shall extend to and in relation to the fixing of the maximum remuneration for the sale of any declared petroleum products and the supply of any declared petroleum service for an undivided remuneration, and a transaction in respect of which a maximum remuneration has been so fixed is deemed to be the supply of a controlled petroleum service at a rate equal to the undivided remuneration charged.

(7) For the purposes of this Act, and of any order, unless the contrary intention appears —

(a) the sale of any petroleum products shall be deemed to include the supply in connection with that sale (whether or not for a separate remuneration) of any service customarily supplied by vendors in connection with such a sale without any separate remuneration;

(b) the supply of any petroleum service shall be deemed to include the sale or supply in connection with the petroleum service (whether or not for a separate price or remuneration) of any goods customarily sold or supplied by persons supplying such a petroleum service without any separate price or remuneration; and

(1) An authorised person who has reason to believe that a person has committed a prescribed offence under this Act may, within 21 days after the alleged offence is believed to have been committed, give an infringement notice to the alleged offender.

(2) An offence under section 15, 16, 19, or 20 cannot be prescribed under this section.

[Section 31B inserted: No. 73 of 2000 s. 11(2).]
31C. **Content of notice**

(1) An infringement notice is to be in the prescribed form and is to —

(a) contain a description of the alleged offence;

(b) advise that if the alleged offender does not wish to be prosecuted for the alleged offence in a court, the amount of money specified in the notice as being the modified penalty for the offence may be paid to an authorised person within a period of 28 days after the giving of the notice; and

(c) inform the alleged offender as to who are authorised persons for the purposes of receiving payment of modified penalties.

(2) In an infringement notice the amount specified as being the modified penalty for the offence referred to in the notice is to be the amount that was the prescribed modified penalty at the time the alleged offence is believed to have been committed.

(3) The modified penalty that may be prescribed for an offence is not to exceed 20% of the maximum penalty that could be imposed for that offence by a court.

[Section 31C inserted: No. 73 of 2000 s. 11(2); amended: No. 84 of 2004 s. 80.]

31D. **Extension of time**

An authorised person may, in a particular case, extend the period of 28 days within which the modified penalty may be paid and the extension may be allowed whether or not the period of 28 days has elapsed.

[Section 31D inserted: No. 73 of 2000 s. 11(2).]

31E. **Withdrawal of notice**

(1) An authorised person may, whether or not the modified penalty has been paid, withdraw an infringement notice by sending to
the alleged offender a notice in the prescribed form stating that
the infringement notice has been withdrawn.

(2) If an infringement notice is withdrawn after the modified
penalty has been paid, the amount is to be refunded.

[Section 31E inserted: No. 73 of 2000 s. 11(2).]

31F. Benefit of paying modified penalty

(1) Subsection (2) applies if the modified penalty specified in an
infringement notice has been paid within 28 days or such further
time as is allowed and the notice has not been withdrawn.

(2) If this subsection applies it prevents the bringing of proceedings
and the imposition of penalties to the same extent that they
would be prevented if the alleged offender had been convicted
by a court of, and punished for, the alleged offence.

(3) Payment of a modified penalty is not to be regarded as an
admission for the purposes of any proceedings, whether civil or
criminal.

[Section 31F inserted: No. 73 of 2000 s. 11(2).]

31G. Application of penalties collected

An amount paid as a modified penalty is, subject to
section 31E(2), to be dealt with as if it were a penalty imposed
by a court as a penalty for an offence.

[Section 31G inserted: No. 73 of 2000 s. 11(2).]

31H. Appointment of authorised persons

(1) The Commissioner may, in writing, appoint officers or classes
of officers to be authorised persons for the purposes of
section 31B, 31C, 31D or 31E or for the purposes of 2 or more
of those sections, but a person who is authorised to give
infringement notices under section 31B is not eligible to be an
authorised person for the purposes of any of the other sections.
(2) The Commissioner is to issue to each person who is authorised to give infringement notices under this Division a certificate of that person’s authorisation, and the authorised person is to produce the certificate whenever required to do so by a person to whom an infringement notice has been or is about to be given.

(3) In this section —

 officer means an officer of the Department.

[Section 31H inserted: No. 73 of 2000 s. 11(2); amended: No. 28 of 2006 s. 125.]

(a) by, to or in relation to, the Commissioner or Registrar (as the case requires) as defined in that other enactment as in force after commencement; and
(b) where relevant, under the corresponding provision of that other enactment as in force after commencement.

(3) To the extent that a thing done or omitted to be done by, to or in relation to, the Commissioner for Fair Trading (including in his or her capacity as the Prices Commissioner) before commencement under, or for the purposes of, an enactment listed in subsection (1) is not covered by subsection (2), it has the same effect after commencement, to the extent that it has any force or significance after commencement, as if it had been done or omitted by, to or in relation to, the Commissioner or Registrar (as the case requires) as defined in that enactment as in force after commencement.

(4) A thing done or omitted to be done by, to or in relation to, the Commissioner for Fair Trading before commencement under, or for the purposes of, an enactment not listed in subsection (1) has the same effect after commencement, to the extent that it has any force or significance after commencement, as if it had been done or omitted by, to or in relation to, the Commissioner as defined in the Consumer Affairs Act 1971 as in force after commencement.

(5) A reference in an enactment to the Commissioner for Fair Trading is to have effect after commencement as if it had been amended to be a reference to —

154. *Petroleum Products Pricing Act 1983*
Each office in existence immediately before commencement because of section 5(2)(b) of the *Petroleum Products Pricing Act 1983* does not cease merely because that paragraph is deleted by this Act.

155. **Interpretation**
In this Division —

*commencement* means the time at which this Division comes into operation;

*Commissioner for Fair Trading* means the Commissioner for Fair Trading referred to in section 15 of the *Consumer Affairs Act 1971* as in force before commencement;

*Prices Commissioner* means the Prices Commissioner referred to in section 5(1) of the *Petroleum Products Pricing Act 1983* as in force before commencement.

The amendment to s. 7(5) in the *Financial Legislation Amendment and Repeal Act 2006* s. 17, which gives effect to Sch. 1 cl.126, is not included because the subsection it sought to amend was repealed by the *Machinery of Government (Miscellaneous Amendments) Act 2006* s. 116(3).

The *Petroleum Retail Marketing Franchise Act 1980* (Cwlth) has been repealed by the *Petroleum Retail Legislation Repeal Act 2006* (Cwlth) (No. 2006/113).
