(ia) ascertain and keep a record of the number of votes given for each candidate under Division 3 Subdivision 2; and

(c) The candidate who has received the largest number of votes shall be declared by the returning officer duly elected.

(d) If the candidates have an equal number of votes section 145 applies.

(2) The procedure at the count of the votes by the returning officer for each district, if there are more candidates than 2, shall be as follows:

(a) The returning officer shall —

(d) If no candidate has an absolute majority of votes the returning officer —

absolute majority of votes, and such candidate shall then be declared duly elected.

(fa) A ballot paper or vote record shall be set aside as exhausted where on a count it is found that the ballot paper or vote record expresses no preference for any non-defeated candidate.

(g) If, after any count, the candidate with the fewest votes has to be declared to be defeated under paragraph (d) or (f), and 2 or more candidates (in this paragraph called the tied candidates) have an equal number of votes (each other candidate having a larger number of votes) —

(i) the returning officer shall make out in respect of each of the tied candidates a slip bearing the name of the candidate, and deal with the slips in accordance with Schedule 2; and

(ii) the candidate whose name is on the slip obtained by the returning officer in accordance with clause 5 of Schedule 2 shall be declared to be defeated.

(h) If after any count 2 or more candidates have an equal number of votes and they are the only candidates, or the only non-defeated candidates, section 145 applies.

(2a) Where there are more candidates than 2 then, notwithstanding that a candidate has been declared duly elected, the process of excluding the candidate who has the fewest votes and distributing that candidate’s preferences to the candidate next in order of the elector’s preference shall be continued until there are only 2 unexcluded candidates.

(2b) At any time before a candidate has been declared duly elected the returning officer may, if he thinks fit, make a fresh scrutiny of all the ballot papers and vote records or any parcel of them and for that purpose has the same power in relation to the counting of the votes as on the first scrutiny and may reverse any decision given by an assistant returning officer on the
original scrutiny and if after such scrutiny one of the candidates is found to have obtained an absolute majority of votes shall declare that candidate duly elected.

(3) In this section absolute majority of votes means a greater number than one-half of the whole number of ballot papers and vote records other than informal ballot papers and vote records.

(2) The returning officer conducting the re-count shall have the same powers as if the re-count were the scrutiny, and may reverse any decision in relation to the scrutiny as to the allowance or admission or disallowance or rejection of any ballot paper.

(3) If after the re-count 2 or more candidates (in this section called the tied candidates) have an equal number of votes and they are the only candidates, or the only non-defeated candidates, the returning officer shall notify the Electoral Commissioner of the result of the re-count.

(4) On receipt of notification under subsection (3) the Electoral Commissioner shall file a petition addressed to the Court of Disputed Returns constituted under Part V —

(a) setting out the results of the scrutiny and count and the re-count; and

(b) requesting the Court to determine whether any of the candidates was duly elected and, if so, to declare that candidate duly elected.
Part V applies in respect of the petition as if it were a petition duly filed under sections 158 to 160 and, for the purposes of that application, the tied candidates shall be regarded as parties to the petition.

The Court shall endeavour to make its determination as soon as practicable after the petition is filed.

The Court may order that a new election be held in place of the election to which the petition relates if —

(a) the tied candidates both or all jointly request the Court to do so; or

(b) the Court is unable to declare any of the candidates duly elected,

and, notwithstanding anything in this Act, except where the Court otherwise orders, the same roll as was used for that election shall be used for the new election.

Schedule 1

[Sections 146I, 156D]

Counting of votes at Legislative Council elections

[Heading inserted: No. 40 of 1987 s. 83.]

1. The method of counting the votes to be used by the returning officer to ascertain the result of an election in a region shall be as provided in this Schedule.

2. (1) In this Schedule —

   *ballot paper* includes a vote record;

   *continuing candidate* means a candidate not already elected or not excluded from the count.

   (2) A reference in this Schedule to votes of or obtained or received by a candidate includes votes obtained or received by the candidate on any transfer under this Schedule.

3. The number of first preference votes given for each candidate and the total number of all such votes shall be ascertained and a quota shall be determined by dividing the total number of first preference votes by one more than the number of candidates required to be elected and by increasing the quotient so obtained (disregarding any remainder) by one, and any candidate who has received a number of first preference votes equal to or greater than the quota shall be elected.

4. Unless all the vacancies have been filled, the number (if any) of votes in excess of the quota (in this Schedule referred to as *surplus votes*) of each elected candidate shall be transferred to the continuing candidates as follows —

   (a) the number of surplus votes of the elected candidate shall be divided by the number of first preference votes received by him and the resulting fraction shall be the transfer value;

   (b) the total number of ballot papers of the elected candidate that express the first preference vote for him and the next available preference for a particular continuing candidate shall be multiplied by the transfer value, the number so obtained...
(disregarding any fraction) shall be added to the number of first preference votes of the continuing candidate and all those ballot papers shall be transferred to the continuing candidate, and any continuing candidate who has received a number of votes equal to or greater than the quota on the completion of any such transfer shall be elected.

