Part 2 — State Witness Protection Program

Division 1 — Establishment

5. Commissioner to establish SWPP

(1) The Commissioner is to establish and maintain a program, to be known as the “State Witness Protection Program” (SWPP), under which the Commissioner, and police officers holding designated positions, arrange or provide protection and other assistance for witnesses.

(2) That protection and assistance may include things done as a result of functions conferred on the Commissioner under a complementary witness protection law.

6. Arrangements with approved authorities

(1) The Commissioner may make arrangements with an approved authority about any matter in connection with the administration of a complementary witness protection law.

(2) Without limiting the coverage of those arrangements, those arrangements —

(a) may provide for the Commissioner or a police officer to perform functions conferred by a complementary witness protection law;

(b) must include procedures under which the approved authority shares with the State the costs incurred in performing those functions under those arrangements;

(c) may provide for the approved authority to make available to the Commissioner such statements, transcripts of evidence and other information as will assist the Commissioner in deciding —

(i) whether to include a witness in the SWPP; and

(ii) what protection and assistance is appropriate for a participant;
(d) may confer functions under complementary witness protection laws on the Commissioner.

(3) The Commissioner is not to exercise any function conferred by such an arrangement unless this Act would authorise the exercise of that function in respect of the SWPP.

7. Authorisation of approved authorities

(1) The Minister, by notice published in the Gazette, may authorise an approved authority to perform functions conferred on the Commissioner under this Act for the purposes of any arrangement entered into by the Commissioner under section 6 or the corresponding provision of a complementary witness protection law.

(2) The Minister, by notice published in the Gazette, may amend or cancel such an authorisation.

Division 2 — Including witnesses in the SWPP

8. Commissioner to decide who is included

(1) The Commissioner has the sole responsibility of deciding whether to include a witness in the SWPP, including cases where an approved authority has requested that a witness be included in the SWPP.

(g) the nature of the witness’s relationship to other witnesses being assessed for inclusion in the SWPP, and may have regard to any other matters the Commissioner considers relevant.

(4) The Commissioner must not include a witness in the SWPP if the Commissioner does not, in the Commissioner’s opinion, have enough information to assess the matters referred to in subsection (3) in relation to the witness.

9. Inclusion not to be a reward for giving evidence etc.

A witness is not to be included in the SWPP as a reward or as a means of persuading or encouraging the witness to give evidence or make a statement.

10. Witness to provide Commissioner with information before inclusion

(1) The Commissioner must not include a witness in the SWPP unless the Commissioner is satisfied that the witness has provided the Commissioner with all information necessary for the Commissioner to assess the matters in section 8(3) and to decide whether the witness should be included.
(2) Without limiting the generality of subsection (1), regulations may prescribe the information to be provided by a witness to the Commissioner.

(3) For the purpose of assessing whether the witness should be included in the SWPP, the Commissioner may —

(a) require the witness to undergo —
(i) medical tests or examinations; or
(ii) psychological or psychiatric examinations,

(b) make any other inquiries and investigations that the Commissioner considers necessary.

(b) set out the effect of section 25(1) and (2); and

(c) contain a statement advising the participant of his or her right to complain to the Corruption and Crime Commission or the Parliamentary Commissioner about the conduct of the Commissioner or a police officer in relation to the SWPP.

(2) A memorandum of understanding in relation to a participant may also contain —

(a) the terms and conditions on which protection and assistance are to be provided to the participant;

(g) details of any financial assistance to be given to the participant; and

(h) an agreement by or on behalf of the participant that the participant will disclose to the Commissioner details of any criminal charges that are made against, and any civil or bankruptcy proceedings that are made in relation to,
the participant after the participant is included in the SWPP.

(3) A memorandum of understanding must be signed by the witness or —

(a) if the witness is under 18 years old — on behalf of the witness by a parent or guardian of the witness; or

(b) if the witness otherwise lacks legal capacity to sign such a memorandum — on behalf of the witness by a guardian or other person who is usually responsible for the care and control of the witness.

(4) A memorandum of understanding must be signed by or on behalf of the witness in the presence of a police officer who holds a designated position.

(5) A witness becomes included in the SWPP when the Commissioner signs the memorandum of understanding.

