4. Provisions relating to taking of poll

Where under section 12B or section 12C of the Act the Minister directs that a poll be taken under the provisions of the Act within any district for or against the proposed introduction within that district of a compulsory fruit fly baiting scheme, or where such a scheme is in operation within any district, to

[Regulation 4 inserted by Gazette 1 June 1963 p.1717; amended by Gazette 16 April 1982 p.1312.]

4A. Returning officer may appoint officers, receive payment for services, etc.

- (1)
 - (a) The returning officer may appoint such officers as he deems necessary to assist in the conduct of the poll and the scrutiny thereof.
 - (b) The returning officer shall be paid, for the conduct of the poll and the scrutiny thereof an amount equal to 17½% of the fee prescribed from time to time in the regulations made under the *Electoral Act 1907* for a returning officer for a contested election for the Legislative Assembly at a State parliamentary election, and an officer appointed under paragraph (a) of this subregulation, shall, while engaged on the scrutiny and count of votes, be paid for his services at the rate of the fees prescribed from time to time in the regulations made under the *Electoral Act 1907*, for similar duties for Presiding Officers.
 - (c) Officers employed by the returning officer in the preparation and distribution of voting material shall be paid at the rate prescribed by regulations made under the *Electoral Act 1907* (as amended), for presiding officers engaged on the scrutiny and count of votes.
- (2) The returning officer shall publish or cause to be published notification of the intention to conduct a poll and of the day fixed by the Minister for the taking thereof in a newspaper

circulating in the district in which the poll is to be taken, not less than ten days before the day so fixed.

- (3) A notice published in accordance with this regulation shall specify the address of the returning officer to which all applications and other documents under these regulations are required to be sent or delivered.

[Regulation 4A inserted by Gazette 11 June 1963 p.1717; amended by Gazette 13 August 1968 p.2369; 20 July 1973 p.2734; 16 April 1982 p.1312.]

4B. Special roll

- (1) Within 7 days after his appointment by the Minister the returning officer shall request the Director of Agriculture to furnish him with a special roll of occupiers of orchards situated within the district, prepared in accordance with the Act and these regulations, and on receipt of such request the Director of Agriculture shall forthwith furnish or cause to be furnished to the returning officer the special roll so requested.
- (2) The special roll so furnished shall contain, in the case —
- (a) where a natural person is the sole occupier of an orchard in the district — the name of that person;
 - (b) where there is more than one occupier, the name of one of those occupiers, but not more than one at any time, authorized in accordance with regulation 4D (1) of these regulations; and
 - (c) where the occupier of an orchard is a corporate body, a representative of that corporate body authorized in accordance with regulation 4D (2) of these regulations.

[Regulation 4B inserted by Gazette 16 April 1982 p.1313.]

4C. Orchardist omitted from roll may apply to be enrolled

Where the Director of Agriculture has failed to include in the special roll the name of an occupier of an orchard in the district, who is entitled to be enrolled in accordance with these

regulations, the occupier may have his name included on the special roll if he lodges with the Director, not less than 14 days before the taking of the poll, an application in the form of Form No. 1 in the Appendix to these regulations.

[Regulation 4C inserted by Gazette 16 April 1982 p.1313.]

4D. Persons entitled to be enrolled

- (1) Where there is more than one occupier of an orchard one of those occupiers may be authorized by the other occupier or other occupiers to represent them for the purposes of voting at any poll taken under section 12B or 12C of the Act and on receipt from that representative of an application for enrolment in the form of Form No. 2 in the Appendix to these regulations the Director of Agriculture may cause that representative to be enrolled in the special roll.
- (2) Where the occupier of an orchard is a corporate body the Board of Directors or other management authority of the body may authorize one only of the officers of the body to represent the body for the purposes of voting at any poll taken under section 12B or 12C of the Act and on receipt from that representative of an application for enrolment in the form of Form No. 2 in the Appendix to these regulations the Director of Agriculture may cause that representative to be enrolled in the special roll.
- (3) For the purposes of subregulation (2) of this regulation the following persons are officers of a body corporate —
 - (a) a director or other member of the Board of Directors or other management authority of the body;
 - (b) a trustee of the body;
 - (c) the manager or secretary, or any other officer, of the body.
- (4) Where the Director of Agriculture has not received the name of a representative in accordance with subregulations (1) or (2) of this regulation, 14 days before the day fixed for the taking of the

poll he shall insert the name of a natural person who appears to him to be an occupier or director of the relevant orchard, as the case may be, into the special roll.

- (5) Where the Director of Agriculture determines that the name of an occupier who is entitled to be enrolled is not on the special roll furnished to the returning officer, he may, not less than 7 days before the day fixed for the taking of the poll, cause the returning officer to be furnished with the particulars of that occupier for inclusion in the special roll.
- (6) A person shall be entitled to one enrolment only on the special roll at any one time, whether as a voter in his own right or as the representative of joint occupiers or a corporate body, or otherwise.
- (7) Revocation of authority given under subregulations (1) or (2) of this regulation may be made by notice in writing signed by the other occupiers or a director and one other officer as the case may be, sent or delivered to the Director of Agriculture and on receipt of such notice the Director shall cause to have removed from the special roll the name of the representative person whose authority has been so revoked; but any such revocation shall not invalidate any vote given by that representative person enrolled and voting by virtue of such authority at a poll taken prior to that revocation.
- (8) Every authority given under subregulations (1) and (2) of this regulation shall remain effective for all subsequent polls until written notice of revocation is sent or delivered to the returning officer.

4F. Replacement ballot paper

If a person entitled to vote at the poll sends or delivers to the returning officer a statement in writing signed by him setting out his full name and his address, and stating that he has not received his ballot paper, or that the ballot paper received by him is lost or has been destroyed, and that he has not already voted in respect of the poll, the returning officer may issue a new ballot paper to that person.

4G. Voting

 - (c) without opening the envelope marked “ballot paper”, deposit it in a locked and sealed ballot box and set aside the counterfoil for safe keeping.
- (4) Where the right of a person to vote is not established or the counterfoil is not signed by the voter and by the witness, the returning officer shall replace the counterfoil and the envelope marked “ballot paper” in the outer envelope that he has opened, endorse on that envelope the word, “rejected”, and set it aside for safe keeping, together with any other outer envelopes that he has rejected.

 - (b) the number of votes recorded not in favour of the proposal; and
 - (c) the number of informal ballot papers.
- (3) The returning officer may adjourn the count of votes from time to time as he deems necessary until it has been completed, but before every such adjournment he shall place or cause to be placed in ballot boxes all unopened envelopes purporting to contain ballot papers and, in the presence of any scrutineers who may be present, shall lock and seal those ballot boxes.
