

MINERALS AND ENERGY**MN301**

MINES REGULATION ACT 1946

MINES REGULATION AMENDMENT REGULATIONS 1993

Made by His Excellency the Governor in Executive Council.

Citation

1. These regulations may be cited as the *Mines Regulation Amendment Regulations 1993*.

Regulations 1.7 and 1.7A inserted

2. After regulation 1.6 of the *Mines Regulation Act Regulations 1976** the following regulations are inserted —

“

Exemption where substantial compliance

1.7 (1) Where a person or mine does not fully comply with a requirement of these regulations but the State mining engineer is satisfied that there is substantial compliance, he may in writing, exempt the person or mine from the requirement, subject to such terms and conditions as he specifies.

(2) Where the State mining engineer imposes a condition in relation to an exemption granted under subregulation (1), a person having the benefit of the exemption shall not contravene the condition.

(3) An exemption granted by the State mining engineer under this regulation may be revoked by him at any time.

Exemption where compliance unnecessary or impracticable

1.7A (1) The State mining engineer may by a certificate under his hand grant either absolutely or subject to conditions, exemption from compliance with a requirement of these regulations where he is satisfied that compliance would be unnecessary or impracticable.

(2) Where the State mining engineer imposed a condition in relation to an exemption granted under subregulation (1), a person having the benefit of the exemption shall not contravene the condition.

(3) An exemption granted by the State mining engineer under this regulation may be revoked by him at any time.

”