(6) The Commissioner must, as soon as practicable after signing a memorandum of understanding, notify the relevant participant that it has been signed.

(7) If —

(a) a parent or guardian of a witness signs a memorandum of understanding because the witness was under 18 years old; and

(b) the witness is included in the SWPP and remains a participant until after he or she turns 18,

the Commissioner may require the participant to sign another memorandum of understanding.

[Section 11 amended: No. 48 of 2003 s. 62 and Sch. 3 cl. 11.]

12. Amending a memorandum of understanding

(1) A memorandum of understanding may be amended with the consent of the participant and the Commissioner.
(2) An amendment must not have the effect of removing from the memorandum of understanding the provisions referred to in section 11(1).

Division 3 — Register of participants

13. Commissioner to keep register

(1) The Commissioner must keep a register of participants.

(2) The register may be kept on a computer.

(3) The Commissioner must include these details in the register in respect of each participant:

   (c) the participant’s address;
   (d) details of any offences of which the participant has been convicted;
   (e) the date on which the person ceases to be a participant.

(4) The Commissioner must keep in conjunction with the register —
   (a) the original of each memorandum of understanding;
   (b) a copy of every document issued in respect of a participant pursuant to a court order under Division 5;
   (c) the original of each permit given by the Commissioner under section 33; and
   (d) any document returned to the Commissioner under section 18(5) or pursuant to an order made under section 22.
14. **Access to the register**

(1) Subject to this section, only the Commissioner and those police officers holding designated positions who are authorised by the Commissioner, may have access to the register and to documents kept in conjunction with it.

(2) The Commissioner must permit the Auditor General, or a person appointed by the Auditor General under section 29 of the *Auditor General Act 2006*, to have access to any part of the register, and to any documents kept in conjunction with it, that are relevant to an audit or investigation under that Act.

(2a) The Commissioner must permit the Corruption and Crime Commission, or an officer of the Corruption and Crime Commission, to have access to any part of the register, and to any documents kept in conjunction with it, that are relevant to an investigation under the *Corruption, Crime and Misconduct Act 2003*.

(3) The Commissioner must permit the Parliamentary Commissioner, or a delegate of the Parliamentary Commissioner under section 11 of the *Parliamentary Commissioner Act 1971*, to have access to any part of the register, and to any documents kept in conjunction with it, that are relevant to an investigation under that Act.

(4) The Commissioner must permit a person who is or was a participant to have access to that part of the register, and to any documents kept in conjunction with it, that relate to the person.

(5) If the Commissioner is of the opinion that it is in the interests of the administration of justice to do so, he or she may permit another person to have access to the register or part of the register or to some or all of the documents kept in conjunction with it.
(6) If the Commissioner permits another person to have access under subsection (5), the Commissioner must notify the relevant approved authority (if any) of —
(a) the name of the person so permitted;
(b) the information the person was given access to; and
(c) the reasons for permitting access.

(7) A person who gains access to the register or to any document kept in conjunction with it without the authorisation or permission of the Commissioner commits an offence. Penalty: Imprisonment for 3 years or a fine of $12 000.

[Section 14 amended: No. 48 of 2003 s. 62 and Sch. 3 cl. 11; No. 77 of 2006 s. 17; No. 35 of 2014 s. 39.]

Division 4 — Protecting and assisting witnesses and participants

15. Commissioner must take action to protect etc.

(1) If a witness is included in the SWPP, or is being assessed for inclusion in the SWPP, the Commissioner must take such action as the Commissioner considers necessary and reasonable to protect the witness’s safety and welfare while also protecting the safety of police officers.

(2) That action may include —
(a) permitting police officers holding designated positions to use assumed names in carrying out their duties in relation to the SWPP and to carry documentation supporting those assumed names;
(b) relocating the witness;
(c) providing accommodation for the witness;
(d) providing transport for the witness’s property;
(e) providing payments to the witness for the purpose of meeting the reasonable living expenses of the witness (including, where appropriate, living expenses of any
member of the witness’s family who is not a witness) and providing, whether directly or indirectly, other reasonable financial assistance;

(f) providing payments to the witness for the purpose of meeting costs associated with relocation;

(g) providing assistance to the witness in obtaining employment or access to education;

(h) providing other assistance to the witness with a view to ensuring that the witness becomes self-sustaining; and

(i) doing other things that the Commissioner considers to be necessary to ensure the safety of the witness.

