5. Act binds Crown

This Act binds the Crown in right of Western Australia and, so far as the legislative power of the Parliament permits, the Crown in all its other capacities.

Part 2 — Strata titles schemes

6. Legislative framework

- (1) This Act provides for a form of subdivision of land referred to as subdivision by a strata titles scheme, and sets out requirements for that form of subdivision.
- (2) Relevant planning approvals must be obtained for the subdivision of land by a strata titles scheme under this Act or the *Planning and Development Act 2005*.
- (3) A strata titles scheme is to be incorporated in the Register, and certificates of title for lots in the scheme are to be created for strata titles, under the *Transfer of Land Act 1893*.
- (4) Consequently, this Act must be read together with the *Planning and Development Act 2005* and the *Transfer of Land Act 1893* to gain a proper understanding of the legislative framework for the subdivision of land by a strata titles scheme.
- (5) This Act also contains provisions about the governance and operation of strata titles schemes and about strata managers.

7. Strata titles schemes

A strata titles scheme is a scheme for the creation of strata titles on registration of the scheme so as to —

- (a) effect a physical division of a parcel of land into —

- (i) 2 or more lots; or
 - (ii) 2 or more lots and common property;
- and
- (b) allow for the lots to be owned and sold or otherwise dealt with separately; and
 - (c) require the common property to be administered by a strata company that comes into existence under this Act on registration of the strata titles scheme; and
 - (d) limit how the common property may be dealt with.

8. Freehold schemes and leasehold schemes

- (1) A strata titles scheme may be —
 - (a) a freehold scheme; or
 - (b) a leasehold scheme.

Note for this section:

All schemes created under this Act before the commencement of the *Strata Titles Amendment Act 2018* are freehold schemes.

- (2) In a *freehold scheme* —
 - (a) there is no separate title for the parcel subdivided by the scheme; and
 - (b) each lot is a freehold lot; and
 - (c) the parcel cannot be dealt with (including by registration of a mortgage) or disposed of under the *Transfer of Land Act 1893*.
- (3) In a *leasehold scheme* —
 - (a) there is a separate title for the parcel subdivided by the scheme; and
 - (b) each lot in the scheme is a leasehold lot subject to a strata lease; and

- (c) the scheme expires on a specified day (the expiry day for the scheme); and
 - (d) the expiry day must be a day that is —
 - (i) at least 20 years (or, if some other period is specified in the regulations, that period) after registration of the scheme; and
 - (ii) not more than 99 years after registration of the scheme;
- and
- (e) the expiry day will be specified in the scheme notice; and
 - (f) within the parameters set out in paragraph (d)(ii), leasehold by-laws for the scheme may provide for postponement of the expiry day; and
 - (g) if leasehold by-laws provide for postponement of the expiry day, the expiry day may be postponed if the postponement is within the parameters set out in paragraph (d)(ii) and is supported by a resolution under section 41; and
 - (h) the expiry day is postponed when an amendment of the scheme notice is registered giving effect to the postponement; and
 - (i) the registered proprietor of the parcel (the ***owner of the leasehold scheme***) is entitled to the reversion in the land on the expiry or termination of the scheme; and
 - (j) the existence of the leasehold scheme and its expiry day must be endorsed on the certificate of title for the parcel; and

- (k) the owner of the leasehold scheme is the lessor and the owner of a lot in the scheme is the lessee under the strata lease for the lot; and
- (l) the owner of the leasehold scheme may be the owner of a lot in the scheme despite any law relating to the merger of leasehold and reversionary estates in land; and
- (m) the owner of the leasehold scheme cannot separately deal with or dispose of the reversion in a lot or the common property of the strata titles scheme; and
- (n) the reversion in the parcel can be transferred, disposed of or mortgaged as a whole, and a memorial or property seizure sale order can be made in relation to the reversion of the parcel as a whole under the *Transfer of Land Act 1893*, but no other dealings can be registered under that Act against the reversion in the parcel.

Note for this subsection:

For the scheme notice, see section 29. For leasehold by-laws, see section 40.

9. Lots — strata schemes and survey-strata schemes

- (1) The boundaries of lots in a strata titles scheme are defined on the scheme plan for the strata titles scheme.
- (2) A lot can be comprised of non-contiguous parts defined on the scheme plan for the strata titles scheme.

Example for this subsection:

The non-contiguous parts may be to allow for a separate car parking space or shed to be part of the lot.

- (3) The way in which the boundaries of lots are defined on the scheme plan for a strata titles scheme determines

whether the scheme is a *strata scheme* or a *survey-strata scheme*.

- (4) The way in which the boundaries of a lot in a strata scheme are defined on the scheme plan must be as set out in the definition of lot in a strata scheme in section 3(1) and in section 3(2) to (4).

Note for this subsection:

Schedule 2A provides for a special rule for how lots may be defined in a single tier strata scheme.

- (5) The way in which the boundaries of a lot in a survey-strata scheme are defined on the scheme plan must be as set out in the definition of *lot* in a survey-strata scheme in section 3(1).
- (6) A change in the definition of the boundaries of a lot does not, even if the lot is assigned a new identifying number, of itself affect —
- (a) for a leasehold scheme — the strata lease for the lot; or
 - (b) for a leasehold or freehold scheme — any other item registered or recorded for the scheme in the Register.
- (7) Damage to, or destruction or removal of a wall, floor, ceiling or other structural element by reference to which a lot in a strata scheme is defined does not of itself affect the definition of the boundaries of the lot (which remain as defined on the scheme plan).

10. Common property

- (1) The *common property* in a strata titles scheme is —
- (a) that part of the parcel of land subdivided by the strata titles scheme that does not form part of a lot in the strata titles scheme; and
 - (b) temporary common property.

- (2) The **common property** includes, for a strata scheme, those parts of a scheme building that do not form part of a lot.
- (3) The **common property** does not include —
 - (a) any land vested in the Crown under the *Planning and Development Act 2005* section 152; or
 - (b) any dedicated road under the *Planning and Development Act 2005* section 168.
- (4) If a strata plan identifies an encroachment outside the parcel that is to be controlled and managed as common property, the encroachment is to be regarded, for this Act, as if it were common property.

11. Subdivision of land by strata titles scheme

- (1) Land is **subdivided** by a strata titles scheme —
 - (a) by registration of the scheme; or
 - (b) by registration of an amendment of the scheme.
- (2) Registration of an amendment of a strata titles scheme gives effect to a **subdivision** if it —
 - (a) effects a change to the definition of a lot in the scheme; or
 - (b) effects a change to the boundary of the parcel of land subdivided by the scheme.

Note for this section:

1. There are 4 types of amendment of a strata titles scheme that give effect to a subdivision, with varying requirements for resolutions and consents:
 - A type 1 subdivision covers adding land from outside the parcel to the common property (other than as temporary common property) and what was formerly referred to as conversion of lots into common property.
 - A type 2 subdivision covers the removal of common property from the parcel of a strata titles scheme.

- A type 3 subdivision covers what was formerly referred to as consolidation of lots.
 - A type 4 subdivision covers what was formerly referred to as re-subdivision.
2. Re-subdivision of a lot or common property was defined in section 3(5) of the Act as in force immediately before the *Strata Titles Amendment Act 2018* to include the alteration of the boundaries of —
- 1 or more lots so as to create only 2 or more different lots; or
 - 1 or more lots so as to create 1 or more different lots and common property; or
 - 1 or more lots and common property so as to create 1 or more different lots or 1 or more different lots and common property; or
 - common property so as to create 1 or more lots or 1 or more lots and common property.
3. Schedule 2A provides special provisions relating to subdivision in a single tier strata scheme.

12. Registration of strata titles scheme

- (1) A strata titles scheme is registered when the following documents (the *scheme documents*) are registered and incorporated in the Register —
- (a) for a freehold scheme —
 - (i) a scheme notice;
 - (ii) a scheme plan;
 - (iii) a schedule of unit entitlements;
 - (iv) scheme by-laws;
 - (b) for a leasehold scheme —
 - (i) a scheme notice (which must specify the expiry day for the scheme);
 - (ii) a scheme plan;
 - (iii) a schedule of unit entitlements;

Strata Titles Amendment Act 2018

Part 2 Strata Titles Act 1985 amended

Division 3 Deletion and insertion of provisions in body of Act

s. 83

- (iv) scheme by-laws;
- (v) a strata lease for each lot.

Note for this subsection:

If the scheme by-laws comprise the by-laws set out in Schedules 1 and 2 without amendment, the scheme by-laws will be taken to be registered without the need for submission of the by-laws to the Registrar of Titles.

- (2) A registered strata titles scheme is amended when amendments of the relevant scheme documents, or replacements of the relevant scheme documents, are registered or recorded and incorporated in the Register.

Note for this subsection:

The amendment may be necessary to give effect to a subdivision of land as referred to in section 11(2) or it may be unrelated to a subdivision of land, comprising, for example —

- the amendment of the scheme notice so as to amend the name or address for service of the strata company; or
 - the amendment or replacement of the scheme plan for the strata titles scheme for a purpose related to an easement or restrictive covenant or a restricted use condition; or
 - the amendment or replacement of the schedule of unit entitlements for the strata titles scheme because of a new valuation of lots; or
 - the amendment or replacement of scheme by-laws.
- (3) If a registered leasehold scheme is amended to give effect to a subdivision involving the creation of new lots, a strata lease must be registered as a scheme document for each new lot.

13. Strata titles

- (1) The title to the land comprised in a lot is referred to as a *strata title*.

- (2) A certificate of title must be created and registered for each strata title under the *Transfer of Land Act 1893*.

Note for this subsection:

A separate certificate of title is not created for common property.

- (3) For a leasehold scheme, the existence of the scheme and its expiry day must be endorsed on the certificate of title for each strata title for a lot in the scheme.
- (4) On registration of a strata titles scheme or an amendment of a strata titles scheme to give effect to a subdivision of land, strata titles come into existence, cease to exist or are varied as necessary to ensure that —
- (a) there is 1 strata title registered for each lot in the scheme or the scheme as amended; and
 - (b) the strata title for a lot confers the rights on the owner of the lot as set out in this section.
- (5) When a new lot is created and a strata title comes into existence, it vests as follows —
- (a) in the case of a parcel of land that is being subdivided, in the person who is, immediately before the new lot is created, the registered proprietor of the land under the *Transfer of Land Act 1893*;
 - (b) in the case of a lot that is being subdivided, in the person who is, immediately before the new lot is created, the owner of that lot;
 - (c) in the case of common property that is being subdivided, in the persons who are, immediately before the new lot is created, the owners of lots in the strata titles scheme as tenants in common in shares proportional to the unit entitlements of their respective lots.

s. 83

- (6) If a lot that is created vests in 2 or more persons, they hold their share in the lot as tenants in common or as joint tenants in the same manner as they owned the land or lot and, if they owned it as tenants in common, in the same proportions as they owned the land or lot.
- (7) When a strata title for a lot in a freehold scheme comes into existence it confers on the owner of the lot —
 - (a) rights as the proprietor of a fee simple estate in the lot under the *Transfer of Land Act 1893*; and
 - (b) an undivided share of the fee simple estate in the common property (other than temporary common property) as a tenant in common with the other owners of lots in the scheme, proportional to the unit entitlements of their respective lots; and
 - (c) an undivided share of the temporary common property as a tenant in common with the other owners of lots in the scheme, proportional to the unit entitlements of their respective lots.
- (8) When a strata title for a lot in a leasehold scheme comes into existence it confers on the owner of the lot, subject to Part 4 Division 5 —
 - (a) rights as the proprietor of a strata leasehold estate in the lot under the *Transfer of Land Act 1893*; and
 - (b) an undivided share of the strata leasehold estate in the common property as a tenant in common with the other owners of lots in the scheme, proportional to the unit entitlements of their respective lots; and
 - (c) an undivided share of the temporary common property as a tenant in common with the other

owners of lots in the scheme, proportional to the unit entitlements of their respective lots.

- (9) The owner of a lot cannot separately deal with or dispose of the owner's share in the common property of the strata titles scheme.
- (10) A dealing under the *Transfer of Land Act 1893* affecting the owner's interest in a lot affects, without express reference, the owner's interest in the common property in the same manner and to the same extent.
- (11) A strata title is subject to interests registered or recorded under the *Transfer of Land Act 1893* to the extent that they affect the lot or common property to which the strata title relates.
- (12) The owner of a lot in a leasehold scheme cannot deal with the strata lease separately from the strata title.

14. Strata company

- (1) On registration of a strata titles scheme, a strata company is established for the strata titles scheme.
- (2) The name of the strata company is "The Owners of [*the name of the scheme*] (survey-strata scheme/strata scheme [*according to the type of strata titles scheme*] [*the reference number allocated to the scheme by the Registrar of Titles*])".
- (3) The name of the strata titles scheme is the name stated in the scheme notice.
- (4) The address for service of the strata company is the address for service stated in the scheme notice.
- (5) A strata company —
 - (a) is a body corporate; and
 - (b) has perpetual succession; and

- (c) is capable of suing and being sued in its own name; and
 - (d) has, subject to this Act, all the powers of a natural person that are capable of being exercised by a body corporate.
- (6) The governing body of a strata company is the council of the strata company.
- (7) A strata company may have a common seal, but it does not have to do so.
- (8) A strata company is comprised of the owners for the time being of the lots in the strata titles scheme (who are the members of the strata company).

Division 1 — Planning approvals

Subdivision 1 — Strata schemes

15. Subdivision approval of strata scheme

- (1) An application may be made under this section to the Planning Commission for approval of a strata plan or an amendment of a strata plan to give effect to a subdivision of land by a strata scheme.
- (2) The Planning Commission's approval of a strata plan or an amendment of a strata plan under this section may be subject to conditions in the same way as if the approval were an approval of a plan of subdivision given under the *Planning and Development Act 2005*.
- (3) The *Planning and Development Act 2005* applies to the conditions as if the approval were an approval of a plan of subdivision given under that Act.

- (4) Before a strata plan or an amendment of a strata plan can be registered under this Act, the Planning Commission must issue a certificate endorsing the strata plan or amendment with its unconditional approval of the subdivision.
- (5) An application under this section must —

- (6) The regulations may provide for exemptions from the requirement for a strata plan or amendment of a strata plan to be approved by the Planning Commission for registration of a subdivision of land by a strata scheme.

