Gas Standards Act 1972

**Gas Standards (Gasfitting and Consumer Gas Installations) Amendment Regulations
(No. 2) 2017**

Made by the Governor in Executive Council.

1. Citation

These regulations are the *Gas Standards (Gasfitting and Consumer Gas Installations) Amendment Regulations (No. 2) 2017*.

2. Commencement

These regulations come into operation as follows —

- (a) regulations 1 and 2 — on the day on which these regulations are published in the *Gazette*;
- (b) the rest of the regulations — on the day after that day.

3. Regulations amended

These regulations amend the *Gas Standards (Gasfitting and Consumer Gas Installations) Regulations 1999*.

4. Regulation 11 amended

In regulation 11 delete “application” (2nd occurrence).

5. Regulation 15 amended

After regulation 15(3) insert:

- (4) A permit continues to have effect on and from the day on which it was issued or renewed for the period, not exceeding 5 years, specified in the permit.

6. Regulation 15A inserted

After regulation 15 insert:

15A. Renewal of permits

- (1) The Director may renew a permit on an application made not earlier than 90 days before, and not later than 30 days after, the date of the expiry of the permit.
- (2) An application is made under subregulation (1) by submitting to the Director, together with the appropriate fee set out in Schedule 4, the form, duly completed, made available by the Director.
- (3) If, at least 12 months before the date of the expiry of the permit, the Director gives to the holder written notice that the holder is required to complete successfully a course specified in the notice relating to the safe performance of gasfitting work, the Director may refuse to renew the permit if the holder fails to comply with that requirement before that date.
- (4) Subject to subregulation (5), if a permit is renewed under subregulation (1), the renewal has effect from the time when, but for the renewal, the permit would have expired.
- (5) Where a permit is renewed under subregulation (1) on an application made within 30 days after the permit expires, the renewal —
 - (a) has effect only for the balance of the period specified in the permit remaining after the registration is renewed; and
 - (b) does not affect the illegality of anything done after the registration expired and before the renewal took effect.
- (6) In subregulation (5), the reference to the period specified in the permit includes that part of the period in effect immediately before the *Gas Standards (Gasfitting and Consumer Gas Installations) Amendment Regulations (No. 2) 2017* regulation 6 came into operation.

7. Schedule 4 replaced

Delete Schedule 4 and insert:
