Legal Practice Act 2003

**Legal Practitioners (Magistrates Court) (Civil  
Jurisdiction) Determination 2005**

## **Part 1 — Preliminary**

### **1. Citation**

- (1) This report may be cited as the *Legal Practitioners (Magistrates Court) (Civil Jurisdiction) Report 2005*.
- (2) The determination set out in the Schedule to this report is referred to in this report as the *Legal Practitioners (Magistrates Court) (Civil Jurisdiction) Determination 2005*.

## Part 2 — Notice and Inquiries

### 2. Notice under section 213 of the Act

The Legal Costs Committee has complied with the notice provisions of section 213 of the Act.

### 3. Inquiries and submissions under section 213 of the Act

Before making the *Legal Practitioners (Magistrates Court) (Civil Jurisdiction) Determination 2005* the Legal Costs Committee —

- (a) reviewed all submissions received as a result of the notice given under section 213 of the Act;
- (b) consulted with the Court;
- (c) consulted with the Magistrates Association of Western Australia, Law Society of Western Australia (Inc.), the Western Australian Bar Association Inc, the Criminal Lawyers Association of Western Australia and the Legal Aid Commission of Western Australia;
- (d) reviewed the *Legal Practitioners (Local Court) (Contentious Business) Determination 2005*<sup>†</sup>; and
- (e) had regard to relevant provisions of the *Magistrates Court Act 2004* and the *Magistrates Court (Civil Proceedings) Act 2004* which are proclaimed to commence on 1 May 2005<sup>‡</sup>.

## **Part 3 — Report of the Committee's conclusions**

### **4. Hourly rates and scale of costs established**

- (1) The information gained as a result of the inquiries and submissions described in clause 3 satisfied the Legal Costs Committee that having regard to the impending commencement of the *Magistrates Court Act 2004* and the *Magistrates Court (Civil Proceedings) Act 2004*, it is appropriate to determine hourly and daily rates and a scale of costs for legal work applicable to civil proceedings in the Magistrates Court.
- (2) It is the recommendation of the Legal Costs Committee as a result of the inquiries and submissions described in clause 3, having assessed market conditions and having considered submissions, data provided by the Law Society of Western Australia, the incidental administrative implications of the calculation of the GST and the implications of the extension of the civil jurisdiction of the Magistrates Court which is approximately double that previously applicable to the Local Court, that the appropriate hourly and daily rates referred to in subclause 4 (1) are the rates set out in the Table to clause 8 of the *Legal Practitioners (Magistrates Court) (Civil Jurisdiction) Determination 2005*.
- (3) Having regard to the information gained as a result of the inquiries and submissions described in clause 3 and as a consequence of the proclamation of the *Magistrates Court Act 2004* and the *Magistrates Court (Civil Proceedings) Act 2004*, the Legal Costs Committee has concluded it is appropriate to —
  - (a) order the scale to reflect the procedures to be adopted by the Magistrates Court and the flow of litigation;
  - (b) not adopt a division of work between small claims and other claims up to the jurisdictional limit, and between routine and non-routine matters in relation to each class of claims, that had been introduced under the *Legal*

*Practitioners (Local Court) (Contentious Business)  
Determination 1997\** in relation to the Local Court;

- (c) maintain consistency where practicable with the format of the costs determination applicable to the Supreme Court of Western Australia; and
  - (d) provide for hourly and daily rates applicable to Counsel and Senior Counsel.
- (4) The Legal Costs Committee intends, because the scale sets maximum hourly and daily rates and amounts and allowances that must not be exceeded, that the hourly and daily rates and scale of costs will also apply in circumstances requiring the determination of allowable and other costs in the minor cases procedure of the Magistrates Court.
- (5) The Legal Costs Committee intends that the determination shall apply to all civil proceedings dealt with in the Magistrates Court, including civil jurisdiction conferred on the Court by a written law, such as but not limited to the *Dividing Fences Act 1961* and the *Restraining Orders Act 1997*.
- (6) The recommendations of the Legal Costs Committee are not intended to override the entitlement of a practitioner to make a written agreement as to costs with a client under the *Legal Practice Act 2003*.

**Schedule**

*Legal Practice Act 2003*

*Legal Practitioners (Magistrates Court) (Civil Jurisdiction)  
Determination 2005*

Made by the Legal Costs Committee under section 210 of the Act.