(3) A police officer who, with permission given under subsection (2)(a), uses an assumed name or carries documentation supporting an assumed name does not by doing so commit an offence under a written law.

16. **Action as to obligations etc. of a participant**

(1) If a participant has any outstanding rights or obligations or is subject to any restrictions, the Commissioner must take such steps as are reasonably practical to ensure —

(a) that those rights or obligations are dealt with according to law; or

(b) that the participant complies with those restrictions.

(2) That action may include —

(a) providing protection for the participant while the participant is attending a court; or

(b) notifying a party, or possible party to legal proceedings, that a police officer nominated by the Commissioner is, on behalf of the participant, to be served with any process issued by a court.
(3) If the Commissioner is satisfied that a participant who has been given a new identity under the SWPP (whether under a court order or otherwise) is using the new identity to —

(a) avoid obligations that were incurred before the new identity was established; or

(b) avoid complying with restrictions that were imposed on the person before the new identity was established,

the Commissioner must give notice in writing to the participant stating that he or she is so satisfied.

(4) The notice must also state that, unless the participant satisfies the Commissioner that the obligations will be dealt with according to law or the restrictions will be complied with, the Commissioner will take such action as he or she considers necessary to ensure they are dealt with according to law or complied with.

(5) That action may include informing a person who is seeking to enforce rights against the participant of the details of any property (whether real or personal) owned by the participant under his or her former identity.

(6) Where notice is given under subsection (2)(b), service of any process on the nominated police officer is to be taken as good service for the purpose of any written law.

17. Commercial arrangements for benefit of participant

This Act does not prevent the Commissioner from making commercial arrangements with a person under which a participant is able to obtain benefits under a contract or arrangement without revealing his or her former identity.

18. Identity documents in urgent cases

(1) If the Commissioner is of the opinion that —

(a) in order to protect the safety and welfare of a person who is a participant, or a witness being assessed for
inclusion in the SWPP, documents showing a new identity for the person are needed urgently for a limited time; and

(b) there is insufficient time within which to obtain a new identity for the person by means of a registration of change of name under Part 5 of the *Births, Deaths and Marriages Registration Act 1998* or a new identity order under Division 5,

the Commissioner, by a written notice given to a prescribed authority, may request the prescribed authority to issue any documents that are reasonably necessary to show the new identity (such as a licence, permit, certificate, authority, approval or exemption) and to make any necessary entries in a prescribed register.

(2) The Commissioner must not request documentation for a person that represents the person —

(a) to have qualifications that the person does not have; or

(b) to be entitled to benefits to which the person would not be entitled if he or she were not included in the SWPP.

(3) A prescribed authority that receives a written request under subsection (1) must comply with it.

(4) As soon as practicable after making a request under subsection (1), the Commissioner must either obtain a new identity for the person by means of a registration of change of name under Part 5 of the *Births, Deaths and Marriages Registration Act 1998* or a new identity order under Division 5, or have the documents issued pursuant to the request returned.

(5) At any time the Commissioner, by a written notice given to the person, may direct the person to return such documents to the Commissioner.

(6) A person who receives a written notice under subsection (5) must comply with it within 7 days after receiving it.

Penalty: $1 000.
(7) If the Commissioner gives such a written notice the Commissioner must notify any prescribed authority that was given a request under subsection (1) accordingly and request the authority to cancel any documents issued, and any entries made in a prescribed register, pursuant to the request.

(8) The issue or cancellation of a document pursuant to a request made under this section has effect as if it were validly done under the written law that provides for the issue of the document.

(9) The making or cancellation of an entry in a prescribed register pursuant to a request made under this section has effect as if it were validly done under the written law that requires the register to be kept.

[Section 18 amended: No. 40 of 1998 s. 18(3) and (4).]

