate of the person authorized to issue the original that the copy is a true copy of the original, of which it purports to be a copy and until the contrary is shown, service of the notice may be effectively proved by the production of what purports to be a certificate by the person serving it, of the place, time and manner in which the service was effected.

(11) A complaint which it is necessary to make under this section against a person in apparent occupation or control of a structure whose name is unknown to the Minister may be laid against him by the description of the "the person in apparent occupation" or "the person in apparent control" of the structure, identifying it, to which the complaint refers, without further name or description.
