   (b) participate, in the State or elsewhere, in any commercial arrangement that has a commercial purpose.

(2) An approval can authorise the University to enter into a transaction, or participate in a commercial arrangement, either —

   (a) directly; or

   (b) through a wholly-owned subsidiary (as defined in the Corporations Act 2001 (Commonwealth) section 9) of the University.
(3) An approval to lease University land can be granted on the basis that subleases of that land (whether all subleases, or only subleases of a particular class or granted in particular circumstances) can be granted without the need to seek or obtain an approval to the granting of those subleases.

(4) Subsection (3) is subject to any conditions attached to the approval.

(5) An approval —
   (a) confers power, for the purposes of this Act, on the University to do the thing authorised by the approval; but
   (b) does not exempt the University or any other person from compliance with, or authorise the University or any other person to do or omit to do anything contrary to —
      (i) any other written law or any law of the Commonwealth or of another State or a Territory; or
      (ii) any obligation of the University or any other person, however that obligation arises.
