- (2) This determination does not apply to costs incurred with respect to the matters referred to in subclause (1) before 1 July 1997.

**cl. 4**

---

**4. Notice under section 58Y of the Act**

The Committee has complied with section 58Y of the Act.

## **Part 2 — Review of Determination**

### **5. Review under section 58X of the Act**

The Committee has reviewed the previous determination<sup>1</sup> made on 16 May 1995.

<sup>1</sup>*[Published: Gazette 26 May 1995 p. 2083-90]*

### **6. Inquiries and submissions under Section 58Y of the Act**

- (1) As neither written nor oral submissions were received by the Committee from practitioners or members of the public in response to the notice under section 58Y of the Act, the Committee consulted with representatives from —
  - (a) the Conciliation and Review Directorate, established in accordance with Division 1A of Part V of the Workers' Compensation and Rehabilitation Act 1981; and
  - (b) the Law Society of Western Australia (Inc),to facilitate the review and the making of the determination.
- (2) The Committee was informed —
  - (a) that, with respect to proceedings before a review officer —
    - (i) approximately 80% of all disputes are settled by conciliation and do not proceed to review;
    - (ii) either or both of the parties were legally represented in approximately 15% of the 335 cases reviewed during 1996;
    - (iii) approximately 40% of the cases where both parties were legally represented dealt with the issue of liability, 25% dealt with pay levels and the balance dealt with other disputes relating to workers' compensation;

**cl. 6**

---

- (iv) the length of a review varies from 1 hour to 7 days with the majority of cases lasting approximately one day; and
  - (v) orders for costs are rarely made (approximately 5 or 6 times since the Directorate was established); and
- (b) that, with respect to proceedings in a compensation magistrate's court —
  - (i) approximately 90 appeals were heard in a period of 12 months;
  - (ii) the length of an appeal varies from approximately several hours to one day; and
  - (iii) orders for costs are routinely made.
- (3) The Committee was not requested to amend the description of any of the items in the Schedules.

### **Part 3 — Determination by Committee**

#### **7. Hourly rates**

- (1) The Committee reviewed the information referred to in clause 6 and determined that —
  - (a) in view of the flexibility afforded by the estimated times described in the Schedules; and
  - (b) the provision in each Schedule allowing a practitioner to charge costs which exceed the maximum amounts set out in the Scales,

the appropriate hourly rates were comparable with those of the Local Court.

- (2) The rates set out in the Table to this subclause are identical to those set out in the Legal Practitioners (Local Court) (Contentious Business) Determination 1997<sup>2</sup>.

Senior solicitor (admitted for more than 5 years) (“SP”)	\$215 per hour
----------------------------------------------------------	----------------

Junior solicitor (admitted for less than 5 years (“JP”)	\$150 per hour
---------------------------------------------------------	----------------

Articled Clerk or para legal (supervised by a solicitor) (“A/P”)	\$65 per hour
------------------------------------------------------------------	---------------

<sup>2</sup>*[Published: Gazette 25 Mar 1997 p. 1607-16]*

#### **8. Time based Scales of Costs**

- (1) In 1995 the Committee determined that time based Scales of Costs should be adopted with respect to proceedings before —
  - (a) a review officer; and
  - (b) a compensation magistrate’s court.

**Legal Practitioners (Workers' Compensation) (Review Proceedings and Compensation Magistrate's Court) Determination 1997**

**Part 3** Determination by Committee
