the Minister may, where the ownership of the land has not changed since the order was made or a memorial of the order was registered and recorded under section 12BB, enter upon the land with such persons and things as may be necessary to ensure that the land is restored and may thereon carry out such works as are necessary for that purpose, and the Minister may recover any expenses thereby reasonably incurred as a debt due from any person who is then the owner of the land.

- (2) Where a person who is an owner of the land reasonably incurs expense in complying with an order made under section 12B(2),

or where the Minister recovers expenses from a person under subsection (1), that person may, if he is not the person on the conviction of whom the order was made, recover as a debt due from the person so convicted the amount —

s. 12C

- (2) The Supreme Court shall not, as a condition of granting an interim injunction, require any undertaking as to damages.
- (3) An injunction granted for the purposes of this section —

- (2) The owner or occupier of controlled land proposed to be cleared, or any person proposing to clear controlled land in the course of exercising any statutory function, may, in the prescribed manner, if any, apply to the Minister for a clearing licence and on payment of such fees as may be prescribed the Minister may grant or transfer any such licence, but where such an application is made and no decision is given within 6 months thereafter, or within such further period as the applicant may agree, then the Minister is deemed to have decided to refuse the application.
- (3) The Minister may refuse any application for the grant or transfer of a clearing licence and, unless the Minister is satisfied that there are exceptional reasons for not refusing an application, shall do so where, in the opinion of the Minister, after the clearing that would otherwise be authorised there would be less than one-tenth part of the land in question left under tree cover including the indigenous undergrowth.
- (4) The grant or transfer of a licence may be in respect of —
- (a) the whole or a part of the land; and
 - (b) the whole or a part of the clearing,

s. 12C

any statement that is false or misleading in any material particular commits an offence, and where the person convicted of an offence against this subsection is the holder of the licence to which the offence relates the Minister may, whether or not any penalty is imposed by the court for the offence, by notice in writing given to that person, revoke the licence.

- (6) A licence takes and shall have effect according to its tenor, but —
- (a) the Minister may, by notice in writing given to the holder of the licence, from time to time after the licence is granted —
 - (i) vary or add to the conditions of a licence; or
 - (ii) provide that an unconditional licence shall be subject to the conditions specified in the notice, or that a conditional licence shall cease to be subject to any condition;
- and
- (b) where a licence was granted before the coming into operation of the *Country Areas Water Supply Amendment Act 1980* for a period specified in the licence, that licence shall have effect for that period notwithstanding paragraph (a).
- (7) Where the holder of a licence contravenes or fails to comply with any condition endorsed on or referred to in the licence —
- (a) he commits an offence and is liable for his act or omission to the extent that it was not authorised by the licence; and
 - (b) whether or not any other penalty is imposed or order made, the court may cancel that licence, and no compensation shall be payable in respect of any such cancellation; and
 - (c) the Minister may, by notice in writing given to the holder of the licence, revoke the licence or suspend the operation of it for such period as the Minister thinks fit.

- the applicant in the case of paragraph (a) or (b), or the holder of the licence in the case of paragraph (c) or (d), may apply to the State Administrative Tribunal for a review of the decision of the Minister.
- (2) For the purposes of ascertaining when any claim for compensation arises under this Part a decision which is the subject of an application under subsection (1) for a review shall have effect as from the day on which the application is determined.

12E. Compensation for injurious affection due to clearing prohibition, claims for etc.; acquisition of affected land etc.

s. 12E

including the indigenous undergrowth and in so far as the land in question has been, or is proposed to be, cleared of trees or the indigenous undergrowth to any greater extent no claim for compensation arises in respect of that excess.

- (2) A claim for compensation under this Part may extend not only to the land the subject of the application for a clearing licence but also to any other land in the same occupation or ownership which is shown to have been rendered unproductive, or uneconomic, or to have been otherwise injuriously affected, by the operation of the provisions of this Part, whether or not that land is controlled land.
