Aboriginal Communities Act 1979

Warmun Community By-laws 2006

1. Introduction

- (1) These are the *Warmun Community By-laws 2006*.
- (2) These by-laws replace the *Warmun Community (Turkey Creek) Inc. By-laws* made in 1991, which are repealed.
- (3) These by-laws have been made by the Council of Warmun Community (Turkey Creek) Inc. and approved by the Governor.
- (4) Warmun Community (Turkey Creek) Inc. is an Aboriginal community to which the *Aboriginal Communities Act 1979* applies.
- (5) As that Act says, these by-laws apply to you if you are on the community lands of that Aboriginal community and it does not matter if you are a member of the community or not.
- (6) Under that Act the Governor has said which lands are the community lands of the community.
- (7) You are a member of the community if you are a member of Warmun Community (Turkey Creek) Inc. under its constitution or if the Council has agreed that you are a member for the purposes of these by-laws.
- (8) These by-laws are in addition to the laws of Western Australia.

2. How the Council makes decisions

- (1) When it is making a decision under these by-laws the Council will consider the welfare of the community as the most important consideration.
- (2) The Council does not have to give reasons for any of its decisions under these by-laws.
- (3) The Council must tell you about a decision it has made under these by-laws and can do so by speaking or writing to you or by putting up a notice of it in a public place on the community lands.

3. Giving and refusing permission

- (1) The Council can permit a member of the Council or any other person to make decisions on its behalf about giving, refusing or taking away permission under these by-laws and if it does it must do so in writing.
- (2) If you want the Council's permission under these by-laws to do something you must ask the Council, or a person who has been given permission under by-law 3(1) to make decisions.
- (3) If these by-laws allow the Council to give permission to do something, it can give permission to any person or to any class of persons and also can at any time —
 - require the person or class to comply with conditions when doing the thing; or
 - change or take away any such conditions; or
 - take away the permission.
- (4) If these by-laws allow the Council to give permission to do something, it can refuse to give permission.