Division 5 — New identity orders

19. Terms used in this Division

In this Division —

new identity order, in relation to a person, means an order directing —

(a) the Registrar of Births, Deaths and Marriages to make a new entry in the register of births kept under the Births, Deaths and Marriages Registration Act 1998 in respect of the person;

(b) a person specified in the order, who under a written law is empowered to issue a document (such as a licence, permit, certificate, authority, approval or exemption) or to keep a record or register of information, to issue a new document in respect of the person or to make a new entry in such a record or register in respect of the person, so as to give the person a new identity.

[Section 19 amended: No. 40 of 1998 s. 18(5).]
20. **Application to Supreme Court**

   (1) The Commissioner may apply to the Supreme Court for a new identity order in respect of a participant or, in accordance with section 26, for an order under section 22 in respect of a former participant.

   (2) An approved authority (other than an approved authority that is an authority or body of this State) may apply to the Supreme Court —

   (a) for a new identity order in respect of a person who is included in a witness protection program established under a complementary witness protection law; or

   (b) for an order under section 22 in respect of a person who has ceased to be included in such a witness protection program.

21. **Supreme Court may make order**

   (1) On an application under section 20, the Supreme Court may make a new identity order in respect of a person if the Court is satisfied —

   (a) that the person is a participant or a person who is included in a witness protection program established under a complementary witness protection law (as the case may be);

   (b) that it is necessary to change the person’s identity to protect the person’s safety and welfare;

   (c) that a change of the person’s name by registration of change of name under Part 5 of the *Births, Deaths and Marriages Registration Act 1998* or by any other lawful means would not afford adequate protection for the person’s safety and welfare; and

   (d) that the person is likely to comply with the memorandum of understanding entered into by or on behalf of the person.
(2) A new identity order may specify such persons referred to in paragraph (b) of the definition of “new identity order” as the Court thinks fit.

(3) A new identity order must not direct the issuing of any document that represents the person concerned —

(a) to have qualifications that the person does not have; or
(b) to be entitled to benefits to which the person would not be entitled if he or she were not included in a witness protection program.

(4) On making a new identity order, the Court may order the person concerned to give the Commissioner any documents relating to the person’s former identity.

[Section 21 amended: No. 40 of 1998 s. 18(6).]

22A. Effect of new identity order

A person who has a new identity under a new identity order is entitled to claim that identity as the person’s only identity if the person is required under a law of this State to disclose the person’s former identity for a purpose unrelated to any proceedings.

[Section 22A inserted: No. 55 of 2012 s. 127.]

22. Supreme Court may order former identity to be restored

On an application under section 20 the Supreme Court may make such orders as are necessary to cancel the new identity given to a person under a new identity order, to restore the person’s former identity and to secure the return to the Commissioner of any document issued in respect of the person under the new identity order.
23. **Proceedings to be in private**

   (1) All proceedings in the Supreme Court on an application under this Division must be conducted in the absence of any person not directly concerned in the proceedings.

   (2) Except as authorised by a judge of the Supreme Court, no person may inspect the records of proceedings in the Court on an application under this Division.

24. **Effect of actions done under order**

   (1) The making or cancellation of an entry in the register of births kept under the *Births, Deaths and Marriages Registration Act 1998*, or in any other register or record, pursuant to a new identity order or an order under section 22 (as the case may be) has effect as if it were validly done under the written law requiring the register or record to be kept.

   (2) The issue or cancellation of a document under a written law pursuant to a new identity order or an order under section 22 (as the case may be) has effect as if it were validly done under that written law.

   *[Section 24 amended: No. 40 of 1998 s. 18(7).]*

**Division 6 — Terminating protection and assistance**

25. **Commissioner may terminate protection**

   (1) Protection and assistance provided under the SWPP to a participant must be terminated by the Commissioner if the participant requests in writing that it be terminated.

   (2) Protection and assistance provided under the SWPP to a participant may be terminated by the Commissioner if —

      (a) the participant commits an offence against the law of this State or elsewhere; or

      (b) the participant breaches a term of the memorandum of understanding; or
(c) the Commissioner discovers that the participant has knowingly given information to him or her that is false or misleading in a material particular; or

(d) the participant’s conduct or threatened conduct is, in the opinion of the Commissioner, likely to prejudice the effectiveness or security of the SWPP; or

(e) the circumstances that gave rise to the need for protection and assistance for the participant cease to exist; or
