3. Regulation 38 amended

Regulation 38 is amended by deleting “an eligible Gold State” and inserting instead —

“ a ”.

4. Regulation 44A amended

Regulation 44A is amended as follows:

- (a) by inserting before “The” at the beginning of the regulation the subregulation designation “(1)”;

State Superannuation Amendment Regulations (No. 3) 2007**r. 5**

- (b) by inserting at the end of the regulation the following subregulation —

“

- (2) Subregulation (1) does not reduce a transfer benefit as defined in regulation 44B except as a result of that subregulation reducing the amount, referred to in the definition of “scheme entitlement amount” in regulation 44D(4), of a benefit to which a person could become entitled under regulation 44.

”

5. Regulations 44B, 44C and 44D inserted

- (1) After regulation 44A the following regulations are inserted in Division 4 —

“

44B. Application for transfer benefit

- (1) A Gold State Super Member may apply to the Board for a benefit under this regulation (a “**transfer benefit**”) the amount of which is for transfer in accordance with this regulation.
- (2) A Member can take a transfer benefit on or after 1 July 2007 only if —
- (a) the Member is at least 55 years of age when the transfer benefit is taken; and
- (b) the transfer is to provide a phased retirement benefit.
- (3) A Member can take a transfer benefit before 1 July 2007 whatever the age of the Member but only if the application is made before 23 June 2007 and if —
- (a) the transfer benefit is to be transferred to the GESB Super Scheme; or

State Superannuation Amendment Regulations (No. 3) 2007

r. 5

- (b) in the case of a Member who is at least 55 years of age when the transfer benefit is taken —
 - (i) the transfer benefit is to be transferred to the GESB Super Scheme; or
 - (ii) the transfer is to provide a phased retirement benefit; or
 - (iii) the transfer benefit is to be dealt with partly under subparagraph (i) and partly under subparagraph (ii).
- (4) The transfer of a transfer benefit, or part of it, to provide a phased retirement benefit may be to another scheme or to another superannuation fund.
- (5) On receiving an application the Board, acting on the advice of an actuary, is to determine and inform the applicant of —
 - (a) an amount of transfer benefit that the applicant may elect to take for transfer in accordance with this regulation; and
 - (b) the reduction that would, in consequence of taking the transfer benefit, be made to the amount of any benefit, other than a transfer benefit under this regulation, subsequently arising in respect of the applicant under this Division.
- (6) If the applicant, in writing given to the Board, elects to take the transfer benefit in accordance with the information given under subregulation (5) —
 - (a) the applicant becomes, when the election is made, entitled to the transfer benefit; and
 - (b) the Board is to arrange the transfer accordingly; and

State Superannuation Amendment Regulations (No. 3) 2007**r. 5**

- (c) the amount of any benefit, other than a transfer benefit under this regulation, arising in respect of the applicant under this Division after the election is reduced accordingly.

44C. Reduction of benefits because of transfer benefit

A reduction under regulation 44B(6)(c) to the amount of a benefit may be —

- (a) the deduction of a monetary amount, with or without interest; or
- (b) the reduction by a specified amount of the multiple of final remuneration used to calculate the benefit; or
- (c) calculated in any other manner agreed to by the actuary.

44D. Limited extent of transfer benefits

- (1) A person cannot, except in accordance with the Treasurer's approval under subregulation (2), elect to take a transfer benefit the amount of which would result in the scheme entitlement amount becoming less than the notional unfunded amount.
- (2) The Treasurer may approve of a person specified, or of a class specified, in the approval electing to take a transfer benefit other than in accordance with subregulation (1) but in accordance with other limitations, if any, specified in the approval.
- (3) A person cannot elect to take a transfer benefit the amount of which would be less than \$10 000.
- (4) In this regulation —
“notional funded amount” means the amount that is, at the time of the transfer, the specified percentage of the notional unreduced amount;

State Superannuation Amendment Regulations (No. 3) 2007

r. 5

“notional unfunded amount” means the amount resulting when the notional funded amount is deducted from the notional unreduced amount;

“notional unreduced amount” means the amount of the benefit to which the person would have become entitled under regulation 44 if —

- (a) at the time of the transfer, the person had, instead of taking the transfer benefit, ceased to be an eligible Gold State worker in circumstances in which that regulation applied; and
- (b) the person had not previously taken any transfer benefit;

“scheme entitlement amount” means the amount of the benefit to which the person would become entitled under regulation 44 if, immediately after taking the transfer benefit, the person ceased to be an eligible Gold State worker in circumstances in which that regulation applied;

“specified percentage” means the percentage for the time being fixed by the Board, on the advice of an actuary, at a level designed to ensure that the amounts of all transfer benefits can be met from the portion of the Fund attributable to the Gold State Super Scheme;

“transfer benefit” means a transfer benefit under regulation 44B.

”.
