Trade Measurement Act 2006

Trade Measurement Amendment Regulations (No. 2) 2008

Made by the Governor in Executive Council.

1. Citation

These regulations are the *Trade Measurement Amendment Regulations (No. 2) 2008*.

2. Commencement

These regulations come into operation as follows —

- (a) regulations 1 and 2 — on the day on which these regulations are published in the *Gazette*;
- (b) the rest of the regulations — on the day after that day.

3. Regulations amended

These regulations amend the *Trade Measurement Regulations 2007*.

4. Regulation 76 amended

After regulation 76(2)(a) insert:

- (ba) a standard wine package, as defined in regulation 77A, if the measurement marking on the package complies with that regulation; or

5. Regulation 77A inserted

After regulation 76 insert:

77A. Position of measurement marking on standard wine package

(1) In this regulation —

standard wine package means a package containing —

- (a) 50 mL, 100 mL, 187 mL, 200 mL, 250 mL, 375 mL, 500 mL, 1 L or 1.5 L of wine; or
- (b) 2 or more whole litres of wine;

wine means a beverage —

- (a) produced by the complete or partial alcoholic fermentation of fresh grapes, grape must or other products derived from fresh grapes; and
- (b) containing not less than 7% and not more than 24% of alcohol by volume.

(2) For the purposes of regulation 76(2)(ba), the measurement marking on a standard wine package must be made on the surface of the package, other than the base or the top, in a way that enables all of the following information about the wine to be seen in a single field of vision —

- (a) the statement of the measurement;
- (b) the country of origin;
- (c) the product name or product description;
- (d) the actual alcohol content by volume in percentage terms.

- (3) For the purposes of subregulation (2), information on a standard wine package can be seen in a single field of vision if a person can see the information without having to turn the package.

By Command of the Governor,

G. M. PIKE, Clerk of the Executive Council.
