Health (Notification of Adverse Event After Immunization) Regulations 1995

1. Citation

These regulations may be cited as the *Health (Notification of Adverse Event After Immunization) Regulations 1995*¹.

2. Interpretation

In these regulations —

adverse event after immunization means an event that —

- (a) is of a kind listed in Appendix 7 of the National Health and Medical Research Council publication “The Australian Immunisation Handbook 7th Edition”; and
- (b) occurs following the administration of a vaccine to a person.

[Regulation 2 amended in Gazette 8 Aug 2000 p. 4549.]

3. Adverse event after immunization prescribed as condition of health

An adverse event after immunization is prescribed as a condition of health to which Part IXA of the Act applies.

4. Notification by medical practitioner

- (1) A medical practitioner must notify the Chief Health Officer of an adverse event after immunization within 14 days of becoming aware of that adverse event.

r. 5

- (2) A notification under subregulation (1) must —
- (a) be in writing in a form approved by the Chief Health Officer; and
 - (b) include the following information —
 - (i) a full description of the adverse event after immunization;
 - (ii) the full name of the person who suffered the adverse event after immunization and that person's address or telephone number;
 - (iii) where the adverse event after immunization is the death of a person, the full name, and the address or telephone number, of the next of kin or personal representative of the deceased person (if known);
 - (iv) the name, dose and batch number of the vaccine administered;
 - (v) the date on which the vaccine was administered;
 - (vi) the name and address of the place where the vaccine was administered; and
 - (vii) the full name, address and telephone number of the medical practitioner giving the notification.
- (3) A medical practitioner who contravenes subregulation (1) commits an offence and is liable to a penalty which is not more than \$1 000 and not less than —
- (a) in the case of a first offence, \$100;
 - (b) in the case of a second offence, \$200; and
 - (c) in the case of a third or subsequent offence, \$500.

[Regulation 4 amended in Gazette 10 Jan 2017 p. 267.]

5. Fee for notification

A fee of \$5 is payable to a medical practitioner who gives notification under regulation 4 but this regulation does not apply

to a medical practitioner who is employed in the Public Service of the State or the Commonwealth, or is employed by an agency or instrumentality of the State or the Commonwealth.

6. Chief Health Officer may request provision of information

- (1) Where the Chief Health Officer —
- (a) is notified of an adverse event after immunization; and
 - (b) has reasonable grounds to believe that a person is able to provide information relating to the adverse event,

the Chief Health Officer may request the person to provide such information relating to the adverse event as the Chief Health Officer considers necessary for the purpose of achieving the objects of Part IXA of the Act.

- (2) A person to whom a request is made under subregulation (1) must comply with the request within 14 days of receiving the request.
- (3) A person who, without reasonable excuse, contravenes subregulation (2) commits an offence and is liable to a penalty which is not more than \$1 000 and not less than —
- (a) in the case of a first offence, \$100;
 - (b) in the case of a second offence, \$200; and
 - (c) in the case of a third or subsequent offence, \$500.

[Regulation 6 amended in Gazette 10 Jan 2017 p. 267.]

Notes

- ¹ This is a compilation of the *Health (Notification of Adverse Event After Immunization) Regulations 1995* and includes the amendments made by the other written laws referred to in the following table. The table also contains information about any reprint.