5. Unless all the vacancies have been filled, the surplus votes (if any) of any candidate elected under clause 4, or elected subsequently under this clause, shall be transferred to the continuing candidates as follows —

(a) the number of surplus votes of the elected candidate shall be divided by the number of votes received by him and the resulting fraction shall be the surplus fraction;

(b) in relation to any particular ballot papers for surplus votes of the elected candidate, the surplus fraction shall be multiplied by the transfer value at which those ballot papers were transferred to the elected candidate, or by one if they expressed first preference votes for the elected candidate, and the product shall be the continued transfer value of those particular ballot papers;

(c) the total number of ballot papers for surplus votes of the elected candidate that each —

(i) express the next available preference for a particular continuing candidate; and

(ii) have a particular continued transfer value,

shall be multiplied by that transfer value, the number so obtained (disregarding any fraction) shall be added to the number of votes of the continuing candidate and all those ballot papers shall be transferred to the continuing candidate, and if on the completion of the transfer of the surplus votes of the elected candidate to a particular continuing candidate that candidate has received a number of votes equal to or greater than the quota, that candidate shall be elected.

6. Where a continuing candidate has received a number of votes equal to or greater than the quota on the completion of a transfer under clause 4
or 5 of the surplus votes of a particular elected candidate, no votes of any other candidate shall be transferred to the continuing candidate.

[7. deleted]

8. Where, after the counting of first preference votes or the transfer of surplus votes (if any) of elected candidates, no candidate has, or less than the number of candidates required to be elected have, received a number of votes equal to the quota, the candidate who has the fewest votes shall be excluded and all his votes shall be transferred to the continuing candidates as follows —

(a) the total number of ballot papers of the excluded candidate that express the first preference vote for him and the next available preference for a particular continuing candidate shall be transferred, each ballot paper at a transfer value of one, to the continuing candidate and added to the number of votes of the continuing candidate and all those ballot papers shall be transferred to the continuing candidate;

(b) the total number (if any) of other votes obtained by the excluded candidate on transfers under this Schedule shall be transferred from the excluded candidate in the order of the transfers on which he obtained them, the votes obtained on the earliest transfer being transferred first, as follows —

(i) the total number of ballot papers transferred to the excluded candidate from a particular candidate and expressing the next available preference for a particular continuing candidate shall be multiplied by the transfer value at which the votes were so transferred to the excluded candidate;

(ii) the number so obtained (disregarding any fraction) shall be added to the number of votes of the continuing candidate;

(iii) all those ballot papers shall be transferred to the continuing candidate.

9. Any continuing candidate who has received a number of votes equal to or greater than the quota on the completion of a transfer under clause 8 or 10 of votes of an excluded candidate shall be elected, and, unless all the vacancies have been filled, the surplus votes (if any) of
the candidate so elected shall be transferred in accordance with clause 5, except that, where the candidate so elected is elected before all the votes of the excluded candidate have been transferred, the surplus votes (if any) of the candidate so elected shall not be transferred until the remaining votes of the excluded candidate have been transferred in accordance with clause 8(a) and (b) to continuing candidates.

10. Subject to clause 12, where, after the transfer of all the votes of an excluded candidate, no continuing candidate has received a number of votes greater than the quota, the continuing candidate who has the fewest votes shall be excluded and his votes shall be transferred in accordance with clause 8(a) and (b).

11. Where a candidate is elected as a result of a transfer of the first preference votes of an excluded candidate or a transfer of all the votes of an excluded candidate that were transferred to the excluded candidate from a particular candidate, no other votes of the excluded candidate shall be transferred to the candidate so elected.

12. In respect of the last vacancy for which 2 continuing candidates remain, the continuing candidate who has the larger number of votes shall be elected notwithstanding that that number is below the quota, and if those candidates have an equal number of votes —

(a) the returning officer shall make out in respect of each of those candidates, a slip bearing the name of the candidate, and deal with the slips in accordance with Schedule 2; and

(b) the candidate whose name is on the slip obtained by the returning officer in accordance with clause 5 of Schedule 2 shall be excluded and the other candidate shall be elected.

13. Notwithstanding any other provision of this Schedule, where the number of continuing candidates is equal to the number of remaining unfilled vacancies, those candidates shall be elected.

14. Subject to clauses 15 and 16, where, after any count or transfer under this Schedule, 2 or more candidates have surplus votes, the order of any transfers of the surplus votes of those candidates shall be in accordance with the relative sizes of the surpluses, the largest surplus being transferred first.
15. Subject to clause 16, where, after any count or transfer under this Schedule, 2 or more candidates have equal surpluses, the order of any transfers of the surplus votes of those candidates shall be in accordance with the relative numbers of votes of those candidates at the last count or transfer at which each of those candidates had a different number of votes, the surplus of the candidate with the largest number of votes at that count or transfer being transferred first, but if there has been no such count or transfer —

  (a) the returning officer shall make out in respect of each of those candidates, a slip bearing the name of the candidate, and deal with the slips in accordance with Schedule 2; and

  (b) the candidate whose name is on the slip obtained by the returning officer in accordance with clause 5 of Schedule 2 shall, as between those candidates, be deemed to have had the largest surplus.