16. Application of Planning and Development Act

- (1) The *Planning and Development Act 2005* sections 135, 146 and 147 do not apply to a subdivision of land by a strata scheme.
- (2) If a strata plan, or an amendment of a strata plan, contains any vacant lot, the Planning Commission must comply with the *Planning and Development Act 2005* sections 142, 143 and 144, and section 151 of that Act applies, as if the plan were a plan of subdivision which required the approval of the Planning Commission under that Act.

Subdivision 2 — Survey-strata schemes

17. Subdivision approval of survey-strata scheme

- (1) The *Planning and Development Act 2005* Divisions 1, 2 (other than section 141) and 3 of Part 10 and section 166 apply to the subdivision of land by a survey-strata scheme.

and

Division 3 Deletion and insertion of provisions in body of Act

s. 83

- (f) to the extent that the amendment gives effect to any type of subdivision — the amendment is approved by the Planning Commission (subject to any exemption in regulations under section 15(6)); and
- (g) to the extent that the amendment imposes, varies or revokes a restricted use condition, the imposition, variation or revocation —

 - (iii) in the case of an amendment affecting a lot — the owner of the lot has given written consent to the amendment; and

(iv) in any case — the holder of each designated interest over the common property or a lot affected by the amendment has been given notice in the approved form of the amendment and —

(I) has given written consent to the subdivision; or

(II) has not, at the end of 60 days after being given notice, made a written objection to the creation or discharge setting out the reasons for the objection;

and

(j) for a strata scheme —

(i) the amendment of the scheme plan is accompanied by an occupancy permit or building approval certificate under the *Building Act 2011* Part 4 Division 3 for each scheme building constructed or modified in the course of a subdivision to be given effect by registration of the amendment of the scheme; and

(ii) if the amendment of the scheme plan identifies an encroachment that is not on to a public road, street or way and is to be managed or controlled as if it were common property, an appropriate easement has been granted and will be lodged with the Registrar of Titles.

(2) The Tribunal may, on the application of an applicant for registration of an amendment of a strata titles scheme, order that an objection to the amendment of a

person with a designated interest be disregarded on the grounds that the objection is unreasonable.

- (3) In considering whether an objection is unreasonable, the Tribunal may consider —
 - (a) the merits of the proposed amendment of the strata titles scheme; and
 - (b) the grounds for the objection; and
 - (c) any other factor the Tribunal considers relevant.
- (4) If the Tribunal makes such an order, the applicant must lodge a copy of the order certified by the Tribunal with the Registrar of Titles.
- (5) The notice of a resolution for an amendment of a scheme plan must include details of the proposed amendment, and any associated amendment of the schedule of unit entitlements, in the approved form.

Note for this section:

For when an amendment of a scheme plan affects the common property or a lot, see section 3(7).

36. Exemption for staged subdivision

If the amendment of a scheme plan is required as a consequence of completion of a stage of subdivision to which staged subdivision by-laws apply and the subdivision has been undertaken with sufficient compliance with the by-laws as determined in accordance with the regulations —

- (a) section 35(1)(a) to (e) do not apply; and
- (b) to the extent that the by-laws contemplate the creation or discharge of a particular easement or restrictive covenant on the completion of the stage of subdivision, section 35(1)(i) does not apply to that easement or restrictive covenant.

Note for this section:

Because staged subdivision by-laws cannot apply to subdivision comprised of the removal, from the parcel, of land comprised of common property or the addition, to the parcel, of land from outside the parcel, the question of an exemption can arise in the context of a type 1 subdivision comprised of the conversion of a lot to common property or a type 3 or type 4 subdivision. The question cannot arise in the context of a type 2 subdivision.

Division 3 — Schedule of unit entitlements

37. Schedule of unit entitlements

- (1) The schedule of unit entitlements for a strata titles scheme must —
 - (a) allocate a whole number (a *unit entitlement*) to each lot in the strata titles scheme; and
 - (b) state the number that is the sum of the unit entitlements of all the lots in the strata titles scheme.

Note for this subsection:

The unit entitlement of a lot determines —

- the interest of the owner of the lot in the common property in the strata titles scheme: see section 13; and
 - subject to the scheme by-laws, the contributions payable by the owner of a lot in the scheme: see section 100; and
 - the voting rights that attach to the lot: see section 120.
- (2) When allocated, the proportion that a unit entitlement of a lot bears to the sum of the unit entitlements of all the lots in the strata titles scheme must not be greater than 5% more, or 5% less, than the proportion that the value of the lot bears to the sum of the value of all the lots in the strata titles scheme.
 - (3) The value of a lot is —
 - (a) in a strata scheme — the capital value; and
 - (b) in a survey-strata scheme — the site value.

- (4) Without limitation, the regulations may prescribe matters relating to the determination of the value of a lot.
- (5) A schedule of unit entitlements, or an amendment of a schedule of unit entitlements, for a strata titles scheme must —
 - (a) be in the approved form; and
 - (b) be prepared and certified by a licensed valuer.
- (6) A licensed valuer must comply with the regulations and Transfer of Land Act requirements in preparing and certifying a schedule of unit entitlements, or an amendment of a schedule of unit entitlements, for a strata titles scheme.
- (7) A schedule of unit entitlements, or an amendment of a schedule of unit entitlements, must not be registered unless it is certified by a licensed valuer within a period specified in the regulations before an application is made for registration of the schedule or amendment.

38. Requirements for registration of amendment of schedule of unit entitlements

- (1) An amendment of a schedule of unit entitlements may only be registered —
 - (a) in conjunction with an amendment of the scheme plan to give effect to a subdivision; or
 - (b) if the amendment is authorised by resolution without dissent of the strata company; or
 - (c) if the amendment is authorised by order of the Tribunal.

- (2) An amendment under subsection (1)(b) must not be registered unless the holder of each designated interest over the whole or a part of the parcel —
 - (a) has been given notice in the approved form of the amendment; and
 - (b) either —
 - (i) has given written consent to the amendment; or
 - (ii) has not, at the end of 60 days after being given notice, made a written objection to the amendment.
- (3) The Tribunal may, on the application of an applicant for registration of an amendment of a strata titles scheme involving the amendment of the schedule of unit entitlements, order that an objection to the amendment of a person with a designated interest be disregarded on the grounds that the objection is unreasonable.
- (4) In considering whether an objection is unreasonable, the Tribunal may consider —
 - (a) the merits of the proposed amendment of the strata titles scheme; and
 - (b) the grounds for the objection; and
 - (c) any other factor the Tribunal considers relevant.
- (5) The Tribunal may, on the application of a strata company or the owner or registered mortgagee of a lot in a strata titles scheme, authorise the amendment of the schedule of unit entitlements for the scheme if satisfied that, if unit entitlements were to be allocated at the time of the application, the schedule of unit entitlements would require amendment for compliance with section 37(2).

- (6) If the Tribunal makes an order under this section, the applicant for the order must lodge a copy of the order certified by the Tribunal with the Registrar of Titles for registration of the amendment of the schedule of unit entitlements.

Division 4 — Scheme by-laws

39. Scheme by-laws on registration

On registration of a strata titles scheme —

- (a) subject to paragraph (b), the governance by-laws set out in Schedule 1 and the conduct by-laws set out in Schedule 2 are taken to be registered for the scheme; and
- (b) if other scheme by-laws are registered for the scheme, the strata company is taken to have made those by-laws and the by-laws referred to in paragraph (a) are amended or repealed accordingly.

40. Leasehold by-laws

- (1) ***Leasehold by-laws*** of a leasehold scheme are by-laws that provide —
 - (a) for postponement of the expiry day for the scheme; or
 - (b) for compensation payable on the expiry of the scheme.
- (2) If a leasehold scheme does not have leasehold by-laws, the expiry day for the scheme cannot be postponed.
- (3) The expiry day for a leasehold scheme —
 - (a) cannot be postponed to a day that is more than 99 years after registration of the scheme; and

- (b) cannot be postponed unless the postponement is supported by resolution of the strata company as set out in section 41.
- (4) Leasehold by-laws —
 - (a) may provide that the owner of the leasehold scheme is to be paid an amount for the postponement of the expiry day for the scheme by the owner of each lot in the scheme and, if they do so —
 - (i) the amount paid by the owners of the lots must be proportional to the unit entitlements of their respective lots; and
 - (ii) the by-laws —
 - (I) must set out how the amount is to be calculated; and
 - (II) must set out when and how the amount is to be paid (which must be at least 4 months before the expiry day); and
 - (III) must provide that, if the amount is not paid as required under the by-laws, the owner of the leasehold scheme is entitled to re-enter the lot from the end of the expiry day for the scheme that applied before the postponement;
 - and
 - (b) may provide for compensation to be payable to the owner of a lot on the expiry of the scheme for improvements to the lot effected by the owner or a former owner of the lot; and

- (c) must comply with requirements set out in the regulations.
- (5) Leasehold by-laws can only be made, amended or repealed if the owner of the leasehold scheme has given written consent to the by-laws.

Note for this section:

Leasehold by-laws providing for postponement of the expiry day for the scheme can only be made, amended or repealed with the approval of the Planning Commission as set out in section 20.

41. Resolution for postponement of expiry day under leasehold by-laws

- (1) If the leasehold by-laws provide for postponement of the expiry day for the leasehold scheme, the expiry day may only be postponed if the postponement is supported by a resolution as follows —
 - (a) 14 days' notice of the terms of the proposed resolution must be given to each member of the strata company before voting on the resolution opens;
 - (b) the resolution must specify a proposed new expiry day (in accordance with the leasehold by-laws) that is a day that is not more than 99 years after registration of the scheme;
 - (c) the votes in favour of the resolution must equal not less than 75% of the number of lots in the scheme;
 - (d) the resolution must be passed not later than 6 months before the expiry day.
- (2) The owner of the leasehold scheme or an owner of a lot in a leasehold scheme may convene a general meeting of the strata company to vote on a resolution for

postponing the expiry day for the scheme if the strata company has not done so.

- (3) Section 126(a) does not apply to a vote on a resolution for postponing the expiry day for a leasehold scheme.
- (4) The strata company must, as soon as reasonably practicable after the passing of a resolution under this section —
 - (a) serve notice of the resolution, in the approved form, on the owner of the leasehold scheme; and
 - (b) apply for registration of an amendment of the scheme notice to give effect to the postponement of the expiry day.

42. Staged subdivision by-laws

- (1) *Staged subdivision by-laws* of a strata titles scheme are by-laws that apply as if they were an agreement by the strata company with a person about subdivision of the strata titles scheme in stages.

Note for this subsection:

Under section 36, compliance with a stage of subdivision as set out in staged subdivision by-laws removes the need for resolutions and consents for registration of an amendment of the strata titles scheme to give effect to the subdivision.

- (2) Staged subdivision by-laws must—
 - (a) describe in detail —
 - (i) the stages of subdivision that are agreed; and
 - (ii) any amendments to the scheme plan and schedule of unit entitlements that will be made on completion of each stage of subdivision;and

Strata Titles Amendment Act 2018

Part 2 Strata Titles Act 1985 amended

Division 3 Deletion and insertion of provisions in body of Act

s. 83

- (b) identify the lots or common property affected by each stage of subdivision; and
 - (c) comply with requirements set out in the regulations.
- (3) Staged subdivision by-laws cannot apply to subdivision comprised of the removal, from the parcel, of land comprised of common property or the addition, to the parcel, of land from outside the parcel.
- (4) Staged subdivision by-laws do not bind the Planning Commission or a local government to give a planning approval for an agreed stage of subdivision.
- (5) Staged subdivision by-laws do not bind the scheme developer of a stage of subdivision to undertake the subdivision.
- (6) Staged subdivision by-laws can only be made, amended or repealed if —
 - (a) for a leasehold scheme, the owner of the leasehold scheme —
 - (i) has been given notice in the approved form of the by-laws; and
 - (ii) has given written consent to the by-laws;
 - and
 - (b) in any case, the holder of each designated interest over the whole or a part of the parcel —
 - (i) has been given notice in the approved form of the by-laws; and
 - (ii) either —
 - (I) has given written consent to the application; or

- (II) has not, at the end of 60 days after being given notice, made a written objection to the proposed by-laws.
- (7) The Tribunal may, on the application of an applicant for registration of staged subdivision by-laws or an amendment of staged subdivision by-laws, order that an objection to the by-laws of a person with a designated interest be disregarded on the grounds that the objection is unreasonable.
- (8) In considering whether an objection is unreasonable, the Tribunal may consider —
 - (a) the merits of the proposed by-laws; and
 - (b) the grounds for the objection; and
 - (c) any other factor the Tribunal considers relevant.
- (9) If the Tribunal makes such an order, the applicant must lodge a copy of the order certified by the Tribunal with the Registrar of Titles.

43. Exclusive use by-laws

- (1) *Exclusive use by-laws* of a strata titles scheme are scheme by-laws that confer exclusive use and enjoyment of, or special privileges over, the common property in the strata titles scheme or specified common property in the strata titles scheme (the *special common property*) on the occupiers, for the time being, of a specified lot or lots in the strata titles scheme (the *special lots*).
- (2) Exclusive use by-laws may include the following —
 - (a) terms and conditions on which the occupiers of special lots may use the special common property;

Strata Titles Amendment Act 2018

Part 2 Strata Titles Act 1985 amended

Division 3 Deletion and insertion of provisions in body of Act

s. 83

- (b) particulars relating to access to the special common property and the provision and keeping of any key necessary;
 - (c) particulars of the hours during which the special common property may be used;
 - (d) provisions relating to the condition, maintenance, repair, renewal or replacement of the special common property;
 - (e) provisions relating to insurance of the special common property to be maintained by the owners of special lots;
 - (f) matters relating to the determination of amounts payable to the strata company by the owners of special lots and the imposition and collection of the amounts.
- (3) Subject to the terms of exclusive use by-laws, the obligations that would, apart from this subsection, fall on the strata company under section 91(1)(c) in relation to the special common property fall instead on the owners of the special lots.
- (4) An amount payable by a person to a strata company under exclusive use by-laws must be paid (together with interest on any outstanding amount) and may be recovered by the strata company, as if the amount payable were an unpaid contribution levied on the person as a member of the strata company.
- (5) Exclusive use by-laws can only be made, amended or repealed if the owner of each lot that is or is proposed to be a special lot has given written consent to the by-laws.

44. Making of scheme by-laws

- (1) Subject to this Act, a strata company may, by resolution of the strata company, make governance by-laws or conduct by-laws for the strata titles scheme (including by-laws that amend or repeal the by-laws it is taken to have made on registration of the scheme).
- (2) The resolution to make by-laws must be —
 - (a) for governance by-laws — a resolution without dissent; and
 - (b) for conduct by-laws — a special resolution.
- (3) The power to make by-laws includes power to amend or repeal by-laws in the same manner and on the same conditions as they are made.
- (4) If by-laws purport to be made in exercise of a particular power or powers, they are also taken to be made in exercise of all powers under which they can be made.
- (5) Scheme by-laws must be in the approved form.

45. Application of scheme by-laws

- (1) Scheme by-laws may apply to the following —
 - (a) the strata company for the strata titles scheme;
 - (b) a member, for the time being, of the strata company for the strata titles scheme;
 - (c) an occupier or lessee, for the time being, of a lot, or the common property, in the strata titles scheme;
 - (d) in the case of leasehold by-laws — the owner of the leasehold scheme;

- (e) in the case of exclusive use by-laws — the owners and occupiers, for the time being, of special lots.
- (2) Each person to whom scheme by-laws apply must comply with the by-laws as if the by-laws were a deed (signed and sealed by each person to whom they apply) containing mutual covenants to observe and perform the matters set out in the by-laws.
- (3) A lease of a lot or common property in a strata titles scheme is taken to contain an agreement by the lessee that the lessee will comply with the scheme by-laws.
- (4) The owner, occupier or lessee of a lot or common property in a strata titles scheme must take all steps that are reasonable in the circumstances to ensure that every person who they permit to use or who they invite on to the lot or common property complies with by-laws that apply to the owner, occupier or lessee.
- (5) Scheme by-laws are not by-laws or subsidiary legislation within the meaning of the *Interpretation Act 1984*.

 - (b) specify circumstances in which a daily penalty may be imposed for a continuing contravention and a maximum amount that may be imposed as a daily penalty.
 - (8) If an order is made under this section requiring a member of a strata company to pay an amount to a strata company, the amount may be recovered by the strata company, and interest is payable on any outstanding amount, as if the amount payable were an unpaid contribution levied on the member as a member of the strata company.

- 48. Requirements for registration of amendment to give effect to scheme by-laws**

Division 5 — Strata leases

49. Relationship with other laws

- (1) When a strata lease is registered as a scheme document, the lease is taken to be a registered lease under the *Transfer of Land Act 1893*.
- (2) The following provisions do not apply to or in relation to a strata lease —
 - (a) the *Transfer of Land Act 1893* Part IV Division 2;
 - (b) the *Property Law Act 1969* sections 72, 73, 74, 75, 76, 79, 80, 81 and 83 and Part VII Division 2;
 - (c) other provisions of those or other Acts specified in the regulations.
- (3) Subsection (2) does not affect the application of the *Transfer of Land Act 1893* or the *Property Law Act 1969* to a lease of a lot in a leasehold scheme.

50. Term of strata lease

- (1) A strata lease for a lot in a leasehold scheme commences when the lot is created on the registration of the leasehold scheme or an amendment of the leasehold scheme to give effect to a subdivision and expires on the expiry day for the scheme.

- (2) A strata lease is of no effect to the extent that it purports to extend beyond the expiry day for the scheme.
- (3) A strata lease is not subject to renewal, but its term is extended by postponement of the expiry day for the scheme.
- (4) The fact that the expiry day may be postponed does not render a strata lease invalid for being of uncertain duration or for any other reason.
- (5) A strata lease is not subject to forfeiture.

51. Limitations on powers of owner of leasehold scheme

- (1) The owner of a leasehold scheme must not interfere with the use and enjoyment of a lot or common property in the leasehold scheme by the owner of a lot in the scheme.
- (2) Subject to subsection (3), the consent of the owner of the leasehold scheme is not required by the owner of a lot in the scheme to deal with or dispose of the strata title for the lot.
- (3) The regulations may specify circumstances in which the consent of the owner of the leasehold scheme may be required despite subsection (2).
- (4) The owner of a leasehold scheme cannot re-enter a lot in the scheme except if that is authorised by order of the Tribunal or under the leasehold by-laws (for non-payment of an amount for postponement of the expiry day) or if the owner of the lot surrenders the strata lease.

52. Content and form of strata lease

- (1) A strata lease —

- (a) can only contain covenants or conditions allowed by the regulations; and
 - (b) if breach of a covenant or condition may lead to an order of the Tribunal for re-entry, the strata lease must identify the covenant or condition as a ***fundamental covenant or condition***; and
 - (c) cannot grant the owner of the leasehold scheme a right of re-entry of the lot for breach of a covenant or condition (express or implied); and
 - (d) must be in the approved form.
- (2) The covenants or conditions allowed by the regulations cannot include covenants or conditions for the following —
- (a) a matter that could be included in leasehold by-laws;
 - (b) refurbishment of the lot or improvements on the lot;
 - (c) a matter that is dealt with under this Act including —
 - (i) financial contributions towards the maintenance, repair, renewal or replacement of common property in the leasehold scheme or property of the strata company; and
 - (ii) the insurance required for the leasehold scheme;
 - (d) the acquisition of the owner of a leasehold scheme's freehold reversion in the lot and the common property appurtenant to the lot;
 - (e) compensation for the value of improvements to the lot;
 - (f) any other matter specified in the regulations.

- (3) If a strata lease cannot provide for, or relate to, something under this section, then it cannot be provided for in any other way, other than under scheme by-laws (if the thing may be the subject of scheme by-laws).

Note for this subsection:

For example, the thing cannot be made the subject of a lease, contract or deed.

53. Amendment of strata lease

- (1) A strata lease can only be amended by written agreement between the owner of the leasehold scheme and the owner of the lot to which the strata lease relates.
- (2) The regulations may impose additional requirements for the amendment of a strata lease.
- (3) The amendment of a strata lease cannot take effect until registration of the amendment.
- (4) An amendment of a strata lease must not be registered unless —
- (a) if the owner of the leasehold scheme or the owner of the lot is not an applicant, that owner has given written consent to the amendment; and
 - (b) the strata lease as amended is lodged with the Registrar of Titles.

54. Enforcement of strata lease

- (1) The owner of a leasehold scheme or the owner of a lot in the leasehold scheme may apply to the Tribunal for enforcement of a covenant or condition in the strata lease or an obligation under this Division.

- (2) However, an application can only be made by the owner of the leasehold scheme if —
- (a) the owner of the leasehold scheme has served notice about the breach of the strata lease on the owner of the lot, and the mortgagee of the lot, if any, that complies with the *Property Law Act 1969* section 81(1)(a), (b) and (c); and
 - (b) the owner of the lot has failed within a reasonable time after the service of the notice on the owner, to remedy the breach, if it is capable of remedy, and to make reasonable compensation in money, to the satisfaction of the owner of the leasehold scheme, for the breach.
- (3) The Tribunal may, if satisfied that the owner of a lot in a leasehold scheme has breached a covenant or condition in the strata lease, by order do 1 or more of the following —
- (a) require the owner of the lot to pay compensation to the owner of the leasehold scheme for any pecuniary loss or damage caused by the breach of the strata lease;
 - (b) require the owner of the lot to do, or refrain from doing, a specified act to remedy the breach;
 - (c) vest, for the remaining term of the strata lease, or for a shorter term, the strata lease for the lot in a mortgagee of the lot on conditions that the Tribunal is satisfied are just and equitable, including, for example, conditions relating to —
 - (i) the execution of a dealing or other document; or

- (ii) the payment of costs, expenses, damages or compensation; or
 - (iii) the giving of security;
 - (d) if the covenant or condition is a fundamental covenant or condition and the Tribunal is satisfied that the owner of the leasehold scheme cannot be reasonably compensated by an order under a preceding paragraph, authorise the owner of the leasehold scheme to re-enter the lot.
- (4) The Tribunal may, if satisfied that the owner of a leasehold scheme has breached a covenant or condition in the strata lease or has contravened this Act, by order do 1 or more of the following —
- (a) require the owner of the leasehold scheme to pay compensation to the owner of a lot in the scheme for any pecuniary loss or damage caused by the owner of the leasehold scheme, including by purporting to exercise a right to re-enter the lot in circumstances in which the owner does not have that right;
 - (b) require the owner of the leasehold scheme to return possession of a lot in the scheme to the owner of the lot.

55. Contracting out prohibited

- (1) A contract or any other agreement or arrangement is of no effect to the extent that it purports to exclude or restrict the operation of this Division.
- (2) A purported waiver of a right, remedy or benefit conferred on a person under this Division is of no effect.

Part 5 — Registration and land titles

- (3) The Registrar of Titles may accept an application for registration of a scheme plan or amendment of a scheme plan, or a scheme plan or amendment of a scheme plan for lodgement, before the plan or amendment is endorsed with the approval of the Planning Commission as required under Part 3 Division 1, but the plan or amendment cannot be registered until it is so endorsed.
- (4) The regulations may impose time limits within which an application for registration must be made.

Note for this subsection:

For example, an application involving an amendment of a scheme plan may be required to be made within a specified period after endorsement of the scheme plan by the Planning Commission.

57. Effect of registration

- (1) On registration of a freehold scheme —

- (4) A scheme document, or an amendment of a scheme document, has effect from when it is registered or recorded by the Registrar of Titles.

58. Registration process

- (1) To register a strata titles scheme or an amendment of a strata titles scheme, the Registrar of Titles must —
 - (a) allocate a reference number (being a unique series of numbers or letters or both numbers and letters) to the scheme; and
 - (b) register or record, in the manner that the Registrar considers appropriate for incorporation of the strata titles scheme in the Register under the *Transfer of Land Act 1893*, the scheme documents or amendments of the scheme documents (including, without limitation, by attaching the reference number of the scheme to the scheme plan); and
 - (c) as appropriate in the circumstances, register or record a disposition statement, transfers or other documents lodged with the application for registration in the manner that the Registrar considers appropriate for incorporation in the Register under the *Transfer of Land Act 1893*; and
 - (d) on registration of a strata titles scheme or an amendment of a strata titles scheme to give effect to a subdivision of land —
 - (i) ensure that there is a separate certificate of title registered under the *Transfer of Land Act 1893* for each lot in the strata titles scheme; and
 - (ii) for a leasehold scheme, ensure that there is —

- (2) A separate certificate of title is not to be created for common property or for a parcel subdivided by a freehold scheme.
 - (3) The *Transfer of Land Act 1893* section 48B does not apply to a certificate of title for a lot in a leasehold scheme.
 - (4) The *Transfer of Land Act 1893* section 166 does not apply to a subdivision of land by a strata titles scheme.
 - (5) Without limiting how the Registrar of Titles incorporates material into the Register, an item will be taken to be registered or recorded for a strata titles scheme in the Register if it is registered or recorded on the scheme plan, a certificate of title for a lot in the scheme, a certificate of title for the parcel in a leasehold scheme, or on a separate record of information relating to the scheme.

Note for this subsection:

For example, an item may comprise an estate, interest, right, encumbrance, notification, memorial or caveat.

59. No presumption of validity of scheme by-laws

- (1) The Registrar of Titles may, but is not obliged to, examine scheme by-laws lodged for registration for compliance with this Act.

- (2) It must not be presumed that, because the Registrar of Titles has registered scheme by-laws, the by-laws are valid or enforceable.
- (3) The State does not guarantee the validity or enforceability of scheme by-laws.

Division 2 — Re-entry or surrender of strata leases

60. Notice and registration

If a strata lease is re-entered by order of the Tribunal or under the leasehold by-laws (for non-payment of an amount for postponement of the expiry day) or a strata lease is otherwise surrendered to the owner of the leasehold scheme —

- (a) the owner of the leasehold scheme must lodge with the Registrar of Titles notice in the approved form of that fact, together with, for re-entry, evidence in the approved form that the requirements of this Act have been met; and

 - (iii) the strata lease is otherwise unaffected.

Division 3 — Statutory easements

61. Easement for support, shelter and projections — lot

- (1) For each lot in a strata titles scheme there is an easement benefiting the lot —
 - (a) for the subjacent and lateral support of the lot —
 - (i) by every other lot in the scheme capable of affording support; and
 - (ii) by all the common property in the scheme capable of affording support;and
 - (b) if the scheme is a strata scheme —
 - (i) for the support and shelter of the parts of a scheme building within the lot by every other part of the scheme building capable of affording support or shelter; and
 - (ii) for the projection of window sills, windows, window awnings, eaves, guttering and other minor parts of a scheme building within the lot.
- (2) The easement entitles the owner of a lot benefited by the easement to examine, maintain, repair, modify and replace the support, shelter or projection to which the easement relates.
- (3) The rights conferred by the easement must be exercised so as to minimise, as far as reasonably practicable, interference with the use and enjoyment of lots and common property in the strata titles scheme.
- (4) For each lot in a strata titles scheme there is an easement burdening the lot —

- (a) for the subjacent and lateral support of —
 - (i) every other lot in the scheme capable of enjoying support; and
 - (ii) all the common property in the scheme capable of enjoying support;and
 - (b) if the scheme is a strata scheme —
 - (i) for the support and shelter by the parts of a scheme building within the lot of all other parts of the scheme building capable of enjoying support or shelter; and
 - (ii) for the projection over the lot by window sills, windows, window awnings, eaves, guttering and other minor parts of a scheme building within another lot or the common property.
- (5) An owner or occupier of a lot must not do anything or permit anything to be done that would interfere with rights under the easement burdening the lot under this section.
- (6) An easement under this section has effect even if the lot benefited and the lot burdened have the same owner.

62. Easement for support, shelter and projections — common property

- (1) For common property in a strata titles scheme there is an easement benefiting the common property —
 - (a) for the subjacent and lateral support of the common property, by every lot in the strata titles scheme capable of affording support; and
 - (b) if the scheme is a strata scheme —

- (i) for the support and shelter of the parts of a scheme building within the common property by every other part of the scheme building capable of affording support or shelter; and
 - (ii) for the projection of window sills, windows, window awnings, eaves, guttering and other minor parts of a scheme building within the common property.
- (2) The easement entitles the strata company to examine, maintain, repair, modify and replace the support, shelter or projection to which the easement relates.
- (3) The rights conferred by the easement must be exercised so as to minimise, as far as reasonably practicable, interference with the use and enjoyment of lots and common property in the strata titles scheme.
- (4) For common property in a strata titles scheme there is an easement burdening the common property —
 - (a) for the subjacent and lateral support of every lot in the strata titles scheme capable of enjoying support; and
 - (b) if the scheme is a strata scheme —
 - (i) for the support and shelter by the parts of a scheme building within the common property of all other parts of the scheme building capable of enjoying support or shelter; and
 - (ii) for the projection over the common property by window sills, windows, window awnings, eaves, guttering and other minor parts of a scheme building within a lot.

- (5) A strata company must not do anything or permit anything to be done that would interfere with rights under the easement burdening the common property under this section.

63. Utility service easement

- (1) An easement (a *utility service easement*) exists for the benefit and burden of each lot and the common property in a strata titles scheme to the extent reasonably required for the provision of utility services to each lot and the common property.
- (2) A utility service easement entitles the strata company, and the owner of a lot, in the strata titles scheme —
- (a) to install and remove utility conduits; and
 - (b) to examine, maintain, repair, modify and replace utility conduits.
- (3) The rights conferred by a utility service easement must be exercised so as to minimise, as far as reasonably practicable, interference with the use and enjoyment of lots and common property in the strata titles scheme.
- (4) A strata company must not interfere or permit interference with utility conduits or a utility service provided by means of utility conduits in a way that may prejudice the use or enjoyment of a lot or the common property, other than —
- (a) in the reasonable exercise of rights under a utility service easement of which it has the benefit; or
 - (b) in the performance of its function of controlling and managing common property in the scheme.
- (5) An owner or occupier of a lot must not, either within or outside the lot, interfere or permit interference with utility conduits or a utility service provided by means

of utility conduits in a way that may prejudice the use or enjoyment of another lot or the common property in the strata titles scheme, other than in the reasonable exercise of rights under a utility service easement.

- (6) A utility service easement has effect even if the lot benefited and the lot burdened have the same owner.
- (7) In any dispute about the location of utility conduits under a utility service easement, the objective must be to resolve the matter fairly taking into account the options that are reasonably available to give effect to the easement.
- (8) If, in the course of exercising rights under a utility service easement, the owner of a lot comes into possession of documents specifying the location of utility conduits or other information relating to utility conduits that ought reasonably to be kept by the strata company, the owner of the lot must ensure that the documents are provided to the strata company.
- (9) If, in the course of exercising rights under a utility service easement, the strata company comes into possession of documents specifying the location of utility conduits or other information relating to utility conduits that ought reasonably to be kept by the strata company, the strata company must keep the documents.

64. Common property (utility and sustainability infrastructure) easement

- (1) This section applies if —
 - (a) a strata company has entered into a contract (an *infrastructure contract*) with a person under which the person owns and operates utility infrastructure or sustainability infrastructure on

- common property in the strata titles scheme;
and
- (b) this section is applied to the infrastructure contract by ordinary resolution of the strata company.
- (2) An infrastructure contract must —
- (a) specify the common property over which there is an easement under this section; and
- (b) specify the infrastructure to which the easement applies.
- (3) The person (the *infrastructure owner*) who, from time to time, owns the infrastructure the subject of an infrastructure contract has an easement over the common property specified in the infrastructure contract that entitles the infrastructure owner —
- (a) to install and remove the infrastructure specified in the contract; and
- (b) to operate that infrastructure; and
- (c) to examine, maintain, repair, modify and replace that infrastructure.
- (4) The easement is subject to any conditions set out in the infrastructure contract (as in force from time to time).
- (5) The infrastructure contract may be varied by agreement between the strata company and the person who is the infrastructure owner from time to time.
- (6) The easement ceases to exist if the infrastructure contract is terminated or otherwise ceases to have effect.
- (7) The rights conferred by the easement must be exercised so as to minimise, as far as reasonably practicable,

interference with the enjoyment and use of the common property.

- (8) The regulations may —
- (a) specify special procedures for notice or voting on the resolution required for the application of this section; and
 - (b) set out terms and conditions that are to be taken to be implied in an infrastructure contract; and
 - (c) otherwise regulate the rights and obligations of the strata company and the infrastructure owner.

65. Entry under statutory easement

- (1) A strata company has a right to enter the common property of its strata titles scheme to exercise its rights under a statutory easement without notice to any person.

- (a) for entry to a lot — to the occupier of the lot; and
 - (b) for entry to common property other than special common property — to the strata company for the strata titles scheme; and
 - (c) for special common property — to the occupiers of the special lots who have exclusive use and enjoyment of, or special privileges over, the special common property under exclusive use by-laws.

- (a) in an emergency if there is insufficient time to give notice; or
 - (b) for entry to a lot, if the occupier of the lot dispenses with the requirement for notice; or
 - (c) for entry to common property other than special common property if —
 - (i) the person has the right to enter and enters only for the purposes of inspection; or
 - (ii) the strata company dispenses with the requirement for notice;
- or
- (d) for entry to special common property — if the requirement for notice is dispensed with by the occupiers of the special lots.
- (4) Notice must be given in the approved form.
 - (5) The length of the notice must be at least —
 - (a) for entry by a strata company — 7 days unless a shorter period is agreed to by the occupier of the lot; and
 - (b) in any other case — 28 days unless a shorter period is agreed to by the occupier of the lot or strata company, as the case requires.
 - (6) If notice is not given (in an emergency) or the period of the notice has expired and it is not possible for the person, or a person acting on behalf of the person, to gain entry without using force, the person wishing to enter may use such force as is reasonable in the circumstances.
 - (7) Rights of entry under a statutory easement include rights of entry by the person's agents, employees and contractors, with vehicles, equipment, materials and

other items as reasonably necessary for the purpose of exercising rights under the easement.

66. Rectification of damage

- (1) Any damage caused to a lot or common property in the course of exercising rights under a statutory easement must be repaired and made good as soon as practicable by the person exercising those rights.
- (2) Subsection (1) does not apply to the extent that the damage was the result of an unreasonable act or omission on the part of the owner of the lot damaged or, in the case of damage to the common property, on the part of the strata company.

Note for this Division:

Schedule 2A sets out an additional statutory easement for single tier strata schemes.

- (1) A strata company may, by resolution without dissent, for the purpose of creating temporary common property —
 - (a) for a freehold scheme — accept a lease of a lot in the scheme or of land that is contiguous to the parcel or separated only by a road, railway or waterway; and
 - (b) for a leasehold scheme — accept a lease (that expires on or before the expiry day for the scheme) of a lot in the scheme or of land that is contiguous to the parcel or separated only by a road, railway or waterway.

Note for this subsection:

Staged subdivision by-laws cannot apply to subdivision comprised of the removal, from the parcel, of land comprised of common property or the addition, to the parcel, of land from outside the parcel. Consequently, paragraph (b) can only apply in the context of a type 1 subdivision comprised of the conversion of a lot to common property or a type 3 or type 4 subdivision.

- (3) The Tribunal may, on application by a strata company, exempt it from compliance with this section subject to conditions specified in the exemption.
- (4) A strata company may enter into a contract of insurance relating to the insurable assets of its strata titles scheme and execute documents relating to the contract in its own name, as if it were the owner of the assets.
- (5) Subject to subsection (6), if a strata company receives money from an insurer in the event of damage to or destruction of an insurable asset of the strata titles scheme, that money must be applied by the strata company in rebuilding, replacing, repairing or restoring the insurable asset so far as that may lawfully be done.

Division 2 — Objectives

- (1) In performing its functions, a strata company is to have the objective of implementing processes and achieving outcomes that are not, having regard to the use and enjoyment of lots and common property in the strata titles scheme —
- (a) unfairly prejudicial to or discriminatory against a person; or

- (b) oppressive or unreasonable.
- (2) In achieving that objective, a strata company —
 - (a) must take into account any failure of a person to act consistently with this Act or the scheme by-laws; and
 - (b) must consider the merits of any proposal put to it and the options that are reasonably available in any particular circumstances; and
 - (c) must be aware that —
 - (i) a resolution or other conduct may be overturned for failure to meet that objective despite the fact that it reflects the will of the majority of members of the strata company as expressed through the exercise of their voting powers; and
 - (ii) the fact that a person has chosen to become the owner of a lot does not prevent the person challenging the performance of a function for failure to meet that objective.
- (3) Without limitation, a strata company acts oppressively or unreasonably in passing or not passing a resolution if —
 - (a) the resolution would not have been passed, or not have been passed as a particular type of resolution, but for the fact that a person was improperly denied a vote on the resolution; or
 - (b) the resolution would have been passed, or would have been passed as a particular type of resolution, if a person had properly been given an opportunity to vote on the resolution.

 - (b) there is an outstanding amount recoverable under this Act owed to the strata company by the owner of the lot.
- (3) A proposed resolution can be put to the members of a strata company —

 - (b) outside of a general meeting.
- (4) A resolution can be proposed only by a member of the strata company who is entitled to vote on the resolution.

- (6) The owner of a lot may cast the vote attached to the lot in person or by duly appointed proxy.
- (7) However, if a vote is taken at a general meeting at which both the owner of a lot and a proxy entitled to

cast the vote attached to the lot are present and the owner is not a co-owner of the lot, the owner of the lot must cast the vote.

- (8) The voting system, whether it is electronic or by other means, must —
- (a) enable votes to be cast in a manner designed to protect the integrity of the voting system; and
 - (b) comply with any requirements specified in the regulations.

 - (b) for a special resolution, the votes must be counted both by the number of votes cast and by the number of unit entitlements of the lots for which votes are cast;
 - (c) for an ordinary resolution, the votes must be counted by the number of votes cast unless any person entitled to cast a vote demands that they be counted by the number of unit entitlements of the lots for which votes are cast, in which case, they must be counted in that manner.
- (2) A demand that a vote be counted by the number of unit entitlements of the lots for which votes are cast can be made —
- (a) if the vote is being taken at a general meeting, orally or in writing before the resolution is put to the vote; and

 - (f) particulars relating to a specified transaction that has been entered into by the strata manager on behalf of the strata company.
- (2) The strata manager must comply with the notice within a reasonable time but, in any event, within 7 days after the day the notice was given.
- (3) However, a strata manager does not have to provide the strata company with information in relation to a matter as it was, or that occurred, more than 7 years before notice requiring the information is given.

150. Audits

- (1) A strata manager who operates an account in performing scheme functions must, if the strata company has an auditor, give the auditor access to statements of the account, or otherwise authorise the auditor's access to statements of the account, if required by the auditor to do so.
- (2) A strata manager of a strata company must provide such an auditor with —
- (a) any document in the strata manager's possession or control relating to money paid to, or received by, the strata manager on behalf of the strata company that the auditor reasonably requires; and

- (b) any other information relating to money paid to, or received by, the strata manager on behalf of the strata company that the auditor reasonably requires.

151. Termination of strata management contract

- (1) There are proper grounds for termination of a strata management contract by a strata company if —
 - (a) the strata manager has contravened this Act; or
 - (b) the strata manager has contravened the contract; or
 - (c) the strata manager is, according to the *Interpretation Act 1984* section 13D, a bankrupt or a person whose affairs are under insolvency laws; or
 - (d) the strata manager is a Chapter 5 body corporate within the meaning given in the *Corporations Act 2001* (Commonwealth) section 9; or
 - (e) the strata manager, or a director or chief executive officer of the strata manager, is convicted in this State of an offence punishable by imprisonment for 12 months or longer and the strata company is satisfied that the offence affects the strata manager's suitability to perform the strata manager's functions; or
 - (f) the strata manager, or a director or chief executive officer of the strata manager, is convicted outside this State, in Australia or elsewhere, of an offence that, if it had been committed in this State, would be punishable by imprisonment for 12 months or longer and the strata company is satisfied that the offence

affects the strata manager's suitability to perform the strata manager's functions.

- (2) If a strata company is satisfied that there are proper grounds for termination of a strata management contract, the strata company may terminate the contract by giving the strata manager written notice of termination —
 - (a) specifying the date (being not less than 28 days after the date of the notice) on which the termination will take effect; and
 - (b) informing the strata manager of the right to apply to the Tribunal for review of the decision to terminate the contract.
- (3) Before a strata company terminates a strata management contract under subsection (2), the strata company must give the strata manager a notice (a ***show cause notice***).
- (4) A show cause notice must —
 - (a) be in writing; and
 - (b) state that the strata company proposes to terminate the strata management contract; and
 - (c) specify the grounds on which it is proposed to terminate the strata management contract; and
 - (d) set out particulars of the facts relied on as evidence of those grounds; and
 - (e) invite the strata manager to make written submissions to the strata company as to why the strata management contract should not be terminated; and
 - (f) specify the period (being at least 14 days after the date of the notice) within which the written submissions must be received by the strata company.

- (5) A strata company must give proper consideration to any written submissions made by the strata manager within the period specified in the show cause notice.
- (6) Nothing in this section affects the operation of section 115 in relation to a strata management contract or any other right that the strata company may have to terminate the contract.

152. Return of records and other property

- (1) If a strata management contract is terminated, the strata manager must return to the strata company —
 - (a) all records of the strata company, including records of account, in the strata manager's possession or control; and
 - (b) all keys and other property of the strata company in the strata manager's possession or control.
- (2) The property must be returned to the strata company within 28 days after the day on which the contract is terminated (even if the strata manager has made an application for review of the decision to terminate the contract).
- (3) The strata company may agree to the property being made available for collection by another strata manager engaged by the strata company or being returned in some other manner.
- (4) A strata manager cannot exercise any claim or lien against or on the property of a strata company that the strata manager is required, under this section, to return to the strata company.

153. Provision of information about industry

The regulations may require a strata manager (other than a volunteer strata manager) to lodge a periodic return at the office of the Authority containing aggregated information about strata titles schemes managed by the strata manager (being information ordinarily kept by a strata manager and readily available) for the purposes of the Authority —

- (a) publishing, if it chooses to do so, a list of strata managers; and
- (b) using the information to develop policy and advise the Minister on matters related to strata managers.

154. Contracting out prohibited

- (1) A contract or arrangement is of no effect to the extent that it purports to exclude or restrict the operation of this Part.
- (2) A purported waiver of a right, remedy or benefit conferred on a person under this Part is of no effect.

155. Protection from liability

- (1) No civil liability attaches to a volunteer strata manager for anything that the person has, in good faith, done or omitted to be done —
 - (a) in the performance of a function under this Act or scheme by-laws; or
 - (b) in the reasonable belief that the act or omission was in the performance of a function under this Act or scheme by-laws.
- (2) A liability that would, but for subsection (1), attach to a person attaches instead to the strata company.

Part 10 — Protection of buyers

156. Information to be given before contract

- (1) Before a buyer signs a contract for the sale and purchase of a lot in a strata titles scheme, the seller of the lot must give the buyer the following —

- (vi) details of any debt owed by the owner of the lot to the strata company, including how the debt arose, the date on which it arose and the amount outstanding;
 - (vii) if the lot is a special lot, details of the exclusive use by-laws that apply to the lot;
 - (d) any other information required by the regulations.
- (2) If the lot has not yet been created, a reference in subsection (1) —
 - (a) to a scheme document is to be read as a reference to the latest version of the draft scheme document or amendment of a scheme document as relevant to the lot as proposed to be created; and
 - (b) to a unit entitlement of the lot or amount is to be read as a reference to a reasonable estimate of that unit entitlement or amount; and
 - (c) to any other matter (such as contributions payable) is to be read as a reference to a reasonable expectation about the matter as relevant to the lot as proposed to be created.
- (3) Subsection (4) applies if —
 - (a) the strata titles scheme has not been registered; or
 - (b) the first annual general meeting of the strata company has not been held; or
 - (c) the scheme developer owns 50% or more of the lots in the strata titles scheme or lots with an aggregate unit entitlement of 50% or more of

the sum of the unit entitlements of all the lots in the scheme.

- (4) Before a buyer signs a contract for the sale and purchase of a lot in circumstances in which this subsection applies, if the scheme developer is the seller of the lot, the seller must also give the buyer —
- (a) a statement of the estimated income and expenditure of the strata company for the 12 months after the proposed settlement date; and
 - (b) details of any disclosure that the scheme developer is required to make under section 79; and

 - (d) details of the terms and conditions of any lease, licence, right of exclusive use and enjoyment or special privilege (or proposed lease, licence, right of exclusive use and enjoyment or special privilege) over common property.
- (5) The seller must comply with this section either —
- (a) by giving the buyer a notice in the approved form; or

- (b) by including the information and statements in the contract to be signed by the buyer in the manner set out in the regulations.
- (6) In any court or tribunal proceedings arising out of or connected with a contract for the sale and purchase of a lot, the onus of proving that the required information and statements were given in accordance with this section lies on the seller.

157. Information to be given after contract

- (1) If a notifiable variation occurs after a buyer signs a contract for the sale and purchase of a lot, the seller must, by notice in writing, inform the buyer of particulars of the notifiable variation that a reasonable person would consider sufficient to enable the buyer to make an adequately informed assessment as to whether the buyer is materially prejudiced by the notifiable variation.
- (2) The regulations may provide that if the notice contains specified particulars of a notifiable variation of a specified type it will be conclusively presumed to contain the particulars required by subsection (1).
- (3) The seller must comply with subsection (1) —
 - (a) if the seller becomes aware of the notifiable variation less than 15 working days before the settlement date for the contract — as soon as practicable; and
 - (b) in any other case — not later than 10 working days after the seller becomes aware of the notifiable variation.
- (4) Subsection (1) does not apply if —

- (a) the seller has in the contract informed the buyer of any proposed action or matter that would be a notifiable variation; and
 - (b) the action or matter when completed does not differ from that described in the contract; and
 - (c) the seller gives the buyer written notice of completion of the action or matter within the time required by subsection (5), with particulars which a reasonable person would consider sufficient to enable the buyer to make an adequately informed assessment as to whether the action or matter as completed differs from that described in the contract.
- (5) For subsection (4)(c), the time required for notice of completion is —
- (a) if the seller becomes aware of the completion of the action or matter less than 15 working days before the settlement date for the contract — as soon as practicable; and
 - (b) in any other case — not later than 10 working days after the seller becomes aware of completion of the action or matter.
- (6) In any court or tribunal proceedings arising out of or connected with a contract for the sale and purchase of a lot, the onus of proving that a notice required by subsection (1) or a notice referred to in subsection (4)(c) was given in accordance with this section lies on the seller.

158. Delay in settlement for failure to give information

- (1) A buyer may, by written notice to the seller, postpone the settlement date for a contract for the sale and purchase of a lot if the seller has not complied with section 156 or 157.

- (2) The settlement date may be postponed by no more than 15 working days after the latest date on which the seller complies with the relevant requirements (even though that may be after the contract has been entered into).

159. Avoidance of contract for failure to give information

- (1) A buyer may avoid a contract for the sale and purchase of a lot at any time before the settlement date for the contract —
- (a) if the seller has not complied with section 156; and
 - (b) if the seller were now to comply with that section, the buyer would receive information or a document that would disclose material prejudice to the buyer (proof of which lies on the buyer).
- (2) However, if the seller gives the buyer a notice substantially complying with section 156 before the buyer avoids the contract under this section, the buyer may avoid the contract under this section only if the buyer does so within 15 working days after the seller's notice is given to the buyer.

160. Avoidance of contract on notification of variation for material prejudice

A buyer may avoid a contract for the sale and purchase of a lot at any time within 15 working days after the seller gives the buyer a notice under section 157(1) if —

- (a) the notifiable variation is not one to which section 157(4) applies; and

- (b) the buyer is materially prejudiced by the information or document disclosed (proof of which lies on the buyer).

161. Avoidance of contract for failure to disclose type 1 notifiable variation

- (1) A buyer may avoid a contract for the sale and purchase of a lot at any time before the settlement date for the contract if —
 - (a) a type 1 notifiable variation occurs in relation to the contract; and
 - (b) the seller does not substantially comply with the requirement under section 157 to give notice of the variation to the buyer within the required time.
- (2) However, if the seller gives a notice substantially complying with the requirement under section 157 before the buyer avoids the contract under this section, the buyer may not avoid the contract under this section more than 15 working days after the seller's notice is given.

162. Avoidance of contract for failure to disclose type 2 notifiable variation

- (1) A buyer may avoid a contract for the sale and purchase of a lot at any time before the settlement date for the contract —
 - (a) if —
 - (i) a type 2 notifiable variation occurs in relation to the contract; and
 - (ii) the seller does not substantially comply with the requirement under section 157 to give notice of the variation to the buyer within the required time;

and

- (b) if the seller were now to comply with that section, the buyer would receive information or a document that would disclose material prejudice to the buyer (proof of which lies on the buyer).
- (2) However, if the seller gives a notice substantially complying with the requirement under section 157 before the buyer avoids the contract under this section, the buyer may not avoid the contract under this section more than 15 working days after the seller's notice is given.

163. Proposed lot contract

- (1) This section applies to a contract for the sale and purchase of a lot in a strata titles scheme entered into before the lot is created on registration of the scheme or an amendment of the scheme.
- (2) A contract to which this section applies must —
 - (a) require any deposit or other amount payable by the buyer prior to registration of the strata titles scheme or amendment of the strata titles scheme to be paid by the buyer to an Australian legal practitioner, real estate agent or settlement agent to be held on trust for the buyer until the scheme is registered; and
 - (b) specify the practitioner or agent to whom payment is to be made by the buyer and how the payment may be made.
- (3) The buyer may, at any time before registration of the strata titles scheme or amendment of the strata titles scheme, avoid a contract to which this section applies if —

- (a) the contract does not comply with subsection (2); or
- (b) the scheme or amendment is not registered —
 - (i) within a period after the date of the contract agreed in writing by the buyer and seller; or
 - (ii) in the absence of such an agreement, within 6 months after that date.

(4) In this section —

date of the contract means the day on which the contract was signed or, if the parties signed it on different days, the last of those days;

real estate agent means a person licensed as a real estate agent under the *Real Estate and Business Agents Act 1978*;

settlement agent means a person licensed as a settlement agent under the *Settlement Agents Act 1981*.

164. Avoidance of contract — manner and effect

- (1) A notice of avoidance of a contract for the sale and purchase of a lot must —
 - (a) be given by the buyer to the seller in writing; and
 - (b) specify the grounds on which the contract is avoided, including details of the material prejudice to the buyer if required as grounds for avoidance.
- (2) On the avoidance under this Part of a contract for the sale and purchase of a lot —
 - (a) the buyer may recover from the seller as a debt all money paid by the buyer under the contract; and

- (b) a person who is holding a deposit or other amount on behalf of the buyer for the contract must repay the deposit or other amount to the buyer, minus any amount due to the seller as rent for any period during which the buyer was in occupation of the lot or entitled to receive the rents and profits of the lot.

165. Contracting out prohibited

- (1) A contract or arrangement is of no effect to the extent that it purports to exclude or restrict the operation of this Part.
- (2) No penalty is payable by a buyer under a contract or arrangement for exercising a right under this Part.
- (3) A purported waiver of a right, remedy or benefit conferred on a buyer by this Part is of no effect.

**Part 11 — Variation of strata titles scheme
by Tribunal**

Division 1 — On damage or destruction

Division 2 — On compulsory acquisition

Division 3 — Notice of applications

Part 12 — Termination of strata titles scheme

Division 1 — Introduction

171. Forms of termination

- (1) A strata titles scheme terminates (as set out in Division 6) as follows —

- (a) a leasehold scheme terminates on the expiry day for the scheme as referred to in Division 2;
- (b) a leasehold or freehold scheme terminates —
 - (i) if there is a termination proposal and the process referred to in Division 3 is followed; or
 - (ii) if all lots in the scheme are owned by the same person and the process referred to in Division 4 is followed.
- (2) Divisions 5 and 6 contain provisions relevant to the forms of termination of a strata titles scheme set out in Divisions 2, 3 and 4.
- (3) A strata titles scheme also terminates as set out in Division 7 on the taking under the *Land Administration Act 1997* of all of the lots in a strata titles scheme and, for a leasehold scheme, the reversionary interest of the owner of the leasehold scheme.

Division 2 — Expiry of leasehold scheme

172. Notification of expiry

- (1) The owner of a leasehold scheme must, at least 1 month before the expiry of the scheme, lodge with the Registrar of Titles notice, in the approved form, of the impending expiry of the leasehold scheme.
- (2) If the owner of a leasehold scheme fails to give the necessary notice, it may be given by an owner of a lot in the scheme and the owner may recover the cost of doing so as a debt in a court of competent jurisdiction from the owner of the leasehold scheme.

Note for this section:

Expiry of a leasehold scheme does not require an approval of a subdivision of land as the expiry is approved as part of the process of initial subdivision by the scheme.

Division 3 — Termination proposal

173. Proponent

The termination of a strata titles scheme may be proposed by a person (the *proponent*) who is —

- (a) the owner of a lot in the strata titles scheme; or
- (b) a person who has a contractual right to purchase a lot in the strata titles scheme; or
- (c) a body corporate formed by 2 or more such persons.

174. Outline of termination proposal

- (1) The proponent of a proposal to terminate a strata titles scheme (a *termination proposal*) must submit an outline of the proposal to —
 - (a) the strata company for the scheme; and
 - (b) if it is a leasehold scheme, the owner of the leasehold scheme.
- (2) However, an outline of a termination proposal cannot be submitted to a strata company or owner of a leasehold scheme —
 - (a) during any period commencing when an ordinary resolution has been passed by the strata company in support of an outline of another termination proposal and ending when that proposal cannot proceed further under this Division; or
 - (b) during any period (not exceeding 12 months) for which the strata company has, by ordinary resolution, prohibited termination proposals being submitted to it; or
 - (c) during any period for which the Tribunal has, on application by the strata company or the

owner of the leasehold scheme, prohibited termination proposals being submitted.

- (3) A strata company to which an outline of a termination proposal is submitted in accordance with this section must, within 14 days after being given the proposal —
- (a) serve it on each person who is —
 - (i) the owner of a lot in the strata titles scheme; or
 - (ii) a registered mortgagee of a lot in the strata titles scheme;
 - and
 - (b) lodge with the Registrar of Titles notice of receipt of the outline in the approved form.
- (4) The strata company must, on completion of the requirements under subsection (3), give written notice of that fact to the proponent of the termination proposal.
- (5) Any modification of an outline of a termination proposal proposed by the proponent of the proposal must be submitted and served in the same manner as for the outline.

175. Content of outline of termination proposal

- (1) An outline of a termination proposal must —
- (a) specify the name and address for service of the proponent of the proposal; and
 - (b) identify the strata titles scheme proposed to be terminated; and
 - (c) provide an explanation of the reasons for proposing termination of the strata titles scheme, including (without limitation), if the difficulty of raising sufficient contributions for

repair of scheme buildings or infrastructure on common property is a reason for the proposal, a statement of that reason; and

- (d) describe, in general terms, any proposals for contracts to be offered to owners of lots in the strata titles scheme; and
 - (e) describe, in general terms, what is proposed in terms of subdivision and development of the land following termination of the strata titles scheme; and
 - (f) describe the planning approvals required for the proposal described under paragraph (e) and the extent to which the proposal does not comply with a relevant planning scheme or interim development order in force under the *Planning and Development Act 2005*; and
 - (g) indicate, in general terms, the stages and timeframes for progress of the proposal if it proceeds; and
 - (h) provide an explanation, in the approved form, of the process for, and consequences of, termination of a strata titles scheme under this Division; and
 - (i) provide, in accordance with the regulations, details of proposed arrangements for obtaining independent advice or representation referred to in section 190; and
 - (j) include any other information required by the regulations.
- (2) This section does not limit the matters that can be included in an outline of a termination proposal.
- (3) An outline of a termination proposal must be in the approved form.

176. Ordinary resolution and support of owner of leasehold scheme required to proceed further

- (1) A termination proposal can only proceed further if, within 3 months after an outline of the proposal has been submitted as required under section 174 —
 - (a) for a freehold scheme — the strata company passes an ordinary resolution supporting consideration of a full proposal; and
 - (b) for a leasehold scheme —
 - (i) the owner of the leasehold scheme gives written notice to the strata company supporting consideration of a full proposal; and
 - (ii) the strata company passes an ordinary resolution supporting consideration of a full proposal.
- (2) For a 2-lot scheme, an ordinary resolution is taken to be passed supporting consideration of a full proposal if the vote attached to 1 of the lots is cast in favour of the resolution (regardless of the unit entitlement of the lot).

177. Approval of plan of subdivision

- (1) If the requirements of section 176 are met and a termination proposal can proceed further —
 - (a) the proponent of the proposal can then make an application under the *Planning and Development Act 2005* Part 10 for approval of a plan of subdivision for the proposal (that is, for the parcel to cease being subdivided by a strata titles scheme); and
 - (b) the owner of the land is taken to have consented to the proponent making the application under the *Planning and Development Act 2005*.

- (2) The *Planning and Development Act 2005* applies to the application subject to —
 - (a) the modification that a reference to subdivision is to be read as including a reference to termination of a strata titles scheme; and
 - (b) any other appropriate modifications.

178. Full proposal

- (1) If approval of a plan of subdivision is obtained as referred to in section 177, the proponent of the proposal can then submit a full proposal for the termination of the strata titles scheme to —
 - (a) the strata company for the scheme; and
 - (b) if it is a leasehold scheme, the owner of the leasehold scheme.
- (2) However, a full proposal cannot be submitted to a strata company or owner of a leasehold scheme —
 - (a) if it is more than 12 months since the requirements of section 176 were met for the proposal; or
 - (b) during any period for which the Tribunal has, on application by the strata company or the owner of the leasehold scheme, prohibited termination proposals being so submitted.
- (3) For a leasehold scheme, the proponent must give written notice to the owner of the leasehold scheme of the date on which the proponent submitted the full proposal to the strata company.

- (4) A strata company to which a full proposal is submitted in accordance with this section must, within 14 days after being given the proposal —
- (a) serve it on each person who is —
 - (i) the owner, occupier, registered mortgagee or caveator of a lot in the strata titles scheme; or
 - (ii) a person whose interest in a lot in the strata titles scheme as a lessee, tenant or mortgagee is recorded in the roll kept by the strata company; or
 - (iii) the occupier of common property in the strata titles scheme;
- and
- (b) lodge with the Registrar of Titles notice of receipt of the proposal in the approved form.
- (5) Any modification of the full proposal proposed by the proponent must be submitted and served in the same manner as for the full proposal.
- (6) However, a modification cannot be submitted within 14 days before voting on the termination proposal opens.

178A. Reference of full proposal to independent advocate

- (1) In this section —
- independent advocate* means a person to whom a full proposal is referred under subsection (2).
- (2) A strata company to which a full proposal is submitted under section 178 must refer the proposal for review and assessment to a person who —
- (a) is independent of the strata company and the proponent of the termination proposal; and

- (b) satisfies any requirements of the regulations regarding experience or qualifications.
- (3) The independent advocate must, in accordance with the regulations —
 - (a) review the full proposal; and
 - (b) provide the strata company with an independent assessment of the full proposal; and
 - (c) at a time and place arranged with the strata company, make a presentation of its assessment open to the persons mentioned in section 178(4)(a), conducted so as to take account of the needs of any of those persons who have sensory or mobility disabilities.
- (4) The independent advocate must —
 - (a) endeavour to identify any owners of lots for whom arrangements for fuller or more extensive advice or representation are to be made under regulations made under section 190(1)(b); and
 - (b) advise those owners of their entitlements under regulations made under section 190; and
 - (c) if requested by those owners, refer them to independent providers of the advice or representation which they are to obtain; and
 - (d) if requested by those owners, assist them in obtaining benefits under the trust referred to in section 190(2).
- (5) In any proceedings before the Tribunal under Part 13 in which there is a dispute about whether an owner of a lot in the strata titles scheme is entitled to fuller or more extensive advice or representation under regulations made under section 190(1)(b) or is entitled to benefit under a trust referred to in section 190(2), the

independent advocate may represent the owner in the proceedings.

- (6) The regulations may prescribe how a person's independence is to be determined for the purposes of subsection (2)(a).
- (7) The strata company —
 - (a) must pay the remuneration of, and reimburse the expenses incurred by, the independent advocate; and
 - (b) may charge fees under section 189 to cover the cost of paying those fees and reimbursing those expenses.

179. Content of full proposal

- (1) A full proposal for the termination of a strata titles scheme must —
 - (a) include the material required to be included in an outline of a termination proposal; and
 - (b) be accompanied by the approved plan of subdivision for the proposal; and
 - (c) describe, in detail, what is proposed in terms of contracts to be offered to owners of lots, including —
 - (i) contracts for the sale and purchase of lots before termination of the strata titles scheme, including —
 - (I) the name and address of any buyer; and
 - (II) the purchase price or a description of how the purchase price is to be determined; and

(III) the terms and conditions of the contracts for sale and purchase, including proposed settlement dates, or a description of how those terms and conditions are to be determined; and

(IV) any deductions proposed to be made out of the purchase price or a description of how those deductions are to be determined;

and

(ii) contracts under which the owner of a lot acquires an interest in land in exchange for the lot, including —

(I) the choices available to owners or the basis for determining those choices; and

(II) the interests in land proposed to be acquired by the owners; and

(III) other terms and conditions of the exchange;

and

(iii) contracts under which the owner of a lot is to have an interest in the land on termination of the strata titles scheme or is to have a right or option for the acquisition of an interest in the land following its subdivision or development;

and

(d) describe, in detail, what is proposed to happen on termination of the strata titles scheme in terms of the discharge, withdrawal, removal or

- bringing forward of registered mortgages over the lots and other estates and interests in a lot or common property in the scheme that are registered or recorded in the Register; and
- (e) describe, in detail, what is proposed to happen on termination of the strata titles scheme in terms of the contractual rights of occupiers of lots or common property in the scheme; and
 - (f) describe, in detail, what is proposed in terms of subdivision and development of the land following termination, including —
 - (i) plans for demolition; and
 - (ii) plans for subdivision; and

 - (k) specify the steps that will be taken to wind up the strata company, including for the realisation of assets and the discharge or transfer of liabilities for termination of the scheme; and
 - (l) any other information required by the regulations.
- (2) A full proposal must incorporate a report (a ***termination infrastructure report***) comprised of —
- (a) a report of a structural engineer on the state and condition of each scheme building and the infrastructure on the common property in the strata titles scheme; and
 - (b) a report of a person of a class specified in the regulations on the scope of works reasonably required to repair or replace the scheme buildings or infrastructure taking into account the report of the structural engineer; and
 - (c) a report of a quantity surveyor estimating the cost of the works identified in the report under paragraph (b).
- (3) A full proposal must incorporate a report (a ***termination valuation report***) prepared and certified by a licensed valuer setting out a valuation of the market value of each lot in the strata titles scheme.
- (4) The regulations must prescribe matters relating to the determination of the market value of a lot for a

termination valuation report, including a valuation methodology that takes account of —

- (a) relevant recent sales history; and
 - (b) the highest and best use of the lot; and
 - (c) the value attributable to the owner's interest in the common property of the strata titles scheme.
- (5) The valuation must be current as at a date that is not more than 21 days (or, if some other period is specified in the regulations, that period) before submission of the full proposal to the strata company.
 - (6) A person must, in preparing or certifying a termination infrastructure report or termination valuation report, comply with the requirements of the regulations.
 - (7) This section does not limit the matters that can be included in a full proposal.
 - (8) The terms of a termination proposal set out in the full proposal are in substitution for the terms set out in the outline of the termination proposal.
 - (9) A full proposal, including the termination infrastructure report and the termination valuation report must be in the approved form.

180. Support of owner of leasehold scheme required

- (1) A termination proposal for a leasehold scheme cannot proceed further unless, within 3 months after the full proposal is submitted to the strata company, the owner of the leasehold scheme gives written notice to the strata company that the owner supports the termination proposal.
- (2) A strata company must, as soon as reasonably practicable, give written notice to the proponent of the

termination proposal of the receipt of a notice under subsection (1).

181. Meetings and submissions

- (1) After receipt of a full proposal, 1 or more general meetings of the strata company must be convened to consider the termination proposal (unless it is a proposal that cannot proceed further).
- (2) The members of the strata company present at a meeting may, by ordinary resolution (for which notice is not required), require the proponent of the termination proposal to leave the meeting while the proposal is discussed or, if the proponent is not a member of the strata company, to be absent for the whole of the meeting.
- (3) The persons on whom a full proposal for the termination of a strata titles scheme must be served by the strata company for the scheme must be given a reasonable opportunity to make submissions to the proponent of the proposal and the strata company.
- (4) The council of the strata company may —
 - (a) discuss a termination proposal with the proponent; and
 - (b) inform the owners of lots in the strata titles scheme of those discussions and of any clarifications or additional information provided by the proponent; and

- (5) The regulations may impose additional requirements about the process required for consideration of a termination proposal.

182. Vote

- (1) A termination proposal must be put to the vote of the owners of the lots in the strata titles scheme (unless it is a proposal that cannot proceed further) and it can only proceed further if a termination resolution is passed.

Note for this subsection:

The terms of the termination proposal are as set out in the full proposal rather than the outline: see section 179(8).

- (2) A termination resolution is only effective if the voting period opens at least 2 months after, and closes not more than 6 months after, the service of the full proposal by the strata company under this Division.
- (3) A termination proposal may be modified and a further vote taken on the proposal, but no more than 3 such votes may be taken and each vote must be taken within the period referred to in subsection (2).
- (4) A person who is independent of the strata company and the proponent of the termination proposal must be appointed to tally and count the votes on the proposal.
- (5) The vote must be taken as follows —
- (a) 1 vote may be cast for each lot in the strata titles scheme;
 - (b) the value of each vote is 1.
- (6) A termination resolution is passed if the number of votes cast in favour of the termination proposal equals the number of lots in the strata titles scheme.
- (7) A termination resolution is passed subject to the confirmation of the Tribunal if —
- (a) the strata titles scheme has 5 or more lots; and

- (b) the number of votes cast in favour of the termination proposal is at least 80% of the total number of lots in the scheme.
- (8) Section 126(a) does not apply to voting on a termination resolution.
- (9) A termination proposal must not be modified in a material particular by the proponent of the proposal after a termination resolution has been passed unless the modification is supported under the same voting arrangements as apply to the termination resolution.
- (10) The independent person appointed to tally and count the votes must —
 - (a) make a record of each vote identifying the lot for which it is cast and the date on which it was cast, and the tally of the votes; and
 - (b) as soon as reasonably practicable, give written notice to the strata company of the number of votes cast in favour of and against the termination proposal and a statement of whether confirmation of the resolution by the Tribunal is required; and
 - (c) if confirmation of the resolution by the Tribunal is required, provide the record made under paragraph (a) to the strata company in the manner required by the regulations, but must not otherwise disclose information about who cast votes for or against the proposal or for which lots the votes were cast.
- (11) A strata company must, as soon as practicable after a termination resolution is passed —
 - (a) lodge with the Registrar of Titles notice of that fact in the approved form; and
 - (b) give written notice of that fact to —

- (i) the proponent of the termination proposal; and
 - (ii) for a leasehold scheme, the owner of the leasehold scheme.
- (12) The notice must include a statement of whether or not confirmation of the termination resolution by the Tribunal is required.
- (13) The regulations may impose additional requirements about the process required for voting on a termination proposal.

183. Confirmation of termination resolution by Tribunal

- (1) If a termination proposal can proceed further only if the Tribunal confirms the termination resolution, the proponent of the proposal can apply to the Tribunal for that confirmation.
- (2) The application must be made within 28 days after the date on which the termination resolution is passed or within an extension of that period given by the Tribunal.
- (3) The application must be accompanied by —
 - (a) the full proposal for the termination of the strata titles scheme; and
 - (b) all written submissions made to the proponent about the termination proposal; and
 - (c) any other material specified in the regulations.
- (4) For the *State Administrative Tribunal Act 2004* section 45(1)(b), the following persons are entitled to a copy of, or notice of, the application —
 - (a) the strata company for the strata titles scheme; and

Strata Titles Amendment Act 2018

Part 2 Strata Titles Act 1985 amended

Division 3 Deletion and insertion of provisions in body of Act

s. 83

- (b) for a leasehold scheme, the owner of the leasehold scheme.
- (5) The strata company and, for a leasehold scheme, the owner of the leasehold scheme, will be taken to be parties to the proceedings.
- (6) The strata company must, within 14 days after being given notice of the application —
 - (a) serve notice of the application on each person who is —
 - (i) the owner, occupier or registered mortgagee of a lot in the strata titles scheme; or
 - (ii) the occupier of common property in the strata titles scheme; or
 - (iii) a person whom the Tribunal requires to be served with notice of the application;and
 - (b) if all or part of the parcel of the strata titles scheme is or is included in a retirement village within the meaning of the *Retirement Villages Act 1992* — serve notice of the application on the Commissioner within the meaning of that Act; and
 - (c) provide the following to the Tribunal (which may then be released by the Tribunal to any person entitled to appear and be heard or to make submissions) —
 - (i) for a leasehold scheme, a copy of the notice of support for the termination resolution given by the owner of the leasehold scheme under section 180;
 - (ii) a record (as provided by the independent person who counted the

votes) of each vote on the termination resolution, identifying the lot for which it was cast and the date on which it was cast, and a tally of the votes;

- (iii) minutes of all meetings of the strata company or the council of the strata company at which the termination proposal was considered;
- (iv) all written submissions made to the strata company about the termination proposal;
- (v) the scheme plan, scheme by-laws and schedule of unit entitlements for the strata titles scheme;
- (vi) anything else required by the regulations;

and

- (d) lodge with the Registrar of Titles notice of the application in the approved form.
- (7) A person who is required to be served with notice of the application is entitled to appear and be heard or make written submissions to the Tribunal (as the Tribunal determines).
- (8) In proceedings for confirmation of a termination resolution of a strata company, the Tribunal may —
- (a) make an order confirming the termination resolution (which may be subject to the termination proposal being modified in a specified manner as set out in subsection (13));
or
 - (b) make a decision not to make such an order.

- (9) The Tribunal can only confirm a termination resolution if the proponent of the termination proposal satisfies the Tribunal that —
- (a) the process required by this Division has been complied with; and
 - (b) under the termination proposal, the owner of a lot in the strata titles scheme who does not support the termination will receive fair market value for the lot or a like for like exchange for the lot; and
 - (c) the termination proposal is otherwise just and equitable having regard to —
 - (i) the interests of the owners of the lots in the strata titles scheme; and
 - (ii) if it is a leasehold scheme, the interests of the owner of the leasehold scheme; and
 - (iii) the interests of occupiers of the lots and the occupiers of the common property in the strata titles scheme; and
 - (iv) the interests of registered mortgagees of the lots in the strata titles scheme; and
 - (v) the interests of any other person with an estate or interest in, or right over, a lot or common property in the strata titles scheme that is registered or recorded in the Register.
- (10) In determining under subsection (9)(b) whether an owner of a lot will receive fair market value for the lot —
- (a) the Tribunal must be satisfied that —
 - (i) the owner will receive an amount that is at least the amount of compensation that would be required to be paid by an

acquiring authority under the *Land Administration Act 1997* for taking of the lot without agreement; and

- (ii) the owner will not be disadvantaged in terms of the owner's financial position as a result of the termination of the strata titles scheme;

and

- (b) in considering the amount of compensation that would be payable under the *Land Administration Act 1997* section 241 —

- (i) that section is to be read as if the owner of the lot were the claimant and the proponent of the termination proposal were the acquiring authority; and
- (ii) no regard is to be had to any reference to proposed public works nor to the undertaking of improvements after there is a notice of intention; and
- (iii) an amount appropriate to compensate for the taking without agreement may be added to the award or offer (but it may not be more than 10% of the amount otherwise awarded or offered unless the Tribunal is satisfied that exceptional circumstances justify a higher amount);

and

- (c) without limitation, regard is to be had to the loss or damage, if any, sustained by the owner by reason of any of the following —
 - (i) removal expenses;
 - (ii) disruption and reinstatement of a business;

- (iii) liability for capital gains tax, goods and services tax or other tax or duty;
 - (iv) conveyancing and legal costs and other costs associated with the creation or discharge of mortgages and other interests, including for the acquisition of a replacement property.
- (11) In determining under subsection (9)(b) whether an owner of a lot will receive a like for like exchange for the lot, the Tribunal must consider —
 - (a) whether the value of what is offered in exchange is equivalent to the fair market value of the lot (as set out in subsection (10)); and
 - (b) how the location, facilities and amenity of what is offered in exchange compares to that of the lot.
- (12) Without limiting the factors that the Tribunal can take into account under subsection (9)(c), the Tribunal must consider the following —
 - (a) any evidence of impropriety in the termination process, including, for example —
 - (i) evidence of proxy votes being exercised invalidly or votes being affected by undue influence in connection with the termination resolution; and
 - (ii) evidence of false or misleading information (whether by inclusion or omission) having been included in the outline of or the full proposal for the termination of the strata titles scheme;
 - (b) the proportion of owners of lots in favour of and against the termination proposal in terms of

- numbers of lots and in terms of unit entitlements of lots;
- (c) the termination infrastructure report and options reasonably available to address problems identified in the report (including the extent to which contributions would need to be increased for implementation of an option);
 - (d) any arrangements for the owner of a lot in the strata titles scheme to buy back into the subdivided land following redevelopment;
 - (e) the benefits and detriments of the termination proposal proceeding or not proceeding for all those whose interests must be taken into account.
- (13) If the Tribunal is not satisfied of the matters set out in subsection (9)(b) or (c) but would be satisfied of those matters if the termination proposal were modified in a specified manner, the Tribunal may confirm the termination resolution subject to the termination proposal being modified in the specified manner.
- (14) Without limitation, the modifications may include a requirement for the proponent to make a payment to a party to a lease or tenancy agreement over a lot or common property in the strata titles scheme that will terminate as a consequence of the termination of the scheme.
- (15) The modifications must not have the effect of being less advantageous to any owner of a lot in the strata titles scheme, or, if it is a leasehold scheme, the owner of the leasehold scheme, than the termination proposal without modification.
- (16) Subsection (15) does not apply to an owner in the capacity of a proponent of the termination proposal.

Strata Titles Amendment Act 2018

Part 2 Strata Titles Act 1985 amended

Division 3 Deletion and insertion of provisions in body of Act

s. 83

- (17) Without limiting other powers of the Tribunal to make ancillary orders, if the Tribunal makes an order confirming a termination resolution, it may also order that, on specified conditions connected with the termination being met —
- (a) the owner of a lot in the strata titles scheme must execute a transfer of ownership of the lot; or
 - (b) if there is a duplicate certificate of title for a lot in the strata titles scheme, the owner of the lot must deliver the duplicate certificate of title to the Registrar of Titles; or
 - (c) a person with an estate or interest in, or right over, the whole or a part of the strata titles scheme parcel that is registered or recorded in the Register must take steps necessary for the discharge, withdrawal or other removal, or for the bringing forward, of the estate, interest or right; or
 - (d) the occupier of a lot or the common property in the strata titles scheme must vacate the lot or common property.
- (18) If the Tribunal orders a person under subsection (17)(c) to take steps for the discharge, withdrawal or removal of an estate, interest or right the Tribunal may order the proponent or the owner of a lot in the strata titles scheme to make a payment to that person in respect of the discharge, withdrawal or removal of the estate, interest or right.
- (19) If the whole or part of the parcel of a strata titles scheme is subject to a residential tenancy agreement within the meaning given in the *Residential Tenancies Act 1987* section 3, the Tribunal may order that on the termination of the strata titles scheme —

- (a) the tenant and the lessor must terminate the residential tenancy agreement under that Act; and
 - (b) the premises subject to the residential tenancy agreement are taken for the purposes of section 69 of that Act to cease to be lawfully usable as a residence; and
 - (c) if the tenant is given notice of termination under section 69 of that Act, then despite section 69(2) of that Act the period of notice must be not less than a period specified by the Tribunal; and
 - (d) the proponent or the owner of a lot in the scheme is to make a payment to the tenant under the residential tenancy agreement in respect of the termination of the residential tenancy agreement.
- (20) If the whole or part of the parcel of a strata titles scheme is subject to a retail shop lease within the meaning given in the *Commercial Tenancy (Retail Shops) Agreements Act 1985* section 3(1), then despite anything in that Act the Tribunal may order that —
- (a) the retail shop lease is terminated on the termination of the strata titles scheme; and
 - (b) the proponent or the owner of a lot in the scheme is to make a payment to the tenant under the retail shop lease in respect of the termination of the retail shop lease.
- (21) If the whole or part of the parcel of a strata titles scheme is subject to a lease or licence not referred to in subsection (19) or (20), the Tribunal may, subject to any other written law, order that —
- (a) the lease or licence is terminated on the termination of the strata titles scheme; and

- (b) the proponent or the owner of a lot in the scheme is to make a payment to the lessee or licensee in respect of the termination of the lease or licence.
- (22) The Tribunal's powers under this section are exercisable only by a judicial member (or by the Tribunal constituted of a judicial member and other members).
- (23) A strata company must, as soon as practicable after being given notice of the decision of the Tribunal on an application under this section —
 - (a) lodge with the Registrar of Titles notice of the decision in the approved form; and
 - (b) give written notice of the decision to each person entitled to receive notice of the application.

184. Endorsement of subdivision approval on plan

- (1) If a termination proposal can proceed further under section 182 (including, if required, because the Tribunal confirms the termination resolution under section 183) —
 - (a) the proponent of the proposal can then make a request to the Planning Commission to approve a diagram or plan of survey under the *Planning and Development Act 2005* section 145 and to endorse the approval of the plan of subdivision for the proposal obtained under section 177 on the diagram or plan of survey; and
 - (b) the owner of the land is taken to have consented to the proponent making the request under the *Planning and Development Act 2005*.

- (2) The *Planning and Development Act 2005* applies to a request under subsection (1) subject to any appropriate modifications.

185. Application for termination of scheme

- (1) The proponent of a termination proposal can make an application for termination of a strata titles scheme if —
- (a) the relevant approval has been obtained as set out in section 184; and
 - (b) the steps required to be taken before termination of the scheme for winding up the strata company under the termination proposal or an order under section 192 have been taken.
- (2) The application must be made within 12 months after the termination resolution has been passed or, if the proposal can only proceed if the Tribunal confirms the termination resolution, after the Tribunal has made an order under section 183 confirming the termination resolution.

186. Withdrawal of termination proposal

- (1) If the proponent of a termination proposal makes a decision not to proceed with the proposal, the proponent must, as soon as reasonably practicable, withdraw the proposal by written notice to the strata company and, if it is a leasehold scheme, the owner of the leasehold scheme.
- (2) A strata company that is given written notice of the withdrawal of a termination proposal from the proponent of the proposal must, within 14 days after being given the notice —
- (a) serve the notice on each person who is —

- (i) the owner of a lot in the strata titles scheme; or
- (ii) if the full proposal for the termination of the strata titles scheme has been served by the strata company — the occupier of a lot or the common property in the strata titles scheme; or
- (iii) a registered mortgagee of a lot in the strata titles scheme;

and

- (b) lodge with the Registrar of Titles notice of the withdrawal of the proposal in the approved form.

187. Notice that termination proposal cannot proceed further

- (1) This section applies if a termination proposal cannot proceed further for any of the following reasons —
 - (a) at the end of 3 months after the outline of the termination proposal has been submitted to the strata company, the requirements of section 176 have not been met;
 - (b) at the end of 3 months after the full proposal has been submitted to the strata company, the requirements of section 180 have not been met;
 - (c) at the end of 6 months after service of the full proposal by the strata company, a termination resolution has not been passed;
 - (d) at the end of 12 months after a termination resolution that does not require the confirmation of the Tribunal has been passed, no application for termination of the strata titles scheme has been made;

- (e) the termination resolution requires confirmation of the Tribunal and —
 - (i) the Tribunal makes a decision not to confirm the resolution; or
 - (ii) at the end of 12 months after the making of an order under section 183 confirming the termination resolution, no application for termination of the strata titles scheme has been made.
- (2) If this section applies, the strata company must —
 - (a) lodge with the Registrar of Titles notice, in the approved form, that the termination proposal cannot proceed further; and
 - (b) give written notice confirming that fact to —
 - (i) the proponent of the termination proposal; and
 - (ii) for a leasehold scheme, the owner of the leasehold scheme; and
 - (iii) each member of the strata company.

188. Notices received by Registrar of Titles

If a notice is lodged with the Registrar of Titles under this Division, the Registrar of Titles must —

- (a) record a notification in the Register; and
- (b) for a notice of withdrawal of a termination proposal or a notice that a termination proposal cannot proceed further, record the notice as a withdrawal of all earlier notifications recorded in the Register about the termination proposal.

189. Costs of process

- (1) A strata company may charge the proponent of a termination proposal reasonable fees to cover costs

associated with undertaking an activity under this Division.

- (2) The fees must not exceed any limits imposed by the regulations.
- (3) A strata company need not undertake the relevant activity until the fees have been paid.
- (4) If the strata company undertakes the relevant activity before receiving payment for the activity, the strata company can recover, in a court of competent jurisdiction, the fees for the activity as a debt owed to it by the proponent of the termination proposal.

190. Arrangements for independent advice or representation for owners

- (1) The regulations —
 - (a) must require the proponent of a termination proposal to enter into specified arrangements for the owners of lots in the strata titles scheme proposed to be terminated to obtain independent advice or representation in connection with the proposal; and
 - (b) must specify arrangements for obtaining fuller or more extensive advice or representation for a class or classes of owner identified in or under the regulations as vulnerable, having regard to —
 - (i) age, illness, trauma, disability or other factors that may impair the ability of an owner to consider and make an informed decision in relation to a termination proposal; or
 - (ii) financial disadvantage which would significantly impair the ability of the

owner to bear the cost of obtaining appropriate professional advice in relation to a termination proposal.

- (2) Without limitation, the arrangements may include a requirement for the proponent of a termination proposal to pay an amount to a trustee to be held in trust for owners to obtain independent legal advice or representation, valuation advice or reports or financial or taxation advice in connection with the proposal.
- (3) The regulations may specify terms of a trust referred to in subsection (2).

Division 4 — Termination by single owner

191. Application for termination by single owner

- (1) If all the lots in a strata titles scheme are owned by the same person, that person can make an application for termination of the scheme if, under the *Planning and Development Act 2005* Part 10 —
 - (a) a plan of subdivision for the termination of the scheme has been approved (that is, for the parcel to cease being subdivided by a strata titles scheme); and
 - (b) a diagram or plan of survey has been endorsed with that approval.
- (2) The *Planning and Development Act 2005* applies to the required approval subject to —
 - (a) the modification that a reference to subdivision is to be read as including a reference to termination of a strata titles scheme; and
 - (b) any other appropriate modifications.
- (3) For a leasehold scheme, if the applicant for cancellation of registration of the scheme is not the

owner of the leasehold scheme, the application can only be made if the owner of the leasehold scheme has given written consent to the application.

Division 5 — Directions for winding up of strata company

192. Order for directions about winding up of strata company

- (1) Before a strata titles scheme is terminated, an application may be made to the Tribunal for an order for directions about winding up the strata company by —
 - (a) an owner of a lot in the scheme; or
 - (b) a registered mortgagee of a lot in the scheme; or
 - (c) the strata company; or
 - (d) a judgement creditor of the strata company; or
 - (e) for a leasehold scheme, the owner of the leasehold scheme.
- (2) If proceedings are before the Tribunal under section 183, the application may be made in those proceedings.
- (3) Without limitation, an order under this section may include directions for —
 - (a) the sale or disposition of property of the strata company (including to whom and how proceeds must be disbursed); or
 - (b) the discharge of the liabilities of the strata company; or
 - (c) the administration and functions of the strata company.

- (4) The applicant and any person to whom a copy of the application has been given under the *State Administrative Tribunal Act 2004* section 45, is entitled to appear and be heard on the hearing of the application.
- (5) The Tribunal may vary an order made under this section on the application of any person who was entitled to appear and be heard on the hearing of the application for the order.
- (6) An order under this section prevails over steps specified in a termination proposal for winding up of the strata company to the extent of any inconsistency.

Division 6 — Notice, application and registration process

193. Notice of expiry or application for termination of scheme

- (1) A notice of the expiry of a leasehold scheme or an application for termination of a strata titles scheme must —

 - (f) be accompanied by the fee fixed by the regulations.
- (2) An application for termination of a strata titles scheme can be made before the diagram or plan of survey required for termination of the scheme is endorsed with the approval of the Planning Commission but the registration of the scheme cannot be cancelled until the diagram or plan of survey is so endorsed.

194. Registration process for termination of scheme

- (1) The Registrar of Titles must, to give effect to the termination of a strata titles scheme on an application for termination made in accordance with section 193 —
- (a) cancel the registration of the strata titles scheme; and

 - (c) for a leasehold scheme, record on or in connection with the certificate of title for the parcel the fact that the scheme is terminated.