**1. Citation**

This determination may be cited as the *Legal Practitioners (Magistrates Court) (Civil Jurisdiction) Determination 2005*.

**2. Commencement**

This determination comes into operation on 1 May 2005.

**3. Application**

- (1) This Determination applies to the remuneration of practitioners in respect of business carried out by practitioners in or for the purposes of civil proceedings before the Magistrates Court.
- (2) This Determination does not apply to the remuneration of practitioners based on costs incurred in respect of business carried out before the commencement of this determination.
- (3) Nothing in this Determination applies to costs in proceedings transferred to the Magistrates Court pursuant to the *Courts Legislation Amendment and Repeal Act 2004* insofar as those costs relate to work undertaken prior to the date of transfer.

**4. No minimum charge**

In no respect is the Scale to be seen as providing a minimum charge for any work other than the items referred to in clause 5. For example, item 2(b) provides for \$1430 for the work involved. The figure of \$1430 is a maximum, but on taxation less than \$1430 might be allowed. Where there is a set cost or time or level of fee earner indicated, the purpose is to indicate to the Assessing Officer what reasonably may be expected in most cases.

**5. Fixed items**

Some items in the Scale have been fixed without any indication of how these items have been calculated. These items are 14 and 15(c). These have been fixed because, based on past practices, the Court staff require a fixed figure when completing the form of Entry of Judgment by Default and the like.

**6. Time estimates**

The reason for stating the number of hours estimated to be necessary to perform each of the items of work described in the Scale is to provide guidance to the Court when dealing with the question of costs so that the Court has some idea how much time is reasonably necessary to perform work in most cases. For example, in item 18(a), which relates to preparation for trial or getting up case for trial, the time indicated is that which can be expected in most cases. The hours referred to in the Scale will guide the Assessing Officer about the amount which should be allowed in a particular case.

**7. Settled proceedings**

It is intended that item 18 should apply even if there is no trial. Thus, if the case is settled before trial and the practitioner can demonstrate that preparation for trial was carried out, then costs may be recovered for that work and allowed on assessment of costs.

**8. Hourly rates**

- (1) The hourly and daily rates set out in the Table to this clause are the maximum hourly and daily rates, inclusive of GST, which the Legal Costs Committee determines shall be used to calculate the dollar amounts in the scale of costs set out in the Table to clause 9. Except for certain items, each item in the Scale of Costs specifies a dollar amount with reference to the fee earner.

**Table to Clause 8**

<b>Fee Earner</b>	<b>Maximum allowable hourly rates</b>
Senior Practitioner (admitted for 5 years or more) (SP) <sup>α</sup> - hourly rate	\$286
Junior Practitioner (admitted for less - hourly rate	\$198

than 5 years)	(JP) $\alpha$		
Clerk/Paralegal	(C/PL)	- hourly rate	\$88

**Counsel fees charged as a disbursement to practitioners or charged by  
in-house Counsel:**

Counsel	(C)*	hourly rate	\$220
		daily rate	\$1540
Senior Counsel	(SC)†	hourly rate	\$363
		daily rate	\$2541

$\alpha$  The reference to Junior Practitioner or to Senior Practitioner in this Determination includes all legal practitioners even if the services were rendered in another State or Territory. Where a local practitioner has held an interstate practice certificate, the length of admission in that other jurisdiction is to be counted in assessing that practitioner's years of admission for the purposes of this Determination.

\* The reference to Counsel in this Determination means a practitioner acting as a barrister other than as Senior Counsel.

† The reference to Senior Counsel in this Determination includes reference to Queens Counsel or Senior Counsel appointed in Western Australia, or appointed in any State or Territory in Australia and whose appointment is afforded recognition by the Chief Justice of the Supreme Court of Western Australia.

**9. Scale of costs**

Unless a practitioner has made a written agreement as to costs with a client under the provisions of section 221 of the *Legal Practice Act 2003*, the costs of or in relation to a party to an action or other proceeding (inclusive of GST and Counsel fees but exclusive of other disbursements)—

- (a) recoverable from one party by another party; or
- (b) payable by a party to that party's own practitioner,

shall not exceed the amounts set out in the Table to this clause.