16. Where, after any count or transfer under this Schedule, a candidate obtains surplus votes, those surplus votes shall not be transferred before the transfer of any surplus votes obtained by any other candidate on an earlier count or transfer.

17. Where the candidate who has the fewest votes is required to be excluded under clause 8 or 10, and 2 or more candidates (in this clause called the *tied candidates*) have an equal number of votes (each other candidate having a larger number of votes) whichever of the tied candidates had the fewest votes at the last count or transfer at which each of the tied candidates had a different number of votes shall be excluded, but if there has been no such count or transfer —

  (a) the returning officer shall make out in respect of each of the tied candidates a slip bearing the name of the candidate, and deal with the slips in accordance with Schedule 2; and

  (b) the candidate whose name is on the slip obtained by the returning officer in accordance with clause 5 of Schedule 2 shall be excluded.

18. Where a candidate is elected by reason that the number of first preference votes received by him, or the aggregate of first preference votes received by him and all other votes obtained by him on transfers
under this Schedule, is equal to the quota, all the ballot papers expressing those votes shall be set aside as finally dealt with.

19. For the purposes of this Schedule, a transfer under clause 4, 5 or 9 of all the surplus votes of an elected candidate, a transfer in accordance with clause 8(a) of all first preference votes of an excluded candidate or a transfer in accordance with clause 8(b) of all the votes of an excluded candidate that were transferred to him from a particular candidate each constitutes a separate transfer.

2. In this Schedule ballot means a hollow opaque sphere inside which a slip may be enclosed.

3. The returning officer shall place each of the slips in separate ballots of exact similarity, securely close the several ballots, deposit the several ballots in a ballot box, and securely fasten the ballot box.

4. The returning officer shall then shake and rotate the ballot box and shall permit any other person then present to do likewise, if the person so desires.

3 The *Superannuation and Family Benefits Act 1938* was repealed by the *State Superannuation Act 2000* s. 39 but its provisions continue to apply to and in relation to certain schemes because of the *State Superannuation (Transitional and Consequential Provisions) Act 2000* s. 26 and those provisions may be amended by regulations under subsection (3) of that section. See also endnote 15.

4 The *Metropolitan Region Town Planning Scheme Act 1959* was repealed by the *Planning and Development (Consequential and Transitional Provisions) Act 2005* s. 4.

5 Under the *Public Sector Management Act 1994* s. 112(1), a reference to the *Public Service Act 1978* is, unless the contrary is intended, to be read and construed as a reference to the *Public Sector Management Act 1994*.

6 In this reprint the renumbering of sections effected in the 1943 reprint (in Volume 2 of the Reprinted Acts of the Parliament of Western Australia) and
retained in subsequent reprints has again been retained. References to the original numbering are contained in the 1943 reprint.

7 The Schedule to the Metric Conversion Act 1972 was redesignated as the First Schedule by the Metric Conversion Act Amendment Act 1973.

8 The Acts Amendment (Electoral Reform) Act 1987 s. 19(2) reads as follows:

10 The Electoral Amendment (Political Finance) Act 1992 s. 8 is a transitional provision that is of no further effect.

11 The Acts Amendment (Ministry of Justice) Act 1993 Pt. 19 is a savings and transitional provision that is of no further effect.

12 The Electoral Amendment Act 2000 s. 81(2) reads as follows:

(2) The repeal of Schedule 3 does not affect the operation of the Electoral (Ballot Paper Forms) Regulations 1990.

13 The State Administrative Tribunal (Conferral of Jurisdiction) Amendment and Repeal Act 2004 Pt. 5, the State Administrative Tribunal Act 2004 s. 167 and 169, and the State Administrative Tribunal Regulations 2004 r. 28 and 42 deal with certain transitional issues some of which may be relevant for this Act.
The Electoral Legislation Amendment Act 2006 s. 27(2)-(4) read as follows:

(2) A person who is a member of the Legislative Assembly or the Legislative Council immediately before the commencement —
(a) does not become disqualified, on the commencement, for membership of the Legislative Assembly or the Legislative Council for the purposes of the Constitution Acts Amendment Act 1899 section 38(a) or 40(a); and
(b) is not prevented from completing his or her current term as a member,

by reason only of not being an Australian citizen as defined in the Electoral Act 1907 section 4(1).

(3) A person who has been elected as a member of the Legislative Council but has not begun his or her term as a member before the commencement —
(a) does not become disqualified, on the commencement for membership of the Legislative Assembly or the Legislative Council for the purposes of the Constitution Acts Amendment Act 1899 section 38(a) or 40(a); and
(b) is not prevented from beginning and completing his or her term as a member,