- (2) The Registrar of Titles must, to give effect to the termination of a leasehold scheme with effect from the end of the expiry day for the scheme on a notice of expiry given in accordance with section 193 —

 - (b) cancel the certificates of title for the lots in the strata titles scheme; and
 - (c) record on or in connection with the certificate of title for the parcel the fact that the scheme is terminated.

195. Effect of termination of scheme

- (1) A strata titles scheme is terminated —
 - (a) for a leasehold scheme —
 - (i) at the end of the expiry day for the scheme; or

 - (ii) if the leasehold by-laws (as in force immediately before termination of the scheme) provided for the payment of compensation on the expiry of the scheme — the owner of the parcel of land (from time to time) is liable to pay compensation to the persons who were owners of lots in the scheme immediately before its termination as required under those by-laws;
- (e) for a freehold scheme — the persons who were owners of the lots immediately before termination of the strata titles scheme become the owners of the parcel of land as tenants in common in shares proportional to the unit entitlements of their respective lots immediately before termination of the scheme (or, if there was only 1 such owner, the person becomes the owner of the parcel of land);
- (f) the strata company ceases to exist;
- (g) all rights vested in the strata company immediately before it ceased to exist are vested in the persons who become the owners of the parcel of land on termination of the scheme;

 - (i) legal proceedings begun by or against the strata company may be completed by or against the persons who were owners of lots in the scheme immediately before its termination.
- (3) If 2 or more persons own a lot in a strata titles scheme, or are the owners of a leasehold scheme, that is terminated, the owners hold their share in the new parcel of land as tenants in common or as joint tenants in the same manner as they owned the lot or scheme and, if they owned it as tenants in common, in the same proportions as they owned the lot or scheme.

Division 7 — Termination on compulsory acquisition

 - (ii) the strata management contract; or
 - (iii) the performance of, or the failure to perform, a function conferred or imposed on the strata manager;
 - (h) a dispute between a buyer or prospective buyer of a lot in a strata titles scheme and the seller of the lot about a matter arising under Part 10;
 - (i) a dispute of a class specified in the regulations.
- (2) The following are *scheme participants* —
- (a) the strata company for the strata titles scheme;
 - (b) for a leasehold scheme, the owner of the leasehold scheme;
 - (c) a person who is appointed as an administrator of a strata company for the strata titles scheme;
 - (d) a member of the strata company for the strata titles scheme;
 - (e) the occupier of a lot in the strata titles scheme;
 - (f) the registered mortgagee of a lot in the strata titles scheme;
 - (g) a member of the council of a strata company, or an officer of the strata company, for the strata

titles scheme, who is not a member of the strata company.

- (3) The following are not *scheme disputes* —
- (a) a dispute with the Planning Commission or some other planning authority or a dispute that can be the subject of a review under the *Planning and Development Act 2005* Part 14;
 - (b) a dispute with the Registrar of Titles;

- (5) However, the occupier of a lot in a strata titles scheme can only apply for resolution of a scheme dispute under subsection (1)(a) if the dispute is about —
- (a) the scheme by-laws; or
 - (b) a resolution or decision of the strata company that directly affects the occupier; or
 - (c) an obligation or right of the occupier under this Act or the scheme by-laws.

198. Procedure

- (1) The Tribunal may, on application by a member of a strata company, if it is satisfied that a strata company has unreasonably refused to make an application to the Tribunal under this Act —
- (a) authorise the member to make the application on behalf of the strata company; and
 - (b) authorise expenditure up to a specified amount from a fund of the strata company for legal advice and legal action for the proceeding.
- (2) For the *State Administrative Tribunal Act 2004* section 45(1)(b), the following persons are entitled to a copy of, or notice of, an application to the Tribunal under this Act to which a strata company is a party —
- (a) each member of the strata company;
 - (b) each mortgagee of a lot who has given written notice of the mortgagee's interest to the strata company;
 - (c) the occupier of each lot in the strata titles scheme that would be affected if the order sought were made.
- (3) For the *State Administrative Tribunal Act 2004* section 45(1)(b), each mortgagee of a lot is entitled to a copy of, or notice of, an application to the Tribunal

under this Act to which the owner of a leasehold scheme is a party.

- (4) Despite the *State Administrative Tribunal Act 2004* section 45 —
- (a) the entitlement is to a copy of the application unless there is an approved form for the purpose, in which case, the entitlement is to notice in the approved form; and
 - (b) if the applicant is not the strata company —
 - (i) the obligation to give a copy of, or notice of, the application to the persons entitled under subsection (2) falls on the strata company rather than on the applicant; and
 - (ii) section 45(3) of that Act applies as if the strata company were the applicant.
- (5) In addition to the circumstances in which the *State Administrative Tribunal Act 2004* section 47 applies, that section applies to a scheme dispute if the Tribunal —
- (a) is not satisfied that the nature of the dispute is more than trivial; or
 - (b) is not satisfied that the applicant has an interest in the matter that is more than trivial and warrants recourse by the applicant to the Tribunal; or
 - (c) is satisfied that the purpose of the application is to harass or annoy, or to cause delay or detriment, or is otherwise wrongful; or
 - (d) is satisfied that the nature and gravity of the dispute is such that it is reasonable to expect the parties to resolve the dispute without recourse to the Tribunal.

- (6) The Tribunal may make a final decision in proceedings under this Act at a directions hearing if the Tribunal considers that appropriate.

Note for this section:

Under the *State Administrative Tribunal Act 2004* Part 4 Division 2 the Tribunal may, amongst other things —

- strike out all, or any part, of a proceeding if it considers that the matter, or any aspect of it, would be more appropriately dealt with by another tribunal, a court or any other person; or
- dismiss or strike out a proceeding if it believes that it is frivolous, vexatious, misconceived or lacking in substance, is being used for an improper purpose or is otherwise an abuse of process; or
- direct that proceedings be consolidated or split.

Under section 38 of that Act, the Tribunal may order that a person be joined as a party to a proceeding.

199. Declarations

- (1) In a proceeding under this Act, the Tribunal may make a declaration concerning a matter in the proceeding instead of any order the Tribunal could make, or in addition to any order the Tribunal makes, in the proceeding.
- (2) The Tribunal's power to make a declaration is exercisable only by a legally qualified member (or by the Tribunal constituted of a legally qualified member and other members).
- (3) Without limitation, a declaration may be made that —
- (a) a specified person has or has not contravened a specified provision of this Act, the scheme by-laws or a strata lease; or
 - (b) a specified clause of a strata lease is or is not invalid; or
 - (c) a specified scheme by-law is or is not invalid; or

- (d) a specified decision or resolution of a strata company is or is not invalid; or
- (e) a specified appointment or election of a member of a council of a strata company or an officer of a strata company is or is not invalid; or

- (3) If the Tribunal makes an order requiring the payment of money by a strata manager or scheme developer of a subdivision of land by a strata titles scheme, it may, on the application of a party to the proceeding or on its own initiative, by order, prohibit the strata manager or scheme developer from seeking or enforcing an indemnity from the strata company or any other party for the required payment.
- (4) An order may specify that it is to be taken to have come into effect on a date earlier than the date of the order.
- (5) An order may be made to take effect on default being made in complying with some other order made by it.

- (6) An order requiring amendment of a scheme document —
 - (a) must specify the extent to which the amendment is subject to the obtaining of the approvals and consents that would otherwise be required under this Act; and
 - (b) does not take effect until the Registrar of Titles registers the amendment of the scheme document.
- (7) An order may be expressed to remain in force for a specified period, until a specified event or until further order.

201. Interim orders

- (1) In a proceeding under this Act, the Tribunal may make an order on an interim basis (an *interim order*) if satisfied that by reason of the urgent circumstances of the case it should do so.
- (2) An interim order remains in force for the period (not exceeding 3 months) specified in the order and may be renewed by further order of the Tribunal for subsequent periods (not exceeding, in any case, 3 months).
- (3) An interim order may be made or renewed even if the period for parties to make written submissions has not expired.
- (4) An interim order is subject to variation or revocation by further order of the Tribunal.

202. Decision not to make order or declaration

In a proceeding under this Act, the Tribunal may make a decision not to make an order or declaration.

203. Certain powers only exercisable by judicial member or legally qualified member

- (1) The Tribunal's power to make an order under this Act is exercisable only by a judicial member (or by the Tribunal constituted of a judicial member and other members) if —
 - (a) the order affects a title to land (including through re-entry of a strata lease); or
 - (b) the order is an order confirming a termination resolution (as set out in section 183(18)); or
 - (c) the order is of a class required by the regulations to be made by a judicial member.
- (2) The Tribunal's power to make an order under this Act is exercisable only by a legally qualified member (or by the Tribunal constituted of a legally qualified member and other members) if the order is of a class required by the regulations to be made by a legally qualified member.

204. Limitations on orders

In a proceeding under this Act, the Tribunal cannot —

- (a) make an order requiring a schedule of unit entitlements for a strata titles scheme to be amended unless it is satisfied that, if unit entitlements were to be allocated at the time of the order, the schedule of unit entitlements would require amendment; or
- (b) make an order that the strata company is to be taken to have passed —
 - (i) a termination resolution; or
 - (ii) a resolution required for postponement of the expiry day for a leasehold scheme; or

- (iii) a resolution fixing or varying contributions unless the Tribunal is satisfied that the contributions fixed by the strata company are inadequate or excessive; or
 - (iv) a resolution fixing or varying the interest rate applicable to contributions unless the Tribunal is satisfied that the interest rate fixed by the strata company is unreasonable; or
 - (v) a resolution determining arrangements for payment of contributions in instalments unless the Tribunal is satisfied that the arrangements allowed by the strata company are unreasonable;
- or
- (c) make an order that the amount of insurance cover be varied unless satisfied that the amount for which the strata company has insurance as required by this Act is inadequate or excessive; or
 - (d) make an order to allow the keeping of an animal on specified conditions or prohibit the keeping of an animal on a lot or common property unless satisfied that the strata company has acted unreasonably; or

- (g) make an order in circumstances prohibited under the regulations.

205. Administrator of strata company

- (1) An order of the Tribunal appointing an administrator of a strata company may specify conditions of appointment of the administrator.
- (2) If the Tribunal makes an order appointing an administrator of a strata company —
 - (a) no person other than the administrator may, while the order remains in force, perform a function that the administrator is authorised to perform under the order; and
 - (b) any act or thing done or suffered by the administrator in the performance of a function under the order has the same effect as it would have had if the order had not been made and it had been done or suffered by the person or body who, but for the order, would have been entitled or required to perform the function; and
 - (c) the Tribunal may, by further order, vary or revoke the appointment.
- (3) An administrator of a strata company appointed by the Tribunal must, after performing a function under the order —
 - (a) make a written record specifying the function and the manner of its performance; and
 - (b) serve the record on the strata company.

206. Contributions for money payable by strata company

If the Tribunal makes an order that requires the payment of money by a strata company, the Tribunal

may, on the application of a party to the proceeding or on its own initiative, by order —

- (a) direct that the money (and any expenses and costs of making the payment) must be paid out of contributions levied in relation to the lots in the strata titles scheme, and in the proportions, specified in the order; and
- (b) direct the strata company to levy contributions in accordance with the order; and
- (c) prohibit the strata company from levying a contribution that would be payable by another party to the dispute.

207. Enforcement of order to act

- (1) An application for an order under this section can be made by a person who was the applicant in a proceeding under this Act in which an order to act was made.
- (2) If the Tribunal is satisfied that an order to act has not been complied with, or has been complied with in part only, by the person to whom it was given, the Tribunal may —
 - (a) vary, revoke or substitute the order to act; and
 - (b) make an order that the person to whom the order to act was given pay to the applicant a specified amount by way of compensation for the failure to act or to refrain from acting.

- (4) The variation, revocation or substitution of an order does not affect —
- (a) anything done under the order before the revocation; or
 - (b) a penalty that has been or may be imposed under the *State Administrative Tribunal Act 2004* section 95 for the failure to comply with the order.

208. Order overrides existing scheme by-laws

If an order of the Tribunal under this Act is inconsistent with scheme by-laws as in force when the order is made, the order prevails over the by-laws to the extent of the inconsistency.

Note for this section:

If scheme by-laws are inconsistent, the Tribunal may make an order requiring by-laws to be amended in a specified manner.

209. Original jurisdiction

Unless otherwise provided in this Act, a proceeding before the Tribunal under this Act comes within the Tribunal's original jurisdiction.

lot, in a strata scheme, means 1 or more cubic spaces forming part of the parcel subdivided by the strata scheme, the base of each such cubic space being designated as 1 lot or part of 1 lot on the floor plan forming part of the scheme plan, being in each case, but subject to clause 3AB, cubic space the base of whose vertical boundaries is as delineated on a sheet of that floor plan and which has horizontal boundaries as ascertained under subsection (2), but does not include any structural cubic space except if —

- (a) the boundaries of the cubic space are fixed under clause 3AB; or

 - (i) has boundaries described in accordance with the regulations; and
 - (ii) is shown in that floor plan as part of a lot;

structural cubic space means —

- (a) cubic space occupied by a vertical structural member, not being a wall, of a building; and
- (b) utility conduits in a building; and

but, except if clause 3AB applies, does not include utility conduits that are for the exclusive use or enjoyment of 1 lot.

2A. Dividing fences

Sections 213 and 214 apply to a single tier strata scheme as if it were a survey-strata scheme.

3. Terms used

In this Schedule —

permitted boundary deviation means a part of a lot that is above or below another lot in a single tier strata scheme in circumstances allowed by the regulations;

single tier strata scheme means a strata scheme —

- (b) that would come within paragraph (a) except for any lot that has a permitted boundary deviation.

Part 2 — Lot boundaries

4. Order for extension of period for reinstatement of building without affecting boundary

- (1) This clause applies if a part of a building on a lot that constitutes a permitted boundary deviation has been destroyed as mentioned in clause 3AB(2).

 - (a) the owner of the lot; or
 - (b) a registered mortgagee of the lot.
- (3) The application must be made within 1 year from the time when the destruction occurred.
- (4) An order under this clause is an order extending the period within which the destroyed part of the building may be reinstated.
- (5) The period is not to be extended so that the period is more than 5 years from the time the destruction occurred.
